

Academic Skills Development

Improve your writing, English language, maths, stats, time management, research, referencing, and evidence-based study skills.

Academic Skills Centre Online Consultations

Book for one-on-one advice and feedback on your assignments, writing and study skills, English language and maths & stats via Microsoft Teams. **UWA's Academic Skills Centre** is here to help you.

Drop-ins @ Barry J Marshall Library: Tuesdays & Thursdays

Drop by the ground floor of the Barry J Marshall Library between 10am-12pm on Tuesdays and Thursdays for on-the-spot Writing & Referencing and Maths & Stats drop-in advice with UWA Academic Skills Advisers. No need to book; just come along.

Workshops, Resources and After-Hours Advice

Visit our website for links to academic skills workshops, consultations and after-hours study support. Access UWA Study Success LMS and find resources, videos and guides to support your learning.

Book a Librarian Services

Book an online appointment with a University Librarian for help with referencing, evaluating information and finding sources.
