AMEB Awards for Excellence

AMEB WA is proud to be recognising the outstanding results in both the Music, and Speech and Drama examinations in 2023. To achieve an Award of Excellence, candidates have achieved an A+ result. These exceptional outcomes represent a level of skill development that deserves acknowledgement. We warmly congratulate all recipients.

In Music, candidates have demonstrated excellent achievement meeting syllabus objectives in all sections, including performance flair, consistent technical fluency and penetrating stylistic insight. Similarly, candidates in Speech and Drama have demonstrated exceptional achievement in all areas of performance. Theory exam candidates have achieved a score of 100% in grades 1-3, and over 95% in following grades.

Recipients of our coveted AMEB Associate and Licentiate diplomas have demonstrated an outstanding degree of technical and interpretative mastery in Music and achieved a professional level of presentation in Speech and Drama.

To all candidates, we extend our heartfelt congratulations. To the teachers, family members, schools and local community groups of every candidate who participates in AMEB examinations, we acknowledge your wonderful support, mentorship and encouragement. Thank you for your investment into an emerging generation of artists, and the development of skills that stretch far beyond the arts.

The AMEB (WA) is proud to be an association that promotes the arts in our community. We know that engaging in the arts is important and beneficial to all generations. The body of evidence demonstrating the influence of performing arts in brain development at any age is staggering, not to mention the positive impact on the mental health of both individuals and communities.

We look to the year ahead with enthusiasm. At our core is a desire to support the West Australian community of teachers nurturing their students to marvellous heights.

On behalf of the team at AMEB WA, we wish you all the very best.

AMEB Award Program 2023

The aim of the AMEB Award Program is to provide a means by which music/speech and drama students can draw together school activities and AMEB examinations, allowing them to gain credit for school/community contributions and performances, including extra activities within the school or community that are sometimes unacknowledged. The AMEB Award Program enables students to demonstrate the breadth and service aspects of their music and/or speech and drama activities.

Participants who complete all requirements of the program receive a lapel pin and certificate at an appropriate occasion within the enrolling school. Participants can also list their participation in the Award Program on their résumés and receive WACE units contributable to their Year 12 Statement of Results.

There are three Award categories - Bronze, Silver and Gold. Each award has a specific set of requirements as listed in the table below. The exam and activities must be completed within one year of enrolment for the program.

Award Categories and Criteria

THE WA AMEB AWARD

**SHINING A SPOTLIGHT ON STUDENT'S ACHIEVEMENT
AND COMMITMENT IN THE PERFORMING ARTS.**

The WA AMEB Award is an exciting nationally recognised program that recognises the commitment that individuals of all ages make to the performing arts.

This prestigious award acknowledges an individual's contribution both on stage and behind the scenes, cultivating sought-after skills in **leadership, communication, collaboration** and **creativity**.

By undertaking three key Award requirements: performances; skill development; and broadening activities, participants expand their creative horizons and develop core performance skills. Participants in years 10-12 of their education can also gain points towards their high school WACE graduation!

Those completing the award gain official recognition for their achievement in the form of an AMEB Award Certificate and Award Pin.

The Award is recognised by the School Curriculum and Standards Authority of Western Australia (SCASA), where it is an Endorsed Program for secondary school WACE graduation; by leading arts organisations; and by Universities, including UWA's Experienced-based entry pathway!

For schools and community groups the Award Program a great way to foster community, elevate ensemble performance and nurture new skills and talents.

Under the award, participants receive 'credit' for their activities, which results in a strong sense of belonging, meaning higher attendance rates and retention of students/participants. Participants also deepen their understanding and appreciation of the arts.

Building Community

The award encourages and builds community through active participation in the running of ensembles and other arts-based activity. This could mean regularly helping with set-up of equipment, assisting with marketing, helping behind the scenes etc, helping to build community-mindedness and a sense of belonging.

Upskilling

Participants develop their skills through the vehicle of AMEB exams, inspiring them to excel in their chosen area and raising standards across the board. The more people that participate, the greater the benefit!
