UWA Early Offers
Early Offers

Key changes

1. Removal of the three points and one point buffer
2. Minimum predicted ATAR of 80* to be eligible for an Early Offer
3. For courses that require < ATAR of 80, students must still meet the minimum predicted ATAR of 80*
4. For courses that require > ATAR of 80, students must have a predicted ATAR that meets the requirement

*Broadway schools – ATAR of 78
Receive an early offer based on end of Y11 or mid Y12 reports. We’ll calculate predicted ATAR for students.

If a student is not taking enough ATAR subjects or not taking any at all, they can apply via STAT.

Use your final Year 12 ATAR to apply for UWA courses.

Applications open: Monday 4 April 2022
For more information and updates: Search 'UWA Early Offers'
Early Offers

Who’s eligible?

Current students in 2022 who are:

- Domestic Year 12 WACE students
- International Year 12 WACE students
- WA International Baccalaureate (IB) students
## Admission requirements

Early Offers

eligible courses

• Any undergraduate degree
• Combined Bachelor’s and Master’s (CBM)
• Non-quota limited Assured Pathways: Architecture, Landscape Architecture, Law, Translation Studies, and Teaching

NOT available for Early Offers
• Quota limited Assured Pathways: Medicine, Dentistry, Pharmacy and Podiatry
Special Tertiary Admissions Test

STAT can be used in two ways:

1. **To meet entry requirements to UWA’s comprehensive degrees**
   - Refer to the STAT calculator on the TISC website for required entry scores
   - UWA Admissions will grant permission to sit the STAT through the students offer letter

2. **To satisfy university English competency requirements (all degrees)**
   - 140 in the Verbal Multiple-choice section; and 140 in the Written English essay section
   - STAT is offered automatically to students completing ATAR English, Literature or EALD

Please check the TISC website for STAT session dates.
A student applies for the Bachelor of Commerce that requires an ATAR of 80.

Their predicted ATAR is 80.00.

They will receive an Early Offer and can maintain that offer if they achieve:

- WACE
- A final Year 12 ATAR
- English requirement
- Prerequisites through Year 12 WACE ATAR subjects or by completing bridging units
**Scenario 2**

A student applies for the Bachelor of Commerce that requires an ATAR of 80.

Their predicted ATAR is 75.00.

They will receive a conditional offer with the requirements to achieve:

- WACE
- A minimum final Year 12 ATAR for their nominated course or satisfy entry through STAT
- English requirement
- Prerequisites through Year 12 WACE ATAR subjects or by completing bridging units
A student from a BROADWAY school applies for the Bachelor of Commerce that requires a Broadway-adjusted ATAR of 70.

Their predicted ATAR is 75.00.

They will receive a conditional offer with the requirements to achieve:

- WACE
- A minimum final Year 12 ATAR for their nominated course or satisfy entry through STAT
- English requirement
- Prerequisites through Year 12 WACE ATAR subjects or by completing bridging units

All four subjects are recommended. If a student does not have all four subjects, they will need to complete extra units in first year, which may mean taking additional units to meet the course requirements.

Bachelor of Engineering (Honours)

Become an industry-ready engineer in just four years

Bachelor of Engineering (Honours) majors available (4 years, ATAR 80)

- Automation and Robotics
- Biomedical
- Civil
- Chemical
- Electrical and Electronic
- Environmental
- Mechanical
- Mining
- Software

Subject prerequisites

- Mathematics Methods ATAR, and at least one of the following three subjects*:
- Mathematics Specialist ATAR or
- Chemistry ATAR or
- Physics ATAR

*All four subjects are recommended. If a student does not have all four subjects, they will need to complete extra units in first year, which may mean taking additional units to meet the course requirements.
Bachelor of Engineering (Honours)

• Incorporates professional practicums, industry projects and practical learning, with additional one-week intensive skill development courses:
  • Engineering communication skills – finding information, taking and presenting data, technical writing and using technical references
  • Hands-on engineering skills – welding, 3D printing, hand and power tools, robotics and soldering
  • Workplace simulation – creativity, communication, leadership skills, interview preparation and how to succeed in a modern workplace

*may vary for courses and may have other requirements
Combined: Science and Secondary Teaching

Bachelor of Science and Master of Teaching (Secondary)

- 4-year pathway
- Only university in WA to offer this degree
- Two specialisations to teach up to Year 12
Combined: Sport and Exercise Sciences and

Applied Human Performance

Bachelor of Sport and Exercise Sciences and Master of Applied Human Performance Science

- One of the first master's degrees of its kind offered in Australia
- Extensive work integrated learning – total of 360 hours of supervised placement
- Eligible to apply for professional accreditation as an Exercise Scientist with Exercise and Sports Science Australia (ESSA)
Assured pathway

5-6 years*

*may vary for courses and may have other requirements
Bachelor of Biomedical Sciences

Podiatric Health and Medical Sciences

• Assured Pathway to Doctor of Podiatric Medicine
• Shorter 5-year pathway
• Eligible to register and work as Allied Health Assistants in Podiatric practice

uwa.edu.au/study/podiatric-health-and-medical-sciences
Bachelor of Biomedical Sciences

Integrated Dental Sciences

• Assured Pathway to Doctor of Dental Medicine
• 6-year pathway
• Subject prerequisites:
  — Chemistry ATAR
  — Mathematics Applications ATAR

uwa.edu.au/study/integrated-dental-sciences
Bachelor of Biomedical Sciences

**Integrated Medical Sciences and Clinical Practice**

- Assured Pathway to Doctor of Medicine
- 6-year pathway
- Subject prerequisites:
  - Chemistry ATAR
  - Mathematics Applications ATAR

uwa.edu.au/study/integrated-medical-sciences
Assured Pathway to Medicine and Dentistry

Application Process

- Applicants must sit the UCAT ANZ
- No Predicted ATAR form required
- Predicted ATAR information will be accessed via TISC
- No late applications; must have a preference for medicine or dentistry listed by the TISC closing date

For more information and updates: uwa.edu.au/apply-health
What’s coming in 2023

• Bachelor of Criminology and Criminal Justice
• Bachelor of Human Rights
• Bachelor of Modern Languages

*The courses listed above are subject to approval

Scholarships Presentation
Fogarty Foundation Scholarships
The UWA Fogarty Foundation Scholarship Program is one of Australia’s premier scholarship programs. It is a joint venture between the Fogarty Foundation and the University of Western Australia, investing in the future leaders of Western Australia.

Students are provided with holistic support through opportunities to:

- learn,
- acquire skills,
- build assets and,
- create social networks.

Applications close Monday 23 May

- Leadership and Enterprise Program to expand horizons
- Academic mentoring from UWA Academic faculty
- Access to scholarships for accommodation at University colleges
- Leadership opportunities allowing Scholars to lead projects
- The Scholars Enterprise Investment Program for Scholar led enterprises
- The Scholars and Alumni Network, connecting Scholars with exceptional young people
Academic Excellence

Academic Excellence Scholarships provides financial support to students who have been recognised for their outstanding academic results.
Diversity, equity and inclusion

Our Equity Scholarships provide opportunities to students, new or current, who experience educational disadvantage due to varying circumstances.
Our Global Experience Scholarships provide an enriched educational experience for both domestic and intentional students.
Leadership, talent and social impact

Our Leadership and Social Impact Scholarships support students with the potential to drive change and become influential leaders across society, industry, sports and academia.
Where to find us
