total Amount of these Advances together with other Claims of the Crown, arising from Imposts he was directed by Lord Goderich's Despatch of to be carried to the Credit of the Colonial Fund, with Exception of such a Portion thereof, as it might be found necessary to transfer to the Commissariat Department on Account of Overdrafts on the Imperial Treasury subsequent to the 31st of March 1832.

The various sums received from time to time on Account of these Advances have been carried to the credit of the Casual Colonial Revenue, and from this Source a considerable Amount has accrued but as yet no particular Claim has been made in favor of the Commissariat.

On 20th of April 1836 a Board was appointed to revise and adjust the Advance Account, and to ascertain the Balance due to the Crown on the 31st of March 1836. The total Amount outstanding (as reported by the Board) on that day was £12657 4s. 8d. Of this Amount the greater part has been secured by Mortgages and other Securities, and is now in Course of Liquidation.

QUESTIONS.	ANSWERS.
Whether Common Gaol or House of Correction?	Used as Both
Under whose jurisdiction and superintendence?	Of the Magistrates of the Colony
Number of Officers, and how appointed?	One Gaoler appointed by Government with an occasional Assistant to superintend the Prisoners at Work outside the Gaol or when any violent Character are confined.
Number of Classes, Wards, or Divisions, Work-Rooms, Day-Rooms, and Airing-Yards, and whether the same can be extended or increased?	It contains 12 Cells opening into one common Yard the Building being in the shape of a Dodecagon One Cell is used as a Ward Room or Entrance. One for a Gaolers Bed Room. One for a Kitchen, Two for Privies and 7 for the purpose of Custody. The inner Yard or Area surrounded by these Cells is used as an airing Place. It contains a Well and a Hand Corn Mill, which worked by the Prisoners grinds all the Wheat consumed in the Prison. There are no other means of Classification than Separate Cells. Things may be added to prevent Burglary
Dietary or Weekly Allowance, and Weekly Cost per head?	1½ lbs of Bread and ¼ lb of salt meat to Prisoners at Work daily. 1½ lbs of Bread alone to those not at Work with ½ lb of Meat or Sundays or on good behaviour 1 lb of Fresh has been occasionally substituted for the ½ lb of Meat. A Weekly allowance of Vinegar is also made
Allowance of Clothing and Bedding, and Cost per head?	Two Shirts. Two Trowsers One Jacket one Palicoe One Blanket, one Coverlet and one Pair of Shoes
Description of Employment and Hard Labour?	Breaking Stones for and Mac-Adamizing the Streets of Emmanuel. Building Sea Walls to prevent Drift of Sand and in building a Jetty
Hours of Labour and of Exercise?	Hours of Labor, nine Hours a day when not at Work. Permission is given to walk about the Yard —
Amount of Earnings, how applied, and in what proportion to each class of Prisoners, to the Officers of the Prison, and to the Fund applicable to the Maintenance of the said Prison?	The Labour performed by the Prisoners is altogether on account of the Crown
Whether a Classification has been observed? If not, for what reasons; and what measures have been taken to remedy this defect?	There are no means of Classification except by Confinement in Separate Cells. No other means are possible from the nature of the Building which is composed of 12 Cells surrounded by a common outer Wall and opening into a Common inner Yard. The defect can be remedied only by a systematic Enlargement of the Building to which the Colonial Funds are inadequate. —

RETURN of the GOALS, &c.—*continued.*

QUESTIONS.	ANSWERS.
What Duties are performed by the Chaplain, what Provision made for Instruction, and whether Prisoners are supplied with Bibles and other Books?	There is only one Clergyman in the Colony stationed at the Seat of Government Perth 12 miles from Fremantle. He is however one of the visiting Magistrates, and occasionally inspects the Gaol, a sufficiency of Bibles and some Books are always in the keeping of the Gaoler.
Attendance of the Surgeon, and whether Separate Apartments or Buildings are provided for the sick?	
Reasons for non-employment of Prisoners, with reference to the proper column?	Prisoners are invariably employed when under Sentence. Those for Trial are offered the Option of Working on the Terms of their receiving the Ration of Meat allowed to such as are at Labour
Reasons for Punishments, by solitary confinement, by Whipping, or Irons?	One Native and one Invalid European Offender have been punished by a few Lashes during the last Year for attempts to break Prison. No other Punishment except by Sentence of Court of Session
Is there any Insane Prisoner in confinement? State his or her name, age, and for what offence committed. How long has he or she been in confinement? How long has he or she been insane?	None
General Observations.	The above Return is confined to the Gaol at Fremantle There is a Building at Perth called the Gaol, and commenced for the purpose of being used as such. But is very unsuited for a Place of permanent Confinement, and has in Consequence been used as a Commissariat Store, with the Exception of One Cell for the temporary ~~Shelter~~ Custody of disorderly Persons or Prisoners committed for Trial, or after summary Conviction until they can be conveyed to Fremantle; a second Cell is used as a Black Hole by the Military.
