

OS-HELP is an Australian Government loan scheme for eligible students undertaking part of their study overseas. OS-HELP may be used to cover expenses associated with the overseas study, such as airfares, accommodation and other travel expenses. Please refer to the UWA OS-HELP Guidelines and Study Assist website for information about eligibility requirements and loan conditions prior to completing this application. There are two rounds of applications each year. Application closing dates are:

- **31 May** - to study overseas in semester 2 of the current year or any winter programs
- **31 October** - to study overseas in semester 1 of the following year or any summer programs

Applications may be considered outside of the above deadlines depending on available funding.

If studying overseas for 2 semesters you can apply for 2 loans on this form, one for each semester. You MUST, however, submit 2 OS-HELP Debt Confirmation forms. These can be submitted at the same time. We will hold your second application until you submit evidence of having completed your first semester and evidence of your enrolment to a second semester overseas.

If a loan is approved you must complete an OS-HELP Debt Confirmation Form for each loan applied for. These forms are available from Student Administration in Student Central.
