

Library Key Statistics 2019

Student experience

“Your staff are absolutely fabulous, and are always so willing to help. I have only ever felt supported and welcomed despite asking questions that they must have heard at least 8 million times!”

82% of students are happy with Library Services

Research

The Library collects and provides access to the University’s research outputs for the purpose of ERA and to promote UWA research.

UWA Profiles and Research Repository includes:

140,146 publications
