ABSTRACT

OF THE

NET REVENUE AND EXPENDITURE

OF

Western Australia

FOR THE YEAR

1857

Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately the Sources from which the Receipts have been derived: on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from Her Majesty's Treasury; and, on the other, the Total Expense incurred by each Department of the Government; distinguishing the Ordinary Established Charge of the several Offices from their Contingent and Accidental Expenses.

Such Observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure, must form the subject of a Special Report to accompany the Blue Book when transmitted to the Secretary of State.

By Circular dated Downing Street, 9th August 1854, it is ordered that a general report of the state of the Government House is to be inserted in the Annual Blue Book.

The site appropriated for the Government Domain is exceedingly well qualified for the purpose, the situation central, healthy and sufficiently large.

The House was erected in the very early days of the Colony, is very small, in an exceedingly dilapidated state, leaks in all parts, and is beyond repair.

It is unsafe, unhealthy and totally unfit for the residence of any private Gentleman, much less Her Majesty's Representative.

In the middle of 1857 a new set of Land Regulations for selling and leasing the Waste Lands of the Crown in Western Australia was forwarded to England for the consideration and approval of Her Majesty's Government, and pending the receipt of a decision thereon the Public were apprized by Notice on the 24th July that no leases would thereafter be issued for any period beyond the end of 1858, or with any allowance for unavailable land or in a larger quantity than 10000 acres in one lease; but that holders of leases on those terms would be entitled to claim renewals of them under the new Regulations, whenever promulgated.

The Lands let on Pastoral and Tillage Lease during 1857 were as follow:

	acres
192 Pastoral Licenses for one year comprising	535-318
319 Class B Pastoral Leases	3.974-084
29 Tillage Leases	3 035
	4512-437
