COMBINED BACHELOR'S DEGREES

Students can pursue their passions and maximise their career options with our combined bachelor's degrees. They will complete two undergraduate degrees in normally just four years – one comprehensive (where they'll choose a major from a wide range of options) and one specialised (where they'll take a defined study plan).

ASSURED PATHWAYS

Our Assured Pathways give students a guaranteed place in a professional postgraduate degree at the start of their studies. Their place is guaranteed on the basis of their high school performance or equivalent (subject to satisfactory performance in their bachelor's degree).

Key

PRE-REQUISITES AND RECOMMENDED SUBJECTS	
ABBREVIATION	DESCRIPTION
B	Biology ATAR
C	Chemistry ATAR
C+	Chemistry ATAR OR a bridging unit
C1	Chemistry ATAR OR a bridging unit. Mid-year applicants must have Chemistry ATAR to complete their degree in three years.
C2	Chemistry ATAR OR a bridging unit. Mid-year applicants must have Chemistry ATAR AND Biology OR Human Biology ATAR to complete their degree in three years.
E	Mathematics Methods ATAR AND Mathematics Specialist ATAR OR Chemistry ATAR OR Physics ATAR. Note that all four subjects are recommended. If you don't have all four subjects, you'll need to take specified bridging units in your first year.
EDU	Mathematics Methods ATAR AND personal statement AND prerequisite subjects from your chosen major/s.
HB/B+	Human Biology ATAR OR Biology ATAR OR a bridging unit
MA+	Mathematics Applications ATAR OR higher-level mathematics OR a bridging unit.
MM	Mathematics Methods ATAR
MM+	Mathematics Methods ATAR OR Mathematics Applications ATAR AND a bridging unit. Students without ATAR Mathematics will take two bridging units.
MS	Mathematics Specialist ATAR
MS+	Mathematics Specialist ATAR OR Mathematics Methods ATAR AND a bridging unit
MUS1	A practical requirement equivalent to AMEB Grade 5, demonstrated by an audition; a portfolio is also required for applicants for composition
MUS2	A practical requirement equivalent to AMEB Grade 5, demonstrated by an audition (no audition is required if taken as a second major), and a background in music theory; a portfolio is also required for applicants for composition.
MUS3	<p><u>Performance/Musicology/Studio Teaching Streams:</u> A practical requirement equivalent to AMEB Grade 7, demonstrated by an audition, and a strong background in music theory.</p> <p><u>Composition Stream:</u> A practical requirement equivalent to AMEB Grade 5, demonstrated by an audition, and a strong background in music theory; a portfolio is also required.</p> <p><u>Creative Music Technology Stream:</u> A practical requirement equivalent to AMEB Grade 4, demonstrated by an audition, and a background in music theory; a portfolio is also required</p>
P	Physics ATAR
P+	Physics ATAR OR a bridging unit
WE, V OR Q:	Written English and Verbal or Quantitative
⊕	New course in 2023

Early offers for 2023 entry

PREDICTED ATAR ENTRY	STAT ENTRY	ATAR BASED ENTRY
<p>Students can receive an Early Offer based on their end of Year 11 or mid-Year 12 results.</p> <p>Students are not required to submit a copy of their report, as this can be accessed by UWA via TISC.</p> <p>UWA will calculate the predicted ATAR for students.</p>	<p>If a student is not taking enough or any ATAR subjects, or don't meet the ATAR required, they can apply via the Special Tertiary Admissions Test (STAT).</p> <p>To meet entry requirements to UWA's comprehensive degrees</p> <ul style="list-style-type: none"> Refer to the STAT calculator on the TISC website for required entry scores UWA Admissions will grant permission to sit the STAT through the students offer letter <p>Please check the TISC website for STAT session dates.</p>	<p>Students can use their final Year 12 ATAR to apply for UWA courses.</p>

Early offers – admission requirements

✓	WACE	
✓	Predicted ATAR (Year 11 or mid-Year 12)	Minimum predicted ATAR of 80 (Broadway ATAR of 78) OR Meet the ATAR requirement for the nominated course*
✓	Final Year 12 ATAR	Early Offer holders must have a final Year 12 ATAR (unless taking the STAT pathway)
✓	English requirement	<p>Final scaled mark of 50 or above in WACE ATAR English, Literature or English as an Additional Language OR Dialect (EALD), OR; Complete the PACM1101 unit in first semester OR; A UWA approved English test (e.g. STAT)</p> <p>To satisfy university English competency requirements (all degrees) via STAT</p> <ul style="list-style-type: none"> 140 in the Verbal Multiple-choice section; and 140 in the Written English essay section STAT is offered automatically to students completing ATAR English, Literature or EALD
✓	Subject prerequisites & special requirements	Final scaled mark of 50 or above in Year 12 WACE ATAR subjects or by completing bridging units in first semester

* For courses that require < ATAR of 80, students must still meet the minimum predicted ATAR of 80 (Broadway ATAR of 78)
For courses that require > ATAR of 80, students must have a predicted ATAR that meets the requirement

Who is eligible?

- Domestic Year 12 WACE students
- International Year 12 WACE students
- WA International Baccalaureate (IB) students

Eligible courses*

Students may use the predicted ATAR pathway to apply for admission to the following.

- Any of our undergraduate degrees
- Combined Bachelor's and Master's degrees
- Non-quota limited Assured Pathways to Law, Teaching, Architecture, Landscape Architecture, Public Health and Translation Studies.

The Predicted ATAR entry pathway is not applicable for Assured Pathways to Medicine, Dentistry, Pharmacy and Podiatric Medicine. The courses are not available for Early Offers, since they are quota-restricted.

STAT pathway is only available for entry to the following courses.

- Bachelor of Arts
- Bachelor of Biomedical Science
- Bachelor of Business
- Bachelor of Commerce
- Bachelor of Environmental Design
- Bachelor of Music (Music is a specialist degree but is eligible through STAT subject to audition)
- Bachelor of Science (the Mathematics and Statistics Major and the Physics Major are subject to prerequisite requirements)

Application dates and process

Year 12 students can apply for any of the eligible courses from **Monday, 4 April 2022** and applications will close on **Friday, 16 December 2022**.

Students can either:

- [Apply directly to UWA](#) for non-quota courses (including Assured Pathways into Architecture, Landscape Architecture, Law, Public Health, Translation Studies and Teaching); or
- [Apply to TISC](#) for quota restricted courses (including Assured Pathways into Medicine, Dentistry, Pharmacy and Podiatry).

UWA does not charge students any fees for a domestic application; however, there is a one-time \$80 TISC application fee for domestic undergraduate applications for 2023 intake. TISC services are engaged as an input to admission assessments.

If a student has already paid the \$80 TISC fee for their initial application, there will be no further charges for changing preferences, regardless of whether the student applied directly to UWA or through TISC.

Students may also wish to visit the [UWA Early Offers FAQs](#) and register their interest to stay up to date with information on the application process.

UWA entry pathways

Broadway UWA

The [Broadway scheme](#) allows eligible students from a Broadway-identified Western Australian school to receive an automated ATAR adjustment if the school at which they completed their final WACE examinations:

- [is identified as a Broadway school in their year of application](#) or
- was identified as a Broadway school in the year the student completed their WACE

**Students will be eligible to study one of our comprehensive bachelor's degrees once they've successfully completed a graded Australian University Enabling Program and obtained an average of 65 (60 for Broadway students). Completion of an Enabling Program will satisfy UWA's English Language Competency requirements. Enabling programs do not satisfy subject prerequisite requirements unless assessed by a UWA teaching area.*

Graduating career-ready As WA's #1 university for graduate employability (QS Employability Ranking 2022), it's our top priority to help our students land a job at the end of their degree. All our degrees include the option to take an internship through UWA's work-integrated placement program or through our award-winning internship program at UWA's McCusker Centre for Citizenship. We offer a wide range of resources, experiences and programs, in and outside of the classroom, that help our students stand out in the job market and increase their employability .	uwa.edu.au/graduate-career-ready
UWA Careers and Employability Award This award is the UWA Career Centre's key employability program designed to prepare students for internships and graduate employment. All UWA students regardless of their degree can enrol in the self-paced program, completion of the award will appear on their university transcript. Year 12 students who have accepted a UWA Early Offer, can gain early access to the first module of the Career Award EMPLOY101. This module enables the student to complete a series of self-awareness, career exploration activities and attend a "Discover your career" presentation prior to commencing their UWA studies.	careers.uwa.edu.au/award
