# AMEB Award Program 2019

After a two-year free trial, attracting over 80 participants, 2019 saw the launch of the official AMEB Award Program in Western Australia. Over 40 participants enrolled in the new program at the reduced 'early bird' rate of \$50.00 per participant.

The aim of the AMEB Award Program is to provide a means by which music/speech and drama students can draw together school activities and AMEB examinations, allowing them to gain credit for school/community contributions and performances, including extra activities within the school or community that are sometimes unacknowledged. The AMEB Award Program enables students to demonstrate the breadth and service aspects of their music and/or speech and drama activities, as well as offering another form of recognition for work they have already undertaken.

Participants who complete all requirements of the program receive a lapel pin and certificate at a ceremony organised by the AMEB, or at an appropriate occasion within the enrolling school. Participants can also list their participation in the Award Program on their résumés.

There are three Award categories - Bronze, Silver and Gold. Each award has a specific set of requirements as listed in the table below. The school/community-based activities must be completed within one school calendar year, but participants are able to use AMEB examinations, which have been completed two years prior to enrolling in the program.
