ABSTRACT

OF THE

NET REVENUE AND EXPENDITURE

OF

Western Australia.

FOR THE YEAR

ending 30th of September
1841.

Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately the Sources from which the Receipts have been derived, on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from Her Majesty's Treasury, and, on the other, the Total Expense incurred by each Department of the Government; distinguishing the Ordinary Established Charge of the several Offices from their Contingent and Accidental Expenses.

Such Observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure, must form the subject of a Special Report to accompany the Blue Book when transmitted to the Secretary of State.

RETURN of the GAOLS, &c.—*continued.*

QUESTIONS.	ANSWERS.
1. General description of the Prison; whether Common Gaol, House of Correction, or otherwise? (To be accompanied by a Ground Plan of the Buildings, &c.)	The Building is a Dodecagon inclosing an inner area of thirty seven feet in Diameter, used as a place of exercise for Prisoners committed for trial or not sentenced to hard labor and as a washing yard. In the centre is a well. This building is used both as a Common Gaol and House of Correction.
2. Under whose jurisdiction and superintendence; and what measures are adopted for securing the Visitation of the Prison by the Local Magistrates or other authorities? (A Copy of the Rules and Regulations to be forwarded with the Return.)	Under the immediate Jurisdiction of the Justices of the Peace for the Colony so far as relates to all points of Discipline, but under the superintendance of the Local Government in all matters relative to expenditure. Two visiting Magistrates are by the Rules and Regulations of the Gaol to be appointed annually at the January Qr Sessions of whom one is always the Government Resident at Fremantle, who daily inspects the Gaol and resides in its immediate neighbourhood.
3. Number of Officers, and how appointed? Do all the Officers reside in the Prison? Are Female Prisoners attended by Female Officers exclusively?	There is one Gaoler with an occasional assistant to superintend the work of Prisoners sentenced to hard Labor, and working outside of the Gaol. They are both appointed by the Governor. The Gaoler always resides within the prison. When females have been committed (which hitherto has been of rare occurrence) they are set to Cooking, Washing and similar domestic offices in the ward used as the Gaol Kitchen, under the personal superintendence of the Gaolers wife and at night are of course locked up in a seperate Cell. The Gaoler has always been a married person with his wife residing with him in the Gaol. —
4. Number of Classes, Divisions, or Wards, Day-rooms, Work-rooms, and Airing-yards (with reference to Plan); and whether the same can be extended or increased?	A glance of the accompanying plan, will at once shew that there can be no other division or classification than that of locking up in seperate Cells. So far as such means admit every possible discrimination of sex, age, and character has been observed. The Plan will equally shew that there is no other place of exercise, but the inner area already alluded to. It is but very seldom that the Gaol contains any prisoner who is not sentenced to hard labor, or who not being judicially subjected thereto, is not willing to submit to it, in order to obtain increased Rations, an Option which the Gaol regulations allow. Consequently it is very seldom that any prisoner can require the Yard as a place of exercise. There is abundance of Crown Land surrounding the Gaol, for an indefinite extension both of the Buildings itself, and for appendant Yards.
5. Number of Sleeping-cells, Solitary or Dark-cells, &c.; and if any are below-ground?	The total number of Cells in the Gaol is twelve of which, one is occupied as a Gaolers Residence one for a Kitchen, two as Privies, and the remaining eight as sleeping Cells each of which are quite adequate to the Accommodation of Two females. One Cell has been lined with solid Planking for the Confinement of refractory or dangerous characters but none of them have any distinctive character as to "Solitary" or "dark" None are underground.

RETURN of the GAOLS, &c.—*continued.*

QUESTIONS.	ANSWERS.
6. Dietary or Weekly Allowance, and Weekly Cost per head for the different descriptions of Prisoners?	1½lbs of bread and ½ lb of salt meat to Prisoners at work daily, 1½lb of bread alone to those not at work with ½ lb of meat on Sundays or good Behaviour 1 lb of Fish has been occasionally substituted for ½lb of Meat, a weekly allowance of Vinegar is also made.
7. Allowance of Clothing and Bedding, and Cost per head?	Two shirts, Two Trousers, one Jacket one Palisse, one Blanket, one Coverlet, and one pair of shoes.
8. Hours of Labour and Exercise?	Hours of Labor Nine hours a day when not at work permission is given to walk about the inner Yard.
9. Description of Employment and Hard Labour?	Macadamizing the Streets of Fremantle and works of public Improvement in the neighbourhood of the Gaol.
10. Amount of Earnings, and how applied; in what proportion to the Prisoners, to the Officers, or to the fund for the maintenance of the Prison?	The Labor of the Prisoners is entirely on Account of the Government, and there is nothing in the nature or produce of their labor to which the term "Earning" is applicable.
11. Whether the Classification directed by the Colonial Act has been observed: if not, for what reasons; and what measures have been taken to remedy this defect?	See answer to question 4.
12. Are Convicted Prisoners prohibited from receiving Visits, or Letters, or any articles of Food or Clothing from their Relatives or Friends: if not, under what restrictions?	Convicted Prisoners are allowed to see their Friends and to receive Comforts or Necessaries, not supplied in the ordinary Gaol return (with the exception of Wine and Spirits) by Order of the resident visiting Magistrate. Their Letters are subject to the Inspection of the Gaoler.

RETURN of the GAOLS, &c.—*continued.*

QUESTIONS.	ANSWERS.
13. Is there a Chapel in the Prison, or suitable Apartment for the performance of Religious Services? How are the Prisoners separated therein?	None, but Divine service has hitherto been performed by the resident Magistrate with prisoners of the Prisoners at the Court House close to the Gaol; where the Females have seperate Seats
14. What Duties are performed by the Chaplain? What Provision is made for the Instruction of the Prisoners; and are they supplied with Bibles and other suitable Books?	There is no Chaplain, see answer above. The prisoners are supplied with Bibles and prayer Books, and some religious tracts have been furnished to the Gaoler for their use and benefit.
15. Are Dissenting Ministers allowed to have access to the Prisoners; and, if so, at what times, and under what restrictions?	There is but one dissenting Minister (a Wesleyan) in the Colony whose time is fully occupied by his ordinary duty at Perth. He would unquestionally be admitted to the Gaol, by order of the Resident visiting Magistrate, if wished at any reasonable hour
16. What Duties are performed by the Surgeon? Are separate Buildings or Apartments provided for the Sick?	A resident Surgeon attends whenever required. A Separate Cell is given up to the Patient: but Illness of a serious nature has been very rare.
17. What Diseases have been most prevalent during the Year (in reference to Columns 10 and 11, Return No. 1)?	
18. Reasons for Non-employment of Prisoners (in reference to Column 8)?	

RETURN of the GAOLS, &c.—*continued.*

QUESTIONS.	ANSWERS.
19. Reasons for Punishments, by Whipping, Irons, Solitary Confinement, or otherwise?	Prison Breach
20. Is there any Insane person in confinement? State his or her Name and Age, and for what Offence committed? How long has he or she been in confinement; and is such Person separated from the other Prisoners?	None
21. Are any, and what Fees demanded of Debtors, or of any other Prisoners, either at their Admission to, or Discharge from, the Gaol?	The Law of the Colony does not admit of arrest for Debt either on Mesne process or in execution, with the exception of the simple case in which a Debtor is about to abscond from the Colony, in which latter case the Debtor has either been immediately released on giving a Bail Bond to the Sheriff, or (as the Writ is made returnable immediately, and the Civil Court sits specially on such occasions) he is brought into Court at once and discharged as soon as Judgment is given, Execution being allowed to issue instantly against his Property; so that his Confinement never exceeds a few hours.
22. General Observations.	None to add
