

We respect and are inspired by

the thousands of years of musical stories

told on Whadjuk Noongar land.

We recognise the Traditional Owners of this Country

and their connection to the lands, waters and skies.

Across Music Theatre, Electronic, Classical and Contemporary Popular Music, our programs explore rich traditions, bold contemporary ideas, and experimental approaches, reflecting the many ways music is made and experienced today.

We showcase the very best of Western Australia's emerging artists alongside celebrated performers from across the sector.

Through close partnerships with organisations including West Australian Opera and the West Australian Symphony Orchestra, alongside industry collaborators such as Breaksea and Mirabilis Collective, and presented in venues across the State, we create opportunities for the wider community to engage with music through performances, collaborations, and shared creative experiences, while also connecting students directly with the professional music sector.

WE INVITE YOU TO FILL YOUR WORLD WITH MUSIC.
