ABSTRACT

OF THE

NET REVENUE AND EXPENDITURE

OF

Western Australia

FOR THE YEAR

1849.

Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately the Sources from which the Receipts have been derived, on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from Her Majesty's Treasury, and, on the other, the Total Expense incurred by each Department of the Government; distinguishing the Ordinary Established Charge of the several Offices from their Contingent and Accidental Expenses.

Such Observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure, must form the subject of a Special Report to accompany the Blue Book when transmitted to the Secretary of State.

Perth.	Gov.t Colonial School Free to any Pupils of any denomination whose parents may be unable, or unwilling to pay: but in the case of those whose circumstances may be so good as to render their gratuitous education unjust to others, it is intended as a discouragement to such class to limit the amount of Instruction. No such case however has as yet occurred and generally speaking the parents prefer paying.	Boys School W. D. Williams Mast. Gov.t Salary £70 p. an.	50	"	50.		The Local Government pays the second Salaries before name, & also assists in the supply of necessary School requisites. The Gov.t has also provided School houses for the Perth Schools. —	Contributions are raised from private Individuals in Perth for the support of the Perth School. The money so raised is applied to the general purposes of the Schools providing prizes, School furniture & necessaries. Out of this fund the additional Salaries to the Teachers are paid. —			A general Board of Education has been appointed by the Local Gov.t with a view to establish a general System of Education in the Gov.t Colonial Schools, all Masters of which in receipt of Government pay being under the management of the Board, subject, of course, to the control of the Local Government. The design has been to confine the Schools to secular Instruction only — the Bible being read as far as possible without Note or Comment, and all purely doctrinal teaching carefully avoided, — leaving the more important subject of religious instruction to the Parents themselves, the Ministers of the different denominations (out of the Schools) and to the influence of Sunday Schools. — The system appears to be approved among the Colonists, with the exception of the Roman Catholics, who have, thro' their Bishop, refused to join in any System of Public Instruction other than "the Irish National System" & who have now obtained a separate grant of the Public money for the Education exclusively of children of their own persuasion. This separation of the Roman Catholics has rendered practicable the reading the Bible without Note or Comment.

QUESTIONS.	ANSWERS.
1. General description of the Prison; whether Common Gaol, House of Correction, or otherwise? (To be accompanied by a Ground Plan of the Buildings, &c.)	The Gaol at Fremantle is a Dodecagon Inclosure with 12 cells and inner area of 37 feet in diameter; there is a cell in the centre. It is now chiefly used as a Prison for persons committed for trial. There are no means of classification of Prisoners nor of separation of Sexes except by total Solitary confinement. Some of the cells are occasionally used for Lunatics, there being no lunatic Asylum in the Colony. The Perth Gaol is capable of containing 52 Prisoners and the practice now is adopted after conviction except in cases of murder, of employing them on the Public Works. The Jail is insecure, insufficient and unfitted for its purpose.
2. Under whose jurisdiction and superintendence; and what measures are adopted for securing the Visitation of the Prison by the Local Magistrates or other authorities? (A Copy of the Rules and Regulations to be forwarded with the Return.)	Perth Gaol is under the jurisdiction of the Sheriff, assisted by two Visiting Magistrates specially appointed. The District Jails under the jurisdiction of the Resident Magistrates, and Supreme Control of Government in all matters of Expenditure.
3. Number of Officers, and how appointed? Do all the Officers reside in the Prison? Are Female Prisoners attended by Female Officers exclusively?	At Perth there is one Gaoler who does not reside in the Gaol. The Gaoler at Fremantle has apartment in the Gaol. No special provision is made for female prisoners in either Gaols.
4. Number of Classes, Divisions, or Wards, Day-rooms, Work-rooms, and Airing-yards (with reference to Plan); and whether the same can be extended or increased?	There are no means of classification of either, except so far as a separation of White & Native Prisoners at Perth, there being a separate building for the latter. Perth Gaol might be extended but not improved. It is incapable of amendment, Its Malposition alone and general deformity in the face of the principal government buildings demand its demolition.
5. Number of Sleeping-cells, Solitary or Dark-cells, &c.; and if any are below-ground	At Perth the Gaol consists of one Spacious room for ~~Natives~~ White prisoners, one less Spacious for Natives and a smaller one lately added to the Building, and two solitary Cells. No Cells below ground.

19. Reasons for Punishments, by Whipping, Irons, Solitary Confinement, or otherwise?	
20. Is there any Insane person in confinement? State his or her Name and Age, and for what offence committed? How long has he or she been in confinement; and is such Person separated from the other Prisoners?	None.
21. Are any, and what Fees demanded of Debtors, or of any other Prisoners, either at their admission to, or Discharge from, the Gaol?	The Law of the Colony does not admit of arrest for Debt either on Mesne process or in Execution, with the exception of the simple case in which a Debtor is about to abscond from the Colony. The debtor is however immediately released on giving Bail Bond to the Sheriff for as the writ is made returnable immediately and the Civil Court sits specially on such occasions, he is brought into court at once and discharged as soon as judgment is given Execution being allowed to follow immediately against his property. So that his confinement seldom exceeds a few hours.
22. General Observations.
