

Invigilated Exams

Invigilated exams mean you can be recorded while taking an assessment and your exam activity reviewed by a trained invigilator. Invigilated exams may be delivered via ExamSoft or the LMS.

| | Exam mode | Exam ID | Is the exam recorded? | How does it work? | Software access |
|-----------------------------|---|---------|-----------------------|---|---|
| Invigilated Exams (offline) | closed book exam via ExamSoft | Yes | Yes | <ul style="list-style-type: none"> • Closed book online exams are delivered via Exemplify using AI invigilation using ExamMonitor. • Your student ID is verified using ExamMonitor and the exam is recorded. • The AI monitors you during the exam and flags any anomalous behaviour. The recording can be reviewed after the exam by an assessor. • All work is typed into Exemplify. • Internet access is required to download and submit your paper at the beginning and end of the exam. It is not necessary to have internet access during the exam. • Exemplify locks down your computer for the duration of the exam, and unlocks it once the exam has been submitted. | This performs a full lockdown of the laptop. You will not be able to connect to the internet, run any programs or exit from Exemplify. |
| | closed book exam via Zoom and Blackboard LMS/Turnitin | No | No | <ul style="list-style-type: none"> • Closed book exams are delivered via the LMS and are invigilated by a UWA staff member using Zoom. • You can submit your exam on LMS within the duration of the exam. • There is no lockdown of your computer. | N/A |
| | open book exam via ExamSoft | Yes | Yes | <ul style="list-style-type: none"> • Open book online exams are delivered via Exemplify using AI invigilation within ExamMonitor. • Your student ID is verified using ExamID and the exam is recorded. • You can access physical resources such as a calculator, writing pad, or hard copy notes. • You may be required to enter some of your answers directly into Exemplify (e.g. for multiple-choice questions) AND enter other answers by scanning and uploading hand-written workings to the LMS after the exam within a pre-defined time (e.g. for answers where your hand-written workings out are required). | This performs a full lockdown of your laptop. You will not be able to connect to the internet, run any programs or exit from Exemplify. |
