

Part 1: Quotes

Six members of the Kimberley community have provided their opinion about the impact cane toads are having upon the community or environment. Try to guess who made which quote by drawing lines to connect quote and community member.

... so we take them out toad busting and they love it, they love camping out, they love to see the animals and also catching toad."

Corrin
Department of Environment and Conservation

... the disheartening thing is that the thought of the impact is something you just don't want to think about ...

Jeff
Triple-J tours

... do our very best to keep you out of our deadly West ...

Ju Ju
Aboriginal Elder

I think toads are going to have a huge impact on the product we can offer people ...

Kevin
Wunggurr ranger

Maybe that there's not as many wildlife and a lot of tourists might not come here as much because a lot of tourists come to see the wildlife.

Dianne
community member

If the toad is going to go throughout the Kimberley, there is nothing left for our youngsters and their youngsters to hunt ...

young Kimberley
Toad Busters

Part 2: Listen
