Access to your thesis

You are required to submit an electronic copy of your thesis on CD or flash drive in PDF format only. Word versions cannot be accepted. Please fill in the below for all files on the CD or flash drive you submit. *(Please attach a separate sheet if your work is spread over more than 3 files.)* Permission should be sought from the author/copyright holder for all third party copyright material featured in a thesis. (http://www.library.uwa.edu.au/repository/copyright)

i. File name:	**This file contains: (e.g. entire thesis)**

ii. Author Keywords (Please use the following keywords and phrases to describe the content of my thesis. e.g. transformer noise.)

iii. UWA Research Repository participation

The UWA Research repository provides an open access platform to capture, store, index, and distribute globally a wide range of research outputs produced by the University's researchers and postgraduate students. It aims to increase the profile and impact of the University's research by facilitating open access to it. Participation allows the student, supervisor and the University to promote their research to their peers.
More information is available from the Library website http://www.library.uwa.edu.au

☐	I hereby authorise the University Library to digitise my thesis and mount it within the UWA Research Repository for open access.

Copyright

I hereby declare that in this thesis:

a. I am the creator of all or part of the whole work(s) (including content and layout).
b. The work(s) are not in any way a violation or infringement of any copyright, trademark, patent, or other rights whatsoever of any person.
c. If the work(s) have been commissioned, sponsored or supported by any organisation, I have fulfilled all of the obligations required by such contract or agreement.

Author's copyright

a. I understand that, as the author I retain any rights that I had prior to depositing my thesis and that I am free to publish this work(s) elsewhere in its present or future versions.
b. I grant to UWA Research Repository, a non-exclusive licence to store and/or communicate this thesis on the terms outlined in Repository Terms* below.

Other people's copyright and published material

a. I warrant that I have all the necessary permissions to reproduce and communicate all copyright material contained in this thesis (including from the Publishers of my own published works) and to make it available and accessible in an open institutional repository.
b. I confirm that I have all the necessary permissions to reproduce and communicate all photos and images in this thesis and to make them available and accessible in an open institutional repository.

***Repository Terms (The Repository's Rights and Responsibilities)**

The University, through the UWA Research Repository:

a. May distribute copies of the work(s) (including any abstracts) worldwide, in electronic format via any medium for the lifetime of the repository for the purpose of free access without charge unless the depositor has successfully applied for restricted access.
b. May electronically store, convert or copy the work(s) to ensure their future preservation and accessibility.
c. May incorporate metadata or documentation into public access catalogues for the work(s).
d. Shall retain the right to remove the work(s) for professional or administrative reasons, or if they are found to violate the legal rights of any person.
e. Shall not be under obligation to take legal action on behalf of the depositor or other rights holders in the event of infringement of intellectual property rights or any other right in the material deposited.
f. Shall not be under obligations to reproduce, transmit, or display the work(s) in the same format or software as that in which it was originally created.
g. Will make the work(s) available in accordance with the *Copyright Act 1968, unless specified otherwise by the depositor*.
