Course Guide 2022–23

ADVANCE YOUR CAREER WITH A UWA DEGREE

Seek Wisdom

Welcome to our community

Professor Amit Chakma
Vice-Chancellor

We are delighted you are considering embarking on the next stage of your education journey with us.

Our role is to give you the knowledge and skills so that you can achieve your goals – whatever they may be. Our courses will equip you for success in an increasingly globalised world, where knowledge is the universal currency.

We offer an experience-rich curriculum, which in partnership with industry we continue to evolve to suit employer demands, ensuring that we can propel you into the workplace, ready to change the world.

Whether studying remotely or on campus, all our students are equal and valued members of our diverse community. UWA is an inclusive and multicultural community that embraces and values a diversity of backgrounds.

You will find your time here thought-provoking and stimulating, and when you leave UWA you will have made lifelong friends, precious memories, and have a sense of purpose and enquiry that will empower you to make a difference.

We look forward to you joining our community and supporting you in shaping your future career goals.

The University of Western Australia acknowledges that its campuses are situated on Noongar land and that Noongar people remain the spiritual and cultural custodians of their land and continue to practise their values, languages, beliefs and knowledge.

Be part of something bigger with UWA

When you graduate from UWA, you automatically join our community of over 130,000 graduates spanning every continent across the globe. That's a powerful network.

Connect with and benefit from alumni who are global leaders in business, industry, government, education, research and culture.

No matter where you go, you'll find yourself in the company of extraordinary people who will be your mentors, collaborators and friends.

alumni.uwa.edu.au

"The educational background at UWA has helped me establish my career initially as a lawyer but has also given me the confidence to diversify into the recruitment industry in London and now Hong Kong, where I am currently a Managing Director of a market leading global recruitment firm. I have also kept in touch with my UWA Alumni contacts internationally some of which have become close friends as well as clients of mine."

RICKY
MANAGING DIRECTOR,
ROBERT WALTERS (HONG KONG)

Get career-ready with a UWA degree

WA's #1 uni for graduate employability* will help you successfully navigate your career journey

Getting a job at the end of your degree will likely be your top priority. At UWA, we've made it our top priority too, offering a wide range of degrees and programs to help you stand out in the job market and increase your employability. All our degrees include the option to take internships or Work Integrated Learning units, and, along with mentoring and volunteering opportunities, these can enhance your standing in your future employers' eyes.

Career and Employability Award

Practical real-world experiences, skills and knowledge to guide you on an enriching career journey.

IQ Academy

Work with real companies to tackle the biggest challenges facing business, governments and society today.

Practicums and field trips

Practical units with workplace and fieldwork placements across WA, Australia and even overseas.

McCusker Centre for Citizenship

An award-winning internship program, making a difference in our communities locally, nationally and globally.

Jobs board

Job listings and alerts from a wide range of employers for full-time and part-time positions, internships, scholarships, volunteering and more.

Work Integrated Learning (WIL)

Gain industry knowledge, develop career-ready skills, and network with industry professionals as part of your course or as a co-curricular activity.

Volunteering

Make an impact and get involved, developing skills and experience that stand out on your resume and final transcript.

World-class learning

Learn at the cutting-edge of knowledge from passionate and inspirational academics with real industry experience and connections.

Bloom WA

A creative lab to turn your big business or community ideas into a startup, all credited towards your degree.

*(QS GRADUATE EMPLOYABILITY RANKING 2020)

Career Mentor Link

Be matched with professionals and get insider industry knowledge from people with real career experience.

Careers Centre

Understand and engage with your chosen industry, enhance your employability skills, find work and internships, and nail your resume and interview.

More than 160 student clubs and societies

Attend social, professional-development and networking events, and take on leadership and management roles to develop your skills.

MENTORSHIP + GUIDANCE

From the day you arrive at UWA to after you've graduated, we're here to provide all the help and guidance you need. Our academic staff, career advisers and industry experts all pool their collective wisdom to help identify opportunities specific to you. With their resources – and your resolve – you can begin to create a robust plan to get set for your future career.

REAL-WORLD EXPERIENCE

We'll get you moving in the right direction, helping you gain tangible and hands-on experience in your chosen area, and ensuring you hit the ground running with future-based skills that will make you stand out from the competition.

NETWORKING

"It's not just what you know, it's who you know." It may be an old saying, but it's as relevant today as ever before. At UWA, we can facilitate access to a network of like-minded and professional contacts from across the world. And by leveraging our extensive industry connections, you'll get more than just a foot in the door.

To find out more about how we can prepare you for your dream career, from first job to long-term goals, visit uwa.edu.au/students/employability

Postgraduate studies at UWA

A postgraduate degree is a great way to elevate the next stage of your career – whether you want to change direction completely, expand your skillset or already have a specialist subject in mind.

At UWA, you'll graduate with the experience, knowledge and ability you'll need to achieve your goals.

You'll also widen your employment prospects by growing your level of expertise and making valuable connections with industry professionals.

Seek industry insights

Our strong industry partnerships provide you with valuable exposure and contacts even before you graduate.

Seek passionate and engaged mentors

You'll be taught by world-leading experts who want you to get involved in their research.

Seek hands-on, practical experience

You'll get out of the classroom and into the field (sometimes it's an actual field), gaining practical research experience.

Seek something more

You'll graduate with a higher level of skills and knowledge, making you more attractive to employers.

Complete a one-off course or combine multiple micro-credentials to use as academic credit towards a postgraduate course – the choice is yours. uwa.edu.au/study/micros

GRADUATE CERTIFICATE (AQF level 8)

These short courses usually take six months to complete full time, or the equivalent in part-time study. They give you fundamental knowledge for a specific discipline, making them ideal for developing an existing skillset or getting started with an entirely new one. If you haven't already completed a degree but have professional experience, a graduate certificate can be a great option, and you can use one as a standalone qualification or as a possible stepping stone to a graduate diploma and/or a master's degree.

GRADUATE DIPLOMA (AQF level 8)

Usually taking a year full time (or part-time equivalent), these build on what you learn in a graduate certificate, with more in-depth knowledge. They are a good option if you'd like to return to study but don't have the time required for a master's degree. Your graduate diploma can be used as a qualification by itself, or can lead into a master's at a later date.

MASTER'S (AQF level 9)

For advancing your career prospects and standing out in your chosen profession, a master's degree is perfect. Normally running 1.5 to two years full time (or part-time equivalent), they are highly regarded by employers for the high level of specialised industry knowledge and skills they give you.

Depending on the course you choose, the course type may include one or more of the options below:

- Coursework: you'll take units involving class attendance, readings, assignments and exams, similar to undergraduate studies but at an advanced level.
- Coursework and dissertation: your course will include both coursework and research (up to 66.6%) components.
- Thesis and coursework: your course will include both research (more than 66.6%, but less than 100%) and coursework components.
- Research: your course will include a supervised research component.

HIGHER DEGREE BY RESEARCH: MASTER'S AND PHD (AQF level 9 or 10)

If you enjoy working independently and have a specific interest in a topic that you'd like to rigorously explore, embarking on a higher degree by research could be for you. You should be curious, driven and naturally drawn to a deep intellectual challenge. Your unique creativity and critical thinking will help you contribute original scholarship to a topic, and you'll be closely mentored by a supervisor throughout your candidature.

DOCTORATE (AQF level 10)

A professional doctorate is ideal if you enjoy research and want to contribute to the knowledge base of your chosen profession. It's a pinnacle of expertise – one of the highest qualifications you can achieve – and usually takes three to four years full time (or part-time equivalent).

RESEARCH VS COURSEWORK

Coursework degrees follow a set pattern of learning, making them perfect if you're looking for a structured way to pick up the skills you're looking for. But if you're keen to follow a more independent path to knowledge, our higher degree by research (HDR) programs are for you. UWA is one of Australia's top research-intensive universities, and our research degrees offer a unique opportunity to explore your passion or follow your interest, while learning alongside globally renowned experts.

Agricultural, Environmental and Biological Sciences

Advances in technology and science are transforming our world at an incredible pace. Take up study in this field to tackle local, regional and global issues, from the environmental impacts of climate change and sustainability managing natural resources, to providing food and water security.

Increasing populations and greater demands on resources are putting pressure on our environment, now more than ever. This means it is crucial we understand our planet to maintain its health.

Our State's diverse landscape is the perfect location in which to gain the knowledge and experience to maintain balance in our natural environment. Choose from areas such as crop production, animal production and management, environmental impact assessment, forestry resource management, or soil and water conservation. Or focus on aquatic or natural resource management, geographical sciences, botany, geology, agricultural science or aquaculture.

Your studies will involve not only theory, but also the crucial technical skills of your chosen field. Whether it's through world-class laboratories, exciting field trips or real-world industry placements, you'll be immersed in the hands-on side of science, and gain the ability to help protect the world we live in.

Top five reasons to study Agriculture, Environmental and Biological Sciences at UWA

- We have **100+ units offering practical work experience** – or gain hands-on, industry-relevant experience and skills through placement opportunities.
- Our **22:1 student-to-staff ratio** is one of the best in Australia.
- You'll learn from **award-winning researchers** and expert academics.
- UWA is ranked **1st in Australia for Agricultural Sciences and Environmental Science and Engineering** (ARWU 2021).
- Our **strong industry, business and government networks** include Alcoa, BHP, CSIRO, Department of Agriculture and Mining, Department of Biodiversity, Conservation and Attractions, Fortescue Metals Group, Kings Park, Perth Zoo, Rio Tinto, Woodside and more.

uwa.edu.au/study/areas/agricultural-environmental-biological-sciences

Master of Agricultural Economics

UWA COURSE CODE: 73530

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Agricultural consultant, economist, policy analyst

The Master of Agricultural Economics is a globally relevant applied economics degree tailored to the field of agriculture. The core themes of the course are applied economic analysis, policy analysis, and agribusiness management and analysis. The academic staff have extensive real-world experience in the agribusiness and government sector which makes graduates well-suited to employment in both government and industry positions.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.
- (2) An applicant must have successfully completed prior studies at a tertiary level with significant content in economics, statistics/econometrics or mathematics; or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/agricultural-economics

Master of Agricultural Science

UWA COURSE CODE: 72510

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Agricultural consultant, agricultural scientist, environmental manager

World populations and economies are increasing their demands for food and

fibre. Agricultural systems are placed under pressure to meet environmental, social and economic goals. To maintain or increase production levels, an understanding of the complex factors that shape agricultural systems is required. Gain the knowledge and skills needed for a future in the rapidly evolving field of agricultural science.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) met the prerequisite for the chosen specialisation, as set out in (2) to (3).
- (2) For the Crop and Livestock Farming Systems, Genetics and Breeding, Integrated Pest Management, Agricultural Technology and Soil Science and Plant Nutrition specialisations, an applicant must have successfully completed prior studies at a tertiary level in science, as recognised by UWA.

uwa.edu.au/study/m/agricultural-science

Master of Bioinformatics

UWA COURSE CODE: 70550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Bioinformatician, data scientist, data analyst

Bioinformatics is the application and development of methods from computer science to solve challenges within molecular biology and medicine. With rapid data and technology advances in the fields of biology and medicine, people with the skills required to manage and interpret large biological datasets are increasingly in demand.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and

- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in - biological, medical, biomedical, or biomolecular sciences; or in a related cognate discipline as recognised by UWA.

uwa.edu.au/study/m/bioinformatics

Master of Biological Arts

UWA COURSE CODE: 71530

COURSE TYPE: Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Academic, artistic director, visual arts professional

This course is designed for experienced art practitioners, scientists or humanities scholars who wish to engage with creative bioresearch. The course focuses on recent advances in life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Science, Bachelor of Arts, or Bachelor of Fine Arts, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/biological-arts

Master of Biological Science

UWA COURSE CODE: 72520

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Biologist, conservation biologist, wildlife officer

The Master of Biological Science teaches you techniques ranging from molecular and genetic analysis, to data collection from whole populations, communities and ecosystems, to big-data synthesis science. After graduating, you'll understand how species and ecosystems can be managed, conserved and restored. You'll also be able to provide clues to advance food production, the treatment of plant and animal diseases, and medical science.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Science, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
 - (c) met the prerequisite for the chosen specialisation, as set out in (2) to (3).
- (2) For the Conservation Biology specialisation, an applicant must have successfully completed prior studies at a tertiary level in biology (excluding human biology), or in a related cognate discipline, as recognised by UWA.
- (3) For the Ecology specialisation an applicant must have successfully completed prior studies at a tertiary level in biology (excluding human biology); or in a related cognate discipline, as recognised by UWA.
- (4) For the Zoology specialisation, an applicant must have successfully completed prior studies at a tertiary level in animal science, or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/biological-science

Master of Biotechnology

UWA COURSE CODE: 71580

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Biotechnologist, biomanufacturing specialist, business development manager

This is a signature program that sets us apart from other universities by offering a thorough grounding in state-of-the-art biotechnology and combining this with training in enterprise and commercialisation. This includes developing the theory of genetics and molecular biology in parallel with skills training in practical techniques such as genomics, proteomics, metabolomics, recombinant DNA methods, and basic and advanced bioinformatics.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Science, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
 - (c) met the prerequisite for the chosen specialisation.
- (2) For the Biochemistry and Molecular Biology specialisation, an applicant must have—
 - (a) successfully completed intermediate units at a tertiary level in biochemistry, or equivalent, as recognised by UWA; and
 - (b) successfully completed intermediate units at a tertiary level in molecular biology, or equivalent, as recognised by UWA.
- (3) For the Environmental and Agricultural Biotechnology specialisation, an applicant must have successfully completed Chemistry ATAR, or CHEM1003 Introductory Chemistry, or equivalent, as recognised by UWA.
- (4) For the Genetics and Genomics specialisation, an applicant must have successfully completed intermediate units at a tertiary level in genetics, or equivalent, as recognised by UWA.
- (5) For the AQUAtech specialisation, an applicant must have successfully completed Chemistry ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/biotechnology

Master of Environmental Science

UWA COURSE CODE: 72530

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Environmental consultant, environmental manager, environmental scientist

This master's degree will develop your practical experience in dealing with issues such as climate change, water resource management, sustainable natural resource use, and the rehabilitation of degraded or polluted environments. You'll gain advanced skills and knowledge in the monitoring and assessment of environmental systems using field, laboratory, modelling and statistical methods and techniques.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or equivalent, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
 - (c) met the prerequisite for the chosen specialisation.
- (2) For the Environmental Management or Environmental Economics specialisations, an applicant must have completed prior studies at a tertiary level in either science, engineering, economics, natural resource management, urban and regional planning, or policy studies, or a related cognate discipline, as recognised by UWA.
- (3) For the Catchments and Water or Environmental Rehabilitation or Sensing and Data Science specialisations, an applicant must have completed prior studies at a tertiary level in either earth, environmental, engineering, biological or physical sciences, or a related cognate discipline, as recognised by UWA.
- (4) For the Marine and Coastal specialisation, an applicant must have completed prior studies at a tertiary level in either marine, environmental, engineering, biological or physical sciences, or a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/environmental-science

Master of Geoscience

UWA COURSE CODE: 72550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Geologist, hydrogeologist, geological surveyor

Knowledge of past and present earth processes is fundamental for predicting future changes in environments and climate as well as contributing to the management of vital resources. Gain high-level skills in interpretation and integration of geoscience data applied to understand the location, origin and evolution of important resources and other geoscience problems.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in geology, or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/geoscience

Master of Hydrogeology

UWA COURSE CODE: 72540

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Hydrogeologist, environmental consultant, researcher

Hydrogeology deals with the distribution and flow of groundwater beneath Earth's surface and the interaction of groundwater with the atmosphere, biosphere and Earth's crust via chemical, physical and biological processes in groundwater systems. This

course will develop your understanding of these complex and dynamic processes and the impacts of human activity and environmental change on groundwater systems.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in geology, environmental engineering, environmental science (including units in hydrology or equivalent), or hydrogeology, or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/hydrogeology

Master of Ocean Leadership

UWA COURSE CODE: 62540

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Marine researcher, renewable energy developer, marine conservationist, renewable energy, government, offshore oil and gas, not-for-profit and aquaculture

The Master of Ocean Leadership develops your ocean-related leadership skills and expertise across marine science, engineering, law, resource economics and environmental management. This will enable you to strategically manage human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ocean-leadership

Master of Ore Deposit Geology

UWA COURSE CODE: 70590

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1 year full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Geologist, mining consultant, researcher

With world-class ore bodies becoming more difficult to find, there is an increasing recognition that geologists require new approaches and skills in order to discover significant deposits into the future. The Master of Ore Deposit Geology has been designed for practicing geoscientists who want to gain up-to-date knowledge and skills relevant to economic geology and mineral exploration.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Geology or Geoscience, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
 - (c) at least two years of professional experience in a relevant occupation;
- or
- (2) (a) a Bachelor of Geology or Geoscience with Honours, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ore-deposit-geology

Master of Petroleum Geoscience

UWA COURSE CODE: 73540

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Geoscientist, mining consultant, geophysicist

This course enables you to develop skills in geological and geophysical data analysis and integration of datasets

related to sedimentary basin analysis and petroleum geoscience. Emphasis is placed on the development of practical skills underpinned by conceptual knowledge, and the application of both to solving problems related to basin history and petroleum exploration through coursework and research project components of the course.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Geology, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/petroleum-geoscience

Master of Science

UWA COURSE CODE: 70630

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1 year full time
(or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Academic, university lecturer, scientist

The Master of Science is a research degree allowing you to gain advanced knowledge in your chosen area of study: Agriculture and Environment, Biological Sciences, Earth Sciences, Human Sciences, Molecular Sciences or Psychological Science. You'll gain advanced understanding and skills in your chosen area of study through undertaking a supervised research project and coursework units that include a literature review/proposal unit and an advanced coursework unit.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Science with at least upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and
- (b) a written agreement by a suitable research supervisor.

uwa.edu.au/study/m/science

Master of Science Communication

UWA COURSE CODE: 51580

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Communications officer, health promotion officer, marketing officer

Science communicators use their knowledge of science to help raise the level of understanding about important issues in science, bridging the gap between the scientific community and the public. This course is aimed at students who already have a background in science or communication and wish to learn the principles and practical skills of effective science communication.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent

uwa.edu.au/study/m/science-communication

Professor Richard J Hobbs FAA is a UWA professor, IAS Distinguished Fellow and an internationally renowned ecologist. The Australian Academy of Science Fellow also heads up the Ecosystem Restoration and Intervention Ecology Research Group (ERIE) and was awarded an ARC Australian Laureate Fellowship for his research into 'Intervention ecology: managing ecosystems in the 21st century'.

Professor Hobbs is a highly cited author who has written extensively on:

- vegetation dynamics and management
- ecosystem fragmentation
- ecosystem rehabilitation and restoration
- landscape ecology
- conservation biology.

Currently, his research focuses on managing and restoring ecosystems in a rapidly changing world – and there's no place more ideal to do that than Western Australia.

Over his career, he has worked with the CSIRO Division of Wildlife and Ecology in Western Australia and worked on the dynamics of fragmented ecosystems in the Wheatbelt, becoming the Officer in Charge of the Western Australian laboratory in 1997. In 2000 Professor Hobbs took up a Chair in Environmental Science at Murdoch University and was awarded an ARC Australian Professorial Fellowship in 2006.

“Western Australia, and the South West in particular, is one of five of the most diverse parts of the planet, so as an ecologist it’s a fascinating place to be. We’re still learning so much about the plants and animals here, still discovering new ones, so it’s a biological frontier.”

PROFESSOR RICHARD HOBBS
INTERNATIONALLY RECOGNISED ECOLOGIST

Architecture, Design and Planning

Study architecture, design and planning to create cities, cultures and communities for a sustainable future. In this field, creative and strategic thinking come together.

Tackle pressing issues facing global cities, learn how to create liveable environments, and make your mark on infrastructure projects while developing socially engaged designs and responsible heritage practices.

Study in this field will develop your critical-thinking skills and help you find creative solutions to bring spaces to life, while addressing challenges presented by environmental, social and economic change. You'll participate in real projects, enabling you to develop and apply your skills using various technologies and techniques to make a difference.

Our courses help you forge a strong foundation for your future career, ensuring you graduate with the skills to design your own path and shape the world around you.

Top five reasons to study Architecture, Design and Planning at UWA

- We produce award-winning students and grads who get jobs – we're **first in WA for full-time employment** for postgraduate coursework students in Architecture and Urban Environments (QILT Graduate Outcomes Survey 2020).
- **Work on real projects**, from housing and museums to space stations, through our industry and community engagement opportunities.
- Use **state-of-the-art facilities and equipment** such as plastic-extrusion 3D printers, laser cutters, printmaking studios and 24/7 computer labs.
- **Learn from award-winning**, internationally recognised teachers and practitioners.
- We have the **best reputation among employers** for architecture (QS World University Rankings by Subject 2020).

Master of Architecture

UWA COURSE CODE: 25520

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2-3.5* years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Architect, urban designer, project manager

The Master of Architecture course provides an education in the conceptualisation, design and construction of buildings and other structures across a range of types and scales. You'll develop an ability to integrate information drawn from a range of subject areas, and acquire advanced knowledge and skills that prepare you for successful careers in the creative and diverse world of architectural practice.

SPECIALISATIONS

Building Information Modelling; Landscape Design; Social Impact Design; Urban Design

PROFESSIONAL ACCREDITATION

The Master of Architecture is professionally accredited and meets the requirements of the Architects Board of Western Australia and the Australian Institute of Architects. Following the completion of the course, you must undertake a minimum of two years' professional work experience under the direction of a registered architect, and then pass the Architectural Practice Examination (APE) before being eligible to register as an architect in Australia.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.

* Two years for students with an undergraduate major in Architecture or up to 3.5 years full time for students without previous studies in Architecture.

uwa.edu.au/study/m/architecture

Graduate Certificate in Architectural Conservation

UWA COURSE CODE: 25240

INTAKE: Semester 1, Semester 2

DURATION: 1 year part time only

FEE TYPE: CSP

CAREER OPPORTUNITIES

Heritage consultant, conservation officer, architect*

Gain insight into the full range of concepts, methods and practices involved in the specialised field of architectural conservation. If you're interested in entering or are already working in architectural conservation, this course (delivered by qualified and experienced conservation practitioners) provides you with the opportunity to develop your knowledge and skills in this area.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior study in a field relevant to Architectural Conservation;

or

- (2) significant work experience including at least five years with a material level of responsibility.

* With relevant prior qualifications

uwa.edu.au/study/gc/architectural-conservation

Building Information Modelling

CAREER OPPORTUNITIES

Architect*, digital engineer*, project manager

Building Information Modelling (BIM) is a new paradigm in construction. The industry uses 3D models as the basis of a building inception, design, construction management and facilities management. Mastery of BIM puts you at the forefront of the construction industry, allowing you to have a direct impact on the quality of our built environment and to become a decision-maker rather than simply a team member.

* With relevant prior qualifications

Master of Environmental Planning

UWA COURSE CODE: 13550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5–2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Urban planner, environmental consultant, impact assessor

The sustainable use and development of our cities and natural areas are fundamental to contemporary planning. This course provides a detailed insight into how planners, managers and conservationists work towards this goal. The course enables you to gain theoretical, practical and work-based experience to advance your careers in planning, conservation and development.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; or
- (c) significant work experience including at least five years with a material level of responsibility.

Master of Landscape Architecture

UWA COURSE CODE: 25550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2–3* years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Landscape architect, landscape architectural draftsman, environmental manager

The Master of Landscape Architecture provides an education in the design, management and resilience of natural and built landscapes for the benefit of our communities and to improve the quality of the environment. Students gain the knowledge and skills to respond to complex issues such as climate change and biodiversity loss by applying systems thinking and creative practice to develop long-term, multi-scale solutions.

SPECIALISATIONS

Environmental Planning; Research; Urban Design

PROFESSIONAL ACCREDITATION

The Master of Landscape Architecture is accredited by the Australian Institute of Landscape Architects. After finishing the Master of Landscape Architecture, graduates must complete at least two years of professional practice before being eligible to become a registered landscape architect.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.

* Two years for students with an undergraduate major in Landscape Architecture or up to three years full time for students without previous studies in Landscape Architecture.

uwa.edu.au/study/m/landscape-architecture

Urban Design

CAREER OPPORTUNITIES

Urban designer, architect*, city/town planner

Explore the urban jungle, studying at the Australian Urban Design Research Centre, and develop techniques of sustainable urban design suited to this urban century. Develop an in-depth understanding of urban design theories and issues, techniques of urban analysis and skills for the design and development of sustainable neighbourhoods and cities.

* With relevant prior qualifications

Urban and Regional Planning

CAREER OPPORTUNITIES

Urban and town planner, principal planner, urban growth coordinator

Urban and regional planners ensure that cities, towns and regions have vibrant economies and communities, provide for a high quality of life, and are environmentally sustainable. To achieve this, planners need a good understanding of the way in which societies, economies and environments operate and interact. This master's provides knowledge of concepts and methods in urban and regional planning. The graduate certificate is suitable if you're looking to upskill in your planning career, while the master's is ideal if you'd like to upskill or start a career in planning.

Business and Commerce

Develop your business acumen, grow expert knowledge and participate in business case studies, internships and practical projects to prepare you for a fulfilling career in business, government or not-for-profit sectors.

By studying business and commerce, you'll gain an understanding of how businesses and organisations work from the inside out. You can expect to develop the critical decision-making skills needed in projects and build a career transferable to the workforce anywhere in the world. Through a variety of units where business theory is applied through practical activities, you'll learn the nuts and bolts of industries such as:

- Accounting
- Sales
- Finance
- Marketing
- Business management
- Human resources

A degree from the UWA Business School is your passport to the world. Globally, employers recognise the quality of a UWA degree in business.

Top five reasons to study Business and Commerce at UWA

- **Dual accreditation** UWA Business School is one of the few institutions in Australia to be accredited by the European Quality Improvement System and Association to Advance Collegiate Schools of Business.
- **15+ Business School student clubs** including the Student Managed Investment Fund, Women in Business, Bloom Startup, Enactus, UWA Consulting Society, ECOMS and the Graduate Management Association.
- **30+ active industry supporters** including AGL Energy, CBH Group, Reserve Bank of Australia, Fortescue Metals, Chevron, Wesfarmers Limited and Woodside.
- **World top 100** for Accounting and Finance (QS 2020).
- **An exceptional MBA program** that ranks best in Oceania for alumni outcomes. Its graduates are the highest earners in Australia (QS World University Rankings 2021 Global MBA Rankings).

Master of Commerce and Master of Translation Studies

UWA COURSE CODE: 12590

COURSE TYPE: Coursework; Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2.5 years full time
(or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Language services manager, intercultural business consultant, business translator

This double master's degree is the only one of its kind in Australia, and teaches complementary skills in business and translation studies. You'll complete translation training between English and one of eight Asian and European languages, alongside a commerce specialisation. The skills you develop make you a bilingual professional employable in a broad range of national and international settings.

PROFESSIONAL ACCREDITATION

You will be eligible to sit the National Accreditation Authority of Translators and Interpreters (NAATI) test for Certified Translator or Advanced Professional Translator.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 50 per cent; and
(c) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major; and
(d) (i) demonstrated native or near-native proficiency in the chosen language specialisation; or
(ii) for French, Italian, German, and Spanish, B2/C1 levels of the Common European Framework of Reference for Languages; for Chinese, a minimum of HSK 4; for Japanese, Level N2/N3 at the JLPT (Japanese Language Proficiency Test); for Indonesian, Level 3 at the UKBI (UjianKemahiran Bahasa Indonesia) or Level 4 at the ISLPR (International Second Language Proficiency Ratings); and for Korean, Level 4 at the TOPIK (Test of Proficiency in Korean).

Master of Industrial and Organisational Psychology

UWA COURSE CODE: 53580

COURSE TYPE: Coursework and Dissertation

INTAKE: Semester 1

COURSE DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Workplace relations adviser, performance manager, human resources manager

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces in order to monitor, assess and improve organisational effectiveness and employee wellbeing and satisfaction. The specialty focuses on deriving principles of individual, group and organisational behaviour and applying this knowledge to the workplace.

ACCREDITATION

The Master of Industrial and Organisational Psychology has been awarded accreditation by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to register with the Psychology Board of Australia and practise as a psychologist with an area of practice endorsement in Industrial and Organisational Psychology.

REQUIREMENTS

To be considered for admission to this course an applicant must—

- (1) have an accredited bachelor's honours degree in Psychology with at least an upper second class Honours (2A), or an equivalent qualification as recognised by UWA;
- (2) be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board's English language registration standard.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on— a satisfactory personal statement, as recognised by UWA; and two satisfactory referees, as recognised by UWA; and a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology; and the intake quota for that year.

uwa.edu.au/study/m/industrial-and-organisational-psychology

Doctor of Philosophy and Master of Industrial and Organisational Psychology

UWA COURSE CODE: 01880/54580

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1

DURATION: 4 years full time

FEE TYPE: CSP (master's degree) and RTP (PhD)

CAREER OPPORTUNITIES

Organisational psychologist, analyst, workplace relations adviser

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces with the aim of improving organisational effectiveness and the quality of work life. The combined Doctor of Philosophy and Master of Industrial and Organisational Psychology is a four-year course that combines doctoral research with the coursework component of the Master of Industrial and Organisational Psychology.

ACCREDITATION

The Doctor of Philosophy and Master of Industrial and Organisational Psychology is accredited by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to pursue endorsement in the specialised area of Organisational Psychology through the Psychology Board of Australia's Registrar Program.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) an accredited bachelor's honours degree in Psychology with at least an upper second class Honours (2A), or an equivalent qualification, as recognised by UWA; and
- (b) eligibility for provisional registration as a psychologist with the Psychology Board of Australia; and
- (c) secured a PhD supervisor from the School of Psychological Science at the time of submitting their application.

Master of Professional Accounting

UWA COURSE CODE: 40610

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

COURSE DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Auditor, chartered accountant, financial broker

The Master of Professional Accounting provides training in the technical aspects of the preparation of accounting data, develops your skills in the application of accounting information to solve problems and make decisions, and develops important professional skills

such as communication and critical thinking. You'll be able to complete the professional study requirements of the Chartered Accountants Australia and New Zealand (CAANZ) qualification as part of this degree.

PROFESSIONAL ACCREDITATION

This course satisfies the accreditation requirements of the following professional accounting associations: CPA Australia, Chartered Accountants Australia and New Zealand (CAANZ) and the Institute of Public Accountants (IPA). Graduates are eligible to enter the membership programs of these organisations.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification*, as recognised by UWA; and either:
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
- (c) at least two years' professional experience in a relevant occupation;

or

- (2) completed a Graduate Certificate in Commerce at UWA.

* Applicants who have a bachelor's degree with a major in Accounting, or an equivalent qualification, are not eligible for admission.

"I graduated with a master's from UWA in 2013, somewhat unsure what industry I wanted to work in. Like most, it has taken me a number of years since graduating to get a clearer sense of this. I knew I wanted to work with innovative, progressive individuals who challenged the status quo and I got this in abundance working among startup companies. Working in this field led me to San Francisco where I now work at a venture capital firm that invests in early stage (\$2-8m) startups. My time at UWA gave me the educational foundation I now rely on as I make a name for myself in venture capital."

MIKEY,
MASTER OF COMMERCE (ADVANCED), 2013

Law

Discover the power of legal thinking and learn alongside others who share your passion for justice and upholding the law. Start your journey to becoming an expert and explore areas such as criminology, human rights, commercial law, mining and energy law, taxation law and more.

If you desire to perform a valuable role in your community, seek justice and make a difference in society, law could be for you. The importance of law is present in an array of industries, providing you with the opportunity to deliver real change in Australia and around the world. Build a global career and create positive, lasting change.

Our Law School provides a Clinical Legal Education program where you can participate in legal internships with law firms, courts, government agencies, non-governmental organisations and the UWA Mediation Clinic, preparing you for the workplace.

You'll also develop your practical skills and experience in a real-life setting through our Moot Court. Working with leading independent law firm Corrs Chambers Westgarth, you could take on Legal APptitude, a unit where you'll team up with a lawyer to develop artificial intelligence solutions to some of the not-for-profit sector's most pressing problems.

Top five reasons to study Law at UWA

- Enjoy **accreditation and international recognition** – the Juris Doctor is accredited by the Legal Practice Board of Western Australia and recognised in China, Malaysia and Singapore.
- **Join our successful alumni** including High Court judges, Queen's Counsel and Senior Counsel barristers, solicitors, academic lawyers, Rhodes and Fulbright Scholars, and former prime minister Bob Hawke.
- Our grads get jobs – **83% full-time employment** rate four months post-completion of course (Postgraduate, GUG, 2021).
- **Learn from award-winning, practising legal professionals** – our highly respected educators are regularly nominated for and recipients of UWA and national teaching awards.
- **World top 100 Law School** (QS 2021, THE WUR 2021) with 90+ years leading law education.

Graduates of this program can apply for admission to legal practice in Western Australia. Requirements for study may be set by the Legal Practice Board.

PROFESSIONAL ACCREDITATION

The Master of Legal Practice provides graduates with the accreditation required to apply for admission as a lawyer with the Legal Practice Board of WA.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; and
- (b) an assessment of this qualification by the Legal Practice Board of Western Australia that outlines which units are required to practice.

uwa.edu.au/study/m/legal-practice

Juris Doctor

UWA COURSE CODE: 20820

COURSE TYPE: Coursework

INTAKE: Non-standard (pre-Semester 1)

DURATION: 3 years full time

(or part-time equivalent)

FEE TYPE: CSP and FFP

CAREER OPPORTUNITIES

Lawyer, diplomat, policy adviser

A successful career in a demanding profession requires comprehensive training. The Juris Doctor gives you the knowledge and skills necessary to become the lawyer you want to be and a lawyer the world needs. You'll enter the competitive graduate market with an edge, with a prestigious qualification offered by institutions such as Harvard, Yale and Columbia universities.

PROFESSIONAL ACCREDITATION

The Juris Doctor is accredited by the Legal Practice Board of Western Australia.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA grade point average (GPA) of at least 5.5*.
- (2) To be considered for admission to this course an Indigenous applicant must have—
 - (a) met the general admission requirements under 1;
 - or
 - (b) (i) a bachelor's degree via the UWA Indigenous Direct Pathway; and
 - (ii) the equivalent of a UWA grade point average (GPA) of at least 5.0*;

or

- (c) (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (ii) a School of Indigenous Studies' Law Admission Test and interview.

- (3) To be considered for admission to this course via the Equity and Diversity Pathway an applicant must have—
 - (a) (i) held a protection, refugee or humanitarian visa within seven years prior to applying for admission to this course;
 - or
 - (ii) experienced significant personal, medical, social, educational, cultural or financial disadvantage or hardship, including any disadvantage or hardship resulting from an applicant's sexual orientation or gender identity that has had an effect on their prior academic studies; and
 - (b) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (c) the equivalent of a UWA grade point average (GPA) of at least 5.0.
- (4) To be considered for admission to this course via the alternative experience pathway an applicant must—
 - (a) (i) have a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (ii) demonstrate competency for legal studies derived from a minimum of five years' unpaid or paid work, study or other experience, since completion of the undergraduate degree in (i); and
 - (iii) have completed the equivalent of one year full time in a UWA undergraduate course with a minimum GPA of 5.5 undertaken within the past two years;
 - or
 - (b) (i) have a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (ii) have the equivalent of a UWA grade point average (GPA) of at least 5.0; and
 - (iii) demonstrate competency for legal studies derived from a minimum of five years' unpaid or paid work, study or other experience since completion of the undergraduate degree in (i); and
 - (iv) supply a personal statement; and
 - (v) undertake an interview.
- (5) To be considered for transfer to this course an applicant must have—
 - (a) at a minimum, completed the equivalent of a full semester of the UWA Juris Doctor course at another Australian university not being UWA; and
 - (b) achieved the equivalent of a UWA Weighted Average Mark of at least 60 per cent in that Juris Doctor course.

* All completed tertiary studies will be used when calculating the GPA.

uwa.edu.au/study/d/juris-doctor

Doctor of Juridical Science

UWA COURSE CODE: 20810

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1, Semester 2

DURATION: 3 years full time

(or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Lawyer

The Doctor of Juridical Science is a special opportunity to gain distinguished professional recognition for high-quality research. With both a coursework and thesis component, this professional doctorate recognises a distinguished original contribution to professional knowledge. It is a platform for achieving publication of research outputs and can re-launch your professional career or fulfil a personal yearning for scholarly satisfaction.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) the Bachelor of Laws with first or upper second class honours; or an equivalent qualification, as recognised by UWA;
- or
- (b) (i) a Juris Doctor or Master of Laws, including a 12-point research project, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA Weighted Average Mark of at least 70 per cent;
- or
- (c) (i) a bachelor's degree in law, or an equivalent qualification, as recognised by UWA; and
- (ii) evidence of adequate research preparation as recognised by UWA; and
- (iii) at least two years of relevant professional experience.

uwa.edu.au/study/d/juridical-science

Master of Mining and Energy Law

UWA COURSE CODE: 20550

COURSE TYPE: Coursework

INTAKE: Non-standard
(throughout the year)

DURATION: 1 year full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Management consultant, policy analyst,
policy and planning manager

This course is designed to give legal and non-legal professionals the expertise to pursue careers in the mining and energy industries. Subject areas include exploration and production of minerals and petroleum in Australia, native title, concepts of sustainability and social license to operate, as well as other broad policy objectives.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
- or
- (2) (a) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (3) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) at least two years of relevant professional experience.

uwa.edu.au/study/m/mining-energy-law

Graduate Diploma in Natural Resources Law

UWA COURSE CODE: 21360

INTAKE: Non-standard
(throughout the year)

DURATION: 0.5 years full time
(or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Lawyer, legal counsel, legal officer

All students except those with a recognised law degree will study a foundation unit in law governance. You'll also choose three option units, from topics such as mining law, climate change, and oil and gas project development. Those who successfully complete the diploma may be eligible to progress to the Master of Mining and Energy Law, or the Master of Resources and International Commercial Law with full credit for completed units.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
- or
- (2) (a) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (3) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) at least two years of relevant professional experience.

uwa.edu.au/study/gd/natural-resources-law

Taxation Law

CAREER OPPORTUNITIES

Tax accountant, financial investment
adviser, academic

Taxation law impacts the outcomes of all business and work activities. Distinguish yourself with specialist knowledge in this globally critical field. This advanced program is designed to give tax professionals the expertise necessary to specialise in the complex and varied field of taxation law. You'll develop an advanced understanding of the technicalities of tax law in a range of specialist areas.

MASTER'S

UWA COURSE CODE: 21550

COURSE TYPE: Coursework or
coursework and dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1 year full time (or part-time
equivalent)

FEE TYPE: FFP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
- or
- (2) (a) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (3) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) at least two years of relevant professional experience.

uwa.edu.au/study/m/taxation-law

GRADUATE DIPLOMA

UWA COURSE CODE: 21350

INTAKE: Semester 1, Semester 2

DURATION: 0.5 years full time
(or part-time equivalent)

FEE TYPE: FFP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
- or
- (2) (a) (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (3) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) at least two years of relevant professional experience.

uwa.edu.au/study/gd/taxation-law

"The Master of Taxation Law course at UWA is very well regarded in the industry. It is practical, comprehensive, and taught by subject matter experts. The course has contributed to me becoming a well-rounded commercial and tax lawyer."

ANDREW
LAWYER, HALL & WILCOX
MASTER OF TAXATION LAW GRADUATE

Data and Computer Science

Through interpreting the data and computer science behind technological advances, you can help create and develop methods to improve everyday lives. Gain the knowledge and expertise needed for an exciting career in the world of information and technology.

From mobile data and cloud computing, to artificial intelligence and advanced software development, study in this field to tackle technological challenges and devise innovative solutions to transform the way we live.

Industry 4.0, part of the world's fourth industrial revolution, is changing the way we work and interact with other people and the world around us. In almost every industry, you'll find a requirement for talented professionals in data and computer science.

Our postgraduate courses prepare you for a wide range of careers in information technology (IT), data science, artificial intelligence, technological advances and more.

Top five reasons to study Data and Computer Science at UWA

- **Industry-developed courses** so you'll gain the skills needed to succeed.
- Gain transferable **skills demanded by employers**, along with technical skills to analyse large amounts of data.
- Learn from **globally renowned experts** who are engaged in world-leading research.
- **High-demand graduates**, with many working with Google and Facebook.
- **Make lifelong connections** through our vibrant student and professional communities such as the UWA Data Science Student Club and Perth Machine Learning Community, which organise industry meet-ups to give you opportunities to network with future employers and industry partners.

uwa.edu.au/study/areas/data-computer-science

Master of Bioinformatics

UWA COURSE CODE: 70550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Bioinformatician, data scientist, data analyst

Bioinformatics is the application and development of methods from computer science to solve challenges within molecular biology and medicine. With rapid data and technology advances in the fields of biology and medicine, people with the skills required to manage and interpret large biological datasets are increasingly in demand.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in – biological, medical, biomedical, or biomolecular sciences; or in a related cognate discipline as recognised by UWA.

uwa.edu.au/study/m/bioinformatics

Master of Data Science

UWA COURSE CODE: 62530

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time

FEE TYPE: FFP

CAREER OPPORTUNITIES

Data scientist, data analyst, intelligence analyst, management consultant, statistician, market research analyst

In this course you'll gain the in-demand knowledge and practical skills to understand and apply appropriate analytical methodologies to transform the way an organisation achieves its goals and objectives, to deal effectively with large data management tasks, to master the statistical and machine learning foundations on which data analytics is built, and to evaluate and communicate the effectiveness of new technologies.

You will also acquire essential skills in software project management and high-performance computing.

PROFESSIONAL ACCREDITATION

The Master of Data Science has been provisionally accredited by the Australian Computer Society (ACS) at the professional level.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 65 per cent; and
- (c) completed Mathematics Applications ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/data-science

Master of Information Technology

UWA COURSE CODE: 62510

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

IT consultant, internet/web developer, systems analyst, technology and network manager, communications, software developer

This course focuses on the application of technologies, including cloud and high-performance computing, agile web development and software project design and management.

You'll develop programs in contemporary scripting and programming languages and learn to harness existing technologies to manage and analyse large data sets.

It will also cover network and web-based systems and their security, and human-computer interaction.

PROFESSIONAL ACCREDITATION

The Master of Information Technology has been provisionally accredited by the Australian Computer Society (ACS) at the professional level.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA weighted average mark of at least 65 per cent; and
- (c) completed Mathematics Applications ATAR, or equivalent, as recognised by UWA.

Education

Ignite your passion to teach and inspire a love of learning in others. Qualify for a highly rewarding career as an educator or explore the options for experienced teachers, policymakers and leaders who seek to deepen their knowledge, contribute to the profession and advance their careers.

Education is a vital field in which you'll facilitate learning, transform lives and inspire futures. Develop your skills in best-practice teaching and choose to educate people at all stages of life. As a teacher, you'll inspire minds and empower the next generation of thinkers and doers. A career in teaching is a fulfilling one in which you can change lives and create a lasting positive impact on society.

Top five reasons to study teaching at UWA

- **Top university in WA for Education**, and top 10 in Australia (Times Higher Education World University Rankings by Subject 2021).
- **82.4% of UWA teaching graduates are employed full time** four months after completing their course (Good Universities Guide 2021).
- Benefit from our **strong industry connections** through scholarships, volunteering programs, professional development workshops and more.
- Study within a **close-knit cohort** and form lifelong personal and professional networks.
- Gain a **competitive edge in your career** with a master's degree in teaching in as little as 18 months.

uwa.edu.au/study/areas/education

Master of Teaching – Primary

UWA COURSE CODE: 31520

COURSE TYPE: Coursework

INTAKE: Non-standard (pre-Semester 1)

DURATION: 1.5*-2 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Primary school teacher

This course will qualify you as a primary school teacher with a comprehensive understanding of childhood development and learning. You'll be introduced to the breadth of learning required of children including science, humanities and social sciences, arts, health and physical education, and will have opportunities to practise your teaching skills in authentic settings throughout the course.

PROFESSIONAL ACCREDITATION

The Master of Teaching is accredited by the Australian Children's Education and Care Quality Authority (ACECQA) and Teacher Registration Board of Western Australia (TRBWA). Graduates are eligible to register with TRBWA and this entitles them to be legally employed as a teacher in a Western Australian school. Teachers who are registered with the TRBWA can apply for registration in other Australian states.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent; and
 - (c) at least one year of the bachelor's degree relevant to one or more learning areas in the Primary school curriculum; and
 - (d) a satisfactory personal statement, as recognised by UWA, and an interview when requested.
- (2) Before admission, international students must obtain a criminal record check from their country of origin or recent residence.
- (3) Applicants presenting with the IELTS Academic, to satisfy the English Language Competency requirement, must have an overall score of at least 7.5, a minimum score of 7.0 in the Reading and Writing bands, and a minimum score of 8.0 in the Listening and Speaking bands.

* Subject to meeting TRBWA requirements

uwa.edu.au/study/m/teaching

Master of Teaching – Secondary

UWA COURSE CODE: 32550

COURSE TYPE: Coursework

INTAKE: Non-standard (pre-Semester 1)

DURATION: 1.5*-2 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Secondary school teacher

A teacher preparation program for university graduates who seek to begin a rewarding career in education. This course ensures you have an in-depth knowledge of the theory and the practical skills required for secondary teaching. Your subject area expertise, coupled with this sought-after teaching qualification, will see you thrive in the global knowledge society.

PROFESSIONAL ACCREDITATION

The Master of Teaching is accredited by the Teacher Registration Board of Western Australia (TRBWA). Graduates are eligible to register with TRBWA and this entitles them to be legally employed as a teacher in a Western Australian school.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (b) a degree with six units in a discipline that is relevant to the school curriculum major, with at least two of those units studied at second-year university level and two at third-year university level; and
 - (c) the equivalent of a UWA Weighted Average Mark of at least 60 per cent; and
 - (d) a satisfactory personal statement, as recognised by UWA, and an interview when requested.
- (2) Before admission, international students must obtain a criminal record check from their country of origin or recent residence.
- (3) Applicants presenting with the IELTS Academic, to satisfy the English Language Competency requirement, must have an overall score of at least 7.5, a minimum score of 7.0 in the Reading and Writing bands, and a minimum score of 8.0 in the Listening and Speaking bands.

* Subject to meeting TRBWA requirements

Master of Teaching (F-12)

UWA COURSE CODE: 32540

COURSE TYPE: Coursework

INTAKE: Non-standard (pre-Semester 1)

DURATION: 1.5*-2 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Primary school teacher, secondary school teacher

This teacher education program will ensure you have developed appropriate knowledge, expertise and professional skills required for teaching in primary and secondary school environments. Subject area expertise coupled with this unique teaching qualification will enable you to gain employment in a range of sectors and school types. This course is offered in blended mode combining online with some face-to-face learning.

PROFESSIONAL ACCREDITATION

The Master of Teaching will be accredited by the Teacher Registration Board of Western Australia (TRBWA). Graduates are eligible to register with TRBWA and this entitles them to be legally employed as a teacher in a Western Australian school. The TRBWA accreditation process is based on a nationally agreed approach to accreditation.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (b) at least one major study or two minor studies relevant to secondary teaching curriculum areas offered by the University and reflecting the national program standard for teaching. A major is defined as at least six semester units of study in a discipline with at least two of those units studied at second-year university level and two at third-year university level. A minor study is at least four semester units in a discipline with at least two units at second-year university level; and
 - (c) the equivalent of a UWA Weighted Average Mark of at least 60 per cent; and
 - (d) a satisfactory personal statement, as recognised by UWA, and an interview when requested.
- (2) Before admission, international students must obtain a criminal record check from their country of origin or recent residence.

* Subject to meeting TRBWA requirements

uwa.edu.au/study/m/teaching

- (3) Applicants presenting with the IELTS Academic, to satisfy the English Language Competency requirement, must have an overall score of at least 7.5, a minimum score of 7.0 in the Reading and Writing bands, and a minimum score of 8.0 in the Listening and Speaking bands.

* Subject to meeting TRBWA requirements

Graduate Certificate in Tertiary Teaching

UWA COURSE CODE: 30250

INTAKE: Throughout the year

DURATION: 1 year part time

FEE TYPE: FFP

CAREER OPPORTUNITIES

University lecturer, tutor

Responding to national and international trends in quality teaching, this course has been designed to assist tertiary educators working in higher education to develop their teaching and mentoring skills. Units are taught by internationally recognised educators and are designed to equip you with the necessary skills to maximise your students' learning.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) current employment in tertiary teaching.

uwa.edu.au/study/gc/tertiary-teaching

Education

CAREER OPPORTUNITIES

School principal, director of curriculum, education adviser, teacher*, school leader*

The Doctor of Education is designed for research-oriented individuals working in educational roles who wish to contribute to policy and practice in the professional context. You'll develop substantial content knowledge in cognate areas related to the kinds of career positions and pathways you might wish to pursue, along with substantial knowledge of research principles and methods.

The Master of Education (by Coursework and Dissertation) is designed for professionals in education who wish to expand their expertise and career possibilities. It will introduce you to theory as well as national and international educational practices.

You'll have the opportunity to connect these considerations with your own experiences.

The Master of Education (by Thesis and Coursework) is suited to leaders and professionals in education, health, justice, government administration and management who want to undertake postgraduate study. You'll be introduced to theory as well as national and international educational practices, and get comprehensive preparation in conceptualising, conducting and reporting research in education.

* With relevant prior qualifications

DOCTOR

UWA COURSE CODE: 30810

COURSE TYPE: Thesis and coursework

Engineering

Engineering is a force with which you can create profound change and improvement in society. Through study in this area, you will be empowered to tackle worldwide challenges and make an impact through engineering innovation.

Embarking on engineering postgraduate studies at UWA allows you to develop logical thinking and crucial analytical skills, preparing you for a career in a number of highly paid fields.

If you choose the Master of Professional Engineering you can choose from these specialisations:

- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Electrical and Electronic Engineering
- Environmental Engineering
- Mechanical Engineering
- Mining Engineering
- Software Engineering

Our other engineering courses prepare you for a wide range of careers in professional engineering, renewable and future energy, ocean leadership, and more.

Top five reasons to study Engineering at UWA

- UWA has strong links with industry, and during your degree **you'll work closely with prospective employers** to build connections, knowledge and the most up-to-date, relevant and in-demand skill set
- **Graduate with a higher-level qualification** and wider international recognition with a master's degree
- **Gain access to world-class facilities** at EZONE UWA – our multimillion-dollar dedicated innovation and technological hub for engineering and mathematical science students, featuring flexible workspaces for collaborative learning and industry interaction
- You can **enhance your employability while meeting like-minded friends and connections** in our student clubs and societies, such as Engineers Without Borders or Women in Engineering and Mathematical Sciences
- **Be inspired learning from and studying alongside engaging, innovative, experienced lecturers and researchers** who are making a real ongoing impact to the industry

Master of Ocean Leadership

UWA COURSE CODE: 62540

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time
(or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Marine researcher, renewable energy developer, marine conservationist, government officer, professional in offshore oil and gas, not-for-profit and aquaculture industries

The Master of Ocean Leadership develops your ocean-related leadership skills and expertise across marine science, engineering, law, resource economics and environmental management. This will enable you to strategically manage human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ocean-leadership

FEE TYPE: FFP

CAREER OPPORTUNITIES

Renewable energy engineer, power systems engineer, renewable resource analyst

As new technologies for the energy sector develop, UWA's Master of Renewable and Future Energy will prepare you to lead industry changes and ensure more environmentally sustainable energy into the future. Interdisciplinary collaborations throughout your studies will give in-depth technical knowledge and skills to tackle

the current challenges and opportunities that come with the uptake of renewable energy and distributed renewable energy in micro-grids.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a UWA Master of Professional Engineering or a Bachelor of Engineering, or an equivalent qualification, as recognised by UWA;
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in electrical and electronic engineering, chemical engineering, or mechanical engineering, or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/renewable-future-energy

Master of Professional Engineering

UWA COURSE CODE: 62550

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

DURATION: 2-3 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Engineer, chemical engineer, civil engineer, electrical engineer, electronics engineer, environmental engineer, geotechnical engineer, mechanical engineer, mining engineer, software engineer

The Master of Professional Engineering is designed to produce versatile graduates qualified to meet industry demand at an advanced level. We aim to push the limits of engineering research and learning, and our research directly informs strategy, policy, training and operations in the real world. You'll benefit from close interaction with our researchers and from their industry links as you study.

SPECIALISATIONS

Biomedical Engineering; Chemical Engineering; Civil Engineering; Electrical and Electronic Engineering; Environmental Engineering; Mechanical Engineering; Mining Engineering; Software Engineering

PROFESSIONAL ACCREDITATION

The Master of Professional Engineering has been assessed by Engineers Australia, the national accrediting body, with the Electronic and Electrical, Environmental, Chemical, Civil, Mechanical and Mining Engineering specialisations fully accredited. Additionally, the MPE Chemical Engineering specialisation is accredited by the Institute of Chemical Engineers (IChemE) and the Software Specialisation has been provisionally accredited by the Australian Computer Society (ACS). Our graduates are recognised internationally through the Washington Accord of the International Engineering Alliance.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a UWA bachelor's degree with a major in Engineering Science;¹
or
(b) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (i) the equivalent of a UWA Weighted Average Mark of at least 65 per cent; and
 - (ii) prior studies in engineering, physics or mathematics
- or
- (2) completed units in the Master of Professional Engineering Preliminary course at UWA, as prescribed by the Faculty;
- or
- (3) completed a UWA Diploma in Science with a major in Engineering Science.¹

¹ Students are required to achieve a course Weighted Average Mark of at least 50 per cent in their bachelor's degree, or a Weighted Average Mark of at least 50 per cent in the Level 3 units of the Engineering Science major.

uwa.edu.au/study/m/professional-engineering

Health and Biomedical Sciences

Are you passionate about advancing the health and wellbeing of communities? Studying Health and Biomedical Sciences at UWA will develop your analytical, technical and problem-solving skills, and provide you with the knowledge and practical experience for careers as diverse as clinical practice, medical research or public health.

The global demand for graduates with health and medical expertise is growing. You may choose to become a health practitioner, working directly with patients in hospital or community-based settings, but studies in this area also provide excellent preparation for careers in research, training, policy, planning and management.

We have WA's most comprehensive range of accredited pathways to a professional career in health, including medicine, dentistry, optometry, pharmacy, podiatric medicine, psychology, social work and clinical pathology.

You can also join the in-demand health industry through a postgraduate qualification in public health, infectious diseases, nutrition, exercise and health, clinical exercise physiology or sport science.

We are tightly integrated with the Western Australian health system, public and private health providers, consumer advocacy groups and community health organisations. This close interaction ensures you will be equipped with the skills and knowledge to become a health leader of the future.

Our pioneering research continues to have an impact on the health of people worldwide, be it in preventing preterm birth, discovering the genetic basis of inherited and acquired disorders, or regenerative medicine.

Our researchers all share the desire to make a difference by translating their discoveries into clinical practice. Interdisciplinary collaboration is at the heart of our research success.

Top five reasons to study Health and Biomedical Sciences at UWA

- Real-world experience with **lab-based learning**, **industry placements** and research projects.
- Classes at UWA Health Campus on the Queen Elizabeth II Medical Centre site, the **largest medical centre in the Southern Hemisphere**.
- Be **taught by leading experts** in their field, who have won national teaching awards.
- We are ranked **2nd in Australia** and 30th in the world **for Clinical Medicine** (ARWU 2021).
- We are ranked **2nd in Australia** and 38th in the world **for Human Biological Sciences** (ARWU 2021).

uwa.edu.au/study/areas/health-biomedical-sciences

ALLIED HEALTH

Graduate Certificate in Autism Diagnosis

UWA COURSE CODE: 70230

INTAKE: Semester 1

DURATION: 0.5 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Assessment team leader, specialist autism team coordinator, clinical services coordinator

The only course of its kind in Australia, the Graduate Certificate in Autism Diagnosis will provide graduates in psychology, speech pathology or medicine with the specialist knowledge and clinical skills required to participate in multidisciplinary team assessments for autism.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) (i) a bachelor's degree in speech pathology, occupational therapy, medicine, or an equivalent qualification, as recognised by UWA;
or
(ii) an accredited bachelor's honours degree in psychology, or an equivalent qualification, as recognised by UWA; and
(iii) eligibility for registration as a provisional or full psychologist with AHPRA; and
(b) evidence of having at least three months of full-time equivalent experience working directly with children or adolescents, as recognised by UWA; and
(c) a satisfactory personal statement, as recognised by UWA; and
(d) two satisfactory referees, as recognised by UWA; and
(e) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA.
- (2) Invitation to attend an interview will be based on assessment of (1) (a), (b), (c), (d), and (e), in alignment with the interview quota for the year.
- (3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable by the selection panel.
- (4) Admission will be awarded to the highest-ranked applicants under (1) and (3) who fall within the intake quota for that year.

uwa.edu.au/study/gc/autism-diagnosis

Graduate Certificate in the Diagnosis and Assessment of Fetal Alcohol Spectrum Disorder (FASD)

UWA COURSE CODE: 73260

INTAKE: Available throughout the year

DURATION: 1 year full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Health diagnostic and promotion professional, medical researcher, coordinator of clinical services

This course provides graduates trained in psychology, speech pathology, social work, occupational therapy, physiotherapy, nursing and medicine (including paediatrics and psychiatry) with the specialist knowledge and clinical skills required to participate in team-based diagnosis and assessment of Fetal Alcohol Spectrum Disorder (FASD).

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's, postgraduate degree or equivalent in speech pathology, social work, occupational therapy, physiotherapy, nursing or medicine, as recognised by UWA;
or
(b) an accredited bachelor's honours degree in psychology, or an equivalent qualification, as recognised by UWA; and
(c) registration with the professional body of your specialisation, as recognised by UWA; and
(d) a satisfactory personal statement, as recognised by UWA; and
(e) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA.

uwa.edu.au/study/gc/fetal-alcohol-spectrum-disorders

Master of Hearing Sciences

UWA COURSE CODE: 73560

COURSE TYPE: Coursework and Dissertation

INTAKE: Semester 1

DURATION: 2 years full time

FEE TYPE: FFP

CAREER OPPORTUNITIES

Health diagnostic and promotion professional, research and development manager, newborn-hearing screener

Did you know that hearing loss is the fourth-highest cause of disability globally? If you're looking for a rewarding career where you can positively impact the lives of those affected by hearing loss, the Master of Hearing Sciences course will provide you with the specialist skills you need to gain comprehensive theoretical knowledge of hearing, deafness and advanced communication devices.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or equivalent qualification as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 65 per cent, from the most recent degree of at least one year full-time duration.

uwa.edu.au/study/m/hearing-sciences

Master of Clinical Audiology

UWA COURSE CODE: 90540

COURSE TYPE: Coursework

INTAKE: Semester 1

DURATION: 2 years full time

FEE TYPE: FFP

CAREER OPPORTUNITIES

Audiologist, researcher, health promotion officer

Audiology is the clinical science involving the prevention, assessment and rehabilitation of hearing loss and associated communication disorders. UWA's Master of Clinical Audiology is one of only five university audiology programs offered in Australia. You'll develop an understanding of the professional practice in clinical audiology and also benefit from extensive supervised clinical placements.

PROFESSIONAL ACCREDITATION

The Master of Clinical Audiology is accredited by Audiology Australia, and graduates are eligible for full membership after completion of an Audiology Australia internship program.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 65 per cent, taken from the most recent degree of at least one year full-time duration.
- (2) Students must obtain a current National Police Certificate, National Criminal History Check or equivalent certification from country of residence, indicating no criminal conviction. The currency of a National Police Certificate or a National Criminal History Check is 12 months.

uwa.edu.au/study/m/clinical-audiology

Doctor of Philosophy and Master of Clinical Audiology

UWA COURSE CODE: 00840

COURSE TYPE: Coursework and thesis

INTAKE: Semester 1

DURATION: 4 years full time

FEE TYPE: FFP (Master's degree) and RTP (PhD)

CAREER OPPORTUNITIES

Audiologist, academic, researcher

The Doctor of Philosophy and Master of Clinical Audiology is the only Australian university course allowing you to develop your knowledge of clinical audiology with structured coursework units while pursuing new research with guidance from an expert supervisor.

PROFESSIONAL ACCREDITATION

The Doctor of Philosophy and Master of Clinical Audiology is accredited by Audiology Australia, and graduates are eligible for full membership after completion of an Audiology Australia internship program.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) an honours degree of at least 2A level, or a qualification recognised as equivalent by the Board of the Graduate Research School (the Board) and the Faculty; and
(b) satisfied the requirements of Doctor of Philosophy Rule 2; and
- (2) a current National Police Certificate, National Criminal History Check or equivalent certification from country of residence, indicating no criminal conviction. The currency of a National Police Certificate or a National Criminal History Check is 12 months.

uwa.edu.au/study/cmd/clinical-audiology

Master of Pharmacy

UWA COURSE CODE: 51500

COURSE TYPE: Coursework (extended)

INTAKE: January

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Community or hospital-based pharmacist

This course provides advanced study in the areas of pharmacy practice, clinical pharmacy, pharmaceuticals, medicinal chemistry, pharmacotherapy and health systems, and includes practical training in community and hospital pharmacy.

PROFESSIONAL ACCREDITATION

This course is fully accredited by the Australian Pharmacy Council. Graduates are eligible to register to practise as a pharmacist in Australia and New Zealand after completion of an internship in a community or hospital pharmacy.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (a) a bachelor's degree or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Selection Grade Point Average (GPA) of at least 5.0; and
- (c) demonstrated adequate knowledge of each of the following: chemistry (at Year 12 or tertiary level), mathematics (Year 12 or tertiary level mathematics or statistics), microbiology (at tertiary level) and pharmacology (at tertiary level); and
- (d) a current Australian National Police Certificate, or equivalent certification, indicating no criminal convictions. The currency of a National Police Certificate is 12 months.

uwa.edu.au/study/m/pharmacy

Doctor of Podiatry

UWA COURSE CODE: 90820

INTAKE: Semester 1

DURATION: 3 years full time (or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Public health policy adviser, researcher

This course provides additional theoretical and clinical knowledge in podiatric medicine and surgery beyond the Bachelor of Podiatric Medicine or Doctor of Podiatric Medicine. Topics include biostatistics and research methodology, practical aspects of extended patient care, and patient-oriented research, including the ethics and communication of research, resulting in publication of an original thesis.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (a) the Bachelor of Podiatric Medicine or Doctor of Podiatric Medicine, or equivalent, as recognised by the Faculty; and
- (b) at least one year of relevant professional experience as a general podiatrist.

uwa.edu.au/study/d/podiatry

Doctor of Podiatric Medicine

UWA COURSE CODE: 91870

INTAKE: January

DURATION: 3 years full time

FEE TYPE: CSP

CAREER OPPORTUNITIES

Podiatrist, public health policy adviser, researcher

The Doctor of Podiatric Medicine (DPM) is a three-year program for entry into professional practice as a podiatrist. The study of podiatric medicine in the DPM includes biomechanics, sports medicine, minor surgery, the diabetic and acute foot, geriatric and paediatric podiatry and podiatric surgery, as well as general practice.

PROFESSIONAL ACCREDITATION

The DPM is accredited by the Podiatry Board of Australia, governed by the Australian Health Practitioner Regulation Agency as an entry-to-practice qualification as a general podiatrist with the Podiatry Board of Australia.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Selection Grade Point Average of at least 5.0; and
- (c) Demonstrated knowledge in two of the following areas at a tertiary level: Physiology, pharmacology, anatomy, human biology, microbiology, genetics, immunology or biological chemistry.

uwa.edu.au/study/d/podiatric-medicine

Doctor of Podiatric Surgery

UWA COURSE CODE: 91830

INTAKE: January

DURATION: 5 years part-time

FEE TYPE: FFP

CAREER OPPORTUNITIES

Podiatric surgeon

This course provides theoretical and clinical knowledge in podiatric surgery beyond the Bachelor of Podiatric Medicine or Doctor of Podiatric Medicine. Topics include biostatistics, research methodology, advanced podiatric medicine, theoretical and practical aspects of elective foot surgery and/or management of the high-risk foot, and patient-oriented research, including ethics and communication of research, resulting in a dissertation.

PROFESSIONAL ACCREDITATION

Graduates are eligible for registration with the Podiatry Board of Australia as a podiatric surgeon.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (a) a Bachelor of Podiatric Medicine, or Doctor of Podiatric Medicine, or an equivalent qualification, as recognised by UWA; and
- (b) minimum UWA Selection GPA of 5.5 or equivalent; and
- (c) unrestricted current registration as a podiatrist in Australia¹; and
- (d) at least two years of relevant professional experience.

¹ Applicants must be eligible and remain registered for the duration of the course.

uwa.edu.au/study/d/podiatric-surgery

Doctor of Optometry

UWA COURSE CODE: 91590

INTAKE: Semester 1

DURATION: 3 years full time

FEE TYPE: CSP and FFP

CAREER OPPORTUNITIES

Community or hospital-based optometrist, public health policy adviser, researcher

The Doctor of Optometry is an exciting new postgraduate course designed to meet the growing demand for eye specialists in Australia. You'll be trained in the early detection, diagnosis, treatment and management of eye diseases, and the rehabilitation of conditions of the visual system. Extended clinical placements with industry partners will provide you with hands-on direct patient experience.

REQUIREMENTS*

To be considered for admission to this course an applicant must have—

- (a) a bachelor's degree in biomedical science, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Selection Grade Point Average (GPA) of at least 5.0; and
- (c) demonstrated adequate knowledge of each of the following: chemistry (at Year 12 or tertiary level), mathematics (Year 12 or tertiary level mathematics or statistics), microbiology (at tertiary level), and pharmacology (at tertiary level); and
- (d) a current Australian Police Certificate, or equivalent certification, indicating no criminal convictions. The currency of a National Police Certificate is 12 months.

*additional selection criteria may apply

uwa.edu.au/study/d/optometry

BIOMEDICAL SCIENCES

Master of Bioinformatics

UWA COURSE CODE: 70550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Bioinformatician, data scientist, data analyst

Bioinformatics is the application and development of methods from computer science to solve challenges within molecular biology and medicine. With rapid data and technology advances in the fields of biology and medicine, people with the skills required to manage and interpret large biological datasets are increasingly in demand.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and

- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in - biological, medical, biomedical, or biomolecular sciences; or in a related cognate discipline as recognised by UWA.

uwa.edu.au/study/m/bioinformatics

Master of Biomedical Science

UWA COURSE CODE: 71520

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Biomedical scientist, clinical research associate, medicinal chemist

This course encompasses a range of biological, medical and health-related disciplines, addressing global biomedical challenges such as obesity, cancer, neurological diseases and cardiovascular disease. It draws on the disciplines of biochemistry, molecular biology, food biochemistry and neuroscience to understand human health and disease.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in
 - (i) biochemistry and molecular biology for the Biochemistry and Molecular Biology or Food Biochemistry specialisations; or
 - (ii) biological, medical or biomedical sciences for the Neuroscience specialisation; or
 - (iii) a related cognate discipline as recognised by UWA.

uwa.edu.au/study/m/biomedical-science

Master of Biotechnology

UWA COURSE CODE: 71580

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Biotechnologist, biomanufacturing specialist, business development manager

This is a signature program that sets UWA apart from other universities by offering a thorough grounding in state-of-the-art biotechnology and combining this with training in enterprise and commercialisation. This includes developing the theory of genetics and molecular biology in parallel with skills training in practical techniques such as genomics, proteomics, metabolomics, recombinant DNA methods, and basic and advanced bioinformatics.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Science, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
 - (c) met the prerequisite for the chosen specialisation.
- (2) For the Biochemistry and Molecular Biology specialisation, an applicant must have—
 - (a) successfully completed intermediate units at a tertiary level in biochemistry, or equivalent, as recognised by UWA; and
 - (b) successfully completed intermediate units at a tertiary level in molecular biology, or equivalent, as recognised by UWA.
- (3) For the Environmental and Agricultural Biotechnology specialisation, an applicant must have successfully completed Chemistry ATAR, or CHEM1003 Introductory Chemistry, or equivalent, as recognised by UWA.
- (4) For the Genetics and Genomics specialisation, an applicant must have successfully completed intermediate units at a tertiary level in genetics, or equivalent, as recognised by UWA.
- (5) For the AQUAtech specialisation, an applicant must have successfully completed Chemistry ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/biotechnology

Master of Clinical Pathology

UWA COURSE CODE: 92510

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Medical scientist, geneticist, microbiologist

This course focuses on the six major disciplines of clinical pathology (biochemistry, haematology and transfusion science, immunology, anatomical pathology, genetics and microbiology) as well as key elements of professional practice. This is a 96-point course that contains 48 points of core units and 48 points of specialisation specific units, which can be chosen to include a research project and dissertation or coursework only.

ACCREDITATION

The Master of Clinical Pathology (MCP) is fully accredited by the Australian Institute of Medical Scientists (AIMS). AIMS is the peak professional body representing medical scientists in Australia in all disciplines of medical laboratory science. Accreditation by AIMS is a requirement for employment as a Medical Laboratory Scientist in most laboratories in Australia.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of 65 per cent in the Level 3 units of a relevant major.

uwa.edu.au/study/m/clinical-pathology

Infectious Diseases

CAREER OPPORTUNITIES

Infectious diseases specialist, biosecurity specialist, medical scientist, molecular biologist

These courses have been developed in response to the international need for advanced training and research in infectious diseases, to better prepare

medical scientists, medical professionals, the public sector and other groups. Topics covered include Medical Microbiology, Tropical Infectious Diseases, and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes and a research project.

DOCTOR OF PHILOSOPHY AND MASTER'S

UWA COURSE CODE: 01810/52520

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1

DURATION: 4 years full time (or part-time equivalent)

FEE TYPE: FFP and RTP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) met the requirements set out in Doctor of Philosophy Rule 2, except that both the Board of the Graduate Research School (the Board) and the Faculty of Health and Medical Sciences (the Faculty) will decide who is eligible.

uwa.edu.au/study/cmd/infectious-diseases

MASTER'S

UWA COURSE CODE: 52530

COURSE TYPE: Coursework and Dissertation

INTAKE: Semester 1

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree¹, or an equivalent qualification, as recognised by UWA; and
 - (b) (i) the equivalent of a UWA Weighted Average Mark of at least 60 per cent in the Level 3 units;

or

 - (ii) at least three years of relevant full-time professional experience;

or

 - (iii) evidence of adequate research outputs, as recognised by UWA.

¹ A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, and a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health, and veterinary science).

uwa.edu.au/study/m/infectious-diseases

GRADUATE DIPLOMA**UWA COURSE CODE:** 51330**INTAKE:** Semester 1**DURATION:** 1 year full time
(or part-time equivalent)**FEE TYPE:** CSP**REQUIREMENTS**

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree¹, or an equivalent qualification, as recognised by UWA; and
- (b) (i) the equivalent of a UWA Weighted Average Mark of at least 60 per cent in the Level 3 units;
- or
- (ii) at least three years of relevant full-time professional experience;
- or
- (iii) evidence of adequate research outputs, as recognised by UWA.

¹ A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, and a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health, and veterinary science).

Master of Pathology

UWA COURSE CODE: 92610**COURSE TYPE:** Thesis and Coursework**INTAKE:** Semester 1**DURATION:** 1 year full time**FEE TYPE:** RTP**CAREER OPPORTUNITIES**

Research laboratory assistant,
biopharmaceutical researcher,
government research adviser

This course provides an opportunity for students who have completed a Graduate Diploma in a cognate field to design, conduct, analyse and write up a year-long research project relevant to the School of Biomedical Sciences. Students develop their understanding of the process of research, as well as demonstrating competence at each stage of the research process.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Graduate Diploma in a cognate field, or equivalent, as recognised by UWA; and
- (b) obtained a score that is equivalent to a UWA Weighted Average Mark at or above 65 per cent.

uwa.edu.au/study/m/pathology

DENTAL

Doctor of Dental Medicine

UWA COURSE CODE: 90860**INTAKE:** January**DURATION:** 4 years full time**FEE TYPE:** CSP**CAREER OPPORTUNITIES****Dentist**

This degree provides you with the knowledge and skills to enter the dentistry profession. Studies cover fundamental dental and medical sciences, clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry, and child and adolescent dental health. There is early clinical contact from first year. You actively engage in a research project in the third year. Final year involves independent but supervised practice at The Oral Health Centre of Western Australia, with additional rural and metropolitan clinical placements.

ACCREDITATION

The Doctor of Dental Medicine is accredited by the Australian Dental Council, allowing graduates to practise in the profession at once.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (2) the equivalent of a UWA Selection Grade Point Average (GPA) of at least 5.5; and
- (3) (a) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 50, and no section score less than 50.

uwa.edu.au/study/d/dental-medicine

Doctor of Clinical Dentistry

UWA COURSE CODE: 90840**INTAKE:** Non-standard**DURATION:** 3 years full-time**FEE TYPE:** FFP**CAREER OPPORTUNITIES**

Specialist dentist in one of: endodontics, oral medicine, orthodontics, paediatrics, periodontics, prosthodontics, dento-maxillofacial radiology

The Doctor of Clinical Dentistry (DClinDent) is a three-year, full-time specialist training program for qualified dentists. Coursework covers topics in biostatistics, research methodology, oral and maxillofacial radiography and radiology and practical aspects of specialist dentistry. The program also involves a supervised research project presented as a formal research report/dissertation, and in some cases submitted to suitable professional journals for consideration for publication.

ACCREDITATION

The Doctor of Clinical Dentistry is accredited by the Australian Dental Council (ADC). Graduates are eligible for registration to practise as a specialist dentist in their chosen specialty in Australia and New Zealand.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Dental Science, Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; and
- (b) at least two years of full-time professional experience or equivalent in the practice of general dentistry; and
- (c) passed the Primary Examination for Fellowship or the MRACDS (GDP) for Membership of the Royal Australasian College of Dental Surgeons, or equivalent, as recognised by UWA; and
- (d) current registration as a dentist in Australia¹.

¹ Applicants must be eligible and remain registered for the duration of the course.

uwa.edu.au/study/d/clinical-dentistry

Dental Public and Primary Health

CAREER OPPORTUNITIES

Allied health professional, public health officer, dentist

The master's course fosters the development of critical analysis and research competence, along with the advanced set of knowledge and skills in dental public health that is required to specialise in this field. The graduate diploma is suitable for those looking for a broad-based course of study to advance their knowledge in the field but who do not wish to undertake the research component of the master's.

MASTER'S

UWA COURSE CODE: 80530

COURSE TYPE: Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: FFP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) (i) a Bachelor of Dental Surgery, Doctor of Dental Medicine, or an equivalent qualification that allows dentistry practice, as recognised by UWA; and
- (ii) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (b) (i) a Bachelor of Health Science in Dental Health, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (c) (i) a Graduate Diploma in Dental Public and Primary Health of this University; and
- (ii) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

EXERCISE SCIENCE

Master of Clinical Exercise Physiology

UWA COURSE CODE: 73520

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5-2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Clinical exercise physiologist, strength and conditioning coach, wellness coordinator

This course is designed to provide a holistic understanding of the use of exercise as a modality in the treatment of musculoskeletal, cardiovascular, metabolic and other chronic and complex conditions. Students may structure a course that is best tailored to their future requirements and area of specialisation.

ACCREDITATION

The Master of Clinical Exercise Physiology is a National University Course Accreditation Program (NUCAP) accredited course. Graduates may apply to Exercise and Sports Science Australia (ESSA) within two years of completing the course for credentialing as an Accredited Exercise Physiologist (AEP).

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.
- (2) Applicants must compete for a place in Semester 1 if they have either:
 - (a) a bachelor's degree that has been accredited by Exercise and Sport Science Australia at the Exercise Science level;
 - or
 - (b) an official ESSA Graduate Entry Assessment letter that demonstrates equivalence with Exercise Science members.
- (3) All other applicants must compete for a place in Semester 2, and must have a relevant bachelor's degree that included foundation units in anatomy, functional anatomy, human physiology, biomechanics, exercise physiology and research methods/statistics.

uwa.edu.au/study/m/clinical-exercise-physiology

Master of Exercise Science

UWA COURSE CODE: 51610

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1 year full time (or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Sports scientist, exercise science academic, recreation officer

This course enables advanced study or research majoring in one of the sub-discipline areas within exercise science, with particular emphasis on movement science, biomechanics, exercise physiology, motor learning, pedagogy, health and sport psychology.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) a Bachelor of Science (Honours) with first class or upper second class honours in Sport Science, Exercise Science, or Exercise and Health, or an equivalent qualification, as recognised by UWA; and
- (2) secured a supervisor and research topic in the area of study

uwa.edu.au/study/m/exercise-science

HEALTH PROFESSIONS EDUCATION

Health Professions Education

CAREER OPPORTUNITIES

Health professions educator, education researcher, staff development educator, medical educator, clinical educator

A health professions education qualification equips graduates with the knowledge and skills to tailor their teaching to different levels of learners, from novice to more senior clinicians. To work successfully in the field of healthcare education, it is essential to have formal training in education to complement your clinical background.

The Master of Health Professions Education fosters interdisciplinary discussion and collaboration, and is designed to suit a range of health professionals who seek to develop their knowledge and skills in health professional education.

The Graduate Diploma in Health Professions Education will develop your knowledge beyond the foundation knowledge acquired in principles of teaching and learning, assessment, evaluation and research methods. You may study full time or part time through a combination of face-to-face teaching and online, with some units available as intensive short courses.

The Graduate Certificate in Health Professions Education provides important foundation knowledge in the principles of teaching and learning, assessment, evaluation and research methods in health professions education.

MASTER'S BY THESIS AND COURSEWORK

UWA COURSE CODE: 90670
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time (or part-time equivalent)
FEE TYPE: RTP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) the degree of Bachelor of Medicine and Bachelor of Surgery from this University, or equivalent as recognised by the Faculty;

or

- (b) (i) a bachelor's degree in a health, biomedical, or biological sciences-related discipline from this University or another recognised institution;

or

- (ii) an equivalent qualification; and
 (iii) in the case of graduates from a three-year undergraduate degree course, at least one year of professional experience;

or

- (c) completed the Graduate Certificate in Health Professional/Professions Education or the Graduate Diploma in Health Professional/Health Professions Education from this University, with the equivalent of at least 70 per cent in all core units.

uwa.edu.au/study/mr/health-prof-education

MASTER'S BY COURSEWORK AND DISSERTATION

UWA COURSE CODE: 90570
COURSE TYPE: Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time (or part-time equivalent)
FEE TYPE: CSP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) the degree of Bachelor of Medicine and Bachelor of Surgery, or equivalent as recognised by UWA;

or

- (b) (i) a bachelor's degree in health, biomedical, or biological sciences-related discipline from this University or another recognised institution; and
 (ii) at least one year of relevant professional experience; or
 (c) (i) completed the Graduate Certificate in Health Professions Education or the Graduate Diploma in Health Professions Education at UWA; and
 (ii) the equivalent of a UWA Weighted Average Mark of at least 65 per cent in all core units.

uwa.edu.au/study/m/health-prof-education

GRADUATE DIPLOMA

UWA COURSE CODE: 91340
INTAKE: Semester 1, Semester 2
DURATION: 1 year full time (or part-time equivalent)
FEE TYPE: CSP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree¹, or an equivalent qualification, as recognised by UWA;
 or
 (b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
 or
 (c) completed the Graduate Certificate in Health Professions Education at UWA.

¹ A relevant bachelor's degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor's degree in a health, biomedical or biological sciences-related discipline.

uwa.edu.au/study/gc/health-professions-education

MEDICINE

Doctor of Medicine

UWA COURSE CODE: 90850

INTAKE: January

DURATION: 4 years full time

FEE TYPE: CSP

CAREER OPPORTUNITIES

Doctor, medical specialist*

The Doctor of Medicine aims to produce graduates committed to the wellbeing of the patient, community and society, as responsible, accountable, scholarly, capable and caring doctors. You'll undertake core medical rotations in the medical specialties. A highlight of the course is scholarly activity, in which you choose research, coursework and/or service learning.

ACCREDITATION

The course is accredited by the Australian Medical Council, and graduates are able to receive provisional registration and enter the workforce as an intern or postgraduate year 1 (PGY1) doctor.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Selection Grade Point Average (GPA) of at least 5.5; and
- (c) (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 55 and no section score under 50.

* Requires further study

uwa.edu.au/study/d/medicine

Graduate Certificate in Emergency Medicine Research*

UWA COURSE CODE: 90240

INTAKE: Semester 1, Semester 2

DURATION: 0.5 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Clinical researcher, evidence-based clinical practitioner

This course is taught by experienced emergency and critical-care clinicians with extensive research track records, many of whom also have local and national awards for teaching excellence. The course targets the needs of emergency medicine and critical-care trainees and specialists, emergency and critical-care nurses, paramedics, and other health professionals who seek training in the methods used to undertake sound clinical research.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree, in a health-related discipline or an equivalent qualification, as recognised by UWA.

* This course is subject to final approval.

uwa.edu.au/study/gc/emergency-medicine-research

Rural and Remote Medicine

CAREER OPPORTUNITIES

Doctor (based rurally), research and development manager

Aimed at medical graduates interested in rural and remote medicine, and who wish to pursue a career in research or teaching, the range of research topics in this area is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies. The graduate certificate comprises four units relating to rural teaching, research and philosophy.

MASTER'S

UWA COURSE CODE: 90680

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1.5 years full time (or part-time equivalent)

FEE TYPE: RTP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) (i) a Bachelor of Medicine and Bachelor of Surgery from this University, or equivalent as recognised by the Faculty; and
- (ii) (a) completed or be undertaking fellowship training in a primary care or equivalent specialty college;

or

- (b) a level of prior professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course;
- or
- (b) completed the Graduate Certificate in Rural and Remote Medicine from this University.

uwa.edu.au/study/m/rural-remote-medicine

GRADUATE CERTIFICATE

UWA COURSE CODE: 90220

INTAKE: Semester 1, Semester 2

DURATION: 0.5 years full time (or part-time equivalent)

FEE TYPE: FFP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Medicine and Bachelor of Surgery, or an equivalent qualification, as recognised by UWA; and

Master of Surgery

UWA COURSE CODE: 90660

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1.5 years full time (or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Surgeon

The UWA Master of Surgery (MS) is a unique and innovative program for junior doctors who are pursuing a career in surgery. In addition to undertaking academic competencies, students gain practical experience by participating in advanced surgical skills workshops in a specialised training lab environment.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Medicine and Bachelor of Surgery of this University, or equivalent, as recognised by the Faculty; and
- (b) a minimum of two years' postgraduate professional experience; and
- (c) (i) enrolment in a surgical traineeship through the Royal Australasian College of Surgeons Surgical Education and Training Program; or
- (ii) qualification as a surgeon with the Royal Australasian College of Surgeons, or equivalent as recognised by the Faculty; or
- (iii) qualification as a medical practitioner desirous of an academic career in surgery; and
- (d) eligibility for registration with the Medical Board of Western Australia.

PUBLIC HEALTH

Public Health

CAREER OPPORTUNITIES

Research officer, health project/program manager, policy analyst

There are two course options to complete your Master of Public Health at UWA: the 1.5-year course can be completed with a dissertation or practicum, or entirely with coursework units; and the two-year course allows you to develop expertise in a particular area. These areas are: Public Health Foundations (coursework only), Applied Public Health (coursework and practicum) or Public Health Methodology (coursework and dissertation).

MASTER'S

UWA COURSE CODE: 91550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5 years full time (or part-time equivalent)

FEE TYPE: CSP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
- (ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.
- (2) Applicants who have or have had a progress status of Suspended or Excluded against courses 92550 or 92560 are not eligible for admission.

uwa.edu.au/study/m/public-health

MASTER'S WITH SPECIALISATION

UWA COURSE CODE: 92550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
- (ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.

Master of Aboriginal Health

UWA COURSE CODE: 90690

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Health promotion officer, health and welfare services manager

The Master of Aboriginal Health enables you to appropriately investigate current issues regarding Aboriginal health and healthcare, with due consideration to Aboriginal knowledge, biomedical knowledge and research.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree in a health-related discipline from this University, or equivalent, as recognised by the Faculty; or
- (b) a level of prior professional health-related experience which, in the opinion of the Faculty, would enable the applicant to complete the course.

uwa.edu.au/study/m/aboriginal-health

Graduate Certificate in Communicable Diseases Epidemiology

UWA COURSE CODE: 92220

INTAKE: Semester 1, Semester 2

DURATION: 0.5 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Research officer, health project/program manager, policy analyst

The Graduate Certificate in Communicable Diseases Epidemiology provides students with the opportunity to examine, analyse and assess the emergence and transmission of infectious diseases. The course will develop skills in study of disease in human populations, and the principles of infectious disease.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA.

uwa.edu.au/study/gc/communicable-diseases-epidemiology

Graduate Certificate in Environment and Health

UWA COURSE CODE: 92210

INTAKE: Semester 1, Semester 2

DURATION: 0.5 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Environmental health officer, research officer, health project/program manager, policy analyst

The Graduate Certificate in Environment and Health provides students with the opportunity to examine, analyse and assess the risks to human health from the environment. The course will develop skills and framework to tackle the complex public health challenges today and in the future.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA.

uwa.edu.au/study/gc/environment-and-health

Graduate Certificate in Population Health Studies

UWA COURSE CODE: 91230

INTAKE: Semester 1, Semester 2

DURATION: 0.5 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Research officer, health project/program manager, policy analyst

This course provides students with an introduction to the fundamental concepts of public health and how public health works to create healthier populations. Students will learn fundamental concepts in a range of public health areas such as epidemiology, biostatistics, qualitative research methods, health economics and health promotion, plus the biological, environmental, economic and social determinants of health.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
- (b) a level and duration of education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; or
- (c) completed two postgraduate public health (PUBH) units.

Doctor of Philosophy and Master of Clinical Neuropsychology

UWA COURSE CODE: 01890/54590

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1

DURATION: 4 years full time (or part-time equivalent)

FEE TYPE: CSP (master's degree) and RTP (PhD)

CAREER OPPORTUNITIES

Neuropsychologist, psychologist, academic

Do you want to become a future leader in the field of clinical neuropsychology? This course aims to produce psychologists who have the necessary academic and practical foundations, skills and experience to become competent clinicians grounded in the scientist-practitioner tradition. This is achieved through the provision of specialist training in clinical neuropsychological assessment, research and intervention skills.

ACCREDITATION

The Doctor of Philosophy and Master of Clinical Neuropsychology is accredited by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to pursue endorsement in the specialised area of clinical neuropsychology through the Psychology Board of Australia's Registrar Program.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) an accredited bachelor's honours degree in psychology with at least an upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and

- (b) eligibility for provisional registration as a psychologist with the Psychology Board of Australia; and
- (2) secured PhD supervision, with at least one supervisor from the School of Psychological Science at the time of submitting their application.

uwa.edu.au/study/cmd/clinical-neuropsychology

Graduate Diploma in Clinical Neuropsychology

UWA COURSE CODE: 53390

INTAKE: Semester 1

DURATION: 2 years part time

FEE TYPE: CSP

CAREER OPPORTUNITIES

Neuropsychologist, research officer, health diagnostic and promotion professional

The Graduate Diploma in Clinical Neuropsychology serves as a bridging degree to allow individuals who are qualified as clinical psychologists with the Psychology Board of Australia, and have completed at least a master's degree or equivalent in clinical psychology, to upskill in clinical neuropsychology, allowing them eligibility for endorsement as a clinical neuropsychologist with AHPRA.

ACCREDITATION

The Graduate Diploma in Clinical Neuropsychology is accredited by the Australian Psychological Accreditation Council (APAC) to provide an additional area of practice endorsement in clinical neuropsychology for registered psychologists.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) an accredited Master of Clinical Psychology, or an accredited Doctor of Psychology (Clinical Psychology), or an equivalent qualification, as recognised by UWA; and
- (b) completed a thesis project in their Masters or Doctoral program with a content area relevant to the field of clinical neuropsychology.
- (2) Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board's English language registration standard.

uwa.edu.au/study/gd/clinical-neuropsychology

Doctor of Philosophy and Master of Clinical Psychology

UWA COURSE CODE: 01870/54570

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1

DURATION: 4 years full time

(or part-time equivalent)

FEE TYPE: CSP (master's degree) and RTP (PhD)

CAREER OPPORTUNITIES

Psychologist, health researcher, health diagnostic and promotional professional

This course combines the Master of Clinical Psychology and PhD training across a four-year period. This blend of science-informed practice with clinical research training enables you to perform effectively as a clinician and to make major ongoing contributions to quality improvement, innovation, and the development of best practice within the field of clinical psychology.

ACCREDITATION

The Doctor of Philosophy and Master of Clinical Psychology is accredited by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to pursue endorsement in the specialised area of clinical pathology through the Psychology Board of Australia's Registrar Program.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) an accredited bachelor's honours degree in psychology with at least an upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and
- (2) eligibility for provisional registration as a psychologist with the Psychology Board of Australia; and
- (3) secured PhD supervision, with at least one supervisor from the School of Psychological Science at the time of submitting their application.

uwa.edu.au/study/cmd/clinical-psychology

Graduate Diploma in Clinical Psychology

UWA COURSE CODE: 53370

INTAKE: Semester 1

DURATION: 1 year full time

(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Clinical psychologist, academic, health diagnostic and promotion professional

The Graduate Diploma in Clinical Psychology is aimed at people who have already completed a master's degree or equivalent in clinical neuropsychology and are qualified with the Psychology Board of Australia (PsyBA) and who are looking to upskill in clinical psychology. It will provide you with advanced and broader knowledge in the area of clinical psychology assessment and intervention.

ACCREDITATION

The Graduate Diploma in Clinical Psychology is accredited by the Australian Psychology Accreditation Council (APAC) to provide an additional area of practice endorsement in clinical psychology for registered psychologists.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) an accredited Master of Clinical Neuropsychology, or an accredited Doctor of Psychology (Clinical Neuropsychology), or an equivalent qualification, as recognised by UWA; and
- (b) completed a thesis project in their Masters or Doctoral program with a content area relevant to the field of clinical psychology; and
- (c) a satisfactory personal statement, as recognised by UWA; and
- (d) two satisfactory referees, as recognised by UWA; and
- (e) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and
- (f) an interview in which eligible applicants will be assessed on the personal qualities considered desirable in psychology with invitation to attend interview based on (1) (a), (b), (c), (d), (e) and the interview quota for that year.
- (2) Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board's English language registration standard.

uwa.edu.au/study/gd/clinical-psychology

Doctor of Philosophy and Master of Industrial and Organisational Psychology

UWA COURSE CODE: 01880/54580

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1

DURATION: 4 years full time
(or part-time equivalent)

FEE TYPE: CSP (master's degree)
and RTP (PhD)

CAREER OPPORTUNITIES

Organisational psychologist, analyst,
workplace relations adviser

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces with the aim of improving organisational effectiveness and the quality of work life. The combined Doctor of Philosophy and Master of Industrial and Organisational Psychology is a four-year course that combines doctoral research with the coursework component of the Master of Industrial and Organisational Psychology.

ACCREDITATION

The Doctor of Philosophy and Master of Industrial and Organisational Psychology is accredited by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to pursue endorsement in the specialised area of Organisational Psychology through the Psychology Board of Australia's Registrar Program.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) an accredited bachelor's honours degree in psychology with at least an upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and
- (b) eligibility for provisional registration as a psychologist with the Psychology Board of Australia; and
- (c) secured a PhD supervisor from the School of Psychological Science at the time of submitting their application.

uwa.edu.au/study/cmd/industrial-organisational-psychology

Master of Industrial and Organisational Psychology

UWA COURSE CODE: 53580

COURSE TYPE: Coursework
and Dissertation

INTAKE: Semester 1

DURATION: 2 years full time
(or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Workplace relations adviser, performance
manager, human resources manager

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces in order to monitor, assess and improve organisational effectiveness and employee's wellbeing and satisfaction. The specialty focuses on deriving principles of individual, group and organisational behaviour and applying this knowledge to the workplace.

ACCREDITATION

The Master of Industrial and Organisational Psychology has been awarded Accreditation by the Australian Psychology Accreditation Council (APAC), and graduates are eligible to register with the Psychology Board of Australia and practise as a psychologist with an area of practice endorsement in Industrial and Organisational Psychology.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) have an accredited bachelor's honours degree in psychology with at least an upper second class honours (2A), or an equivalent qualification as recognised by UWA; and
- (b) be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board's English language registration standard.

Where relevant, admission will be awarded to the highest-ranked applicants or applicants selected based on: a satisfactory personal statement, as recognised by UWA; and two satisfactory referees, as recognised by UWA; and a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology; and the intake quota for that year.

(TRADITIONAL TATAMI ROOM)

Humanities and Social Sciences

Humanities and social sciences equip you to ask and answer the big questions. Explore where we came from, who we are and where we're going.

By studying Humanities and Social Sciences, you'll gain a critical understanding of how society shapes, and is shaped by, culture, politics, economics, media, history, language, the environment and more. You'll develop the knowledge and skills to define complex problems, and identify and design solutions, while being supported in your passion to drive and implement change.

With our collaborations across industry, government and community, you'll apply knowledge and expertise to respond to major societal opportunities, challenges and injustices, such as achieving sustainable development, addressing climate change, eliminating poverty, strengthening global communications and improving the mental health of communities.

Within the humanities, through the study of culture, language, literature, history and philosophy, you'll examine the human experience and gain a deep understanding of the connections that tie us all together.

Within the social sciences, which bridge the social, physical and environmental sciences, you will use a scientific approach to understanding the development and operations of societies and their influence on the world.

The challenges of the 21st century are complex and systemic, and employers recognise that our graduates are especially well-suited for work in this context.

Top five reasons to study Humanities and Social Sciences at UWA

- Undergraduate Humanities and Social Sciences reports a 83.6% satisfaction rate for skills development, and **87.9% for teaching quality** (Good Universities Guide 2021).
- Postgraduate Communications **students report 100% satisfaction** for skills development, and 96.6% for teaching quality (Good Universities Guide 2021).
- **Ranked first in WA** for Arts and Humanities, Social Sciences and Management, Archaeology, Politics and Geography (QS WUR by Subject 2020).
- **Ranked in the top eight in Australia for Modern Languages** (QS WUR by Subject 2020) and the largest language hub in WA.
- You'll get **practical training through internships, hands-on learning with industry and business partners**, and overseas study opportunities.

Master of Environmental Planning

UWA COURSE CODE: 13550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5–2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Urban planner, environmental consultant, impact assessor

The sustainable use and development of our cities and natural areas are fundamental to contemporary planning. This course provides a detailed insight into how planners, managers and conservationists work towards this goal. The course enables you to gain theoretical, practical and work-based experience to advance your careers in planning, conservation and development.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
- or
- (c) significant work experience, including at least five years with a material level of responsibility.

uwa.edu.au/study/m/environmental-planning

Urban and Regional Planning

CAREER OPPORTUNITIES

Urban and town planner, principal planner, urban growth coordinator

Urban and regional planners ensure cities, towns and regions have vibrant economies and communities, provide for a high quality of life, and are environmentally sustainable. To achieve this, planners need a good understanding of the way in which societies, economies and environments operate and interact. This master's provides knowledge of concepts and methods in urban and regional planning.

The graduate certificate is suitable if you're looking to upskill in your planning career, while the master's is ideal if you'd like to upskill or start a career in planning.

Forensic Anthropology

CAREER OPPORTUNITIES

Crime scene or forensic investigator, consultant osteologist, domestic or federal police officer

Forensic anthropology has practical applications in forensic investigations, as well as humanitarian efforts for the investigation of both living and deceased individuals. The master's enables you to undertake advanced studies in forensic anthropology, while developing an in-depth knowledge of the human skeleton. You'll gain a practical understanding of the scientist's role within the Australian legal system, and have the opportunity to explore various physical anthropological techniques using traditional and digital modalities like morphometrics and computer-graphic facial reconstruction. The graduate diploma and graduate certificate will acquaint you with current developments in forensic sciences of direct relevance to the application to forensic anthropology. These courses can also serve as an entry point into the master's.

Translation Studies

CAREER OPPORTUNITIES

Professional translator, intercultural consultant, language services manager, foreign-language copywriter

Gain world-class specialised translation training at the largest language hub in Western Australia. With the master's, you'll complete professionally endorsed (NAATI) translation training between English and one of eight Asian and European languages. Designed for graduates pursuing bilingual and multilingual careers, this course is taught by practitioners and translation researchers to help you develop a competitive edge in an increasingly globalised job market. The graduate certificate will provide you with foundational knowledge about translation theory and practice, and will develop your skills in translating.

MASTER'S

Music and Fine Arts

CALLAWAY MUSIC
AUDITORIUM

| Realise your full creative potential with studies in Music and Fine Arts.

Graduates of the UWA Conservatorium of Music perform in every major orchestra in Australia, and as chamber musicians and soloists around the world. They are award-winning composers, creators, artists, producers and sound designers, influencing the landscape of music in Australia and globally.

At the UWA School of Design, you can work alongside award-winning, practising artists to gain an advanced qualification in fine arts or curatorial studies, setting yourself up for success in the art industry.

UWA's global research collaborations and strong connections with industry leaders will provide you with a critical edge. Our established network of connections spans the creative sectors, including Perth Festival, Perth Institute of Contemporary Art, the West Australian Symphony Orchestra, WA Opera and many more. Our corporate supporters influence our courses and teaching practices to stay at the forefront of industry trends and developments. They also provide guest lectures, case studies, mentoring and placement opportunities to support you as you achieve at the highest level.

Top five reasons to study Music and Fine Arts at UWA

- **Strong practical and creative course components.**
- **Renowned artists and musicians** with extensive industry experience.
- **Exhibit** at the Cullity Gallery **or perform** on stage.
- Undertake an **immersive international experience.**
- **Outstanding facilities:** Callaway Auditorium and Eileen Joyce Studio.

uwa.edu.au/study/areas/music-fine-arts

“UWA truly has a great team of contemporary artists, writers and historians who are passionate and driven to tirelessly support and mentor the next generation of artists. They are always eager to pass on their knowledge and experience within the arts industry, and often go above and beyond for their students' projects.”

SAMUEL
MASTER OF FINE ARTS

Master of Biological Arts

UWA COURSE CODE: 71530

COURSE TYPE: Coursework and Dissertation

CAREER OPPORTUNITIES

Arts professional, visual arts professional, arts administrator or manager

Pursue your passion with a supervised research and arts-practice experience. This specialist degree provides a high-quality academic qualification in the theory and practice of the fine arts, carries credibility both nationally and internationally, and empowers artists in their pursuit of national and international recognition. This course assumes a high level of both theoretical and practical expertise in fine arts.

REQUIREMENTS

To be considered for admission to this course an applicant must—

- (1) (a) have completed the requirements for the degree of bachelor in an appropriate subject area from this University, or equivalent as recognised by the Board; and
- (b) have completed the requirements for a qualification in art practice from a recognised tertiary institution, or be judged by the Board, having regard to the recommendation of the Head of School of Design, to have equivalent practical expertise and professional standing; and
- (c) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

¹ By agreement with supervisor, you can commence at any time throughout the year, except in December.

uwa.edu.au/study/m/fine-arts

Master of Curatorial Studies in Fine Arts

UWA COURSE CODE: 25770

COURSE TYPE: Research (thesis)

INTAKE: Throughout the year¹

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Curator – gallery or museum, arts administrator or manager, arts professional, visual arts professional

Develop your professional skills in curatorial studies. This specialist degree provides a high status and professional qualification suitable for graduates wishing to enter the museum profession in Australia or overseas as curators, exhibition organisers or researchers.

REQUIREMENTS

To be considered for admission to this course an applicant must—

- (1) (a) have completed the requirements of a bachelor's degree of this University requiring at least four years of full-time study, or the part-time equivalent, in a subject area considered by the Head of School of Design to be relevant to curatorial studies, or the equivalent of this qualification as recognised by the Board; and
- (b) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

¹ By agreement with supervisor, you can commence at any time throughout the year, except in December.

uwa.edu.au/study/m/curatorial-studies-in-fine-arts

Master of Music

UWA COURSE CODE: 10720

COURSE TYPE: Research
(thesis and creative work)

INTAKE: Throughout the year¹

DURATION: 1 year full time
(or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Musician, composer, academic

This specialist degree extends existing skills and experience in musical performance, composition or musicology, both as a professional-level degree and as a platform for doctoral-level study. All candidates produce independent research with the guidance of a supervisor.

SPECIALISATIONS

Orchestral Performance

You'll be required to present for examination recordings of your performance projects, a report of your performance program by your WASO Orchestral Mentor, and a thesis on a topic related to one or more aspects of your performance program.

Composition

You'll be required to present for examination a portfolio consisting of a composition or group of compositions that show(s) advanced technical accomplishment and imaginative resource, and a thesis on a topic related to one or more aspects of the portfolio.

Musicology

You'll be required to present for examination a thesis or a transcription and edition of a substantial body of music, to be accompanied by a critical commentary.

Performance

You'll be required to present for examination a recital program that demonstrates advanced artistic integrity and technical accomplishment, and a thesis on a topic related to one or more aspects of the recital.

REQUIREMENTS

To be considered for admission to this course an applicant must—

- (1) (a) have a Bachelor of Music with honours or Bachelor of Arts with honours of this University, or equivalent as recognised by the Board; and
- (b) pass a portfolio review and interview if applying for the course in Composition or Musicology;
- or
- (c) pass an audition and interview if applying for the course in Performance.
- (d) The arrangements for the portfolio review and interview or audition, including the nature, duration and timing, are determined by the Head of the Conservatorium of Music.

¹ By agreement with supervisor, you can commence at any time throughout the year, except in December.

uwa.edu.au/study/m/music

Doctor of Musical Arts

UWA COURSE CODE: 10940

COURSE TYPE: Research

INTAKE: Throughout the year¹

DURATION: 3 years full time
(or part-time equivalent)

FEE TYPE: RTP

CAREER OPPORTUNITIES

Musician, composer, academic

This course can be taken in either composition or performance, and consists of a combination of thesis and creative work. Work with world-class supervisors to prepare and present for examination either a portfolio of original compositions in a variety of genres, or two recitals showing professional skill and interpretative ability.

REQUIREMENTS

To be considered for admission to this course –

- (1) (a) in Composition, an applicant must submit a folio of original compositions, the arrangements for which are determined by the Head of the Conservatorium of Music.
- (b) in Performance, an applicant must pass an audition, the arrangements for which, including the nature, duration and timing, are determined by the Head of the Conservatorium of Music.
- (2) All applicants must undergo an interview with the Head of the Conservatorium of Music or nominee.

¹ By agreement with supervisor, you can commence at any time throughout the year, except in December.

uwa.edu.au/study/d/musical-arts

“My study at UWA gave me the knowledge in music theory to develop my skills in composition and become the music producer I am today. I feel that my degree also prepared me for the professional music industry by giving me many rehearsals, practice and study commitments to juggle, which I have found realistic of a full-time job in music.”

Physical Sciences and Mathematics

Studies in Physical Sciences aim to uncover the underlying laws of nature – often written in the language of mathematics. Delve into areas like chemistry, geology, physics, earth and marine sciences, data science and more to understand the world we live in and help advance humanity.

Studies in this field will develop your data analysis, visualisation, interpretation and technological skills, all of which are essential in growth industries such as science, technology, engineering and finance.

You'll gain hands-on experience with high-precision instrumentation and control, and enhance your abilities in forecasting, decision making and detailed problem solving. Start your journey to a fulfilling career in developing, creating and improving everyday life with scientific and mathematical tools and techniques.

Top five reasons to study Physical Sciences and Mathematics at UWA

- **Join an exceptional community** – our grads get jobs at leading organisations around the world, including Google, NASA, IBM and Microsoft
- **Learn from inspirational leaders** in the field like Emeritus Professor Cheryl Praeger, a multiple award-winning and internationally renowned mathematician.
- **Get career-ready** by forming close ties with local industry, hospitals, observatories, schools and government research organisations during your degree.
- **Be recognised** – our courses are accredited by the likes of the Australian Institute of Physics, the Australasian College of Physical Scientists & Engineers in Medicine, and the Royal Australian Chemical Institute.
- **Create connections** with some of our 160+ clubs and societies, including the Mathematics Union, Women in Engineering and Mathematical Sciences, University Physics Society, Science Communication Society and more.

uwa.edu.au/study/areas/physical-sciences-mathematics

Master of Geoscience

UWA COURSE CODE: 72550

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Geologist, hydrogeologist, geological surveyor

Knowledge of past and present earth processes is fundamental for predicting future changes in environments and climate, as well as contributing to the management of vital resources. Gain high-level skills in interpretation and integration of geoscience data, applied to understand the location, origin and evolution of important resources and other geoscience problems.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in geology or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/geoscience

Master of Ore Deposit Geology

UWA COURSE CODE: 70590

COURSE TYPE: Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1 year full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Geologist, mining consultant, researcher

With world-class ore bodies becoming more difficult to find, there is an increasing recognition that geologists require new approaches and skills in order to discover significant deposits into the future. The Master of Ore Deposit Geology has been designed for practising geoscientists who want to gain up-to-date knowledge and skills relevant to economic geology and mineral exploration.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Geology or Geoscience, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
 - (c) at least two years of professional experience in a relevant occupation;
- or
- (2) (a) a Bachelor of Geology or Geoscience with Honours, or an equivalent qualification, as recognised by UWA; and
 - (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ore-deposit-geology

Master of Petroleum Geoscience

UWA COURSE CODE: 73540

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Geoscientist, mining consultant, geophysicist

This course will enable you to develop skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and petroleum geoscience. Emphasis is placed on the development of practical skills underpinned by conceptual knowledge, and the application of both to solving problems related to basin history and petroleum exploration through coursework and research project components of the course.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Geology, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/petroleum-geoscience

Master of Hydrogeology

UWA COURSE CODE: 72540

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5–2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Hydrogeologist, environmental consultant, researcher

Hydrogeology deals with the distribution and flow of groundwater beneath Earth's surface and the interaction of groundwater with the atmosphere, biosphere and Earth's crust via chemical, physical and biological processes in groundwater systems. This course will develop your understanding of these complex and dynamic processes, and the impacts of human activity and environmental change on groundwater systems.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in geology, environmental engineering, environmental science (including units in hydrology or equivalent), or hydrogeology or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/hydrogeology

Master of Physics

UWA COURSE CODE: 53560

COURSE TYPE: Coursework and Dissertation

INTAKE: Semester 1 and Semester 2

DURATION: 1.5–2 years full time

FEE TYPE: CSP

CAREER OPPORTUNITIES

Research scientist, academic, technical specialist, astronomer, medical physicist

The Master of Physics is about understanding the world around us at its most fundamental level. The knowledge generated through the study of physics is also the driving force behind most new technologies, from radars to lasers, from transistors to quantum computers, and from electron microscopes to advanced medical imaging scanners.

You can take the Master of Physics in either Astronomy and Astrophysics, Computational Physics, Experimental Physics, Medical Physics or Theoretical Physics.

PROFESSIONAL ACCREDITATION

The Master of Physics (Medical Physics) is accredited by The Australasian College of Physical Scientists & Engineers in Medicine (ACPSEM).

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) (i) a bachelor's degree in physics, or an equivalent qualification, as recognised by UWA; and
 - (ii) the equivalent of a UWA Weighted Average Mark of at least 65 per cent;
- or
- (b) an honours degree in physics, or an equivalent qualification, as recognised by UWA.

uwa.edu.au/study/m/physics

Master of Ocean Leadership

UWA COURSE CODE: 62540

COURSE TYPE: Coursework

INTAKE: Semester 1 and Semester 2

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Marine researcher, renewable energy developer, marine conservationist, government officer, professional in offshore oil and gas, not-for-profit and aquaculture industries

The Master of Ocean Leadership develops your ocean-related leadership skills and expertise across marine science, engineering, law, resource economics and environmental management. This will enable you to strategically manage human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ocean-leadership

Master of Science Communication

UWA COURSE CODE: 51580

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5–2 years full time (or part-time equivalent)

FEE TYPE: CSP

CAREER OPPORTUNITIES

Communications officer, health promotion officer, marketing officer

Science communicators use their knowledge of science to help raise the level of understanding about important issues in science, bridging the gap between the scientific community and the public. This course is aimed at students who already have a background in science or communication and who wish to learn the principles and practical skills of effective science communication.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
- (c) successfully completed prior tertiary study in science communication or in a related cognate discipline as recognised by UWA.

uwa.edu.au/study/m/science-communication

Master of Science

UWA COURSE CODE: 70630

COURSE TYPE: Thesis and Coursework

INTAKE: Semester 1, Semester 2

DURATION: 1 year full time (or part-time equivalent)

FEE TYPE: FFP and RTP

CAREER OPPORTUNITIES

Academic, university lecturer, scientist

The Master of Science is a research degree allowing you to gain advanced knowledge in your chosen area of study: Agriculture and Environment; Biological Sciences; Earth Sciences; Human Sciences; Molecular Sciences; or Psychological Science. You'll gain advanced understanding and skills in your chosen area of study through undertaking a supervised research project and coursework units that include a literature review/proposal unit and an advanced coursework unit.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a Bachelor of Science with at least upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and
- (b) a written agreement by a suitable research supervisor.

uwa.edu.au/study/m/science

Master of Data Science

UWA COURSE CODE: 62530

COURSE TYPE: Coursework or Coursework and Dissertation

INTAKE: Semester 1, Semester 2

DURATION: 1.5–2 years full time (or part-time equivalent)

FEE TYPE: FFP

CAREER OPPORTUNITIES

Intelligence analyst, statistician, management consultant, market research analyst

In this course you'll gain the in-demand knowledge and practical skills to understand and apply appropriate analytical methodologies to transform the way an organisation achieves its goals and objectives, to deal effectively with large data management tasks, to master the statistical and machine learning foundations on which data analytics is built, and to evaluate and communicate the effectiveness of new technologies.

You will also acquire essential skills in software project management and high performance computing.

PROFESSIONAL ACCREDITATION

The Master of Data Science has been provisionally accredited by the Australian Computer Society (ACS) at the professional level.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) the equivalent of a UWA Weighted Average Mark of at least 65 per cent; and
- (c) completed Mathematics Applications ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/data-science

Research at UWA

Open up a world of learning opportunities with a higher degree by research at UWA.

The University of Western Australia attracts world-class researchers, who are ready to supervise you through your higher degree program. We are:

- a world top 100 University (QS 2021)
- a member of the Group of Eight network of Australia's leading universities
- in the world's top 50 for a range of research areas (QS 2020 and ARWU 2019)
- in receipt of 56 per cent of university research funding in WA

UWA is home to two Nobel Prize for Medicine laureates – professors Barry Marshall and Robin Warren – and Fields Medallist Professor Akshay Venkatesh is also an alumnus. We host 12 highly cited researchers and more than 60 academics across all of Australia's learned academies. Our programs have fostered a Prime Minister and state premiers, as well as business and political leaders nationally and internationally.

Our research training and high-quality supervision will support you to tackle global, regional or local issues, turning your research into economic, social and environmental benefits. You'll also develop a broad spectrum of transferable skills and will be offered a range of professional development opportunities, such as internships and other forms of engagement, with research end-users.

We offer a range of scholarships, including our prestigious Hackett, Jean Rogerson, Robert and Maude Gledden postgraduate scholarships, Forrest Research Foundation PhD scholarships, and indigenous scholarships. We also have flexible study options, including part-time study arrangements.

The UWA Student Community offers many social activities and clubs to keep you engaged, as well as support services and high-quality accommodation options.

“I chose UWA because of the potential to work with industry partners and build those connections. Working with industry means I can see my research be put into action to solve real-world problems.”

GRACE

PHD CANDIDATE (ENVIRONMENTAL SCIENCE)

Research degrees

A postgraduate research degree provides a unique opportunity to pursue your scholarly interests and extend your understanding of a subject area. Supported by an expert supervisory team, you will develop advanced analytical, project management and communication skills, as well as the ability to work independently on complex problems.

Doctor of Philosophy (PhD)

UWA COURSE CODE: 00810

INTAKE: Throughout the year

DURATION: 4 years full time (or part-time equivalent)

FEE TYPE: RTP

The PhD is a program of independent, supervised research assessed by examination of the thesis. This includes an oral examination (viva voce) and, for some doctorates, may include a creative component. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject and advancing the field of knowledge.

uwa.edu.au/study/d/philosophy

Master of Philosophy (MPhil)

UWA COURSE CODE: 00710

INTAKE: Throughout the year

DURATION: 2 years full time (or part-time equivalent)

FEE TYPE: RTP

The MPhil is a program of independent, supervised research in which students are required to show an advanced and integrated understanding of a complex body of knowledge in one or more fields of study. Assessment is by written examination of the thesis.

uwa.edu.au/study/m/philosophy

PhD/MPhil Admission Requirements

Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available. Applicants are required to demonstrate that they have met the requirements of the

University Policy on Adequate Research Preparation (uwa.edu.au/policy/home) and any other requirements for admission of the University, and

- (a) have a bachelor's degree of this University or equivalent qualification;
- or
- (b)
 - (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree; and
 - (ii) have completed an appropriate PhD/MPhil research proposal. A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books. Prior to enrolment, all applicants are required to demonstrate that they have met the University's English language requirements (study.uwa.edu.au/pg/english-language-requirements).

Master of Research (MRes)

UWA COURSE CODE: 00720

INTAKE: January

DURATION: 2 years full time

FEE TYPE: RTP

The MRes is designed to broaden options for honours students who wish to expand their research output, but have been unsure about transitioning straight from honours to PhD. The first year of the course comprises the honours year, and students who are admitted to the MRes proceed directly from the honours year into the second year of the MRes.

uwa.edu.au/study/m/research

Admission Requirements

By completing the requirements of an end-on honours degree at UWA or another recognised Australian tertiary institution, with a weighted average mark of at least 70 per cent, but not had the degree conferred.

A unique campus

UWA's main campus is located on the picturesque banks of the Swan River (Derbarl Yerrigan), just minutes from Perth CBD.

Featuring expansive green spaces, cafés and shops, as well as a multitude of modern teaching and research facilities, our campus provides you with a world-class learning environment.

See the campus for yourself on our online virtual tour

Student life

UWA is more than a university – it's your community. There are many great places to eat, drink and shop, get fit, discover incredible art, relax, study and more.

Accommodation

Living at UWA means you can easily walk to uni, cafés and shops; you're also a short bus ride to the city and Perth's best beaches.

Arts and culture

Our on-campus art gallery features rotating exhibitions. Explore museums and enjoy regular music concerts.

Events

Enjoy fun social events, opportunities for industry networking, workshops and more.

Extracurricular courses and programs

Through collaborations with industry partners, we offer a range of free leadership, entrepreneurial and other courses to expand your skill set and advance your career.

Food and drink

Enjoy a variety of cuisines (catering for all dietary requirements) from cafés and a range of food outlets on campus and in the neighbourhood.

Health promotion

Gain knowledge in various areas across community health and wellbeing to improve the lives of your peers.

Internships

Gain valuable experience for your future career.

Libraries

UWA has five libraries across campus with high-tech study facilities, resources and learning spaces.

Postgraduate Student Space

Enjoy dedicated postgraduate study spaces on campus.

Spirituality and faith

UWA is a multi-faith university that supports and welcomes students with diverse cultural and spiritual backgrounds.

Sport and fitness

Get active with our state-of-the-art gym, swimming pool, a wide range of recreational and fitness courses, social sports and more.

Student clubs and faculty societies

With more than 160 clubs and societies, you're sure to find a perfect fit.

UWA app

Find events on campus, connect with friends and discover all the tools to get ahead.

Volunteering

There are opportunities to get involved on or off campus, to support a cause, organisation, charity or group.

uwa.edu.au/study/student-life

Support services

You'll have plenty of support and help when you get to UWA. Here are just a few of the services we offer.

Academic support

One-on-one support, academic skills workshops (Study Smarter), extensive online resources and more.

Career support

Personalised career advice, industry mentoring, online resources, networking events, workshops and more.

Childcare services

Available for children aged six weeks to five years, plus after-school and vacation care for primary school-aged children.

Course advice

Advice on study plans, enrolment, scholarships, studying abroad, extracurricular activities and more.

Disability support

Perform at your academic best with support for any disability, whether a physical or mental health condition. UWA can help, no matter if your condition is ongoing, temporary or episodic.

Getting started

Take part in orientation activities, receive mentoring from an experienced student (UniMentor) and get support from the UWA team to help you settle into uni life.

Health and wellbeing

Confidential medical, welfare and mental health support. If you're looking for a doctor or GP, there's a Medical Centre on campus, as well as a pharmacy, counsellors, mental health nurses, psychologists, physiotherapists and more.

International student support

Our dedicated support services will help you settle into Australia and UWA life.

Safety

A security team is on campus 24/7 and is available to walk you to your car, bus stop or UWA accommodation after hours.

UWA Student Guild

Run by students, for students, to make sure you have the best university experience possible.

Accommodation at UWA

There are many options for good-quality accommodation close to the UWA campus. Guaranteed accommodation is offered to new full-time students (conditions apply).

uwa.edu.au/guaranteed-accommodation

UWA Residential Colleges

Make the most of your time at UWA and enjoy an amazing, fully inclusive lifestyle. Our five residential colleges are located directly opposite UWA, and offer a range of room types suitable for postgraduate students.

As well as your own secure, fully furnished room, you'll get:

- some meals (depending on college/room type), cleaning, utilities, internet and more included in your fees
- an action-packed calendar of events, activities and programs
- plenty of spaces in which to study, relax or be active
- an extensive range of personal and career development opportunities
- 24/7 support, whether you need help with study or just someone to talk to
- lifelong friends from all over the world.

How to apply

1. Research the colleges by exploring their websites, or contacting them directly to determine which suits you best.
2. Apply online at livingoncampus.uwa.edu.au (ranking the colleges in order of personal preference).
3. You'll be contacted directly by your first-preference college within two weeks.

Applications generally open 12 months in advance. We recommend applying as early as possible – you don't have to wait until you receive an offer from UWA.

UWA Housing Database

UWA Accommodation provides an online housing database for students. Students who have been offered a place at UWA, but have not yet enrolled, can still create an account and access the database, which includes listings by UWA students or staff members who have a vacant property or room available to rent. accommodation.uwa.edu.au/housing-database

UWA Student Housing

UWA owns and manages a range of apartments, units and houses adjacent to campus that are perfect if you're seeking a more independent lifestyle.

Ideal for postgraduate students and students with families, you'll live just a short walk away from campus, the Swan River and a variety of local shops and cafés. Properties are partially furnished and you'll be supported by UWA's property management team who understand the needs of our students. Most of your neighbours are uni students, too!

Whether you choose to rent a UWA-owned property or one that is privately or commercially listed, you'll take full responsibility for the property and sign a rental contract for 6 or 12 months with the option to renew and stay longer.

As a guide, the average cost of renting or leasing an unfurnished one- or two-bedroom unit close to UWA is between AUD\$265 and AUD\$500 per week, but doesn't include utility connection fees or ongoing costs such as electricity and/or gas, telephone and food.

Find out more: uwa.edu.au/study/off-campus
Contact us: crawleyvillage@uwa.edu.au

Perth city student accommodation

Campus Perth and The Boulevard (by The Student Housing Company) are purpose-built student accommodation properties endorsed by UWA. They offer a wide range of private and shared room options with rates starting from AUD\$162 per week* and you'll also have access to a variety of social spaces and onsite support. Both are located in Northbridge, Perth's vibrant social and cultural precinct, and close to public transport for easy access to UWA.

uwa.edu.au/study/student-life/accommodation/cbd-accommodation

*Based on 2020 rates, subject to room type and availability.

Fees

Your tuition fees vary depending on what you choose to study and the type of student you are. You can find out more about fees for your chosen course at fees.uwa.edu.au.

Commonwealth Supported Places (CSP)

A CSP means that your course tuition fees are subsidised by the Australian Government. If you're offered a CSP, you'll only need to pay the 'student contribution' fee which varies depending on the units in which you enrol. You may also be eligible to defer payment of your student contribution amount via the HECS-HELP loan scheme.

Full Fee Paying Places (FFP)

A FFP means that you'll need to pay the full course tuition fee. You may be eligible to access the FEE-HELP loan scheme to defer paying your fees. Your employer may also consider assisting you with the cost of your course if it's related to your current position.

Research Training Program (RTP)

The RTP provides Fees Offset Scholarships to domestic students undertaking doctorates (up to four years full time or part-time equivalent) and master's by research (up to two years full time or part-time equivalent).

uwa.edu.au/study/fees-and-scholarships/research-training-program

Advanced Standing/Credit

You may be able to reduce your overall study time and tuition cost by having your work and previous study experience recognised as Advanced Standing/Credit (recognition of prior learning).

uwa.edu.au/students/my-course/enrolment

Student Services and Amenities Fee (SSAF)

The SSAF is a compulsory fee that directly benefits all UWA students. The fee is used to provide a range of recreational, sporting, social and educational facilities and services, including student representation.

uwa.edu.au/students/my-course/fees-and-payments/ssaf

Other costs

For further information and advice on the other costs associated with your study, visit uwa.edu.au/study/student-life/cost-of-living.

For further information regarding your fee type, eligibility, and calculating your fees, visit uwa.edu.au/students/my-course/fees-and-payments.

Financial support

HECS-Help

HECS-HELP is a government loan scheme that allows eligible CSP students to defer their student contribution fee payment. For more information and eligibility criteria visit studyassist.gov.au/help-loans/hecs-help.

FEE-Help

FEE-HELP is a loan scheme that allows eligible FFP students to defer their tuition fees at university. For more information on FEE-HELP and eligibility criteria visit studyassist.gov.au/help-loans/fee-help.

Scholarships

UWA offers a wide range of scholarships to further support you with your studies.

uwa.edu.au/study/scholarships/explore

Industry partner discounts

Industry Partner Discounts is an initiative supporting industry professionals who'd like to pursue postgraduate study at UWA. A 10 per cent tuition fee discount is available to students enrolling in a range of courses. For more information and eligibility criteria visit uwa.edu.au/study/industry-discounts.

English language requirements

Successful university study demands a high level of English language skills. For this reason, you must meet the UWA minimum English language requirements. This is the case even if English is your first language.

For postgraduate research students

All research students must meet the minimum English proficiency requirements as set down by the Board of the Graduate Research School. All English test results must normally have been obtained within the past two years. Higher scores are required for admission into some courses. For a complete listing of the English scores required for admission to research degrees, visit study.uwa.edu.au/pg/english-language-requirements.

For postgraduate coursework students

All coursework students must meet the minimum English proficiency requirements. Note that some postgraduate coursework degrees have higher English requirements than the University's minimum.

For a complete listing of the English scores required for admission to coursework degrees, refer to study.uwa.edu.au/elc.

Help with English language skills

If you would like to study at UWA but do not have the required level of English language proficiency, contact the UWA Centre for English Language Teaching for more information on how to improve your English to the required level.

How to apply – Postgraduate Coursework

1 Choose your course

Choose your preferred postgraduate course from this course guide or at uwa.edu.au/study and check that you satisfy your chosen course's admission requirements.

2 Apply Online

To start your application, visit uwa.edu.au/study and click on the 'Login' button on the top right-hand corner of the page. If it's your first time applying to UWA, create a profile by selecting the 'sign up' tab. Once you've signed up, submit all required documentation in digital format.

3 Track your application

After you have submitted your application you can track its progress via the UWA Apply portal. You can also upload any additional documents we need.

4 We'll send you a letter of offer

We'll send you an email to notify you of the outcome of your application. If your application is successful, you will receive an offer letter or a conditional offer letter if more steps are required via email.

5 Accept your offer

When you receive your offer letter email, click the 'accept' button to be taken to UWA Accept, where you can accept your offer. Log in with the account you used to apply (UWA Apply portal) and you will see your offer.

You may be required to submit scans or clear photographs of any requested documents, agree to the terms and conditions of studying at UWA and then make your first payment.

6 Enrol online

You can now enrol in your course at uwa.edu.au/unistart/enrol.

We're here to help.

If you have any questions or need help applying get in touch with us at ask.uwa.edu.au.

Scholarships and prizes

WE AWARD MORE THAN **\$6 MILLION WORTH OF SCHOLARSHIPS** TO COURSEWORK STUDENTS EACH YEAR

| UWA offers scholarships in a range of categories.

Academic excellence

Academic Excellence scholarships provide financial support to students who have been recognised for their outstanding academic results. These scholarships are available to both domestic and international students across all study areas.

Diversity, equity and inclusion

Our Equity scholarships provide opportunities to students, new or current, who experience educational disadvantage due to a variety of circumstances. These scholarships provide outcomes that help realise students' academic success.

Global experience

Our Global Experience scholarships provide an enriched educational experience for both domestic and international students, creating new and exciting opportunities and collaborations across geographic borders.

Leadership, talent and social impact

Our Leadership and Social Impact scholarships have been created to support talented students with the potential to drive change and become the next generation of influential leaders across society, industry, sports and academia.

Each category will include a range of scholarships in areas such as Sports Excellence, Indigenous, Residential, Financial Hardship, Educational Disadvantage and Travel, among others.

Eligibility varies depending on the scholarship, but our range of options provides numerous opportunities to apply. [Find out more about our scholarships and how to apply at **uwa.edu.au/study/scholarships/explore**](#) or get in touch through [ask.uwa.edu.au](#).

\$400,000 IN PRIZES AWARDED TO STUDENTS EACH YEAR

We like to recognise our students' outstanding academic achievements. There is a range of prizes awarded to students in their relevant faculties, based on the results achieved in the previous academic year. Best of all, you don't need to apply for the prizes unless specified in the prize conditions.

Find out more
web.uwa.edu.au/study/prizes

UWA Scholarships and Prizes are proudly funded by UWA, government, corporate and private donors.

How to apply – Postgraduate Research

1 Expression of Interest

Contact the Higher Degree by Research (HDR) support team to start your application – we can help you determine your eligibility and find a supervisor in your proposed research area.

Email: applications-grs@uwa.edu.au

2 Lodge an application

The appropriate application method will be advised by the HDR support team*.

You will need to provide supporting documents, including a summary of the proposed research that outlines:

- 1 background to the topic;
- 2 aims of the research;
- 3 significance of the research;
- 4 the methodology you will use, and
- 5 a brief reference list.

* Applications for Higher Degree by Research courses are open all year round, except for the Master of Research and combined Doctor of Philosophy and Master's courses. Applications for some scholarships go through a different process which includes specific deadlines. Contact the HDR Support Team to enquire further.

3 Approval

Your application will be sent to the designated School for consideration, where the Graduate Research Coordinator in the School will evaluate research preparation, funding and resources for the project, and the availability of appropriate supervision. The School will then make a recommendation to the Graduate Research School as to whether UWA can provide a place in the course.

The Dean of the Graduate Research School will consider the recommendation for admission.

4 Offer and enrolment

Successful applicants will receive an offer letter that sets out the terms of admission and enrolment in your degree.

We're here to help

If you have any questions or need help applying contact your HDR support team.

Postgraduate research scholarships

| UWA offers a wide range of prestigious postgraduate research scholarships.

Research Training Program stipends and University Postgraduate Awards (UPA)

These aim to assist with general living costs through provision of an annual stipend. To be eligible for an RTP award, candidates must have achieved a bachelor's degree with first class honours, or equivalent. To be eligible for a UPA, candidates must have achieved a bachelor's degree with upper second class honours, or equivalent.

Hackett Postgraduate Scholarships

Sir John Winthrop Hackett was UWA's first Chancellor and a generous benefactor to the University. The Hackett Postgraduate Scholarships are awarded to the top-ranked applicants in the main domestic application round, and are valued at \$40,000 per annum.

Forrest Research Foundation Postgraduate Scholarships

Awarded to outstanding domestic and international students, to help them complete a PhD at a Western Australian university. The Forrest Scholarship package is valued at more than \$50,000, including a stipend, accommodation at Forrest Hall, and a research and travel allowance.

Jean Rogerson Postgraduate Research Scholarships

These are awarded to highly ranked applicants in the main application round, and provide a stipend of \$35,000 per annum.

Robert and Maude Gledden Postgraduate Scholarships

The Gledden Postgraduate Scholarships are awarded for research in applied science, particularly relating to surveying, engineering, mining or cognate (related) subjects. They provide a stipend of \$38,000 a year, plus an overseas travel allowance of up to \$5,000. Gledden applicants must provide a 100-word outline of their proposed research project and its relevance to the terms of the Gledden Trust awards.

Indigenous postgraduate research supplementary scholarships

Top-up scholarships valued at \$10,000 a year may be given to Indigenous applicants who are awarded an Australian Government Research Training Program (RTP) Scholarship or University Postgraduate Award.
