Master of Commerce

A Master of Commerce from the internationally accredited UWA Business School can boost your employment opportunities around the world.

The Master of Commerce includes core studies in all the principal areas of business: accounting, economics, management, marketing, global business and ethics, as well as a range of specialisations and option units.

This course is suitable for both business and non-business graduates wishing to gain advanced skills across a broad range of business areas.

Admission requirements

Requirements

There are three entry pathways.

Pathway One

A bachelor's degree, or an equivalent qualification, as recognised by UWA, and one of the following:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(b) a valid Graduate Management Admission

Test (GMAT)¹ with a score of at least 550;

or

(c) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course requirements.

¹ GMAT scores are valid for five years.

Pathway Two

A UWA graduate certificate which articulates with this course with a weighted average mark of at least 65 per cent.

Pathway Three

A graduate certificate or equivalent from an equivalent and accredited course from another institution, with a weighted average mark of at least 70 per cent.

Master of Commerce student - Geoffery Tan

"I chose to study a Master of Commerce because the skills learned in commerce are relevant to any job in the future or if I open my own business. I enjoy meeting other people studying the same course. The people I've met through the course already have varying life experiences outside university and may already be working full time. My favourite aspect of studying at UWA is the campus and its open spaces."
