FOR THE BEST IN PIANOS, SEE SNADENS

Established in Perth in 1921, Snadens Pianos offers the finest in grand, upright and digital pianos and is considered to be Western Australia's Premier Piano House. Snadens Pianos is still a family business and is owned by Zenith Music and run by the Cranfield family who purchased Snadens in 1997.

At Snadens Pianos you'll find a selection of Kawai grand, upright and digital pianos, Shigeru Kawai grand pianos, the premier piano of Japan, Rönisch the famous maker made in Leipzig Germany, Irmeler pianos designed by Blüthner, and Fazioli concert grand pianos made in Italy which are "considered better than what was once considered the best".

The people at Snadens Pianos are piano people who understand the needs and requirements when you are seeking your first, more advanced, or your dream piano.

Being part of the Zenith Music Group, a longterm Western Australian owned family business, Snadens Pianos is committed to the piano and music education meaning you can trust Snadens.

AMEB Award Program 2020

The aim of the AMEB Award Program is to provide a means by which music/speech and drama students can draw together school activities and AMEB examinations, allowing them to gain credit for school/community contributions and performances, including extra activities within the school or community that are sometimes unacknowledged. The AMEB Award Program enables students to demonstrate the breadth and service aspects of their music and/or speech and drama activities, as well as offering another form of recognition for work they have already undertaken.

Participants who complete all requirements of the program receive a lapel pin and certificate at a ceremony organised by the AMEB, or at an appropriate occasion within the enrolling school. Participants can also list their participation in the Award Program on their résumés.

There are three Award categories - Bronze, Silver and Gold. Each award has a specific set of requirements as listed in the table below. The school/community-based activities must be completed within one school calendar year, but participants are able to use AMEB examinations, which have been completed two years prior to enrolling in the program.
