ABSTRACT

OF THE

NET REVENUE AND EXPENDITURE

OF

Western Australia

FOR THE YEAR

1838.

Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately the Sources from which the Receipts have been derived, on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from his Majesty's Treasury, and, on the other, the Total Expense incurred by each Department of the Government; distinguishing the Ordinary Established Charge of the several Offices from their Contingent and Accidental Expenses.

Such Observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure, must form the subject of a Special Report to accompany the Blue Book when transmitted to the Secretary of State.

GENERAL OBSERVATIONS.

The above Return is confined to the Gaol at Fremantle There is a Building at Perth called the Gaol and Commenced for the purpose of being used as such. But it is very unfitted for a place of permanent Confinement, and has in Consequence been used as a Commissariat Store with the exception of One Cell for the temporary Custody of disorderly Persons or Prisoners Committed for Trial or after summary Conviction, until they can be removed to Fremantle, a second Cell is used as a Black Hole for the Military
