

Linking your Research Output with CMCA Equipment in the UWA Profiles and Research Repository

Background

You can now link your publications, research datasets, grants and CMCA equipment in the UWA Profiles and Research Repository. This will help you enhance your Researcher Profile for potential collaborators.

Linking to CMCA Equipment

- 1) [Login](#) to the UWA Profiles and Research Repository.
- 2) Select the **Research Output** or **Dataset** which you would like to add a CMCA equipment connection.
