The UWA experience

The University of Western Australia is recognised as one of Australia’s leading universities for postgraduate study. You will be educated by world-renowned academics, study with like-minded peers and create professional connections around the world.

Engage with industry
At UWA you’ll not only receive a world-class degree, you’ll gain valuable experiences that prepares you for your future career. Our extensive employer engagement and collaborations provide you with practical, real-world experiences in addition to professional networking opportunities. As a result, our graduates consistently exceed national average starting salaries and State graduate employment rates.

You could also get involved with the University’s Innovation Quarter (UWA IQ), which promotes industry innovation and student entrepreneurship. The multidisciplinary, multi-faculty program aims to assist and build upon student projects that have the potential to make a difference to the University and the wider community. Join the Bloom group to meet and work alongside classmates with a brain for business.

Enterprise and innovation
UWA’s Futures Observatory embraces our ever-changing technological world and enables ‘futures thinking’ among those who seek a more engaging learning atmosphere. The Observatory trains staff in the latest technologies, allowing students to engage with hands-on, educational experiences. From robots to virtual reality and collaborative touch screens to 3D printers, you could work with state-of-the-art developments that are changing the way we teach and learn.

Our dedicated Careers Centre can help you design your future, supporting you with employability skills workshops, employer and networking events, career fairs, an online jobs board, mentoring and more.

careers.uwa.edu.au
Global networks of knowledge and research

UWA partners world-class lecturers and researchers with the teaching technologies of tomorrow to deliver students a leading learning environment. A strong focus on knowledge and research capabilities means you will be at the forefront of a rapidly evolving world and ready to succeed in your career of choice.

High-class research

With more than 75 research institutes and centres, UWA fosters links with local, national and international industries and governments. The strength of our research output makes us appealing to researchers of international standing, many of whom head major research centres with global connections. As a student this means you’ll benefit from the knowledge and expertise of our staff, with networking opportunities that can lead to career possibilities around the world. Together, UWA’s high-calibre researchers and students are solving some of today’s most critical and challenging problems, from spinal cord injury repair, to ensuring the stability of large offshore oil and gas platforms.

research.uwa.edu.au

UWA is home to six highly cited researchers

The research of these scholars is recognised as amongst the most highly cited in the world.

Thomson Reuters
Exploring uncharted waters on dry land
A new 26-tonne centrifuge at UWA allows researchers the opportunity to test the suitability of deep water structures, using scaled models to demonstrate how offshore foundations will work under different conditions. This one-of-a-kind facility gives the University a chance to provide valuable data to companies such as Woodside, Shell, Fugro and Lloyd’s Register.

Bringing an end to superbugs
Our researchers have led a worldwide team to map the 3D structure of the EptA protein. EptA helps deadly bacteria hide from antibiotics and the immune system, creating multi-drug resistance. It’s a breakthrough that could unlock the defences of superbugs and open the door to saving millions of lives.

Discovering gravitational waves
A group of scientists from UWA, led by Professor David Blair and working with an international project team, has opened a window to the cosmos by confirming a major prediction of Albert Einstein’s general theory of relativity. For the last seven years, the group has worked to detect ripples in the fabric of space-time and prove that the black holes of Einstein’s theory are out there.

Spotlight on UWA’s Nobel Laureate
Professor Barry Marshall was awarded a Nobel Prize in 2005 for his revolutionary co-discovery of the stomach ulcer-causing Helicobacter pylori bacterium. Professor Marshall continues to treat patients and leads UWA research teams within the Marshall Centre for Infectious Diseases Research and Training, of which he is a director.
A unique campus

Located on the banks of the Swan River, just minutes from the city of Perth, UWA is often described as one of Australia’s most picturesque campuses.

uwa.edu.au/campus-tour
Socialise at cafés on campus and shop at nearby supermarkets ▶

▲ Enjoy UWA’s mix of grand architecture and modern facilities

◀ Visit the stunning Cottesloe beach 6km away

Try different cuisines at one of the many exciting food trucks on campus ▼

Enjoy nature at Kings Park ▶
one of the world’s largest inner-city parks with stunning views

UWA Albany
UWA also has a high-tech regional campus in the Great Southern town of Albany – a four-hour drive from Perth. Here you can experience all that regional Western Australia has to offer while studying at university.

Student life

At UWA, we like to think of ourselves as more than a university. We’re a community, made up of passionate and dedicated staff, students and alumni. Discover a new culture, meet different people and have fun while you complete your studies with us.

UWA Student Guild
We have a vibrant student life with social activities on campus organised by the UWA Student Guild, the representative student organisation. The UWA Student Guild has a reputation for being one of the most active in Australia and organises countless activities including festivals, workshops, end-of-semester parties, networking opportunities, the Guild Ball (formal dance) and the National Campus Band competition, and runs our more than 140 clubs and societies.

The Guild also provides student representation, with staff on hand to provide extra support to you on academic, financial or welfare matters affecting your study. Guild membership entitles students to great discounts on campus and at restaurants, shops, activities and services around Perth.

The Guild Village
The Guild Village is a hive of activity and houses shops, food outlets, a medical centre, hairdresser, bank and other useful student amenities. Market day is on regularly where you can buy inexpensive, locally made clothes, jewellery and more. uwastudentguild.com

Volunteering
The Guild Volunteering office helps students find their perfect volunteering role. Many opportunities will be added to your degree transcript and you can choose from a range of fields (sports, education, arts, environment and health). The office also runs weekend volunteering trips where you can see more of the state.

The Postgraduate Students’ Association (PSA)
The PSA represents postgraduate students on campus as well as holding a number of events throughout the year including Research Week, Careers Week, sundowners, cocktail parties, afternoon teas, a quiz night and a sports day. The PSA also runs a grants scheme for postgraduate small group activities. All postgraduate students automatically become members upon enrolment.

uwastudentguild.com/psa

Whether you play sport to stay active or to socialise with friends, you can unleash your inner athlete with UWA Sport.

- Access more than 50 group fitness classes a week or utilise the state-of-the-art equipment and multiple training zones with your gym membership
- Visit the Watersports Complex on the beautiful foreshore at Matilda Bay – home to the UWA Boat Club and Outdoor Club
- There are swimming pools and tennis and squash courts, and nearby is the UWA Sports Park with large, open playing fields
- Take part in numerous social sports, clubs and fun programs
- Join a range of activities from stand up paddle boarding, to rock climbing, dance classes and yoga, to name just a few or participate in outdoor day-trips, improve your swimming skills or learn first aid
- The Australian Institute of Sport (AIS) endorses UWA as a member of the national Elite Athlete Friendly University network.
- Take on another faculty or college, or choose to represent UWA at high-level sporting competitions such as Western Uni Games and Australian Uni Games.

Choose your degree

We offer a range of options for postgraduate study. From professional and coursework degrees to independent research, you’ll find a style of learning to match your needs.

Postgraduate professional degrees
A postgraduate professional degree is a master’s or doctorate-level course, taken upon completion of a bachelor’s degree (or equivalent) that, upon successful completion, qualifies you to enter a profession.

Coursework degrees
Our postgraduate coursework degrees help you develop a thorough understanding of an area of study, diversify your educational background or obtain specific vocational training.

Coursework degrees include:
- Graduate certificates
- Graduate diplomas
- Master’s by coursework
- Master’s by coursework and dissertation
- Clinical doctorates
- Professional doctorates

Research degrees
Students keen to contribute knowledge and develop important skills or explore an area of personal interest may consider a research degree. These involve a project of supervised but independent enquiry at an advanced level, resulting in the submission of a research thesis (or equivalent) which is examined by experts in the field.

Research degrees include:
- Master’s by thesis and coursework
- Master of Philosophy (MPhil)
- Professional doctorates
- Doctor of Philosophy (PhD)

Articulation/articulated course
Articulation may be available within certain sets of courses. Articulation is a sequence of related postgraduate courses in a specific discipline area, offering progression from one course level to another with credit granted for all units passed to the appropriate standard in the previous level. Graduate certificates, graduate diplomas and/or master’s degrees may form part of this sequence. See table below for more information.

BUSINESS SCHOOL FAST FACTS

The only institution in Western Australia to be internationally accredited through the European Quality Improvement System (EQUIS) and the Association to Advance Collegiate Schools of Business (AACSB).

Ranked in the TOP 100 IN THE WORLD for Accounting and Finance according to QS World University Rankings by Subject 2017

30+ leading corporate partners spanning industries including mining and resources, professional services and infrastructure

Find out more business.uwa.edu.au
I chose to study the Master of Professional Accounting because I wanted knowledge under my belt that would open up a vast array of job opportunities in the future. Out of all the universities in Perth, UWA holds the most prestige. From the experiences I’ve had in my six years at university, it’s always UWA students that shine brightest in their respective careers and are more focused on by employers. I thoroughly enjoy the group work in my course, especially the case studies. It gives us an insight into real-life situations we can expect in our futures. My favourite aspect of studying at UWA is the diverse range of people you encounter. In my course I’ve networked with people from different cultural and career backgrounds.”

Zach Hendricks Master of Professional Accounting
Graduate Certificate in Entrepreneurship and Innovation

study.uwa.edu.au/gc/entrepreneur

UWA course code: 41230
Duration: 1 year (part-time only)
Intake period: January, May, August
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course offers experienced professionals and business owners the opportunity to acquire skills and knowledge to successfully commercialise ideas and/or create business growth. Topics may include accounting, marketing, entrepreneurship and professional development, small business management and management of technology. This course can serve as an entry point into the MBA Flexible (subject to students achieving a weighted average mark of at least 65 per cent).

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(iii) at least two additional years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; or
(b) at least eight years of relevant, documented professional experience considered by UWA (following an interview and assessment process) to be sufficient to permit satisfactory completion of the course.

GMAT scores are valid for five years.

Graduate Certificate in Social Impact

study.uwa.edu.au/gc/social-impact

UWA course code: 40260
Duration: 1 year (part-time only)
Intake period: January, May, August
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Graduate Certificate in Social Impact teaches the critical leadership skills needed to manage organisations, businesses and social programs. The course provides an introduction to evaluation and social impact assessment; social innovation and social enterprises; social finance and philanthropy; and social leadership. The certificate is delivered in part-time intensive blocks and offered through the Centre for Social Impact at the UWA Business School. This course can serve as an entry point into the MBA Flexible (subject to students achieving a weighted average mark of at least 65 per cent).

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(iii) at least two additional years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; or
(b) at least eight years of relevant, documented professional experience considered by UWA (following an interview and assessment process) to be sufficient to permit satisfactory completion of the course.

GMAT scores are valid for five years.

Master of Professional Accounting

study.uwa.edu.au/m/prof-accounting

UWA course code: 40610
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: Commonwealth supported (qualifies for the Living Allowance – see page 80)

COURSE DESCRIPTION

The Master of Professional Accounting provides training in the technical aspects of the preparation of accounting data; develops your skills in the application of accounting information to solve problems and make decisions; and develops knowledge and skills in related professional disciplines such as finance, taxation, auditing and management.

The course is recognised by CPA Australia, the Institute of Chartered Accountants in Australia and New Zealand, and the Institute of Public Accountants.

Graduates who hold an undergraduate degree in Accounting should seek advice from the Business School before applying for this course.

Requirements

 Refer to the standard requirements on page 19*.

* 1.5 years with relevant undergraduate degree.

Graduate Certificate in Business Information and Logistics Management

study.uwa.edu.au/gc/business-info-log-mgt

UWA course code: 41270
Duration: 1 year (part-time only)
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course equips students with the knowledge and skills needed to work as a business analyst or supply chain manager. Topics include information systems, operations management, enterprise resource planning systems, modelling operations, and strategic management of the supply chain.

This course can serve as an entry point into the Master of Business Information and Logistics Management or Master of Commerce (subject to students achieving a weighted average mark of at least 65 per cent).

Requirements

A bachelor’s degree, or an equivalent qualification, as recognised by UWA and one of the following:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent; or

(b) a valid Graduate Management Admission Test (GMAT) score of at least 550.

GMAT scores are valid for five years.
Master of Business Information and Logistics Management

study.uwa.edu.au/m/business-info-mgt

UWA course code: 41670
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Business Information and Logistics Management develops and expands your skills in enterprise systems requirements, managing and leading ICT infrastructure projects, and applying emerging technologies across the enterprise.

Requirements

Refer to the standard entry requirements on page 19.

- 1.5 years with relevant undergraduate degree.

Graduate Certificate in Commerce

study.uwa.edu.au/gc/commerce

UWA course code: 41280
Duration: 6 months
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course comprises four units in accounting, economics, management and marketing. This is a standalone qualification, and can also serve as an entry point into the Master of Commerce. This course is ideal for graduates who do not hold an undergraduate degree in business.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) at least eight years of relevant, documented, professional experience considered by UWA (following an interview and assessment process by the Faculty) to be sufficient to permit satisfactory completion of the course.

Master of Commerce

study.uwa.edu.au/m/commerce

UWA course code: 41680
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Commerce includes core studies in all the principal areas of business: accounting, economics, management, marketing, global business and ethics, as well as a range of specialisations and option units.

This course is suitable for both business and non-business graduates wishing to gain advanced skills across a broad range of business areas.

Specialisations

Choose from the following specialisations:
- Accounting
- Business information and logistics management
- Economics
- Employment relations
- Finance
- Human resource management
- Management
- Marketing

Requirements

Refer to the standard requirements on page 19.

- 1.5 years with relevant undergraduate degree.

Master of Economics

study.uwa.edu.au/m/economics

UWA course code: 42620
Duration: 2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Economics is designed for those who seek to build upon their existing economics qualifications. Many Master of Economics graduates choose to pursue careers as economic researchers and decision makers, often finding employment in government departments, banks and other major institutions.

Topics covered include microeconomics, macroeconomics, international economics, financial economics, resource economics, public economics, quantitative economics, economic history and economic development.

Requirements

(a) a bachelor’s degree with a major in economics, or an equivalent qualification as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 75 per cent;

(b) a Graduate Diploma in Economics, or an equivalent qualification as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 75 per cent.

- 1.5 years with relevant undergraduate degree.

Graduate Certificate in Finance

study.uwa.edu.au/gc/finance

UWA course code: 41250
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This is a foundational course for students wishing to advance their knowledge of applied finance. You will learn to apply technical knowledge and skills to a variety of finance problems, such as capital investment decisions, investment analysis and the management of option portfolios. This course can serve as an entry point into the Master of Applied Finance or Master of Commerce (subject to UWA academic approval). Many students choosing this course go on to complete the Master of Applied Finance or Master of Commerce.

Requirements

A bachelor’s degree, or an equivalent qualification, as recognised by UWA and one of the following:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent;

(b) a valid Graduate Management Admission Test (GMAT) with a score of at least 550;

or

(c) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course requirements.

- GMAT scores are valid for five years.

Master of Applied Finance

study.uwa.edu.au/m/appl-finance

UWA course code: 42560
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Applied Finance is a practical course designed for graduates who seek a career in finance.

The curriculum is designed to complement the Chartered Financial Analyst (CFA) program, and candidates preparing for the CFA qualification are encouraged to enrol in the Master of Applied Finance as a preparatory course.

Requirements

Refer to the standard entry requirements on page 19.

- 1.5 years with relevant undergraduate degree.
Graduate Certificate in Human Resources and Employment Relations

study.uwa.edu.au/gc/hr-relations

UWA course code: 41260
Duration: 1 year (part-time)
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course introduces you to key concepts and theories of employment relations and human resources management. You will study the socioeconomic dynamics of the employment relationship and organisations involved in employment relations; leadership and organisational behaviour; and the concepts that underpin contemporary human resources management. This course can serve as an entry point into the Master of Human Resources and Employment Relations or Master of Commerce (subject to students achieving a weighted average mark of at least 65 per cent).

Requirements

A bachelor’s degree, or an equivalent qualification, as recognised by UWA and one of the following:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent;

(b) a valid Graduate Management Admission Test (GMAT) 1 with a score of at least 550;

(c) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course requirements.

1 GMAT scores are valid for five years.

Master of Human Resources and Employment Relations

study.uwa.edu.au/m/hr-relations

UWA course code: 41660
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Human Resources and Employment Relations (HERR) provides you with the specialist knowledge and expertise to work in human resource management or related fields such as industrial relations, recruitment, employee development or human resources planning.

Topics include broad introductory units in HERR, together with specialised units in areas such as assessment and selection, strategic human resource management, negotiation, managing workplace diversity, and international employment relations.

Requirements

Refer to the standard requirements on page 19.*

1.5 years with relevant undergraduate degree.

Graduate Certificate in Marketing

study.uwa.edu.au/gc/marketing

UWA course code: 41290
Duration: 1 year (part-time)
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course offers an introduction to core aspects of marketing. Topics may include consumer behaviour, integrated marketing communications and marketing research. You will acquire the core knowledge and practical skills that are critical for a career in marketing or a career which relates to customer relationships. This course can serve as an entry point into the Master of Marketing or Master of Commerce (subject to students achieving a weighted average mark of at least 60 per cent).

Requirements

A bachelor’s degree, or an equivalent qualification, as recognised by UWA and one of the following:

(a) the equivalent of a UWA weighted average mark of at least 60 per cent;

(b) a valid Graduate Management Admission Test (GMAT) 1 with a score of at least 550;

(c) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course requirements.

1 GMAT scores are valid for five years.

Master of Marketing

study.uwa.edu.au/m/marketing

UWA course code: 41690
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The course is suitable for marketing professionals and also those who seek to move into this field. Topics covered in this course include advertising, company strategy, competitive analysis and value creation. You will also have the opportunity to undertake projects for real-life organisations and some of our students have worked with companies including Coles, Google, Microsoft, Rio Tinto, Tourism WA, Transperth and Westpac.

Requirements

Refer to the standard requirements on page 19.*

1.5 years with relevant undergraduate degree.

Graduate Certificate in Public Policy

study.uwa.edu.au/gc/public-policy

UWA course code: 42280
Standard duration: 6 months
Intake period: February (full-time or part-time), July (part-time only)
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Graduate Certificate in Public Policy is designed to give graduate students an understanding of the role of the government in economic activity and public policy decision making. It focuses on how the government interacts with the economy through, for example, economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education and social security.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(b)

(i) the equivalent of a UWA weighted average mark of at least 60 per cent;

(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550;

(iii) at least five years of relevant documented professional experience considered by UWA (following an interview process) to be sufficient to permit satisfactory completion of the course.
### Master of Public Policy

**study.uwa.edu.au/m/public-policy**

**UWA course code:** 42580

**Duration:** 2 years

**Intake period:** February, July

**Mode of study:** coursework or coursework and dissertation

**Fee type:** postgraduate fee-paying

**COURSE DESCRIPTION**

This course will give you a multi-disciplinary understanding of the role of government in economic activity and public policy decision making. The course focuses on how government interacts with the economy and society. Topics include: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Specialisations are available in Economics, and in Public Administration and Governance. Graduates are equipped for a variety of jobs, including policy analysts and managers in the public sector.

**Requirements**

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(iii) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course

1 1.5 years with relevant undergraduate degree.

2 GMAT scores are valid for five years.

### Doctor of Philosophy

**study.uwa.edu.au/phd**

**UWA course code:** 00810

**Duration:** 4 years

**Intake period:** any time during the academic year

**Mode of study:** thesis

**Fee type:** RTP

**COURSE DESCRIPTION**

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

**Requirements**

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course. For more information, see page 72.

### Master of Philosophy

**study.uwa.edu.au/mphil**

**UWA course code:** 00710

**Duration:** 2 years

**Intake period:** any time during the academic year

**Mode of study:** thesis

**Fee type:** RTP

**COURSE DESCRIPTION**

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

**Requirements**

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course. For more information, see page 72.
UWA’s Graduate School of Education maintains a tradition of excellence in both teaching and research. We offer world-class postgraduate courses for future teachers, current teachers and research candidates, and our graduates take on leadership roles in education all over the world.

We produce the highest quality graduates for global and local settings through our outstanding teaching and supervision, comprehensive support and the fine balance of theory and practice in our courses.

Master of Education
study.uwa.edu.au/mr/education

UWA course code: 31700
Duration: 1.5 years
Intake period: February, July
Mode of study: thesis and coursework
Fee type: RTP

COURSE DESCRIPTION

The delivery arrangements for this research-based course are flexible and are aligned with the needs of those in full-time professional or management careers.

You are provided with comprehensive preparation in conceptualising, conducting and reporting research in education, and are encouraged to pursue coursework and research in your own particular area of interest.

Requirements

To be considered for admission to this course an applicant must have the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the School; or the requirements set out in (d) or (e):

(a)

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) completed a postgraduate course in education requiring at least one year of full-time study; and
(iii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or

(b)

(i) the Bachelor of Education of this University; and
(ii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or

(c)

(i) a degree requiring at least four years of full-time study; and
(ii) two years’ full-time professional experience in the field of education; and
(iii) adequate research preparation demonstrated to the satisfaction of the School;

or

(d) a graduate diploma of this University that articulates with the Master of Education with a mark of at least 65 per cent in EDUC5631 Approaches to Research; and

(iii) a mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

Doctor of Education
study.uwa.edu.au/d/education

UWA course code: 30810
Duration: 3 years
Intake period: February
Mode of study: thesis and coursework
Fee type: RTP

COURSE DESCRIPTION

This professional doctorate program is designed for research-oriented individuals working in educational roles who seek to make a contribution to knowledge in the context of professional practice. You will develop substantial content knowledge in areas related to the kinds of career positions and pathways that you might pursue, along with knowledge of research principles and methods applicable to the field of learning.

Requirements

(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA in a relevant field with first or upper second class honours, or equivalent; or
(b) a masters degree, or an equivalent qualification, as recognised by UWA in a relevant field with an average of at least 70 per cent, and adequate research preparation as prescribed in University Policy, or equivalent;

(c) A student who has completed the doctoral coursework component with an average mark of 65 per cent and with a mark of at least 65 percent in EDUC9973 Research Paradigms: Doctoral Project Report is permitted to proceed to the Doctoral Thesis unit.
Master of Educational Leadership

study.uwa.edu.au/mr/education-leadership

UWA course code: 31650
Duration: 1.5 years
Intake period: February, July
Mode of study: thesis and coursework
Fee type: RTP

COURSE DESCRIPTION

This course is aimed at educators who are either current or aspiring leaders in their organisations. You will be introduced to theory in national and international educational leadership practices, and encouraged to connect these considerations with your own experiences through the sharing of ideas and information. The course provides you with comprehensive preparation in conceptualising, conducting and reporting research, especially as applied to the substantive area of educational leadership.

Requirements

To be considered for admission to this course an applicant must have the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the School; or the requirements set out in (d) or (e):

(a) (i) a bachelor’s degree of this University; and
(ii) a postgraduate course in education requiring at least one year of full-time study; and
(iii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or
(b) (i) the Bachelor of Education of this University; and
(ii) either two years’ full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or
(c) (i) a degree requiring at least four years of full-time study; and
(ii) two years’ full-time professional experience in the field of education; and
(iii) adequate research preparation demonstrated to the satisfaction of the School;

or
(d) a graduate diploma that articulates with the Master of Educational Leadership with an average of at least 65 per cent in three coursework units including a mark of at least 65 per cent in EDUC5631 Approaches to Research; and

or
(e) (i) completed at least three units towards a graduate diploma that articulates with the Master of Educational Leadership or towards another relevant graduate diploma of the School; and
(ii) completed units relevant to the requirements of the master’s course; and
(iii) achieved an average mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

Master of Educational Leadership

study.uwa.edu.au/m/edu-leadership

UWA course code: 30520
Duration: 1 year
Intake period: February, July
Mode of study: coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course is aimed at professionals and researchers in education, and led by experts in the field of educational leadership. The course introduces you to theory as well as national and international educational practices. You can then connect these considerations with your own experiences and, through dialogue and the sharing of ideas and information, broaden your knowledge and enhance your capabilities.

The course also provides an opportunity for you to develop specialised research skills as a foundation for further professional investigation in the substantive area of educational leadership. Articulation is available within this study area. For more information, see page 15.

Requirements

To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(i) a relevant postgraduate degree requiring at least one year of full-time study, or an equivalent qualification; and
(ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;

or

(ii) either two years of relevant full-time professional experience or evidence of adequate research preparation demonstrated to the satisfaction of the School;

or

(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;

or

(i) evidence of adequate research preparation; and
(ii) a graduate diploma that articulates with the Master of Educational Leadership.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
CRICOS code: 003318J
Duration: 4 years

Graduate Certificate in Studies

study.uwa.edu.au/gcs/studies

UWA course code: 00200
Duration: 0.5 years
Intake period: February, July
Mode of study: internal
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course is designed for graduates who have diverse personal, academic and/or professional interests and want to pursue those interests through postgraduate study. The Graduate Certificate in Studies articulates with the Master of Studies and allows students to complete four units (24 points) at postgraduate level from any discipline. This is an opportunity to study different areas of personal or professional interest before you consider a Master of Studies.

Requirements

To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.
Master of Studies

study.uwa.edu.au/m/studies

**UWA course code:** 00500  
**Duration:** 1.5 years  
**Intake period:** February, July  
**Mode of study:** coursework  
**Fee type:** Commonwealth supported

**COURSE DESCRIPTION**

This course is designed for graduates who have diverse personal, academic and/or professional interests and want to pursue those interests through postgraduate study.

**Requirements**

Applicants must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

Graduate Diploma in Education (Secondary)

study.uwa.edu.au/gd/education

**UWA course code:** 31400  
**Duration:** 1 year  
**Intake period:** February, July  
**Mode of study:** coursework or coursework and dissertation  
**Fee type:** postgraduate fee-paying

**COURSE DESCRIPTION**

This course is designed for graduates who wish to major in School Psychology. Applicants who wish to major in School Psychology must undertake a professional practice unit.

**Requirements**

(ii) a four-year bachelor's degree with a major in School Psychology, or an equivalent qualification, as recognised by UWA and the Psychology Board of Australia for applicants who wish to major in School Psychology.

Graduate Certificate in Tertiary Teaching

study.uwa.edu.au/gc/tertiary-teaching

**UWA course code:** 30250  
**Duration:** 1 year (part-time)  
**Intake period:** February, July  
**Mode of study:** coursework  
**Fee type:** Commonwealth supported

**COURSE DESCRIPTION**

You will develop the expertise and skills to teach as a lecturer or tutor in higher education. Increase your understanding of the ways students learn, effective curriculum design and evaluation, and effective teaching strategies. You will also gain an understanding of how to evaluate the effectiveness of your teaching and the quality of student learning.

**Requirements**

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) current or past employment in tertiary teaching.

The University of Western Australia | Domestic Postgraduate Course Guide 2018–2019 27
Master of Teaching

study.uwa.edu.au/m/teaching-primary
study.uwa.edu.au/m/teaching-secondary

UWA course code: 31520

Duration: 2 years

Intake period:
- February (full-time and part-time);
- July (part-time only)

Mode of study: coursework

Fee type: Commonwealth supported

COURSE DESCRIPTION

This course prepares university graduates for a rewarding career in teaching. By studying a teaching degree at UWA you will gain valuable practical experience in our many partner schools and work with outstanding lecturers who integrate theory and practice across learning areas.

Specialisations

Choose from the following specialisations:
- Early Childhood
- Primary

Early Childhood

Early childhood teachers play a critical role in preparing young children for lifelong learning, personal wellbeing and participation in society. This course places a strong emphasis on in-depth knowledge of the research, theory and practical skills required of educators in early childhood settings, from birth to the lower primary years.

The Master of Teaching (Early Childhood) will qualify you to work in government and non-government schools, both in Australia and internationally, as well as in a range of other early childhood setting such as childcare centres.

Primary

Primary teachers are pivotal in helping children build strong foundations and confidence in their learning. This course provides in-depth knowledge on how to support children in their development of knowledge, understanding and skills across a range of learning areas. The Master of Teaching (Primary) will qualify you to teach in primary schools.

Requirements

1. A bachelor’s degree, or an equivalent qualification; and
2. Applicants who have a bachelor’s degree in education, or an equivalent qualification, are not eligible for admission.
3. Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.5, with no sub-score less than 7.0, and no less than 8.0 in speaking and listening. Applicants presenting with the Cambridge English: Advanced (CAE) require an overall grade of B or above, with a score of ‘exceptional’ for listening and speaking, and at least ‘good’ for reading and writing.
4. Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom and the United States of America must provide evidence of English language competence in accordance with the requirements of the Teacher Registration Board of Western Australia.
5. An English bridging course is not regarded as evidence of English language competence.

Note: Applicants must also provide a personal statement at the point of application.

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.

1. The equivalent qualification must be at a level of academic achievement considered by UWA to be sufficient to permit satisfactory completion of the course. The equivalent of a UWA weighted average mark of at least 60 is used as a guide to decision making; however, admission to the course is competitive.

Master of Teaching (Secondary)

study.uwa.edu.au/m/teaching-secondary

UWA course code: 32550

Duration: 2 years

Intake period:
- February (full-time and part-time);
- July (part-time only)

Mode of study: coursework

Fee type: Commonwealth supported

COURSE DESCRIPTION

This course prepares university graduates for a rewarding career in teaching. Candidates must have a degree with a major in the subject that they want to teach and which can be found in the school curriculum. This course aims to graduate highly skilled professionals who have the key practical skills required for effective secondary teaching, informed by current theory and research. As there is a severe shortage of secondary Mathematics and Physics teachers in Australian schools, we particularly encourage students with qualifications in those areas to consider a career in teaching.

Requirements

1. (a) a bachelor’s degree, or an equivalent qualification; and
(b) a major relevant to secondary teaching curriculum majors offered by UWA; and
(c) the equivalent of a UWA weighted average mark of at least 60 per cent.
2. Applicants who have an Australian teaching qualification or equivalent as recognised by UWA are not normally eligible for admission.
3. Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.5, with no sub-score less than 7.0, and no less than 8.0 in speaking and listening. Applicants presenting with the Cambridge English: Advanced (CAE) require an overall grade of B or above, with a score of ‘exceptional’ for listening and speaking, and at least ‘good’ for reading and writing.
4. Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom and the United States of America must provide evidence of English language competence in accordance with the requirements of the Teacher Registration Board of Western Australia.
5. An English bridging course is not regarded as evidence of English language competence.

Note: Applicants must also provide a personal statement at the point of application.

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.
Law School

The Law School has a proud history of 90 years of excellence in legal education, scholarship and research. As a graduate of the UWA Law School you will join the ranks of more than 7000 alumni who have achieved extraordinary success in a range of law and law-related careers. UWA graduates include solicitors, barristers and magistrates; District, Supreme and High Court judges; politicians, including a former Australian prime minister; CEOs; in-house counsel of large national and international corporations; banking, finance and taxation specialists; environmentalists; human rights activists; and leaders of national and international NGOs.

The UWA Law School’s suite of postgraduate courses aims to meet the needs of law and non-law graduates wishing to either become a lawyer or develop specialist legal expertise. Our flagship course, the Juris Doctor, prepares students with the knowledge and skills necessary to become the lawyer they want to be and that the world needs.

“I was most attracted to UWA because of its long-standing reputation and excellence in the field of law. Studying the Juris Doctor (JD) prepares you with the competitive professional skills and knowledge necessary to pursue both legal and non-legal careers. I chose the JD at UWA because of its top-ranking reputation at a national and international level. The diverse cohort of bright future leaders I've had the privilege to study alongside has also been inspiring and engaging. Fellow students at UWA are an amazing support network and the friends I've made here are most definitely friends for life. UWA also offers an extremely wide range of sporting, cultural and social activities.”

Josephine Kwok

or
(d) (i) completed 24 points of the Graduate Diploma in International Law of this University; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(e) completed at least 48 points towards a Master of International Relations of this University.

Master of International Relations and Master of International Law

study.uwa.edu.au/m/int-law-int-relations

UWA course code: 21350
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The combined Master of International Relations and Master of International Law offers the opportunity to develop an advanced understanding of both the politics and mechanisms of international affairs. Suited to both lawyers and non-lawyers, this program is for those who wish to further their careers in a range of sectors, requiring international expertise. Students acquire both qualifications in a shorter time frame than if undertaking them individually, through the granting of advanced standing of key relevant units.

The program begins with the Master of International Relations course and, upon successful completion of 48 credit points, you will gain direct entry to the Master of International Law.

Requirements
To be eligible for admission, an applicant must meet the admission requirements for each course.

(a) Refer to page 44 for the Master of International Relations entry requirements; and
(b) See the Master of International Law entry requirements on page 30.

Master of International Commercial Law

study.uwa.edu.au/m/int-comm-law

UWA course code: 21510
cricos code: 083854M
Duration: 1 year
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Develop an in-depth understanding of the complexities and challenges of international commerce. You will gain an integrated overview of commerce at an international level and develop an advanced knowledge of the core disciplines of trade, finance, shipping and commercial law.

Requirements
(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; or
(c) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent, and
(iii) at least two years’ relevant professional experience; or
(d) (i) completed 24 points of the Graduate Diploma in International Commercial Law of this University; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(e) completed at least 48 points towards a Master of Business Administration (see page 24) and Master of International Commercial Law (see this page).

Graduate Diploma in Law, Policy and Government

study.uwa.edu.au/gd/law-policy-gov

UWA course code: 21340
cricos code: 083852B
Duration: 1 year
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The course will provide you with an advanced understanding of socio-legal theory and policy development and is suited to those looking to build a career in the public sector, working as legal practitioners or those in the private industry where their role intersects with government approval, regulation and compliance.
Requirements
(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(c) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and (iii) at least two years of relevant professional experience; or
(d) (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; and (ii) at least two years of relevant professional experience.

Duration: 1 year
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This course aims to provide students with an advanced understanding of socio-legal theory, policy development and the skills required to work in or with governments. It is suited to those looking to build a career in the public sector, working as legal practitioners or those in the private industry where their role intersects with government approval, regulation and compliance. The course combines theory with more practically oriented units. Study begins with foundational courses in law, policy and socio-legal theory. Students can then tailor their study through elective units to focus on policy areas of interest such as crime and justice, medicine and law, international law or governance. Students also choose three option units, from topics such as mining law, climate change, oil and gas project development, heritage, water resources, and international shipping.

Requirements
(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(c) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and (iii) at least two years of relevant professional experience; or
(d) (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; and (ii) at least two years of relevant professional experience.

Master of Mining and Energy Law
study.uwa.edu.au/m/mining-energy-law
UWA course code: 20550
Duration: 1 year
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This course has been designed to give legal and non-legal professionals the expertise necessary to specialise in the complex and varied field of taxation law.

Requirements
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a cognate area; and (b) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and (ii) at least two years of professional experience; or (c) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course.

Master of Taxation Law
study.uwa.edu.au/m/taxation-law
UWA course code: 21350
Duration: 1.5 years
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This advanced program is designed to give tax professionals the expertise necessary to specialise in the complex and varied field of taxation law.

Requirements
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a cognate area, which includes an element in Taxation Law; or (b) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a cognate area; and (ii) at least six months of relevant professional experience; or (c) a level and duration of education, as well as at least two years of professional experience considered by UWA to be sufficient to permit satisfactory completion of the course. 

Graduate Diploma in Natural Resources Law
study.uwa.edu.au/gd/nat-res-law
UWA course code: 21360
Duration: 2.5 years
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
All students study a foundation unit in law governance. Students also choose three option units, from topics such as mining law, climate change, oil and gas project development, heritage, water resources, and international shipping.

Requirements
(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA; or
(b) (i) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA; and (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(c) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; and (iii) at least two years of relevant professional experience; or
(d) (i) completed 24 points of the Graduate Diploma in Mining and Energy Law of this University; and (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Diploma in Taxation Law
study.uwa.edu.au/gd/taxation-law
UWA course code: 21350
Duration: 1.5 years
Intake period: Throughout the year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This advanced program is designed to give tax professionals the expertise necessary to specialise in the complex and varied field of taxation law.

Requirements
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a cognate area, which includes an element in Taxation Law; or (b) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and (ii) at least two years of professional experience; or (c) a level and duration of education, as well as at least two years of professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.
qualifications, as recognised by UWA, in a related area, which includes an element in Taxation Law; and 
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; 
or 
(b) 
(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, in a related area; and 
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and 
(iii) at least six months of relevant professional experience; 
or 
(c) 
(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and 
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and 
(iii) completed LAWS5132 Income Taxation Law at UWA, or equivalent; 
or 
(d) completed the units for the Graduate Diploma in Taxation Law corresponding to the appropriate specialisation.

Graduate Diploma in Legal Practice
study.uwa.edu.au/gd/legal-practice
UWA course code: 20350
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Designed as a bridging course for overseas lawyers, the course is only available to those who have fulfilled the requirements of a law degree, have been admitted to practice (usually in another country) and have been advised by the Legal Practice Board of Western Australia to undertake extra units of study to be admitted to practice in Western Australia.

Requirements
(a) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA; and
(b) an assessment of this qualification by the Legal Practice Board of Western Australia that outlines which units are required to practice.

Duration may vary depending on the qualification assessment by the Legal Practice Board of Western Australia.

Master of Laws
study.uwa.edu.au/m/laws
UWA course code: 20500
Duration: 1 year
Intake period: any time during the academic year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This highly flexible course is designed for law graduates interested in pursuing advanced studies in law and will familiarise graduates with recent developments in law.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) 
(i) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA; and 
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent; 
or 
(b) completed 24 points of the Graduate Diploma in Law of this University with a UWA weighted average mark of at least 60 per cent.1

1 Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of Business Administration and Master of International Commercial Law
study.uwa.edu.au/mba-laws
study.uwa.edu.au/mba-int-commercial-law
UWA course code: 43530
Duration: 1 year
Intake period: any time during the academic year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to obtain two sought-after qualifications. This course is suited to both law and non-law graduates seeking to distinguish themselves in both law and business.

Requirements
Applicants must meet the requirements for the MBA Full Time Intensive (see page 19) and for the Master of International Commercial Law (see page 31).

Juris Doctor
study.uwa.edu.au/d/juris-doctor
UWA course code: 20820
credits code: 089786C
Duration: 3 years
Intake period: February
Mode of study: coursework
Fee type: Commonwealth supported or postgraduate fee paying (qualifies for the Living Allowance—see page 80)

COURSE DESCRIPTION
This is a professional practice coursework program for non-law graduates who are interested in obtaining the academic qualification necessary to practise law in Australia. The course focuses on legal skills, including drafting, legal research and advocacy. For Juris Doctor application guidelines see page 34.

Requirements
(1)
(a) a relevant bachelor’s degree or equivalent as recognised by UWA; 
(b) the equivalent of a UWA grade point average (GPA) of at least 5.5; and
(c) Law School Admission Test (LSAT) score of at least 150, taken within five years prior to applying for admission to the course.

For Indigenous applicant requirements and details of the UWA Indigenous Assured Entry Pathway, the Equity and Diversity Pathway and to be considered for transfer, visit study.uwa.edu.au/d/juris-doctor
### Master of Philosophy

[study.uwa.edu.au/mphil](study.uwa.edu.au/mphil)

- **UWA course code:** 00710
- **Duration:** 2 years
- **Intake period:** any time during the academic year
- **Mode of study:** research
- **Fee type:** RTP

#### COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

#### Requirements

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

### Doctor of Juridical Science

[study.uwa.edu.au/d/juridical-sci](study.uwa.edu.au/d/juridical-sci)

- **UWA course code:** 20810
- **Duration:** 4 years
- **Intake period:** any time during the academic year
- **Mode of study:** research
- **Fee type:** RTP

#### COURSE DESCRIPTION

A professional research doctorate consisting of coursework units and a thesis. The program of study can be tailored to your area of interest.

#### Requirements

(a) the Bachelor of Laws with first or upper second class honours; or an equivalent qualification, as recognised by UWA;

or

(b) (i) a Juris Doctor or Master of Laws, including a 12-point research project, or an equivalent qualification, as recognised by UWA;

(ii) the equivalent of a UWA weighted average mark of at least 65 per cent;

or

(c) (i) a bachelor's degree in law, or an equivalent qualification, as recognised by UWA;

(ii) evidence of adequate research preparation as recognised by UWA; and

(iii) at least two years of relevant professional experience.

### Doctor of Philosophy

[study.uwa.edu.au/phd](study.uwa.edu.au/phd)

- **UWA course code:** 00810
- **Duration:** 4 years
- **Intake period:** any time during the academic year
- **Mode of study:** research
- **Fee type:** RTP

#### COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

#### Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course. For more information, see page 72.

---

### Juris Doctor application guidelines: about the Law School Admission Test (LSAT)

As part of the application process for the UWA JD, applicants need to register for and sit the Law School Admission Test (LSAT). The LSAT is an independent, international test administered by the Law School Admission Council (LSAC), which sends results directly to the UWA Law School.

The LSAT can be taken in any Australian capital city and in many countries around the world. Applicants should consult the LSAC website to confirm all registration and test date information as dates may vary depending on the centre location. Applicants who have taken the test within the last five years may use those results for admission purposes.

#### Do I have to sit the LSAT?

Applicants applying under the standard pathway for the UWA JD are required to have already sat or registered for the last LSAT of the calendar year, before applying. UWA Direct Pathway, Advanced Diploma in Indigenous Studies and some Equity and Diversity applicants are exempt from sitting the LSAT.

#### What can I expect in the LSAT?

The LSAT comprises five multiple choice sections of 35 minutes each and a 35-minute writing sample. The writing sample does not contribute to the calculation of your LSAT score at UWA, although we receive this sample.

The LSAT has three types of questions:

- Reading comprehension
- Analytical reasoning
- Logical reasoning

Go to “About the LSAT” on the LSAC website for a more detailed description of these three question types and what to expect in the LSAT. Information on how the questions in the LSAT are relevant in testing an applicant’s aptitude to study law are also available.

#### How should I prepare for the LSAT?

In order to perform to your true ability, it is strongly recommended that you take the time to prepare for the LSAT. The LSAC website includes information on LSAT Preparation Materials, providing links to sample questions with explanations and a couple of sample LSAT tests. Applicants are encouraged to download the sample LSAT test online and sit it under exam conditions to decide for themselves if further preparation is needed.

#### Where can I get more help to prepare for the LSAT?

Many bookshops stock LSAT preparation books which can be ordered online. These books are useful in assisting applicants to perform to their true ability. There is also plenty of material available online that provides tips for LSAT preparation.

#### Will the selection committee read my LSAT essay?

The UWA Law School Selection Committee will not use the LSAT essay when assessing applications.

#### When can I sit the LSAT?

The LSAT can be taken in February, June, October and December. LSAT scores are valid for five years and the test can be taken three times in any two-year period. Further information is available on the LSAC website.

#### Can I resit the LSAT?

If you believe your test score does not reflect your true ability, you can resit the LSAT. Visit the LSAC website to check the number of times you are allowed to sit the test.

#### If I resit the LSAT, which score does the selection committee take into consideration?

The selection committee will note all your scores but will use your highest score when considering your application.

#### How does UWA retrieve my results?

You must include your eight-digit LSAC account number where indicated on the online application form. This allows us to download your LSAT scores directly from LSAC once results are released.

#### How do I register?

You can register for the LSAT online at the LSAC website at [lsac.org/jd/choosing-a-law-school/australia](lsac.org/jd/choosing-a-law-school/australia). Admission deadlines should be taken into account when selecting your test date.

---

As for the Master of Philosophy...
The School of Design is dedicated to excellence in teaching, learning, practice and research in multiple aspects of building and visual culture, design and art.

Postgraduate coursework and research programs attract high-quality students from around the world seeking to advance scholarship in the disciplines of Architecture, Landscape Architecture, Urban Design, Art History and Visual Arts.

Areas of teaching and research strengths:
- Future cities
- Critical studies of the built environment
- Landscape urbanism
- Affordable and sustainable housing
- Innovative design technologies
- Urban history
- Australian visual culture
- Indigenous art
- Nineteenth and twentieth-century modernism
- Experimental art

School of Design

5 overseas studios held in Portugal, Athens, Spain, Bali and India

10 STUDENTS : 1 STAFF within postgrad studios
Graduate Certificate in Architectural Conservation

study.uwa.edu.au/gc/architectural-conservation

UWA course code: 25240
Intake period: February, July
Mode of study: coursework
Fee type: Commonwealth supported (qualifies for RTP)

COURSE DESCRIPTION

This course introduces the full range of concepts, methods and practices involved in the specialised field of architectural conservation, from the international to the local level, and aims to develop professional level skills in conservation practice and in practical building conservation.

Requirements

A relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA, with an equivalent of at least 60 per cent.

Master of Architecture (Design)

study.uwa.edu.au/mr/architecture-design

UWA course code: 25760
Duration: 2 years
Intake period: any time during the academic year
Mode of study: research (creative work)
Fee type: RTP

COURSE DESCRIPTION

The Master of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the fully resolved design of a building of major cultural significance.

Requirements

Applicants must have sufficient architectural design experience as determined by the Board on the recommendation of the Head of the School of Design.

Doctor of Architecture (Design)

study.uwa.edu.au/d/architecture-design

UWA course code: 25920
Duration: 3 years
Intake period: any time during the academic year
Mode of study: research (creative work)
Fee type: RTP

COURSE DESCRIPTION

The Doctor of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the fully resolved design of a building of major cultural significance.

Requirements

Applicants must demonstrate that they have fulfilled the requirements of the University Policy on: Adequate Research Preparation (postgraduate, uwa.edu.au/schools/research-preparation) and any other requirements for admission of the University, and

(a) (i) have a bachelor’s degree of this University or equivalent qualification, as recognised by UWA, or
(ii) have previously undertaken work, which in the Board’s opinion is of a sufficiently high standard, towards a higher degree by research in this or another approved institution but has not submitted it for any degree; and have completed and had approved by the Board, on the recommendation of the supervisor and the School of Design, a Doctor of Architecture (Design) research proposal;

or

(b) (i) a relevant bachelor’s honours degree with first or second class honours, or an equivalent qualification, as recognised by UWA, and
(ii) at least one year of relevant, documented professional experience;

or

(c) a relevant professional master’s degree, or an equivalent qualification, as recognised by UWA.

“UWA is the only university in WA to offer an internationally accredited master’s specific to urban design, taught through the Australian Urban Design Research Centre (AUDRC). What I enjoy most is being able to connect with experienced professionals in the industry on a daily basis. Model making and researching various cities and urban design principles are some examples of the projects involved in the course, presenting new ways to learn.”

Marc Tarca
Master of Urban Design
Master of Curatorial Studies in Fine Arts

study.uwa.edu.au/mr/curatorial-studies-fa

UWA course code: 25770
Duration: 2 years
Intake period: any time during the academic year
Mode of study: research
Fee type: RTP

COURSE DESCRIPTION

This specialist degree provides a high status and professional qualification suitable for graduates who seek a museum profession in Australia or overseas as curators, exhibition organisers or researchers.

The degree is run in collaboration with UWA museums and various external Western Australian public galleries providing students with direct experience in curatorial research and exhibition presentation.

Requirements

(a) a bachelor’s degree of this University requiring at least four years of full-time study, or the part-time equivalent, in a subject area considered to be relevant to curatorial studies, or equivalent qualification as recognised by the Board; and
(b) be able to satisfy the Board of the general ability to complete the course and the special ability to prepare and present a thesis.

Master of Fine Arts

study.uwa.edu.au/mr/fine-arts

UWA course code: 25740
Duration: 2 years
Intake period: any time during the academic year
Mode of study: research (thesis and creative work)
Fee type: RTP

COURSE DESCRIPTION

This specialist degree provides an internationally recognised academic qualification in the theory and practice of the fine arts.

The Master of Fine Arts (MFA) enables artists to pursue sustained individuated research that contributes to the understanding of current art practice and associated theories of contemporary culture.

Requirements

(a) A relevant bachelor’s degree, or an equivalent qualification as recognised by the Board; and
(b) have completed the requirements for a qualification in Art Practice from a recognised tertiary institution, or be judged by the Board to have equivalent practical expertise and professional standing; and
(c) be able to satisfy the Board of the general ability to complete the course and the special ability to prepare and present a thesis.

Master of Landscape Architecture

study@uwa.edu.au/m/landscape-architecture

UWA course code: 25550
Duration: 2–3 years
Intake period: February, July
Mode of study: coursework
Fee type: Commonwealth supported (qualifies for the Living Allowance—see page 80)

COURSE DESCRIPTION

The Master of Landscape Architecture emphasises ecological, cultural and social concerns at global, regional and local levels. The degree requires completion of fully resolved projects including a developed design through independent research.

Graduates achieve a range of high-level technical, analytical, design and communication skills to meet contemporary challenges.

Professional accreditation

This professionally accredited degree satisfies the academic requirements to become a registered landscape architect.

Requirements

A bachelor’s degree, or an equivalent qualification, as recognised by UWA, with the equivalent of UWA weighted average mark of at least 60 per cent.

Graduate Diploma in Urban Design

study.uwa.edu.au/gd/urban-design

UWA course code: 25310
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Graduate Diploma in Urban Design offers a comprehensive overview of the theoretical and practical aspects of urban design. It also offers you some experience as individual designers and as participants in interdisciplinary groups assigned to working on the complex nature of urban design issues.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) a Graduate Certificate in Urban Design, or an equivalent qualification, as recognised by UWA.

Master of Urban Design (Coursework and Dissertation)

study.uwa.edu.au/m/urban-design

UWA course code: 25530
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Urban Design provides a focused first year of history, theory, implementation strategy and studio-based learning as a platform and contextual base to a final (second) year of independent research by design and/or dissertation.

The second year of independent supervised research by dissertation and/or design will allow you to apply principles of urban design at an advanced level relevant to your area of expertise.

Requirements

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 60 per cent; or
(b) (i) a Graduate Diploma in Urban Design, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710
Duration: 2 years
Intake period: any time during the academic year
Mode of study: Thesis
Fee type: RTP

COURSE DESCRIPTION

The Master of Philosophy is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
Duration: 4 years
Intake period: any time during the academic year
Mode of study: thesis
Fee type: RTP

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge. For more information, see page 72.

Graduate Certificate in Urban Design

study.uwa.edu.au/gc/urban-design

UWA course code: 25210
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Graduate Certificate in Urban Design provides you with a preliminary overview of the discipline of urban design and an introduction to its core practices, theories and methods.

Requirements

A relevant bachelor’s degree, or an equivalent qualification, with the equivalent of a UWA weighted average mark of at least 60 per cent.
The School is actively involved in the research and teaching of Classics and Ancient History, European languages and studies, History, English and Cultural Studies, Medieval and Early Modern Studies and Philosophy.

The School is committed to the pursuit of intellectual inquiry and the progress of knowledge. Internationally renowned research leaders build the capacity of our graduates so they can critically analyse and develop creative solutions for the challenges faced by society.

Areas of teaching and research strengths include:
• Classics (Latin and Greek) and Ancient History
• English and Cultural Studies
• European Languages and Studies (Italian, French, German and Spanish)
• Gender Studies
• History
• Medieval and Early Modern Studies
• Philosophy

Teaching staff are members of learned academies, and have won international honours

HUMANITIES GRADUATES INCLUDE
Kim Scott
(Miles Franklin-winning novelist)
and Catherine Keenan
(Founder of the Sydney Story Factory & Australia’s Local Hero for 2016)
**Master of Translation Studies**

**UWA course code:** 12520  
**Duration:** 2 years  
**Intake period:** February, July  
**Mode of study:** coursework  
**Fee type:** postgraduate fee-paying

**COURSE DESCRIPTION**

The Master of Translation Studies provides advanced translation training to develop your abilities to practice as a bilingual/multilingual professional. The course, taught by practitioners and translation researchers, is approved by the National Accreditation Authority for Translators and Interpreters of Australia (NAATI), making you eligible to apply to the prestigious NAATI accreditation as a Professional Translator.

Specialised translation training is available between English and Chinese, French, German and Italian language pairs in both directions. Chinese interpreting is also available to students in combination with the English/Chinese language pair. From 2019, translation training between English and Spanish, Indonesian, Japanese, Korean, Arabic and Russian will also be available.

The course fosters critical thinking, linguistic and analytical skills through frontier translation theories and latest technologies as well as the opportunity for individual supervision of a translation research project. As a result of strong collaboration links with local and national professional organisations and agencies, students are offered practical skills development on a regular basis.

**Professional placement**

The course includes a work placement component where students apply knowledge in industry environments.

**Requirements**

(a) a relevant bachelor's degree, or an equivalent qualification;  
and  
(b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

**Master of Arts (Creative Writing)**

**UWA course code:** 18710  
**Duration:** 2 years  
**Intake period:** any time during the academic year  
**Mode of study:** research (thesis and creative work)  
**Fee type:** RTP

**COURSE DESCRIPTION**

The course is designed for published creative writers in any genre who seek to advance their academic and creative writing skills.

**Requirements**

(a) (i) have a bachelor's degree with first class or upper second class honours in creative writing;  
or
School of Music

As one of Australia’s leading music schools, we create the future leaders of the arts community. Our postgraduate programs enhance musical skills and knowledge, and prepare students for the next level of their musical careers. Many graduates work as professional musicians, composers and teachers in communities around the world.

The School encourages interdisciplinary, interstate and international collaborations, and undertakes presentations, publications, recordings and performances in specialty research areas.

Master of Music
(Research)

study.uwa.edu.au/mr/music

UWA course code: 10720
Duration: 1 year
Intake period: any time during the academic year
Mode of study: research (thesis and creative work)
Fee type: RTP

COURSE DESCRIPTION

This specialist degree extends existing skills and experience in musical performance, composition or musicology, both as a professional-level degree and as a platform for doctoral-level study.

All candidates produce independent research with the guidance of a supervisor. Candidates in musicology present for examination a thesis or a transcription and edition of a substantial body of music accompanied by critical commentary, whilst performers and composers complement the dissertation component of the course with a recital or portfolio.

Requirements

(a) To be considered for admission to this course, each applicant must have the degree of Bachelor of Music with honours or Bachelor of Arts with honours of this University, or equivalent as recognised by the Board.
(b) An applicant for the course in composition must undergo a portfolio review and interview.
(c) An applicant for the course in performance must pass an audition.
(d) The arrangements for the portfolio review and interview, the arrangements for which, including the nature, duration and timing, are determined by the Head of the School of Music.

Master of Music International Pedagogy

study.uwa.edu.au/mr/music-int-pedagogy

UWA course code: 12570, 12550
Duration: 1 year
Intake period: February
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Music International Pedagogy is designed to prepare students to be among the most sophisticated scholars, musicians and educators. In their pursuit of excellence, students will acquire essential skills and knowledge, including the basic tenets of educational psychology, philosophy and music pedagogy, through the analysis and application of a variety of studies.

The course is delivered predominantly online, with two residential components of two to three weeks’ duration to be taken before completion. It is essential that students undertaking this course have access to a community or school-based choir, band, orchestra or other ensemble on a regular basis. It is each student’s responsibility to arrange this.

Students undertaking the dissertation complete a research project on an agreed topic.

Requirements

(a) A relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) The equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

Doctor of Musical Arts

study.uwa.edu.au/d/music-arts

UWA course code: 10940
Duration: 3 years
Intake period: any time during the academic year
Mode of study: research
Fee type: RTP

COURSE DESCRIPTION

This course can be taken in either composition or performance and consists of a combination of thesis and creative work.

Work with world-class supervisors to prepare and present for examination either a portfolio of original compositions in a variety of genres, or two recitals showing professional skill and interpretative ability.

“ I came to study at UWA because the School of Music was ranked amongst the best in the country. It also has a reputation for producing some of the most talented musicians and industry leaders in the country, who represent Australia both nationally and internationally. I knew I wanted to make a big impact in music in Australia, and UWA would enable me to pursue this dream. Studying music within a world-class university also enabled me to tinker with my interests in other art forms (English, art history) alongside my music studies. This has made me a more rounded musician, ready for the diverse demands that the profession throws at me.”

Dr Ashley Smith
School of Music graduate and lecturer

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710
Duration: 2 years
Intake period: any time during the academic year
Mode of study: thesis
Fee type: RTP

COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course. For more information, see page 72.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
Duration: 4 years
Intake period: any time during the academic year
Mode of study: independent, supervised research
Fee type: RTP

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course. For more information, see page 72.
The School of Social Sciences offers a rich learning and research environment focused on the contemporary social and political challenges confronting Australia, Asia and the wider world.

Postgraduate coursework programs have been designed to build knowledge that is valued in the workplace. Areas of teaching and research strengths include:

- Anthropology and Sociology
- Archaeology
- Asian Studies
- Media and Communication
- Linguistics
- Political Science and International Relations

SCHOOL OF SOCIAL SCIENCES FAST FACTS

Ranked in world’s top 100 for Social Sciences in ARWU Field Rankings 2016

Ranked in world’s top 100 for Social Sciences and Management in QS Faculty Rankings 2017

Teaching quality

Overall satisfaction for Humanities and Social Sciences according to The Good Universities Guide 2016
Graduate Certificate in Asian Studies

study.uwa.edu.au/gc/asian-studies

UWA course code: 13280
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course will equip you with the skills and knowledge crucial to understanding and engaging with the region, and offers the options of focusing on business and management, politics and contemporary sociocultural debates. You will gain awareness of the historical, cultural and political landscapes that shape and inform contemporary Asia. Further, you will acquire the skills to apply this understanding in your professional and personal engagements with the region.

Requirements
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major; or
(b) a Graduate Certificate in Asian Studies, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Asian Studies

study.uwa.edu.au/m/asian-studies

UWA course code: 12580
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course will equip you with the skills and knowledge crucial to understanding and engaging with the region, and offers the options of focusing on business and management, politics and contemporary sociocultural debates. Graduates of the Master of Asian Studies will be able to demonstrate a comprehensive awareness of the historical, cultural and political landscapes that shape and inform contemporary Asia.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

Graduate Diploma in Asian Studies

study.uwa.edu.au/gd/asian-studies

UWA course code: 13380
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course will equip you with the skills and knowledge crucial to understanding and engaging with the region, and offers the options of focusing on business and management, politics and contemporary sociocultural debates. The course offers a number of specialisation possibilities to facilitate career development and professional opportunities in government, education, business and the NGO sector.

Requirements
(a) A relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major; or

(b) a Graduate Certificate in Asian Studies, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Diploma in Heritage Studies

study.uwa.edu.au/gd/heritage-studies

UWA course code: 12230
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Graduate Diploma in Heritage Studies comprises non-fieldwork units from the Master of Heritage Studies. The advanced course develops the skills of heritage professionals working in government, museums and heritage agencies or graduates who seek a new career in the conservation industry.

Requirements
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major; or
(b) Graduate Certificate in Heritage Studies, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent.

“I chose the Master of Strategic Communication because of the broad set of skills the core units provide, while still allowing me to specialise through the number of electives available. The classes were quite small and teachers were very approachable. In-class discussions allowed for deeper learning, while group work broadened my horizon and served as a great way to make new friends. I now feel empowered to pursue my dream of using communications and marketing to make a positive impact in the world.”

Camilla Groen
Master of Strategic Communication
Master of Heritage Studies

study.uwa.edu.au/m/heritage-studies

UWA course code: 12530
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of Heritage Studies provides an advanced knowledge of heritage protection including legislation, conservation, tourism, development, management, stewardship, presentation, sustainability, ethics and commodification.

Professional placement

You will have the opportunity to undertake a professional placement, study tour or exchange with one of our partner universities overseas.

Requirements

(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(b) (i) a Graduate Certificate in Heritage Studies or Graduate Diploma in Heritage Studies, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Diploma in International Relations

study.uwa.edu.au/gd/int-relations

UWA course code: 11380
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Graduate Diploma in International Relations explores the key realms of international relations theory, global governance, peace and security, political economy, international development, and identity and religion in world politics with opportunities to study regional policies in greater depth.

The Graduate Diploma is an advanced qualification in international relations and upon successful completion can be recognised as credit towards the Master of International Relations.

Requirements

(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(b) (i) a Graduate Certificate in International Relations or Graduate Diploma in International Relations, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Heritage Studies

study.uwa.edu.au/m/heritage-studies

UWA course code: 12280
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The course will develop your capacity to collect and interpret information, to analyse arguments, policies and developments, and to construct cogent verbal and written arguments on international relations subjects.

Requirements

(a) (i) bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major;

or

(b) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Master of International Relations

study.uwa.edu.au/m/int-relations

UWA course code: 12580
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of International Relations prepares graduates for a rewarding career in foreign affairs and diplomacy, government, international and non-governmental organisations, the media, or in education.

The course offers students the opportunity to study regional politics in greater depth with particular focus on the Asia-Pacific and Africa.

For those students interested in pursuing a career in academia or education, the course offers an optional dissertation component.

The Master of International Relations is also available as a combined two-year course with the Master of International Law.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(b) (i) a Graduate Certificate in International Relations or Graduate Diploma in International Relations, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of International Relations and Master of International Law

study.uwa.edu.au/m/int-law-int-relations

UWA course code: 21540
CRICOS code: 086296A
Duration: 2 years
Intake period: February, June
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The University of Western Australia, through the cross-disciplinary expertise of the Law School and the School of Social Sciences, is providing a one-of-a-kind opportunity for graduates to obtain two sought-after qualifications through the combined Master of International Relations and Master of International Law.

Suited to both legal and non-legal professionals, students acquire both qualifications in a shorter time frame than if undertaking them individually through the granting of advanced standing of key relevant units.

The program begins with the Master of International Relations, and upon successful completion of 48 credit points, you will gain direct entry to the Master of International Law.

Requirements

To be eligible for admission, an applicant must meet the admission requirements for each course.

(a) Refer to this page for the Master of International Relations entry requirements; and

(b) See the Master of International Law entry requirements on page 301.

Students who complete 48 points of credit towards the Master of International Relations are not required to meet the IELTS of 7.0 for the Master of International Law.

Master of International Development

study.uwa.edu.au/m/int-development

UWA course code: 71550
Duration: 1.5 - 2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying
COURSE DESCRIPTION
This course aims to provide students with a grounding in international development concepts, theories and approaches. Students are equipped with the analytical and practical skills they need to engage critically in development issues and debates from an interdisciplinary perspective, and to work across broad areas of development policy, research and practice. The course begins with foundational units in development theory and case studies, before enabling students to specialise in one of a number of areas, including development policy in practice; politics of development; and economics of development.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) 
(i) a relevant bachelor’s degree, that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; or
(b) 
(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent; and
(iii) at least two years of relevant professional experience related to international development.

Graduate Certificate in Social Research Methods
study.uwa.edu.au/gc/social-res-methods

UWA course code: 12260
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Social research methods are vital across a range of careers. The Graduate Certificate introduces key concepts in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course provides you with a developed understanding of the types of research techniques used in the social sciences, from action research to surveys, to more innovative methods such as photovoice, as well as consideration of ethical issues. Students also learn how to craft a research project, identify sources of funding and develop funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.

Requirements
(a) 
(i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major; or
(b) 
(i) a Graduate Certificate in Social Research Methods, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Social Research Methods
study.uwa.edu.au/m/social-res-methods

UWA course code: 12560
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Social research methods are vital across a range of careers. The course offers advanced skills, knowledge and capabilities in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course offers a range of different research techniques used in the social sciences, from action research, to surveys, to more innovative methods such as photovoice, as well as consideration of ethical issues. Students also learn how to craft a research project, identify sources of funding and develop funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.

Professional placement
The course includes a work placement component where students apply knowledge in industry environments.

Requirements
(a) 
(i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major; or
(b) 
(i) a Graduate Certificate in Social Research Methods or Graduate Diploma in Social Research Methods, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Certificate in Strategic Communication
study.uwa.edu.au/gc/strategic-comms

UWA course code: 12240
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
The Graduate Certificate in Strategic Communication provides a preliminary overview of the skills, knowledge and capabilities required to participate in the contemporary global communications environment across industry, government agencies and community organisations. You will gain skills and understanding relevant to communication strategy development, digital media and organisational communication from a global media perspective.

Requirements
(a) 
(i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units; or
(b) a level or duration of education, professional experience and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.
Graduate Diploma in Strategic Communication

study.uwa.edu.au/gd/strategic-comms

UWA course code: 12340
Duration: 1 year
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
The Graduate Diploma in Strategic Communication focuses on the advanced skill, knowledge and capabilities required to participate in the contemporary global communications environment. You will develop skills across a range of media relevant to developing sound communication strategy in a global media context.

Requirements
(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent
or
(b) (i) a Graduate Certificate in Strategic Communication, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Strategic Communication

study.uwa.edu.au/m/strategic-comms

UWA course code: 12540
Duration: 1.5 - 2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710
Duration: 2 years
Intake period: any time during the academic year
Mode of study: thesis
Fee type: RTP

COURSE DESCRIPTION
This program is designed for independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810
Duration: 3 years
Intake period: any time during the academic year
Mode of study: independent, supervised research
Fee type: RTP

COURSE DESCRIPTION
The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge. For more information, see page 72.

Graduate Certificate in Public Policy

study.uwa.edu.au/gc/public-policy

UWA course code: 42280
Standard duration: 0.5 years
Intake period: February (full-time or part-time), July (part-time only)
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
The Graduate Certificate in Public Policy is designed to give graduate students an understanding of the role of government in economic activity and public policy decision making. The course focuses on how government interacts with the economy and society. Topics include economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Specialisations are available in Economics, and in Public Administration and Governance. Graduates are equipped for a variety of jobs, including policy analysts and managers in the public sector.

Requirements
(a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) (i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(iii) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

(i) a Graduate Certificate in Strategic Communication or Graduate Diploma in Strategic Communication, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

(i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(iii) at least five years of relevant documented professional experience considered by UWA (following an interview process) to be sufficient to permit satisfactory completion of the course.

GMAT scores are valid for five years.

(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

(i) a valid Graduate Management Admission Test (GMAT) score of at least 550; or
(ii) at least five years of relevant documented professional experience considered by UWA.
The Faculty of Engineering and Mathematical Sciences attracts and supports talented teaching and research staff who are committed to innovating in their field. Well-established links between the Faculty and industry mean our graduates enjoy excellent career prospects.

Renowned as a leader in high-impact research with very close ties to leading industry groups, the Faculty’s research teams benefit from global collaborations and attract significant grants from the nation’s peak research funding body, the Australian Research Council (ARC). Some recent successes include two leading offshore oil and gas research groups securing nearly $10 million in new funding from ARC, which will enable new facilities and training centres.

Multimillion-dollar investment from industry for key academic positions has enabled the appointment of a Professorial Chair in the field of Complex Engineering Systems with CSIRO and a further two new Professorial Chairs in Robotics and Automation, and Ocean Engineering.

A new infrastructure project, EZONE UWA, will create a unique teaching and learning hub, further supporting quality teaching, learning and collaboration to benefit students, researchers and staff in the future.
"I love the idea of being able to improve the lives of my fellow Australians through engineering. The aspect I most enjoy about my course is the Mechanical Design Project – the skills taught in that unit extend beyond the classroom and will help develop us into professional engineers. I really enjoy studying in the mathematics computer lab with friends and I volunteer with Teach Learn Grow, which aims to bridge the gap in educational opportunities experienced by rural and remote students in Western Australia."

Deion Bonser
Master of Professional Engineering
**Master of Engineering in Oil and Gas**

study.uwa.edu.au/m/oil-gas

UWA course code: 62520

Duration: 1.5–2 years

Intake period: February, July

Fee type: postgraduate fee-paying

**COURSE DESCRIPTION**

This course is aimed at engineering graduates who are seeking a career in the global oil and gas industry.

The course provides you with industry-relevant, advanced knowledge about technical implementation and leadership in the global oil and gas industry. A particular focus is placed on natural gas, both its extraction and subsequent conversion to liquefied natural gas (LNG).

You will also develop skills at a professional level in a range of key areas including petroleum engineering, gas economics, investment strategies and liabilities, workflow concepts and current production and processing technologies.

**Requirements**

An engineering degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent.

The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

**Master of Data Science**

study.uwa.edu.au/mds

UWA course code: 62530

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

Fee type: postgraduate fee-paying

**COURSE DESCRIPTION**

The Master of Data Science provides students with the knowledge and skills to understand and apply appropriate analytical methodologies to transform the way an organisation achieves its objectives, to deal effectively with large data management tasks, to master the statistical and machine learning foundations on which data analytics is built, and to evaluate and communicate the effectiveness of new technologies.

**Requirements**

(a) A bachelor’s degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent;

and

(b) Prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

**Master of Information Technology**

study.uwa.edu.au/m/info-technology

UWA course code: 62510

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

Fee type: postgraduate fee-paying

**COURSE DESCRIPTION**

The course is designed for students and professionals who have a tertiary degree and who seek to develop specialist skills in computing and software engineering. It is ideal for students and professionals who wish to change direction or expand their skill set to pursue a career in IT.

Graduates of this course will have the knowledge and skills to anticipate the changing direction of IT and evaluate and communicate the effectiveness of new technologies in order to help an organisation achieve its goals and objectives.

The course has a strong emphasis on the application of contemporary and emerging technologies, including cloud and high performance computing, agile web development and software project design and management.

**Requirements**

(a) A bachelor’s degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent;

and

(b) Prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

**Doctor of Philosophy**

study.uwa.edu.au/phd

UWA course code: 60710

Duration: 2 years

Intake period: any time during the academic year

Mode of study: thesis

Fee type: RTP

**COURSE DESCRIPTION**

The MPhil is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

**Master of Philosophy**

study.uwa.edu.au/mphil

UWA course code: 607206G

Duration: 2 years

Intake period: any time during the academic year

Mode of study: thesis

Fee type: RTP

**COURSE DESCRIPTION**

The MPhil is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

**Doctor of Philosophy**

study.uwa.edu.au/phd

UWA course code: 60710

Duration: any time during the academic year

Mode of study: thesis

Fee type: RTP

**COURSE DESCRIPTION**

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge. For more information, see page 72.
Master of Professional Engineering

study.uwa.edu.au/mpe

UWA course code: 62550

Duration: 2–3 years

Intake period: February, July

Mode of study: coursework

Fee type: Commonwealth supported

COURSE DESCRIPTION

This course is for graduates who have completed undergraduate studies in engineering, mathematics or physics and who want to gain an internationally recognised qualification to practise as a professional accredited engineer.

The course, designed in consultation with industry, equips you with both outstanding technical and leadership skills and the ability to work creatively as part of a team across the breadth of an engineering challenge in your area of specialisation.

Professional accreditation

The Master of Professional Engineering has been assessed for accreditation by Engineers Australia, the national accreditation body. The Chemical, Civil, Electrical and Electronic and Mechanical Engineering specialisations were fully accredited in 2016. The remaining specialisations are provisionally accredited until the required number of students graduate. In addition, our graduates are recognised internationally through the Washington Accord of the International Engineering Alliance. Additionally, the MPE Chemical Engineering specialisation is accredited by the Institute of Chemical Engineers (IChemE).

Professional practicum

As part of your engineering studies you will complete a 12-week practicum and professional development experience. This can be done with at least eight weeks in an engineering firm of your choice.

Specialisations

Choose from the following specialisations:

• Civil Engineering
• Chemical Engineering
• Electrical and Electronic Engineering
• Environmental Engineering
• Mechanical Engineering
• Mining Engineering
• Software Engineering

Requirements

(a) a bachelor’s degree with a major in Engineering Science, or an equivalent qualification, as recognised by UWA; or
(b) a bachelor’s degree, completed with the equivalent of a UWA weighted average mark of at least 65 per cent, with prior studies in engineering, physics or mathematics;

or

(c) completed units in the Master of Professional Engineering Preliminary course at UWA as prescribed by the Faculty.

The course duration will be two to three years for graduates without previous studies in engineering or who are missing required preparation units. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Students who commenced Engineering Science from 2015 and who are not in the Direct Pathway are required to achieve a UWA weighted average mark of at least 60 per cent in their bachelor’s degree.

Master of Physics

study.uwa.edu.au/m/physics

UWA course code: 53560

Duration: 1.5–2 years

Intake period: February, July

Mode of study: dissertation

Fee type: Commonwealth supported

COURSE DESCRIPTION

The Master of Physics consists of an equal combination of advanced coursework and a research project and dissertation. The research project is undertaken as part of an internationally recognised research group. You will develop a combination of high-level research, analytical and problem-solving skills that are highly valued by industry and government employers.

Specialisations

Choose from the following specialisations:

• Astronomy and Astrophysics
• Computational Physics
• Experimental Physics
• Medical Physics
• Theoretical Physics

Requirements

(a) (i) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent;

or

(b) a relevant honours degree, or an equivalent qualification, as recognised by UWA.

Note: Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.1

Maximum course duration: Two years full-time comprising 96 points of taught units.2

1 Students with a bachelor’s degree or major in an area of study related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

2 Students requiring more than 72 credit points will receive course advice specifying additional units.

“I really enjoy our guest lecturers in the master’s program. It’s really beneficial to talk to experts in the industry. I’ve also been involved with the University Engineers’ Club and the Australian Institute of Mining and Metallurgy. Getting involved is probably the best decision I made.”

Alex Turner
Master of Professional Engineering
The Faculty of Health and Medical Sciences offers courses, training and research opportunities in a wide range of scientific and clinical disciplines to significantly benefit the health of Australian and international communities.

As a research-oriented faculty, we encourage the lifelong adaptation and assessment of new theories, treatments and diagnostic techniques that incorporate a holistic approach to the health sciences and a more sensitive interaction with patients.

Areas of research priority are:

- Developmental origins of health and disease
- Aboriginal health

“I chose pharmacy and pharmacology because I am interested in how drugs work and I want to be able to use that knowledge to provide optimal medicines for each patient for a quality healthcare system. I enjoy the amount of real-life practice we get in the pharmacy course, including simulated learning tutorials and placements in both community and hospital pharmacies with the option of going rural as well. The facilities and scenery at UWA are quite extraordinary.”

Farida Ismail
Master of Pharmacy
**Doctor of Dental Medicine**

study.uwa.edu.au/d/dental-medicine

UWA course code: 90860  
Duration: 3–4 years1  
Intake period: February  
Mode of study: coursework  
Fee type: Commonwealth supported

**COURSE DESCRIPTION**

This professional degree provides suitably qualified graduates with the knowledge and skills to enter the dentistry profession upon completion. Studies cover fundamental biomedical and dental sciences together with clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry, and child and adolescent dental health. There is early clinical contact from first year.

Dentistry as a career requires a high degree of dedication and excellent manual dexterity skills. The Doctor of Dental Medicine is a four-year full-time professional degree program. Studies cover fundamental biomedical and dental sciences together with clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry, and child and adolescent dental health. There is early clinical contact from first year.

You will actively engage in a research project in the third year, while the final year is occupied by independent but supervised practice which takes place within and outside the UWA Dental School, with compulsory rural and metropolitan clinical placements.

**Requirements**

1. (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
2. the equivalent of a UWA grade point average (GPA) of at least 5.5; and
3. (i) a Graduate Medical School Admissions Test (GAMSAT) overall score of at least 50 and no section score less than 50 for non-rural applicants; or
   (ii) a Medical College Admission Test (MCAT) score of at least 123/123/123/123 2015 for international applicants.

2. (i) admission to the structured interview will be based on equal weightings under (1)(b) and (c), in alignment with the interview quota for the year.
3. (iii) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in dental practitioners and will undergo a manual dexterity skills test.
4. (d) Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weightings of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weightings of the GAMSAT, GPA, interview and rurality ranking for rural applicants.
5. (i) Direct Pathway students are exempt from (1)(c).

### Doctor of Clinical Dentistry

study.uwa.edu.au/d/clinical-dentistry

UWA course code: 90840  
Duration: 1 year  
Intake period: February  
Mode of study: coursework  
Fee type: Commonwealth supported

**COURSE DESCRIPTION**

This course provides training of dentists in one of the following specialty disciplines: Endodontics, Oral Medicine, Oral Pathology, Orthodontics, Paediatric Dentistry, Periodontics and Prosthodontics.

**Requirements**

1. (d) a Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; and
2. at least two years’ experience in the practice of general dentistry.

### Graduate Diploma in Forensic Odontology

study.uwa.edu.au/gd/forensic-odontology

UWA course code: 91350  
Duration: 1 year  
Intake period: February  
Mode of study: coursework  
Fee type: postgraduate fee-paying

**COURSE DESCRIPTION**

This course is designed for qualified dentists and those with a background in other disciplines who are keen to develop their knowledge and research skills in forensic odontology. The following areas are covered: dealing independently with all routine forensic odontological casework; the efficient referral of cases of special difficulty outside or beyond their expertise; functioning under supervision as a member of a Disaster Victim Identification (DVI) team; the independent preparation of evidence for presentation to courts of law; and being aware of their own need for further education.

**Requirements**

1. (d) a Medical College School Admissions Test overall score of at least 50 and no section score less than 50 for domestic applicants; or
2. a Medical College Admission Test score of at least 123/123/123/123 2015 for international applicants; or
3. completed a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
4. at least two years’ experience in the practice of general dentistry.

### Doctor of Podiatric Medicine

study.uwa.edu.au/d/podiatric-med

UWA course code: 90870  
Duration: 2–3 years1  
Intake period: February  
Mode of study: professional practice master’s degree (extended)  
Fee type: Commonwealth supported

**COURSE DESCRIPTION**

This course is suitable for qualified graduates wishing to enter the podiatry profession. Podiatrists specialise in the diagnosis and treatment of conditions affecting the lower extremity and, in particular, the foot and ankle. Podiatrists are independent practitioners with the right to perform minor foot surgery under local anaesthesia, refer patients for relevant investigative tests and, if endorsed for scheduled medicines by the Podiatry Board of Australia, administer and prescribe a range of medications necessary for the treatment of podiatric conditions.

**Requirements**

1. (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
2. the equivalent of a UWA grade point average of at least 5.0; and
3. (i) a Graduate Medical School Admissions Test overall score of at least 50 and no section score less than 50 for domestic applicants; or
4. a Medical College Admission Test score of at least 123/123/123/123 2015 for international applicants; or
5. completed a human biology, animal biology, physiology, pharmacology, genetics or microbiology unit at a tertiary level; and
6. completed a chemistry or biological chemistry unit at a tertiary level.

DPM applications open in March and close late September. No interviews for DPM.

A supplementary form is required in addition to the standard entry requirements. Visit study.uwa.edu.au/myapplication for details.

**Note:** Candidates must be registered with the Dental Board of Australia for the duration of their candidacy.

---

1. Course duration is three years if students complete the Medical Sciences major.

---

**English language requirements**

For minimum English language competence see page 76 or visit study.uwa.edu.au/elc

---

**Faculty of Health and Medical Sciences**
Doctor of Clinical Podiatry

study.uwa.edu.au/d/clinical-podiatry

UWA course code: 90830
Duration: 3 years
Intake period: January
Mode of study: clinical masters (extended)
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Qualified podiatrists keen to extend their clinical podiatric medicine knowledge and surgical skills will find this course useful. Training is provided in biostatistics, research methodology, patient-oriented research and theoretical and practical aspects of elective foot surgery. The Podiatry Board of Australia currently accepts the degree for the purposes of registration as a podiatric surgeon.

Requirements

(a) A Doctor of Podiatric Medicine, or an equivalent qualification, as recognised by UWA;
and
(b) At least one year of relevant professional experience.

Doctor of Podiatry

study.uwa.edu.au/d/podiatry

UWA course code: 90820
Duration: 1 year
Intake period: February
Mode of study: professional doctorate by thesis and coursework
Fee type: RTP

COURSE DESCRIPTION

This is for qualified podiatrists interested in pursuing research that will result in the publication of an original thesis. Topics covered include biostatistics and research methodologies, practical aspects of extended patient care, and patient-oriented research, which includes the ethics and communication of research.

Requirements

(a) The Doctor of Podiatric Medicine from this University, or equivalent as recognised by the Faculty;
and
(b) At least one year of relevant professional experience.

Doctor of Medicine

study.uwa.edu.au/d/medicine

UWA course code: 90850
Duration: 3–4 years
Intake period: January
Mode of study: professional practice master’s degree (extended)
Fee type: Commonwealth supported

COURSE DESCRIPTION

The professional practice doctorate is for those who seek to enter the medical profession as a doctor. You will undertake a scholarly activity in one of three streams of research, coursework and/or service learning. This is done simultaneously with the core medical rotations in Internal Medicine, Surgery, Psychiatry, General Practice, Women’s and Infant’s Health, and Paediatrics and Child Health. Further rotations are taken in Emergency Medicine, Internal Medicine, Surgery, Cancer, Pain and Palliative Care, Anaesthetics, Rural General practice and an elective.

Requirements

(1) A bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) The equivalent of a UWA grade point average (GPA) of at least 5.5; and
(c) (i) A Graduate Medical School Admissions Test (GAMSAT) overall score of at least 52 and no section score less than 50 for domestic applicants; or (ii) A Medical College Admission Test (MCAT) score of at least 8/8/8 prior to April 2015, or 123/123/123/123 after April 2015 for international applicants.
(2) Invitation to attend the structured interview will be based on equal weightings under (1)(b) and (c), in alignment with the interview quota for the year.
(3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in medical practitioners.
(4) Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the interview quota for that year, based on equal weighting of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weighting of the GAMSAT, GPA, interview and rurality ranking for rural applicants.
(5) Direct Pathway students are exempt from (1)(c).

MD and DMD applications open in March and close on 31 May each year. The Medical College Admission Test (MCAT) requirements are based on the highest MCAT score achieved within the 3-year testing period. GAMSAT results must be submitted by 31 May each year. Successful applicants will receive an interview request by email. Interviews in Hong Kong and Singapore usually take place from late July. Perth based interviews usually take place in August and September.

A supplementary form is required in addition to the standard entry requirements. Visit study.uwa.edu.au/myapplication for details.

The final ranking of students entering into the MD and DMD is based equally on GAMSAT/MCAT, GPA and an interview.

Note: If, upon graduation from this course, you wish to practice medicine in Australia and you have completed your secondary schooling overseas, you will be required to meet the APHRA English requirements for registration purposes. For further details on this requirement refer to the Medical Board of Australia.

Master of Neonatology (coursework)

study.uwa.edu.au/m/neonatology

UWA course code: 91380
Duration: 1 year
Intake period: February
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION:

In this course students gain comprehensive knowledge of diseases of preterm and term infants including the underlying physiology and management. Students also gain clinical competency in acute resuscitation and all procedures required in the Neonatal Intensive Care Unit.

Requirements

(a) A bachelor’s degree in a health-related discipline and at least one year of relevant professional experience which, in the opinion of the Faculty, would enable the applicant to complete the course.

Graduate Diploma in Neonatology

study.uwa.edu.au/gd/neonatology

UWA course code: 91380
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION:

Students gain comprehensive knowledge of diseases of preterm and term infants including the underlying physiology and management of these diseases.

Master of Aboriginal Health

study.uwa.edu.au/m/aboriginal-health

UWA course code: 90690
Duration: 2 years
Intake period: February
Mode of study: thesis and coursework
Fee type: RTP

COURSE DESCRIPTION:

This field provides health professionals with the opportunity to investigate current issues regarding Aboriginal health and health care with due consideration to Aboriginal knowledge, Western biomedical knowledge, ethics and a range of research methodologies.

Requirements

(a) A bachelor’s degree in a health-related discipline from this University, or equivalent as recognised by the Faculty; or
(b) A level of prior professional health-related experience which, in the opinion of the Faculty, would enable the applicant to complete the course.
Master of Clinical Pathology
study.uwa.edu.au/m/clin-pathology

**UWA course code:** 92510
**Duration:** 2 years
**Mode of study:** coursework and dissertation

**Course Description**

The Master of Clinical Pathology will extend the participant’s undergraduate learning in the biomedical sciences with a focus on the knowledge and technical skillset required for research or employment in the diagnostic and research environments of clinical pathology. The first half of the course will focus on the six major disciplines of clinical pathology (biochemistry, haematology and transfusion science, immunology, anatomical pathology, genetics and microbiology) as well as key elements of professional practice.

**Requirements**

(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent.

---

Master of Clinical Research
study.uwa.edu.au/mr/clin-research

**UWA course code:** 90620
**Duration:** 2 years
**Mode of study:** thesis and coursework

**Course Description**

Medicine and dentistry graduates interested in pursuing research may benefit from this course. It provides training in the practical aspects of patient-oriented research, including the ethics of clinical research and effective communication of clinical research results through the core disciplines of clinical investigation, epidemiology and biostatistics.

**Requirements**

(a) a Doctor of Medicine, or an equivalent qualification, as recognised by UWA; or
(b) a Bachelor of Dental Science or Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; or
(c) (i) a Bachelor of Science, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

---

Graduate Certificate in Emergency Medicine Research
study.uwa.edu.au/gc/emergency-medicine-research

**UWA course code:** 90240
**Duration:** 0.5 years
**Mode of study:** coursework and dissertation

**Course Description**

This course is taught by experienced emergency and critical care clinicians with extensive research track records, many of whom also have local and national awards for teaching excellence. The course targets the needs of emergency medicine and critical care trainees and specialists, emergency and critical care nurses, paramedics and other health professionals who seek training in the methods used to undertake sound clinical research. Two core units in this course meet the requirements for the research training requisites of the Australasian College for Emergency Medicine.

**Requirements**

(a) A bachelor’s degree of this University in a relevant discipline or equivalent as recognised by the Faculty; and
(b) Recent clinical experience in an emergency/ critical care/pre-hospital environment is preferred since the content focuses on these areas.

---

Graduate Certificate in Rural and Remote Medicine
study.uwa.edu.au/gc/rural-remote-med

**UWA course code:** 90220
**Duration:** 0.5 years
**Mode of study:** coursework

**Course Description**

This course is taught by experienced rural and remote medicine doctors who wish to pursue a career in research or teaching. As this is a generalist discipline, the range of research topics is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, see page 15.

**Requirements**

(a) (i) the degree of Doctor of Medicine from this University, or equivalent as recognised by UWA; and
(ii) completed or be completing fellowship training in a primary care or equivalent specialty college; or
(b) a level of prior professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course; or
(c) completed the Graduate Certificate in Rural and Remote Medicine from this University.

---

Master of Rural and Remote Medicine
study.uwa.edu.au/m/rural-remote-med

**UWA course code:** 90680
**Duration:** 1.5 years
**Mode of study:** thesis and coursework

**Course Description**

This course is taught by experienced rural and remote medicine doctors who wish to pursue a career in research or teaching. As this is a generalist discipline, the range of research topics is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, see page 15.

**Requirements**

(a) (i) the degree of Doctor of Medicine from this University, or equivalent as recognised by UWA; and
(ii) completed or be completing fellowship training in a primary care or equivalent specialty college; or
(b) a level of prior professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course; or
(c) completed the Graduate Certificate in Rural and Remote Medicine from this University.
Graduate Certificate in Health Professions Education
study.uwa.edu.au/gc/health-prof-eduication

UWA course code: 90210
Duration: 0.5 years
Intake period: February
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) a relevant bachelor's degree,1 or an equivalent qualification, as recognised by UWA;
or
(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

1 A relevant bachelor's degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor's degree in a health, biomedical or biological sciences-related discipline.

Master of Health Professions Education
study.uwa.edu.au/m/health-prof-eduication

UWA course code: 90570
Duration: 1.5 years
Intake period: February
Mode of study: coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) a Bachelor of Medicine and Bachelor of Surgery, or an equivalent qualification, as recognised by UWA;
or
(b) (i) a bachelor's degree in a health, biomedical or biological sciences-related discipline, or an equivalent qualification, as recognised by UWA; and
(ii) at least one year of relevant professional experience;
or
(c) (i) completed the Graduate Certificate in Health Professions Education at UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in all core units.

1 A relevant bachelor's degree includes a Bachelor of Science in a biological sciences-related discipline.

Graduate Diploma in Health Professions Education
study.uwa.edu.au/gd/health-prof-eduication

UWA course code: 91340
Duration: 1 year
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) a relevant bachelor's degree,1 or an equivalent qualification, as recognised by UWA;
or
(b) (i) a bachelor's degree in a health, biomedical or biological sciences-related discipline, or an equivalent qualification, as recognised by UWA; and
(ii) at least three years' relevant full-time professional experience; or
(c) evidence of adequate research outputs.

1 A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, or a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health and veterinary sciences).

Master of Health Professions Education (research)
study.uwa.edu.au/mr/health-prof-eduication

UWA course code: 90670
Duration: 2 years
Intake period: February
Mode of study: thesis and coursework
Fee type: RTP

COURSE DESCRIPTION
This course is for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, whilst developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) the degree of Bachelor of Medicine and Bachelor of Surgery from this University, or equivalent, as recognised by UWA;
or
(b) (i) a bachelor's degree in a health, biomedical, or biological sciences-related discipline from this University or another recognised institution; and
(ii) in the case of graduates from a three-year undergraduate degree course, at least one year of professional experience;
or
(c) completed the Graduate Certificate in Health Professional/Professions Education from this University with an average mark of at least 70 per cent in all core units.

Graduate Diploma in Infectious Diseases
study.uwa.edu.au/gd/infectious-diseases

UWA course code: 51330
Duration: 1 year
Intake period: February
Mode of study: coursework
Fee type: postgraduate fee-paying (master’s) and RTP (PhD)

COURSE DESCRIPTION
This course is aimed at science-based and medical professionals seeking advanced training in the field of infectious diseases. Topics covered include Medical Microbiology, Tropical Infectious Diseases and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) a relevant bachelor's degree,1 or an equivalent qualification, as recognised by UWA;
or
(b) (i) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; or
(ii) at least three years' relevant full-time professional experience; or
(iii) evidence of adequate research outputs.

1 A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, or a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health and veterinary sciences).

Master of Infectious Diseases
study.uwa.edu.au/mr/infectious-diseases

UWA course code: 52530
Duration: 2 years
Intake period: February
Mode of study: coursework and dissertation
Fee type: Commonwealth supported

COURSE DESCRIPTION
This course is aimed at science-based and medical professionals seeking advanced training in the field of infectious diseases. Topics covered include Medical Microbiology, Tropical Infectious Diseases and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes and a research project of one or two semesters.

Articulation is available within this study area. For more information, see page 15.

Requirements
(a) a relevant bachelor's degree,1 or an equivalent qualification, as recognised by UWA; and
(b) (i) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; or
(ii) at least three years' relevant full-time professional experience; or
(iii) evidence of adequate research outputs.

1 A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, or a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health and veterinary sciences).
Master of Public Health

study.uwa.edu.au/m/public-health.ccd

UWA course code: 91550
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics, and health promotion for those interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Requirements
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
(b) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent.

Master of Public Health (coursework and dissertation)

study.uwa.edu.au/m/public-health.cd

UWA course code: 92560
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for those interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Specialisation
Choose from the following specialisations:
• Practice
• Research Methods

Requirements
(1) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
(b) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA;
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent.

Master of Public Health (coursework)

study.uwa.edu.au/m/public-health

UWA course code: 92550
Duration: 2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for those interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Requirements
(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
(b) a Graduate Certificate in Population Health Studies, or an equivalent qualification, and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent.

Master of Pathology

study.uwa.edu.au/m/pathology

UWA course code: 92610
Duration: 2 years
Intake period: February
Mode of study: coursework and dissertation
Fee type: postgraduate fee-paying (qualifies for the Living Allowance—see page 23)

COURSE DESCRIPTION

This course provides an opportunity for students who have completed a Graduate Diploma in a cognate field to design, conduct, analyse and write up a year-long research project relevant to the School of Pathology and Laboratory Medicine. Students develop their understanding of the processes of research as well as demonstrating competence at each stage of the research process.

Requirements
(a) a Graduate Diploma in cognate field, or equivalent, as recognised by UWA; and
(b) obtained a score that is equivalent to UWA weighted average mark at or above 65 per cent.
Master of Pharmacy
study.uwa.edu.au/m/pharmacy

UWA course code: 51500
Duration: 2 years
Intake period: End of January
Mode of study: coursework
Fee type: Commonwealth supported

**COURSE DESCRIPTION**
This course provides a Direct Pathway to a postgraduate professional qualification in pharmacy for registration as a pharmacist in Australia. Advanced study is offered in the areas of pharmacy practice, clinical pharmacy, pharmaceutics, medicinal chemistry, pharmacotherapy and health systems, and includes practical training in community and hospital pharmacies.

**Requirements**
1. a bachelor's degree or an equivalent qualification, as recognised by UWA; and
2. demonstrated adequate knowledge of each of the following: Chemistry - Year 12 ATAR; Mathematics or Statistics - Year 12 ATAR; and Microbiology at the tertiary level; and
3. a current Australian National Police Certificate, or equivalent certification, indicating no criminal conviction.
4. or be assessed based on the personal qualities considered desirable in pharmacists.

**Application**
Visit meddent.uwa.edu.au for details.

**Domestic procedures may vary.**
Visit meddent.uwa.edu.au for details.

---

Master of Social Work
study.uwa.edu.au/m/social-work

UWA course code: 11550
Duration: 2 years
Intake period: February
Mode of study: coursework or coursework and dissertation
Fee type: Commonwealth supported

**COURSE DESCRIPTION**
This course is suitable for those with an undergraduate degree in a relevant field who would like to pursue a professional qualification in social work. The course is accredited by the Australian Association of Social Workers (AASW).

**Requirements**
1. To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.
2. Applicants must provide a personal statement.

---

Master of Surgery
study.uwa.edu.au/m/surgery

UWA course code: 90660
Duration: 1.5 years
Intake period: February
Mode of study: Research
Fee type: RTP

**COURSE DESCRIPTION**
Medical professionals will learn effective practical applications in surgery and gain the skills required to independently conduct high-calibre research. Studies combine a mixture of coursework units, core and advanced specialty skills training and a significant body of research, culminating in the production of a thesis.

**Requirements**
1. a Bachelor of Medicine and Bachelor of Surgery of this University, or equivalent as recognised by the Faculty; and
2. a minimum of two years’ postgraduate professional experience;

---

Master of Philosophy
study.uwa.edu.au/m/phil

UWA course code: 00710
Duration: 2 years
Intake period: any time during the academic year
Mode of study: Research
Fee type: RTP

**COURSE DESCRIPTION**
This is a program of independent, supervised research that is taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

---

Doctor of Philosophy
study.uwa.edu.au/phd

UWA course code: 00810
Duration: 4 years
Intake period: any time during the academic year
Mode of study: Research
Fee type: RTP

**COURSE DESCRIPTION**
The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge. For more information, see page 72.

</table>

**COURSE DESCRIPTION**

This course has been developed in response to the international need for advanced training and research in infectious diseases to better prepare medical scientists, medical professionals, the public sector and other groups. Nobel Laureate Professor Barry Marshall is a valued member of staff within the program. This course enables students to receive comprehensive training in infectious diseases through coursework together with high-level research training in a PhD in an area of infectious diseases.

**Requirements**

(a) to be considered for admission to this course, an applicant must have met the usual requirements for entry to a PhD course, including demonstrating adequate research preparation by completion of an honours or equivalent course at an acceptable standard, or equivalent research preparation as specified in the rules for entry into a PhD course; and

(b) satisfy the University's English language competence requirements; and

(c) a relevant bachelor's degree (as specified in the rules for entry to the Master of Infectious Diseases course), or an equivalent qualification, as recognised by UWA; and

(d) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; or

(i) at least three years of relevant full-time professional experience; or

(ii) evidence of adequate research outputs, as recognised by UWA.

**COURSE DESCRIPTION**

This degree provides practising clinical pharmacists with a research-oriented qualification in a specialty area of clinical pharmacy practice. It combines a research thesis with coursework units appropriate to the area of study. Applicants need to have prior established links with the community of practising pharmacists and other relevant healthcare practitioners to enable completion of the major clinical research component of the degree.

**Requirements**

(a) registered to practise as a pharmacist in Australia; and

(b) a minimum of three years' professional practice experience; and

(c) adequate research preparation for higher degree studies as approved by the Faculty; and

(d) prior established links with the community of practising pharmacists and other healthcare practitioners to enable completion of the major clinical research component of the degree.

“I believe a postgraduate degree at UWA can advance my research career and technical skills, helping me to excel in the field of biomedical sciences and take my career to the next level. My decision to study at UWA was also influenced by the fact UWA academics are highly qualified, have extensive experience and have significant professional experience in their field.”

Raj Patel
Masters of Biomedical Science
As a Faculty of Science student, you will be part of a community of researchers and fellow students contributing to science that makes a difference.

A UWA Science degree opens the door to a range of careers. As a Faculty, we focus on bringing about meaningful change for the world and humanity in six key areas:

- Feeding the world
- Preventing, diagnosing and treating disease
- Furthering human knowledge and serving humanity
- Harnessing resources and energy for a sustainable future
- Restoring and maintaining balance in our natural environment
- Optimising physical and mental performance.

“I chose to pursue a PhD because my honours project uncovered so many unanswered questions about restoring urban waterways in Perth. My supervisors are really encouraging and compassionate people to work with, so I find my research very rewarding. My favourite aspect of studying at UWA is feeling at home in my research group and being surrounded by inquisitive and inspiring people. I was the Vice President of the Zoology Club and recently I participated in a few courses through the UWA Outdoor Club – windsurfing has been a blast!”

Jen Middleton
Doctor of Philosophy
Master of Agricultural Economics

**study.uwa.edu.au/m/agricultural-economics**

**UWA course code:** 73530  
**Duration:** 1.5–2 years  
**Intake period:** February, July  
**Mode of study:** coursework  
**Fee type:** postgraduate fee-paying

**Course Description**
The course covers all key elements of agricultural economics, with the overall course emphasis on the application of theory to real-world circumstances. The core themes of the course are applied economic analysis, policy analysis, and agribusiness management and analysis.

**Requirements**
1. A bachelor’s degree or equivalent as recognised by UWA.

---

Graduate Certificate in Autism Diagnosis

**study.uwa.edu.au/gc/autism-diagnosis**

**UWA course code:** 70230  
**Duration:** 0.5 years  
**Intake period:** February  
**Mode of study:** coursework  
**Fee type:** postgraduate fee-paying

**Course Description**
This course provides graduates trained in psychology, speech pathology, education, paediatrics or psychiatry with the specialist knowledge and clinical skills required to participate in team-based diagnosis of Autism Spectrum Disorder (ASD). Two coursework units will provide in-depth knowledge of ASD concerning characteristics across the lifespan, common comorbidities, current theoretical accounts and issues, DSM and ICD diagnostic criteria, differential diagnosis, assessment tools and multidisciplinary team assessment. One practical unit will provide training in the Autism Diagnostic Observation Schedule and another will provide graded placement experiences leading up to the trainee conducting a discipline-specific component of a diagnostic assessment.

**Requirements**
1. To be considered for admission to this course an applicant must have a relevant bachelor’s degree in science, arts or fine arts, or an equivalent qualification, as recognised by UWA.

---

Master of Biological Science

**study.uwa.edu.au/m/biological-science**

**UWA course code:** 72520  
**Duration:** 1.5–2 years  
**Intake period:** February, July  
**Mode of study:** coursework or coursework and dissertation  
**Fee type:** postgraduate fee-paying

**Course Description**
Explore the artistic elements of science in this unique course that brings together the two distinct disciplines of art and science.

The course is designed for experienced art practitioners, scientists or humanities scholars to explore creative bioresearch, and focuses on recent advances in the life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues, and cross-disciplinary experimentation in art and science.

You will have access to scientific laboratories and will take both art and science units that include a major project and dissertation.

**Requirements**
To be considered for admission to this course an applicant must have a bachelor’s degree in science, arts or fine arts, or an equivalent qualification, as recognised by UWA.

---

Master of Biological Arts

**study.uwa.edu.au/m/biological-arts**

**UWA course code:** 71530  
**Duration:** 1.5–2 years  
**Intake period:** February, July
Master of Biomedical Science

study.uwa.edu.au/m/biomedical-sci

UWA course code: 71520

Duration: 1.5–2 years

Mode of study: coursework or coursework and dissertation

Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Develop your knowledge of biological, medical and health-related disciplines that underpin advances crucial to human health and wellbeing.

You will expand your knowledge of biomedical science by learning our evolutionary history and the cause and treatment of human disease, and develop an appreciation for principles of healthy living.

Specialisations

Choose from the following specialisations:
- Biochemistry and Molecular Biology
- Human Biology
- Neuroscience
- Physiology

Requirements

To be considered for admission to this course an applicant must have a bachelor’s degree with a major in a biomedical or health science discipline that aligns with one of the specialisations of this course or an equivalent qualification.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1. Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

2. Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Business Psychology

studyat.uwa.edu.au/m/business-psychology

UWA course code: 73550

Duration: 1.5–2 years

Mode of study: coursework

Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course provides extensive specialist training in the application of psychological theories and principles to workplace settings so as to improve organisational performance whilst also enhancing employee wellbeing.

Requirements

(a) a bachelor’s degree in Psychology, accredited by the Australian Psychology Accreditation Council (APAC), with a WAM of at least 70 per cent in the Level 3 units of the degree, or equivalent as recognised by UWA;

(b) a satisfactory personal statement, as recognised by UWA; and

(c) the intake quota for that year.

Master of Clinical Audiology and Doctor of Philosophy

study.uwa.edu.au/c/clin-audiology

UWA course code: 00940

Duration: 4 years

Mode of study: Combined postgraduate (coursework-only and thesis-only)

Fee type: postgraduate fee-paying (master’s degree) and RTP (PhD)

COURSE DESCRIPTION

Audiology is the clinical science involving the prevention, assessment and rehabilitation of hearing loss and associated communication disorders. The course provides students with supervised clinical placements in a variety of workplace settings, and graduates are eligible for full membership of the Audiology Society of Australia.

The Master of Clinical Audiology is available every second year (every even numbered year).

Requirements

(a) a bachelor’s degree, or equivalent qualification as recognised by UWA; and

(b) the equivalent of a UWA weighted average mark of at least 65 per cent, taken from the most recent degree of at least one year full-time duration.

(c) Students must obtain a current National Police Certificate, National Criminal History Check or equivalent certification from country of residence, indicating no criminal conviction. The currency of a National Police Certificate or a National Criminal History Check is 12 months.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on—

(a) the above admission requirements; and

(b) a satisfactory personal statement, as recognised by UWA; and

(c) the intake quota for that year.
Master of Clinical Exercise Physiology

study.uwa.edu.au/m/clinical-exercise-physiology

UWA course code: 73520
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The course will develop students’ knowledge and skills in preparation for work in the allied health industry. The course will be accredited by ESSA so that graduates will be eligible to apply for accreditation status. Students may structure a course which is best tailored to their future requirements and area of specialisation. The course is designed to provide a holistic understanding of the use of exercise as a modality in the treatment of musculoskeletal, cardiovascular, metabolic and other chronic and complex conditions.

Requirements

(a) a Bachelor of Science with a major in Sport Science and/or Exercise and Health, or equivalent, as recognised by UWA; or
(b) a bachelor’s degree in physiotherapy from a recognised tertiary institution; or
(c) a relevant bachelor’s degree in a related field of study from a recognised tertiary institution that included foundation units in the majority of the following sub-discipline areas: biomechanics, motor control and learning, exercise physiology, sport and exercise psychology, human growth and development and human anatomy.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.¹

¹ Students requiring more than 72 credit points will receive course advice specifying additional units.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.²

Maximum course duration: Two years full-time comprising 96 points of taught units.³

² Students on a Bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

³ Students requiring more than 72 credit points will receive course advice specifying additional units.

$66$ study.uwa.edu.au

Graduate Diploma in Dental Sleep Medicine

study.uwa.edu.au/gd/dental-sleep-medicine

UWA course code: 52340
Duration: two years part-time (usual) or one year full-time
Intake period: February, July
Mode of study: coursework online
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course is specifically aimed at providing dental practitioners with formal training in sleep medicine to complement clinical training in the use of oral devices used in the treatment of sleep apnoea. In addition to theoretical knowledge, you will assess and report the progress of actual cases.

Although this course is completely online, you are assumed to have access to sleep laboratory or clinic near your home or practice, where you can develop a relationship with a local respiratory physician or dedicated sleep physician who can act as a mentor as well as facilitate sleep laboratory visits. The usual mode of study is part-time to enable you to continue with your clinical practice while studying.

You will complete eight units involving both the study of sleep and the treatment of sleep disorders.

Requirements

(a) a Bachelor of Dental Surgery, or an equivalent qualification, as recognised by UWA; and
(b) at least two years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

(c) Applicants must be registered to practice dentistry, which can be demonstrated by—
   (i) registration on the Australian Health Practitioner Registration Agency website; or
   (ii) satisfactory documentation showing registration with an international accreditation body, as recognised by UWA.
Master of Ecotourism

study.uwa.edu.au/m/ecotourism

UWA course code: 73510

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework and dissertation

Fee type: postgraduate fee-paying

COURSE DESCRIPTION

Advance your career in the growing ecotourism industry with this practical course that will build your knowledge and networks through a combination of field work, in-depth industry case studies and interaction with tourism industry professionals.

Graduates will learn how to manage existing ecotourism enterprises sustainably; design and implement new ventures; become culturally aware; and understand important environmental laws and policies to launch an exciting career in ecotourism.

The course is delivered in Albany which is located in the south-west of Western Australia. Albany is one of the most environmentally diverse locations in the world and offers an impressive range of outdoor recreational opportunities and tourism partners.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1 Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Exercise Rehabilitation

study.uwa.edu.au/gd/exercise-rehab

UWA course code: 56380

Duration: 1 year

Intake period: February

Mode of study: coursework

Fee type: Commonwealth supported

COURSE DESCRIPTION

Develop your knowledge and expertise of exercise rehabilitation to either prevent or manage chronic diseases and injuries. Upon successful completion you will satisfy the requirements for accreditation by the Exercise and Sports Science Australia.

Requirements

(a) a bachelor's degree with a major in Human Movement, Sport Science, or Exercise and Health, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent; and
(c) either:
   (i) Sport Scientist accreditation with Exercise and Sports Science Australia (ESSA); or
   (ii) a completed Graduate Entry Assessment with ESSA

Master of Exercise Science (thesis and coursework)

study.uwa.edu.au/m/exercise-sci

UWA course code: 51610

Duration: 1.5–2 years

Intake period: February

Mode of study: thesis and coursework

Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The course explores recent developments in the field of Exercise Science and will enhance your intellectual and research skills.

You also have the opportunity to specialise in a subdiscipline of exercise science such as movement science, biomechanics, motor learning, pedagogy, exercise physiology or health and sport psychology.

Requirements

(1) To be considered for admission to this course an applicant must have–
   (a) a relevant bachelor's degree of this University with first class or second class honours with an average mark of at least 70 per cent, or equivalent, as recognised by UWA; or
   (b) a relevant Graduate Diploma in Science of this University with a research component of at least 50 per cent of the course with an average mark of at least 70 per cent in both the research and coursework components of the graduate diploma, or equivalent, as recognised by UWA.

The Faculty may accept into the course an applicant who has completed the Graduate Diploma in Education with an average mark of 70 per cent provided that the applicant's proposed thesis topic relates to pedagogy.

Master of Environmental Science

study.uwa.edu.au/m/enviro-sci

UWA course code: 72530

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

Fee type: Commonwealth supported (qualifies for the Living Allowance – see page 80)

COURSE DESCRIPTION

An interdisciplinary approach to problem solving is essential in this field, meaning both the biological and earth sciences, and environmental planning and management are included in this course.

You will learn how to apply important scientific methodologies to complex issues such as climate change, land rehabilitation, water resource management and air and water pollution.

Specialisations

Choose from the following specialisations:

- Environmental Management
- Geographic Information Science and Environmental Management
- Land and Water Management
- Marine and Coastal Management

Requirements

To be considered for admission to this course an applicant must have a relevant bachelor's degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.

1 Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

2 Students requiring more than 72 credit points will receive course advice specifying additional units.
Master of Forensic Anthropology
study.uwa.edu.au/m/forensic-anthropology
UWA course code: 72580
Duration: 2 years
Intake period: February
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
The Master of Forensic Anthropology has been designed specifically for students to gain knowledge in current developments in forensic sciences and particularly those medical and social sciences which are of direct relevance to the application to forensic anthropology.

Requirements
(a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; or
(b) a Graduate Certificate in Forensic Anthropology, or an equivalent qualification, as recognised by UWA.

Master of Geographic Information Science
study.uwa.edu.au/m/geo-info-sci
UWA course code: 71570
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Learn Geographic Information Systems (GIS) techniques, spatial problem solving, and how to implement and manage GIS projects. The course will develop your practical, technical and research skills across spatial analytic techniques, GIS and remote sensing technologies, cartography and geovisualisation, and spatial programming.

Requirements
To be considered for admission to this course an applicant must have a bachelor’s degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project in the second year of this course.

Master of Health Science
study.uwa.edu.au/m/health-sci
UWA course code: 71540
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
The course will provide you with a unique, integrated combination of three key platforms: public health, advanced study in a related science discipline, and an industry practicum.

The course encompasses a range of biomedical and health disciplines crucial to human health and wellbeing. These are complemented by a Public Health focus (i.e. health promotion, research, policy and administration) and a practicum component within a health-related enterprise. The course is taught by both the Faculty of Science and the Faculty of Health and Medical Sciences.

Specialisations
Choose from the following specialisations:
• Exercise and Health
• Human Biology
• Neuroscience
• Physiology

Requirements
To be considered for admission to this course an applicant must have a bachelor’s degree with a major in a biomedical or health science discipline that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA.

Note: Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.1

Maximum course duration: Two years full-time comprising 96 points of taught units.2

1 Students with a bachelor’s degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

2 Students requiring more than 72 credit points will receive course advice specifying additional units.

"The practical learning opportunities in the course have been outstanding. There is such a wide variety of different settings and clinical populations that we have the opportunity to learn about and work with. The lecturers and practical supervisors are also extremely knowledgeable and generous with their time."

Alex Springall
Master of Clinical Neuropsychology and Doctor of Philosophy
Master of Hydrogeology
study.uwa.edu.au/m/hydrogeology

UWA course code: 72540
Duration: 1.5–2 years
Intake period: February
Mode of study: coursework or coursework and dissertation
Fee type: Commonwealth supported

COURSE DESCRIPTION

Hydrogeology deals with the distribution, flow and interaction of groundwater with the Earth including the hydrosphere, biosphere and lithosphere. You will investigate the chemical, physical and biological interactions between water, soils, rocks, the environment and society to develop your understanding of how to deal with groundwater dynamics, exploration, drilling and aquifer tests, sustainable allocation of groundwater and contamination.

Requirements

To be considered for admission to this course an applicant must have a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

- Students with a bachelor’s degree or major in an area of study related to their specialisation may be granted up to 24 points credit in recognition of prior learning.
- Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Industrial and Organisational Psychology and Doctor of Philosophy
study.uwa.edu.au/m/indust-org-psych-phd

UWA course code: 01880/54580
Duration: 4 years
Intake period: February
Mode of study: coursework only and thesis only
Fee type: postgraduate fee-paying (master’s) and RTP (PhD)

COURSE DESCRIPTION

Become an expert in industrial and organisational psychology with a combined coursework and doctoral research psychology course that includes a practical placement program. Graduates gain a specialised understanding of the best techniques to improve organisational effectiveness and the quality of work life, as well as develop new knowledge in this specialised area with the PhD component.

Requirements

To be considered for admission to this course an applicant must have–

- a PhD proposal approved by the Board of the Graduate Research School; or
- an accredited bachelor’s honours degree in psychology with an upper second class honours (2A), or an equivalent qualification, as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia. Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on–

- a satisfactory personal statement, as recognised by UWA; and
- two satisfactory referees, as recognised by UWA; and
- a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and
- an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with

Note: Applicants are required to provide additional documents within their application. Visit study.uwa.edu.au/m/indust-org-psych-phd for details. Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

Master of International Development
study.uwa.edu.au/m/int-development

UWA course code: 71550
Duration: 1.5–2 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

The Master of International Development, taught by the Faculty of Science and the Faculty of Arts, Business, Law and Education engages you with the contemporary challenges of addressing poverty and inequality globally through an emphasis on empirical evidence, real-world case studies, and debates.

You will develop the knowledge and skills to approach practical and policy challenges in a wide range of contexts by drawing on expertise from development geographers, political scientists, resource economists and development practitioners.

Specialisations

Choose from the following specialisations:

- Economics of Development
- Development in Practice
- Politics of Development

Requirements

(a) a relevant bachelor’s degree, that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent; or
(c) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(i) the equivalent of a UWA weighted average mark of at least 65 per cent; and
(ii) at least two years of relevant professional experience related to international development.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor’s degree or major in an area of study which is coherent (related) to their specialisation may be granted up to 24 points credit in recognition of prior learning.
² Students requiring more than 72 credit points will receive course advice specifying additional units.
Master of Philosophy

studyat.uwa.edu.au/mphil

science.uwa.edu.au

Agricultural Economics, Plant and Soil Sciences (078215G)
Animal Science (078216F)
Geology and Physical Geography (078211M)
Human and Behavioural (078472A)
Physical and Biological (078205U)
Human and Social Geography (078209E)
Paramedical (078214G)

UWA course code: 00710
Duration: 3 years
Intake period: any time during the academic year
Mode of study: research
Fee type: RTP

COURSE DESCRIPTION

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis. For more information, see page 72.

Doctor of Philosophy

study.uwa.edu.au/phd

science.uwa.edu.au

Agricultural Economics, Plant and Soil Science (024816F)
Animal Science (024818D)
Geology and Physical Geography (033797F)
Human and Behavioural (003310F)
Human and Social Geography (058936F)
Physical and Biological (033125S)
Paramedical (033311E)

UWA course code: 00810
Duration: 5 years
Intake period: any time during the academic year
Mode of study: research
Fee type: RTP

COURSE DESCRIPTION

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge. For more information, see page 72.

The Faculty of Science offers research students a wide variety of research opportunities. Visit science.uwa.edu.au for details.

Requirements:

(a) a relevant bachelor's degree with honours, or an equivalent qualification, as recognised by UWA;
or
(b) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;
and
(ii) at least three years of full-time relevant professional experience in geological engineering, exploration geology or geology resource.

Note: Students may apply to undertake a research project within this degree.

Graduate Certificate in Adult Sleep Science

studyat.uwa.edu.au/go/adult-sleep-science

UWA course code: 51210
Duration: 0.5 years
Intake period: February full-time or July part-time
Mode of study: coursework; online and residential
Fee type: postgraduate fee-paying

COURSE DESCRIPTION

This course provides you with an understanding of sleep and circadian biology and the skills to use sophisticated equipment and instrumentation in order to perform laboratory-based and portable sleep studies as well as apply different protocols to sleep monitoring and perform basic scoring and analysis of sleep studies. Online and laboratory-based units are used to synthesise knowledge and ensure translation of this knowledge into practical competencies.

Two online units are completed in the first semester. You will need to be in Perth for two weeks in June/July to complete the intensive practical portion of the two units that follow.
Requirements
(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; or
(b) a current National Police Certificate, or equivalent certification, indicating no criminal conviction.

2. Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Sport and Recreation Management
study.uwa.edu.au/gd/sport-recreation-management
UWA course code: 51390
Duration: 1 year
Mode of study: coursework
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Become a well-rounded sports and recreation professional with this diploma which will equip you with the skills to succeed in this vibrant industry.

The course is primarily focused on sports and recreation units, but you will also gain knowledge across accounting, marketing, management, human resources and and psychology, so you become a career-ready graduate.

Requirements
(a) a bachelor's degree with a major in Sport Science or Exercise and Health, or an equivalent qualification, as recognised by UWA; or
(b) a bachelor's degree, or an equivalent qualification; and
(ii) at least two years of full-time relevant professional experience.

Master of Urban and Regional Planning
study.uwa.edu.au/m/urban-reg-planning
UWA course code: 72560
Duration: 1.5–2 years
Mode of study: coursework or coursework and dissertation
Fee type: postgraduate fee-paying

COURSE DESCRIPTION
Urban and regional planning focuses on some of the major challenges facing society, including the population growth, rapid urbanisation, poverty and homelessness, land use conflict, cultural diversity, economic development, and ecological sustainability.

You develop the skills to help resolve major urban and regional problems, and will undertake a practicum component. Graduates will contribute to the creation of liveable communities, vibrant economies and sustainable places.

Our teaching is supported by the world-class Centre for Regional Development and the Planning and Transport Research Centre. UWA also has strong links with the Planning Institute Australia (WA).

Requirements
To be considered for admission to this course an applicant must have a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.

Maximum course duration: Two years full-time comprising 96 points of taught units.
Doctor of Philosophy and Master of Philosophy

A postgraduate research course provides you with a unique opportunity to follow your interest in an area of research. Through the research process you will extend your understanding of a subject area and develop advanced analytical and project management skills as well as the ability to work independently.

Graduates from higher degree by research programs are highly employable across all fields of study. The reason graduates experience a high rate of success in employment is that the transferable skills required for success in a graduate research degree are the same skills in high demand by employers.

In particular, successful completion of a research degree indicates to a prospective employer that you have excellent project and personal management skills, and that you can think independently and critically, solve problems and communicate effectively.

**Master of Philosophy (MPhil)**

- **studyat.uwa.edu.au/mphil**
- UWA course code: 00710
- Duration: 2 years
- Intake period: anytime during the academic year
- Mode of study: research
- Fee type: RTP

**COURSE DESCRIPTION**

A master’s by research is a supervised degree for which a thesis represents 100 per cent of the degree requirements. Some master’s by research courses include creative work (creative writing, fine arts or music). For these degrees, assessment is based on creative work only.

A master’s thesis must be a substantial work, generally based on independent research that shows:

- sound knowledge of the research subject
- evidence of independent thought and
- an ability to use clear and concise language

**REQUIREMENTS**

Approval for admission to an MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and the University to ensure that appropriate supervision and resourcing are available.

Applicants are required to demonstrate that they have met the requirements of the University Policy on: Adequate Research Preparation (see postgraduate.uwa.edu.au/staff/schools/research-preparation) and any other requirements for admission of the University, and—

(a) have a bachelor’s degree of this University or equivalent qualification;

or

(b) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree,

and

(i) have completed an appropriate MPhil research proposal.

A student who wishes to undertake an MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books.

Prior to enrolment, all applicants are required to demonstrate that they have met the University’s English language requirements.

Minimum English language competence: see page 76

**Doctor of Philosophy (PhD)**

- **studyat.uwa.edu.au/phd**
- UWA course code: 00810
- Duration: 4 years
- Intake period: anytime during the academic year
- Mode of study: research
- Fee type: RTP

**COURSE DESCRIPTION**

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

**REQUIREMENTS**

Approval for admission to a PhD requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and the University to ensure that appropriate supervision and resourcing are available.

Applicants are required to demonstrate that they have met the requirements of the University Policy on: Adequate Research Preparation (see postgraduate.uwa.edu.au/staff/schools/research-preparation) and any other requirements for admission of the University, and—

(a) have a bachelor’s degree of this University or equivalent qualification;

or

(b) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree,

and

(i) have completed an appropriate PhD research proposal.

A student who wishes to undertake a PhD in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books.

Prior to enrolment, all applicants are required to demonstrate that they have met the University’s English language requirements.

Minimum English language competence: see page 76
How to apply

Applicants are expected to have completed an undergraduate degree at an approved university and undertaken adequate preparation for the degree for which they are applying. For PhD admission requirements see page 72.

Coursework

Research

Your first steps

Contact the Higher Degree by Research support team in the relevant faculty.

Faculty of Arts, Business, Law and Education
Email: hdr-fable@uwa.edu.au

Faculty of Engineering and Mathematical Sciences
Email: hdr-ems@uwa.edu.au

Faculty of Health and Medical Sciences
Email: hdrenquiries-fhms@uwa.edu.au

Faculty of Science
Email: hdr-enquiry-science@uwa.edu.au

Consult UWA’s Research Publications and Expertise for information on appropriate supervisors at research.publishing.uwa.edu.au. Read the profiles of our Research Leaders, who may be potential supervisors at research.uwa.edu.au/fellows.

Prepare your research proposal: Prepare a brief outline (maximum 250 words) of your proposed area of study to discuss with a prospective supervisor.

Discuss your resources: Find out what resources are available to you as a postgraduate research student, as these vary depending on the school in which you enrol.

Be informed: There is useful information online for future research students, including how to prepare a research proposal. Visit study.uwa.edu.au/research/becoming-a-research-student.

Submit your application

Submit an application to the respective HDR support team in your faculty. This should include:

• A completed research application form available at study.uwa.edu.au/how-to-apply/lodging-your-application
• All certified documents as listed on the application form
• A research proposal.

Successful applicants will be sent an offer package electronically, including a letter of offer/authority to enrol, and acceptance documents. You should allow six to eight weeks to process.

For information on applying for a research scholarship, see pages 78.

1 Apply online

Submit an online application at study.uwa.edu.au/how-to-apply/lodging-your-application that includes all necessary documentation specified in the admission requirements of your course. For admission requirements and application dates, visit study.uwa.edu.au/how-to-apply.
Start your UWA postgrad journey

Unistart is your official guide to starting postgraduate study at UWA. Follow the steps at unistart.uwa.edu.au/postgrad to plan for pre-enrolment, enrolment and orientation.

Am I a domestic or international student?

You are an international student if you are:

• a temporary resident (visa status) of Australia,
• a permanent resident (visa status) of New Zealand, or
• a resident or citizen of any other country.

You are an Australian domestic student if you are:

• an Australian citizen,
• an Australian permanent resident (holders of all categories of permanent residency visas, including humanitarian visas), or
• a New Zealand citizen.

For information on applying online, visit study.uwa.edu.au/how-to-apply/lodging-your-application

Accept your offer

If successful, and you receive an offer for postgraduate study at UWA, you can respond by following the instructions on your offer letter.
English language requirements

Successful university study demands a high level of English language skills. For this reason, all applicants must meet the UWA minimum English language requirements. This is the case even if English is your first language.

For postgraduate research students

All research students must meet the minimum English proficiency requirements as set down by the Board of the Graduate Research School. All English test results must normally have been obtained within the past two years. Higher scores are required for local and international scholarship applicants, and applicants in certain faculties, as listed below. For a complete listing of the English scores required for admission to research degrees, refer to study.uwa.edu.au/pg/english-language-requirements.

Special faculty requirements for postgraduate research students

- Law: overall IELTS of 7.5, with a minimum score of 7.5 for reading and writing and a minimum of 7.0 for speaking and listening.
- Education: overall IELTS score of 7.0, with a minimum of 6.5 in reading and writing.
- Dentistry: overall IELTS score of 7.0, with a minimum of 6.5 in reading and writing.
- Business: overall IELTS score of 6.5, with a minimum of 6.5 in reading and writing.

For postgraduate coursework students

All coursework students must meet the minimum English proficiency requirements. Note that some postgraduate coursework degrees have higher English requirements than the University’s minimum. For a complete listing of the English scores required for admission to coursework degrees, refer to study.uwa.edu.au/elc.

Help with English language skills

If you would like to study at UWA but do not have the required level of English language proficiency, contact the UWA Centre for English Language Teaching for more information on how to improve your English to the required level. celt.uwa.edu.au
Examples of minimum English requirements for domestic postgraduate students. Note: Requirements may be higher for some individual courses.

| IBT TOEFL (Internet-based test score) | An overall score of 82 with a minimum score of 22 for writing, 18 for reading, and no other band less than 20. Scholarship applicants require 95, with 22 for reading and listening, 24 for speaking, and 23 for writing |
| Other | Other qualifications assessed on an individual basis |

¹Selected countries include Australia, Canada (excluding Quebec), Ireland, New Zealand, the United Kingdom and the United States.

²Some postgraduate coursework degrees have higher English requirements than the University’s minimum. Refer to study.uwa.edu.au/elic.
Scholarships

The purpose of UWA scholarships and awards is to ensure equity and access for all students, and to reward and acknowledge excellence in our community. Indigenous students are encouraged to apply for the large number of postgraduate research and coursework scholarships available across a range of disciplines, including architecture, the arts, business, education, engineering, government, health, humanities, IT, law and science.

Most UWA scholarships are applied for online. For detailed descriptions of individual scholarships, as well as comprehensive information on deadlines, entry requirements, eligibility and the application process, visit scholarships.uwa.edu.au/future-students/postgrad.

Postgraduate research scholarships

UWA has a range of postgraduate research scholarships for students undertaking higher degrees by research, including Research Training Program (RTP) Scholarships and University Postgraduate Awards (UPA). To be eligible to apply for domestic postgraduate research scholarships, an applicant must be an Australian citizen, an Australian permanent resident or a New Zealand citizen.

UWA also offers a number of prestigious postgraduate research scholarships to outstanding students who demonstrate exceptional research potential.

Postgraduate research scholarships are awarded in a competitive selection process on the basis of academic achievement and research potential.

Priority will be given to students who have not already completed a research doctorate or equivalent, and to students who have not previously been awarded or who are currently in receipt of a scholarship stipend.

Australian Government Research Training Program (RTP) scholarships and awards

These awards aim to assist with general living costs through the provision of an annual living allowance stipend. To be eligible for an RTP or UPA, applicants must meet the requirements for entry to the nominated course, including satisfying the requirements of the University Policy on: Adequate Research Preparation at governance.uwa.edu.au/policy/up11/25.

An applicant must also:
- be undertaking or intend to enrol in a research doctorate or research master’s degree enrolling as a full-time student. Approval may be given for a part-time award where an applicant is able to provide compelling social reasons, such as a medical condition or primary care responsibilities, which would prevent full-time enrolment
- be intending to enrol as an internal student based on a campus of the University for most or all of their period of candidature and scholarship tenure
- not expect to receive income from another source to support the student’s general living costs to undertake the proposed study which is greater than 75 per cent of the stipend rate and
- be available to take up a postgraduate award, if offered, by the date designated in the offer letter.

Prestigious postgraduate research scholarships at UWA

Hackett Postgraduate Scholarships

Sir John Winthrop Hackett was the first Chancellor and a generous benefactor to the University. The Hackett Postgraduate Scholarships provide a stipend of $38,000 per annum and an overseas research travel allowance of up to $5000. These scholarships are awarded to the top-ranked domestic applicants in the end of year scholarship round.

Forrest Research Foundation Postgraduate Scholarships

Forrest Research Foundation Scholarships are awarded to outstanding domestic and international students to complete a PhD at a Western Australian university. Forrest Scholars will be students of exceptional ability and resourcefulness, having the highest calibre of academic achievement and with the potential to make a positive difference to the world. They will help build world-class innovation capacity in Western Australia. The Forrest Scholarship package is valued at more than $45,000, including a stipend, accommodation allowance and relocation and research travel allowance. The package also includes single overseas student health cover and tuition fees for international students.

The Dean’s Excellence in Science PhD Scholarships

These prestigious scholarships are awarded to academically outstanding students wishing to undertake a Doctor of Philosophy (PhD) in the Faculty of Science. The scholarship package
includes a stipend of $40,000 per annum, a research travel/conference allowance of $5000 per annum and a research operating and thesis allowance of $5000 per annum. The package also includes single overseas student health cover and tuition fees for international students.

**Jean Rogerson Postgraduate Research Scholarships**

These are awarded to highly ranked applicants in the main application round. These scholarships provide a stipend of $35,000 per annum.

**Robert and Maude Gledden Postgraduate Scholarships**

The Gledden Postgraduate Scholarships are awarded for research in applied science, particularly relating to surveying, engineering, mining or cognate (related) subjects. These scholarships provide a stipend of $32,000 per annum plus an overseas travel allowance of up to $5000. Gledden Scholarships are typically awarded to PhD students enrolled in the faculties of Engineering and Mathematical Sciences and Science. However, relevant applications will be considered from candidates in other faculties. Gledden applicants must provide a 100-word outline of the proposed research project and its relevance to the terms of the Gledden Trust awards.

**Postgraduate coursework scholarships**

Many scholarships awarded at the University continue from undergraduate study into postgraduate qualifications, such as the UWA Fogarty Foundation Scholarships and the Direct Pathway Scholarships. There is also a wide selection of scholarships offered specifically for the Cycle 2 or postgraduate coursework students. Below is a sample of some of the Cycle 2 scholarships available.

For more information refer to study.uwa.edu.au/fees-and-scholarships.
Different types of degrees are classified under different types of fee structures or loan schemes. To identify the fee structure or loan scheme of the course you are interested in, refer to the individual degree listings in the faculty sections of this publication.

Coursework degrees

Postgraduate fee-paying places (PF-P)
A postgraduate degree is classified as coursework when the dissertation component, if any, is less than two-thirds of the total course. Tuition fees are applicable to a large number of postgraduate coursework programs, and places in these courses are known as postgraduate fee-paying places. A deferred payment loan scheme called FEE-HELP is available under the Australian Government’s Higher Education Loan Program. FEE-HELP assists eligible students who enrol in postgraduate fee-paying courses to pay part or all of their tuition fees. See the table opposite for eligibility criteria.

Commonwealth-supported places (CSP)
Some postgraduate coursework degrees have Commonwealth supported places, meaning the tuition fees for the course are subsidised by the Australian Government so students are only required to pay ‘student contribution’ amounts for their units of study. Students offered a Commonwealth supported place in a postgraduate degree may be eligible for HECS-HELP. HECS-HELP is an Australian Government loan program to help eligible students in CSPs to defer payment of their student contributions. See the table opposite for eligibility criteria. Comprehensive information regarding eligibility for postgraduate coursework loan programs can be found by visiting studyassist.gov.au

Student Services and Amenities Fee (SSAF)
The compulsory Student Services and Amenities Fee is payable by all students enrolled at UWA. Income from this fee funds the development and provision of educational, recreational, social and sporting facilities and activities for the direct benefit of all UWA students. Research degree candidates who have been approved to undertake their research overseas may apply to have their fee waived. Applications are made directly to the Graduate Research School. For more information about the SSAF visit student.uwa.edu.au/course/fees/ssaf.

Living allowance

Some courses have been approved by the Department of Social Services for Student Support Payments. Eligible students can receive one of Youth Allowance, Austudy or the Pensioner Education Supplement. Further information can be found at dss.gov.au/our-responsibilities/families-and-children/programmes-services/student-payments.

Australian Government Research Training Program (RTP) for research degrees
A postgraduate degree is classified as a Higher Degree by Research (HDR) if the research component is at least two-thirds of the course. At UWA, Australian citizens and permanent residents, and New Zealand citizens, are exempt from paying tuition fees for HDRs under the Research Training Program (RTP). The RTP is a dedicated pool of funding provided by the Australian Government to support students undertaking research doctorate and master’s by research degrees. Domestic RTP Fees Offset Scholarships provide exemption from payment of tuition fees for up to four years’ full-time equivalent study for a doctorate by research and two years’ full-time equivalent study for a master’s by research degree. Assessment of eligibility for an RTP Domestic Fees Offset Scholarship and allocation occurs automatically in conjunction with an application for admission.

Combined coursework and research degrees
Candidates in some combined courses may be required to pay fees or organise a loan for the coursework component of their combined degree, even though the research component is covered by the RTP for eligible students. If in doubt about your eligibility under the scheme, contact the Graduate Research School at pghelp@postgraduate.uwa.edu.au or visit postgraduate.uwa.edu.au.
Calculating your course fees

For comprehensive information regarding the tuition or student contribution fees applicable to your course of interest, visit fees.uwa.edu.au.

Facilities

UWA has a distinctive mix of grand architecture and contemporary buildings that house state-of-the-art teaching and research facilities, lecture and performance theatres, tutorial spaces, studios and subject-specific laboratories for the perfect learning environment.

These are just some of our outstanding facilities:

- **The Bayliss Building** is home to the School of Molecular Sciences and is a thriving centre for world-class research, incorporating advanced labs and the latest technology.

- **Reid Library** has more than a million books and contains a range of collaborative learning spaces, complemented by several specialist subject libraries around the campus.

- **The Barry J Marshall Library** for science students features soundproofed study rooms, multimedia suites and a café. It’s named after the University’s Nobel Prize-winning professor.

- **Our multimillion-dollar Indian Ocean Marine Research Centre (IOMRC)** houses the largest marine research capability in the Indian Ocean Rim.

- Australia’s premier medical and surgical skills **Clinical Training and Education Centre (CTEC)** is one of the most advanced medical technology complexes in the world, enabling students to be taught in an interactive hospital-style setting using cutting-edge simulations.

- **The Oral Health Centre** offers students the most modern teaching and clinical services available.

- **$Our 9m C02 Research Facility** houses a state-of-the-art chemical engineering teaching lab with a Chevron-funded suite of processing equipment covering refrigeration, distillation, multiple-variable control and absorption.

- **Our UWA Business School** educates tomorrow’s leaders in a AUD$50 million contemporary building, overlooking the picturesque Swan River.

- **Harry Perkins Institute of Medical Research** within the Queen Elizabeth II Medical Centre is home to leading UWA researchers.

- **UWA’s Energy and Minerals Institute** facilitates industry engagement with state-of-the-art facilities and provides expertise in the key areas of energy and minerals research.

**Coming up**

EZONE UWA will feature a network of flexible teaching, research and industry engagement spaces designed to deliver outstanding graduates and innovative solutions in the fields of engineering and mathematical sciences.
Student exchange

Do you love to travel? As a UWA student you have the opportunity to discover new cities and experience other cultures with the UWA Student Exchange Program. You can study at one of our partner universities across Asia, Europe, or North and South America for one or two semesters while continuing to gain credit towards your UWA degree.

Academic benefits
- Take subjects related to your degree which aren’t available at UWA.
- Study at other universities that are also international leaders in their chosen research fields.

Employment benefits
- Offer a competitive edge in the international workforce.
- Show employers you are flexible, adventurous and a self starter.
- Gain invaluable experience for future employment through vacation internships offered by some universities.

Personal benefits
- Travel within your host country and further afield with local or other international students.
- Meet people from around the globe and develop new friendships.
- Increase your independence and confidence.
- Contribute to, and work within, the international community.

Financial assistance:
If you’re interested in an exchange program, you could be eligible to receive a UWA Study Abroad Scholarship to help with the cost of your exchange.

A network of opportunities
The following list illustrates the countries and number of universities available for student exchange.

Living on campus

We offer a range of accommodation close to the campus to meet different requirements and budgets, giving you a rich and balanced environment.

Living on campus
Living on campus gives you an immediate sense of belonging and an instant circle of friends from across Australia and around the world.

Our five residential colleges – St Catherine’s College, St George’s College, St Thomas More College, Trinity and University Hall – each offer a valuable dimension to your postgraduate experience.

On-campus accommodation is directly opposite the University and offers you a world-class living and learning environment. Colleges provide academic support; a full calendar of sporting, cultural and social events; leadership opportunities; and fantastic facilities.

uwa.edu.au/colleges

How to apply

1. Research the colleges to decide which suits you best.
2. Complete and submit your application via the online portal at livingoncampus.uwa.edu.au.
3. Your application will be sent to your first preference college.

### Living off campus

Crawley Village is a group of houses, units and studio apartments owned and operated by UWA that are offered unfurnished or with partial furnishings.

Properties are located within walking distance of the Perth campus, shops, cafés and restaurants, banks and other amenities, and are ideally suited to postgraduate students or students with families.

You can rent an apartment, unit or house on your own or you can share with others. Whether you choose to rent a UWA-owned property or one that is privately or commercially listed, please note that you will take full responsibility for the property and sign a rental contract.

As a guide, the average cost of renting or leasing an unfurnished one or two-bedroom unit close to UWA is between AUD$285 and AUD$450 per week. There are also establishment costs to consider, such as a bond. Other costs, such as electricity and/or gas, telephone and food, are usually not included in the weekly rent.

UWA Accommodation provides an online housing database for UWA students. International students who have been offered a place at UWA, but have not yet enrolled, can still create an account and access the database. This searchable database includes properties listed by UWA students or staff members who have a vacant property to rent or other UWA students looking to share a property.

1. The fees overview should be read in conjunction with each college’s fee schedule. Weekly fees vary based on room and package type. Prices quoted are for 2017 and are meant to give an indication of costs only. Fees for 2018 will be available late 2017. Check the individual college websites for the latest information.

2. The weekly fee quoted for University Hall and St Thomas More College includes 14 meals per week. Students are welcome to upgrade to 21 meals per week for an additional cost. All other colleges’ rates are inclusive of 21 meals per week.

3. The standard yearly fee is for accommodation, meals, utilities and cleaning.

4. The UWA academic year comprises 34 weeks with a five-week summer break between semesters. The number of weeks in the standard year fee varies from college to college. Students can apply to stay on for extra days/weeks for a nominal daily/weekly rate if they wish to stay during the mid-year break.

5. Other annual fees apply such as a contingency fee, an internet fee, building and/or amenities fees and College Club membership. For a full list, refer to each individual college’s website.

Terminology

GRADUATE CERTIFICATE
Typically follows a bachelor’s degree and is equivalent to one semester of full-time study.

GRADUATE DIPLOMA
Regarded as a higher qualification and offers greater depth than a graduate certificate and is generally equivalent to two semesters (or one year) of full-time study.

MASTER’S DEGREE (COURSEWORK)
Comprises 100 per cent coursework. It is normally the equivalent of two years of full-time study after a bachelor’s degree (or equivalent).

MASTER’S DEGREE (COURSEWORK AND DISSERTATION)
Involves both coursework and research, where the research component (dissertation) comprises less than 66.6 per cent of the course requirements. Typically requires two years of full-time study (or equivalent) after a bachelor’s degree.

MASTER’S DEGREE (THESIS AND COURSEWORK)
A mixed-mode research degree with a research component equal to or greater than 66.6 per cent, but less than 100 per cent, of the total course. Typically requires two years of full-time study (or equivalent) after a bachelor’s degree.

MASTER’S DEGREE (RESEARCH)
A course normally requiring the equivalent of two years of full-time study and including a supervised research component that represents 100 per cent of the course requirements.

PROFESSIONAL DOCTORATES AND PHD (DOCTOR OF PHILOSOPHY)
A doctoral degree, normally undertaken over a period of four years of full-time study, consists of supervised research resulting in the preparation of a thesis that makes a substantial and original contribution to knowledge.

CRICOS Provider Code: 00126G
Australian Federal Government legislation requires providers of courses to international students to register their institution and the courses they offer. This register is called the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The Tertiary Education Quality Standards Agency (TEQSA) approves registration before a code is allocated and the details are recorded on the CRICOS register. Providers and their agents must not promote a course to overseas students unless it is registered on CRICOS.

UWA is a smoke-free campus
