POSTGRADUATE COURSE GUIDE

INTERNATIONAL

Welcome to our community

“The University of Western Australia believes in preparing our graduates to be the change-makers in society. Our high-quality courses and unique course structure will equip you with the multidisciplinary skills needed to succeed and transform the world in which we live, improving the lives of others and the communities we serve.

I welcome you to our community and invite you on an exciting journey to turn your ambitions into reality.”

– Professor Dawn Freshwater, Vice-Chancellor

Life in Perth

Perth is Australia's fourth-largest city and capital of the thriving state of Western Australia. Voted as one of the top 10 cities in the world by the Economist Intelligence Unit, the city offers an inspiring study environment with sunny weather, a relaxed outdoor lifestyle and beautiful natural scenery.

Perth holds international appeal for its safety, strong cultural diversity and urban sophistication. The city's cultural scene offers an array of activities, with plenty of festivals, eateries, modern bars and weekend markets adding flavour to the city and its suburbs.

A unique campus

Located by the Swan River and only minutes from Perth's city centre, UWA is often described as one of Australia's most picturesque campuses.

- Enjoy the scenery of Matilda Bay and take part in kayaking, rowing or sailing on the Swan River

- ← Socialise with friends at one of the many cafés
- Enjoy an outdoor cinema experience at UWA's Somerville Auditorium

- ← Relax in heritage-listed gardens and open courtyards

- ↓ Try different cuisines at our many food trucks located on campus

UWA Claremont

Just a few minutes from the main Perth campus is the University's historic Claremont campus which is home to the UWA Centre for English Language Teaching (UWA CELT) and Taylors College which provides foundation courses for international students.

- ↗ Experience the atmosphere at Guild Village, home to shops, food outlets, a medical centre, hairdresser, bank and other student amenities
- ← Discover the Cultural Precinct, UWA's cultural hub which supports music, theatre, dance, literature and art exhibition programs

UWA Albany

UWA has a high-tech education centre in the southwest town of Western Australia — a five-hour drive from Perth. Here you can experience all that regional WA has to offer while studying at university.

UWA Student Guild

Student life at UWA is vibrant, with social activities on campus organised by the UWA Student Guild, the student representative organisation.

The UWA Student Guild has a reputation for being one of the most active in Australia. It organises countless activities including festivals, workshops, end-of-semester parties, networking opportunities and the Guild Ball (formal dance). It also runs more than 160 clubs and societies covering just about every interest – from cultural and religious groups to hobby-based clubs to professional development networks.

The Guild also provides student representation, with an elected student council including representatives for international students, women, students with a disability or chronic illness, and more.

Additionally, it employs professional staff to give you extra support on academic, financial or welfare matters affecting your study, with services such as interest-free loans, free counselling, referrals to low-cost migration agents and more.

The Guild provides a range of affordable food outlets on campus, from a recently renovated food court

to chic cafés to a licensed tavern overlooking the river.

Guild membership is free and entitles students to great discounts at many food outlets on campus and at restaurants, shops, activities and services around Perth.

uwastudentguild.com

The Postgraduate Students' Association (PSA)

The PSA represents postgraduate students on campus as well as holding a number of events throughout the year including Research Week, Careers Week, sundowners, cocktail parties, afternoon teas, a quiz night and a sports day. The PSA also runs a grants scheme for small postgraduate group activities. All postgraduate students automatically become members upon enrolment.

uwastudentguild.com/psa

UWA Sport

Becoming a Fitness Centre member gives you access to more than 50 group fitness classes a week, state-of-the-art equipment, multiple training zones, qualified instructors and free tickets to our popular Masterclasses.

Kickstart your day with a run on the treadmills, or take time out with a lunchtime yoga class.

Practice your skills in squash, basketball, or tennis on one of our many courts.

Up for some healthy competition? Join our inter-faculty, inter-college, or social competitions, or represent one of our 27 sport clubs.

If you'd like to try something new, sign up for our Recreate Short Courses. With everything from salsa to surfing, trips to Rottnest and self-defence classes, there really is something for everyone.

We also support our elite athlete in their academic and sporting pursuits through the Student Athlete Development Program.

Your university adventure starts here. Immerse yourself in the opportunities available to you through sport and make your time at university unforgettable.

learning environments**

Indian Ocean Marine Research Centre (IOMRC)

UWA houses IOMRC, the largest marine research capability in the Indian Ocean Rim — a multimillion-dollar facility which will enable Australia to expand international research.

J Robin Warren Library

Named after Professor (John) Robin Warren, co-recipient of the Nobel Prize for Medicine in 2005 along with Professor Barry J Marshall, this facility is a state-of-the-art hub where researchers, students and medical practitioners can collaborate, expand their knowledge and enhance research and teaching excellence in Western Australia.

Oral Health Centre

In partnership with the Western Australian Government, UWA has an oral health centre, offering students the most modern teaching and clinical services available.

Reid Library

With more than a million books in UWA's Reid Library, it's the largest academic library in Western Australia. If you can't find what you're looking for here, there are several specialist subject libraries around campus, including law, music, medical and dental, and more.

Rosemarie Nathanson Financial Markets Trading Room

As Australia's largest university trading room, this facility gives students access to more than 400 global markets and features 50 financial terminals, 160 monitors and access to markets, newsfeeds and even tweets in order to demonstrate and explore how these interact and affect prices.

IQX

Launched in March 2018, IQX is Western Australia's most exciting, new innovation and co-working space, powered by the UWA Innovation Quarter and Business Foundations. IQX offers special access to UWA graduate and alumni-owned enterprises.

Coming Soon

EZONE UWA

Featuring a network of flexible teaching, research and industry engagement spaces, EZONE UWA is designed to deliver outstanding graduates and innovative solutions in the field of engineering and mathematical sciences.

It will provide students with an unparalleled learning experience, embrace new teaching and interactive learning models, support our researchers to uncover solutions to the world's greatest challenges and create a vibrant, innovative space for industry, community and alumni engagement. EZONE UWA is expected to be in use from 2020.

School of Indigenous Studies

A brand new purpose-built facility for students and staff is in the works for the School of Indigenous Studies. First established on campus in 1988 as the Centre for Aboriginal Programs, increased enrolments over the past decade have caused the School to outgrow its current accommodation in Shenton House.

Planning is now under way for a new building in the southern precinct of the UWA Perth campus, overlooking Matilda Bay. Once complete, the facility will assist in achieving the School's aim to achieve excellence and equity in all aspects of higher education for Aboriginal and Torres Strait Islander people.

Barry J Marshall Library

This library is UWA's hub for science students and researchers. Named after the University's Nobel Prize-winning professor, it has soundproofed study rooms, multimedia suites and a café on site.

Bayliss Building

Home to the School of Molecular Sciences, this five-storey building is a thriving centre for world-class research, with advanced labs on every level. It's also the largest building on the UWA campus and features an impressive DNA double helix design.

Clinical Training and Education Centre (CTEC)

CTEC is Australia's premier medical and surgical skills training centre and one of the most advanced medical technology complexes in the world. Students are taught in the interactive hospital-style setting using cutting-edge simulations.

Supporting you

As an international student at UWA, you are supported by our International Student Support team. These people are your main point of contact and can provide you with a wide range of services.

Starting your journey

Moving to a new place is both an exciting and daunting experience. We are here to help make your journey to Perth as smooth as possible. Find out more about student visas, health requirements, bringing your family and airport pickup services.

**[study.uwa.edu.au/
internationalstudents/
moving-to-perth](https://study.uwa.edu.au/internationalstudents/moving-to-perth)**

Here to help

The **Transition Services** team helps all commencing students to connect to university life through comprehensive orientation activities and by meeting current UWA students through the ConnectMe@UWA and UniMentor programs. Staff members are also available to assist students with timetabling issues and first-year course advice.

study.uwa.edu.au/international-student-community

There's no one better to help you through your first weeks than someone who has been in your shoes before and faced the same challenges. **UniMentor** can team you with a student who has already been studying at UWA for a year or two, and who can answer all your questions about university life.

unimmentor.uwa.edu.au

If you're looking for ways to improve your study skills and learn more effectively, **STUDYSmarter** gives you access to learning groups, workshops and online resources, as well as coaching in research techniques, time management, public speaking, assignment preparation and more.

studysmarter.uwa.edu.au

Health and wellbeing

The **International Students' Service (ISS)** is part of the Student Guild and looks after the welfare of international students studying at the University. ISS also puts on social and educational activities such as a trip to Rottnest and Spring Feast.

**[facebook.com/
UWAInternationalStudentsService](https://facebook.com/UWAInternationalStudentsService)**

LACE (Language and Cultural Exchange) is an intercultural friendship program that runs regular social events and is open to postgraduate students and staff.

If you have a disability or medical condition, **UniAccess** ensures you can enjoy university life to the fullest, from sourcing assistive technologies to organising alternative examination arrangements.

uniaccess.uwa.edu.au

When health problems arise, UWA's on-campus **Medical Centre** is your destination for comprehensive medical care.

**[student.uwa.edu.au/life/health/
medical-centre](https://student.uwa.edu.au/life/health/medical-centre)**

The UWA community also provides a professional and confidential counselling and psychological service for students, offering referrals to specialists on and off campus should you need them. The service is free for all students.

counselling.uwa.edu.au

For students with family commitments, the **UWA Early Learning Centre** can provide either part-time or full-time day care for children aged from six weeks to five years.

childcare.uwa.edu.au

Kick-start your career

At the **Careers Centre**, you can find help with long-term career planning or finding part-time employment while studying. Staff can also give advice on improving your résumé and interview skills, or put you in touch with future employers through career expos.

¹ Guild student discounts are available through the UWA Guild and are subject to change each year. To see the full list of special offers, visit uwastudentguild.com/2018-guild-member-discounts.

Compared to other major cities around the world, living and studying in Perth is a smart decision for international students.

Australia's most affordable capital city.

Perth is more affordable than Adelaide, Brisbane, Melbourne and Sydney, according to the Economist Intelligence Unit's *Worldwide Cost of Living Survey 2018*.

study.uwa.edu.au/cost-of-living

Cost of living

The annual cost of living in Perth depends on your lifestyle and the type of accommodation you chose, however AUD\$400–\$600 per week is generally sufficient for most single students to live comfortably (this does not include tuition fees or medical cover). Please consider extra funds to cover various items such as airfares and textbooks. There may also be ancillary fees applicable to your course.

Working in Australia as an international student

Under the terms of a student visa, once an international student has commenced their course, they may work up to 40 hours per fortnight while their course is in session and unlimited hours during scheduled course breaks.
border.gov.au

Student Services and Amenities Fee (SSAF)

The UWA Student Services and Amenities Fee (SSAF) is a compulsory fee that directly benefits all UWA students. The fee is used to develop and provide a range of recreational facilities together with social, education and representation activities and services.
study.uwa.edu.au/fees-scholarships

Overseas Student Health Cover (OSHC)

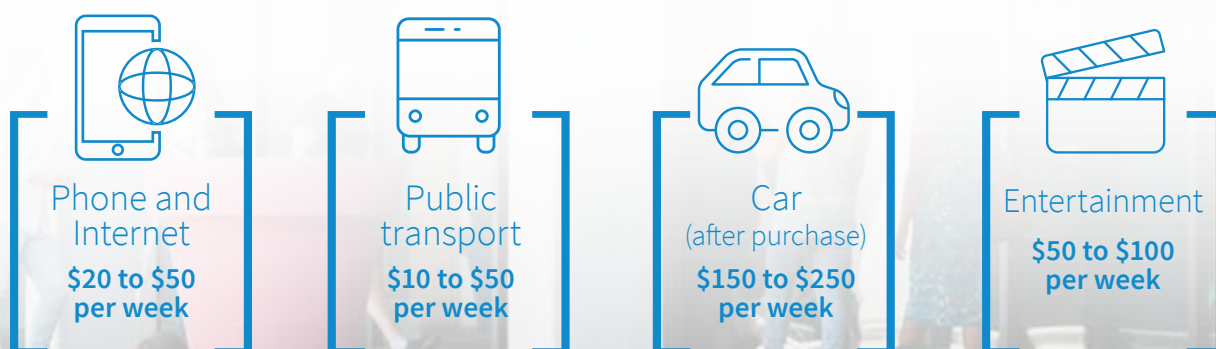

The Department of Immigration and Border Protection requires international students applying for a student visa to have Overseas Student Health Cover (OSHC) for the entire duration of their student visa.

This is not applicable to students from Norway and Sweden who are covered under a separate arrangement.

OSHC is offered by a number of providers. You may obtain OSHC from the provider of your choice.
study.uwa.edu.au/international/health

The University of Western Australia has a 'preferred provider' agreement with Allianz Global Assistance. On acceptance and payment of your offer, UWA will arrange health cover with Allianz Global Assistance for the duration of your student visa.

For information on the University's agreement with Allianz Global Assistance, refer to **study.uwa.edu.au/international/health**.

Scholarships

To help you pursue your ambitions, we offer a range of scholarships to attract and support talented students. For detailed information visit scholarships.uwa.edu.au/future-students/postgrad.

UWA's funding opportunities include:

International Research Training Program (RTP) Fee Offset Scholarships

The purpose of the RTP Scholarships is to attract top-quality international postgraduate students to the University and to support Australia's research efforts. Successful applicants can expect to become members of a research team working under the direction of senior researchers and in an area which has attracted external resources.

scholarships.uwa.edu.au/future-students/postgrad/international

International scholarships (funded by UWA)

These scholarships are awarded by the University to assist and encourage international students to undertake postgraduate coursework studies in a particular faculty or specific discipline at UWA. Scholarships are awarded to students who have achieved academic excellence in a subject or course.

study.uwa.edu.au/international-students/fees-and-scholarships/UWA-funded-scholarships

Australia Awards (funded by the Australian Government)

Australia Awards are prestigious international scholarships and fellowships funded by the Australian Government offering high-achieving students the opportunity to undertake study, research and professional development.

Categories include:

- Scholarships and Fellowships
- Leadership Program
- Endeavour Scholarships and Fellowships
- Fellowships (administered by ACIAR)

australiaawards.gov.au

Endeavour Scholarships and Fellowships (funded by the Australian Government)

Endeavour Scholarships and Fellowships are the Australian Government's internationally competitive, merit-based scholarship program, providing opportunities for citizens of the Asia Pacific, the Middle East, Europe and the Americas to undertake study, research and professional development in Australia.

internationaleducation.gov.au/endeavour

Sponsorships (funded by international governments, universities and other organisations)

UWA works with a broad range of governments and organisations in the provision of funding arrangements for international students at UWA. Funding of the sponsorship is usually from an organisation within the student's home country.

Forrest Research Foundation

Scholarships are offered across all five Western Australian universities to outstanding students who wish to undertake high-quality research and enrol in a Doctor of Philosophy (PhD) at a Western Australian university.

forrestresearch.org.au

UWA China Scholarships

The China Scholarship Council (CSC) and UWA offer postgraduate research scholarships each year to students from the People's Republic of China who intend to undertake a Doctor of Philosophy (PhD) degree at UWA.

The Dean's Excellence in Science PhD Scholarships

The Dean's Excellence in Science PhD Scholarships are awarded to academically outstanding international and domestic students wishing to undertake a research doctorate (PhD) in the Faculty of Science.

Accommodation at UWA

We understand how important it is to find good-quality accommodation close to the UWA campus. There are many options available designed to suit your individual needs.

Living on campus

Living on campus gives you an immediate sense of belonging and an instant circle of friends from across Australia and around the world.

UWA's five residential colleges — University Hall, St Catherine's College, St George's College, St Thomas More College and Trinity — each offer a valuable dimension to your UWA experience.

On-campus accommodation is located directly opposite the University and offers you a world-class living and learning environment. The colleges provide academic support; a full calendar of sporting, cultural and social events; leadership opportunities; and fantastic facilities in a warm and welcoming home away from home.

uwa.edu.au/colleges

When to apply

The online portal accepts your application up to 12 months before you want to live on campus. We recommend applying as soon as possible, and you don't have to wait until you receive an offer from UWA.

How to apply

1. Research the college websites to decide which suits you best.
2. Complete and submit your application via the online portal at livingoncampus.uwa.edu.au.
3. You will be contacted directly by your first preference college within two weeks.

Overview of 2018 residential college fees and charges¹

	St Catherine's College	St George's College	St Thomas More College ²	Trinity	University Hall ²
Weekly fee ²	AUD\$465	AUD\$490	AUD\$365	AUD\$434	AUD\$365
Standard year fee ³	AUD\$18,600	AUD\$19,450	AUD\$14,600	AUD\$17,360	AUD\$14,600
College numbers	400	225	400	365	750

- (1) The fees overview should be read in conjunction with each college's fee schedule. Prices quoted are based on 2018 standard single rates; additional room types are also available. Weekly fees vary depending on the room type, length of stay and additional inclusions. Fees for 2019 will be available late 2018; check the individual college websites for the latest and most comprehensive information.
- (2) The weekly fee quoted for University Hall and St Thomas More College includes 14 meals per week. Students are welcome to upgrade to 21 meals per week for an additional cost. All other colleges' rates are inclusive of 21 meals per week.
- (3) The standard yearly fee includes accommodation, meals, utilities and cleaning. Other annual fees apply such as a contingency fee, an internet fee, building and/or amenities fees and College Club membership. Refer to the individual college websites for full fee schedules.

Living off campus

UWA owns and manages a group of houses, units and studio apartments, collectively known as 'Crawley Village.' They are available for UWA students to rent, and are offered either unfurnished or with partial furnishings.

Properties are located within walking distance of the UWA campus, shops, cafés and restaurants, banks and other amenities, and are ideally suited to postgraduate students or students with families.

You can rent an apartment, unit or house on your own or you can share with others. Whether you choose to rent a UWA-owned property or one that is privately or commercially listed, please note that you take full responsibility for the property and sign a rental contract.

As a guide, the average cost of renting or leasing an unfurnished one or two-bedroom unit close to UWA is between AUD\$265 and AUD\$500 per week. There are also establishment costs to consider, such as a bond. Other costs, such as electricity and/or gas, telephone and food, are usually not included in the weekly rent.

accommodation.uwa.edu.au/off-campus

Housing Database

UWA Accommodation provides an online housing database for UWA students. International students who have been offered a place at UWA, but have not yet enrolled, can still create an account and access the database. This searchable database includes properties listed by UWA students or staff members who have a vacant property to rent, or other UWA students looking to share a property.

UK and Ireland

Jacinta Cowan
The University of Leeds,
West Yorkshire,
England

"The highlight of my exchange experience was meeting new people from all over the globe, particularly my group of friends who I am still in contact with, despite us all living in different parts of the world."

The prospect of living out of home for an extended period of time, as well as being away from my friends and family, was both daunting and exciting, but I encourage other students to step out of their comfort zones and test their limits. I achieved a greater sense of independence, improved my communication skills and opened myself up to new opportunities I wouldn't normally have had the chance to experience at home."

Nicholas Pritchard

The University of Illinois at Urbana-Champaign
Illinois, United States

"For me, the personal highlight was experiencing campus culture in a university town. This is a concept not really found anywhere in Australia, so it was very warming to live in a community where everything is aimed at campus life and the student population. Life at UIUC was the quintessential college experience for me: living in a dorm, weekend trips and spring break. But most importantly, wrapped around all these experiences was a newfound group of friends, heralding from every corner of the globe to share them with. Exchange was a hugely formative experience for me and stands out as a true highlight of my time at UWA."

Connecting you to industry

At UWA you'll not only study towards a degree, but have the opportunity to gain valuable experience towards your future career.

For some degrees, such as medicine, engineering and architecture, you'll be required to complete professional placements, but we also provide the chance for you to gain work experience, even if your qualification doesn't call for it.

We have strong partnerships with a range of organisations to provide you with practical, real-world experiences, in addition to valuable professional networking opportunities. This hands-on learning approach is highly valued by employers and ensures you're career-ready.

These partnerships enable you to take part in a number of activities including:

Placements for credit

For-credit placements or practicums are arranged as part of your degree. They're usually one day a week in a supervised workplace, run between 80 to 100 hours in total and can be anything from getting a feel for a legitimate working environment to participating in live projects. These practicums are available through Arts or Commerce degrees. If you're a Science student, you can get involved in practicums through Work Integrated Learning (WIL) programs.

careers.uwa.edu.au/wil

Not-for-credit work experience

If your degree doesn't award credit for work experience, you can still take advantage of our network of industry connections to find uncredited placements, usually as internships or holiday work, for a set number of hours.

careers.uwa.edu.au/wil/students

A community of entrepreneurs

Bloom provides support for young entrepreneurs through mentorship, skill-focused events and providing an open working space for entrepreneurs to flourish. UWA is proud to be a Gold Member of Bloom.

bloom.org.au

Service learning units

These units are another way to gain experience and they involve unpaid work with not-for-profit, community or government services. Some can earn you academic credit as well as the chance to put your degree skills to use.

The McCusker Centre for Citizenship provides this kind of learning. Established in 2015, the centre offers structured, quality internships with not-for-profit, community and government organisations locally, regionally and globally to all UWA students. Students will be matched based on their application and the internship opportunities available, and you can gain academic credit.

mccuskercentre.uwa.edu.au

Guild Volunteering

Guild Volunteering gets you off campus and into the real world to start making a difference. Broaden your mind, meet new people and develop skills in an area you're interested in. You may also find that some volunteering is eligible for your supplementary academic transcript.

volunteering.guild.uwa.edu.au

Mentoring

The Career Mentor Link program connects you with an industry professional for one-on-one advice and helps develop your skills so you can transition smoothly from university into the workplace.

careers.uwa.edu.au/cml

Work placements for professional accreditation

These professional practicums enable you to apply theory in practice and develop competencies which will assist in your future career. Successful completion of these practicums is required in order for you to graduate.

“Opportunities like this are so unique, giving you a powerful insight into the lives of disadvantaged communities and a platform to make a profound impact in the community. It’s a truly memorable experience.”

Global networks of knowledge and research

UWA partners world-class lecturers and researchers with the teaching technologies of tomorrow to deliver students a leading learning environment. A strong focus on knowledge and research capabilities means that as a graduate of UWA you will be at the forefront of a rapidly evolving world and ready to succeed in your career of choice.

High-class research

With more than 75 research institutes and centres, UWA fosters links with local, national and international industries and governments. The strength of our research output makes us appealing to researchers of international standing, many of whom head major research centres with global connections. This means that as a student you'll benefit from the knowledge and expertise of the University's staff, with networking opportunities that can lead to career possibilities around the world. Together, UWA's high-calibre researchers and students are solving some of today's most critical and challenging problems, from spinal-cord injury repair to ensuring the stability of large offshore oil and gas platforms.

Research with international impact

Exploring uncharted waters on dry land

A new 26-tonne centrifuge at UWA allows researchers to test the suitability of deep-water structures, using scaled models to demonstrate how offshore foundations work under different conditions. This one-of-a-kind facility gives the University a chance to provide valuable data to companies such as Woodside, Shell, Fugro and Lloyd's Register.

Bringing an end to superbugs

Our researchers have led a worldwide team to map the 3D structure of the EptA protein. EptA helps deadly bacteria hide from antibiotics and the immune system, creating multi-drug resistance. This research breakthrough could unlock the defences of superbugs and open the door to saving millions of lives.

Discovering gravitational waves

A group of scientists from UWA, led by Professor David Blair and working with an international project team, have opened a window to the cosmos by confirming a major prediction of Albert Einstein's general theory of relativity. For the last seven years, the group has worked to detect ripples in the fabric of space-time and prove that the black holes of Einstein's theory are out there.

UWA is home to six highly cited researchers.

The research of these scholars is recognised as among the most highly cited in the world.

by Thomson Reuters

Spotlight on UWA's Nobel Laureate

Professor Barry Marshall was awarded a Nobel Prize in 2005, for his revolutionary co-discovery of the bacterium *Helicobacter pylori*, which causes stomach ulcers. Professor Marshall continues to treat patients and leads UWA research teams within the Marshall Centre for Infectious Diseases Research and Training, of which he is a director.

Choose your degree

We offer a range of options for postgraduate study. From professional and coursework degrees to independent research, you'll find a style of learning to match your needs.

Postgraduate professional degrees

A postgraduate professional degree is a master's or doctorate-level course, taken upon completion of a bachelor's degree (or equivalent). Upon successful completion, it qualifies you to enter a profession.

Architecture Master of Architecture

Audiology Master of Clinical Audiology or Master of Clinical Audiology/PhD

Dentistry Doctor of Dental Medicine

Engineering Master of Professional Engineering

Landscape Architecture Master of Landscape Architecture

Law Juris Doctor

Medicine Doctor of Medicine

Pharmacy Master of Pharmacy

Podiatric Medicine Doctor of Podiatric Medicine

Psychology Master of Clinical Psychology/PhD; Master of Clinical Neuropsychology/PhD; Master of Industrial and Organisational Psychology; Master of Industrial and Organisational Psychology/PhD

Social Work Master of Social Work

Teaching Master of Teaching (Early Childhood); Master of Teaching (Primary); Master of Teaching (Secondary); Master of Translation Studies

Coursework degrees

Our postgraduate coursework degrees help you develop a thorough understanding of an area of study, diversify your educational background or obtain specific vocational training.

Coursework degrees include:

- Graduate certificates
- Graduate diplomas
- Master's by coursework
- Master's by coursework and dissertation
- Clinical doctorates
- Professional doctorates

postgraduate.uwa.edu.au

Research degrees

Students keen to contribute knowledge and develop important skills or explore an area of personal interest may consider a research degree. These involve a project of supervised but independent enquiry at an advanced level, resulting in the submission of a research thesis (or equivalent) which is examined by experts in the field.

Research degrees include:

- Master's by thesis and coursework
- Master of Philosophy (MPhil)
- Professional doctorates
- Doctor of Philosophy (PhD)
- Master of Research

Articulation/articulated course

Articulation may be available within certain sets of courses. It is a sequence of related postgraduate courses in a specific discipline area, offering progression from one course level to another with credit granted for all units passed to the appropriate standard in the previous level. Graduate certificates, graduate diplomas and/or master's degrees may form part of this sequence. See table below for more information.

An example of articulation between postgraduate degrees

Six months	1 year	2 years
Graduate Certificate Normal duration: one semester or six months		
Graduate Diploma: two semesters or one year Normal duration after successful completion of Graduate Certificate: one semester or six months		
Masters: Four semesters or two years Normal duration after successful completion of Graduate Diploma: two semesters or 12 months		

FACULTY OF ARTS, BUSINESS, LAW AND EDUCATION OVERVIEW

The Faculty of Arts, Business, Law and Education (ABLE) brings together disciplines aiming to understand and enhance human societies, cultures and institutions. The Faculty involves world-leading expertise across a number of fields of academic scholarship, including business, design, education, humanities, law, music and social sciences.

It comprises seven schools that provide for disciplinary coherence and capitalise on emerging and existing cross-disciplinary opportunities in teaching, research and external engagement.

able.uwa.edu.au

Business School

The UWA Business School is one of the premier business schools in the Asia-Pacific region. The School inspires and propels talented students from around the world to become the respected and innovative academic, community and business leaders of tomorrow.

We are one of only eight institutions in Australia to hold international accreditation from both EQUIS (the European Quality Improvement System) and AACSB (the Association to Advance Collegiate Schools of Business). This ensures our degrees are recognised by employers worldwide, and guarantees the quality of our teaching, research and other operational areas.

Our major corporate partners include ATCO Australia, BHP Billiton, Macquarie Group, PricewaterhouseCoopers, Wesfarmers and Woodside. These industry links enable us to provide a richer education for our students and ensure our programs are relevant and valuable to industry.

Unless otherwise stated, all courses are held on the Perth campus.

"I chose to study at UWA because of its positive reputation, accomplished history and also because of the gorgeous campus which is located beside the beautiful Swan River. The MBA gave me the knowledge, skills and confidence to become an effective leader. I now look at business issues and opportunities from a much broader perspective."

Ashley La Jung Hong

WA'S ONLY
INTERNATIONALLY
ACCREDITED³

- 1 For Accounting and Finance (QS World University Rankings by Subject, 2017)
- 2 Spanning industries including mining and resources, professional services and infrastructure
- 3 Through the European Quality Improvement System (EQUIS) and the Association to Advance Collegiate Schools of Business (AACSB).

*The following masters by coursework programs share the same entry requirements:

- Applied Finance
- Business Information and Logistics Management
- Commerce
- Human Resources and Employment Relations
- Marketing
- Professional Accounting
- Public Policy

Requirements

There are three entry pathways.

Pathway One

A bachelor's degree, or an equivalent qualification, as recognised by UWA, and one of the following:

- (a) the equivalent of a UWA weighted average mark of at least 60 per cent;
- or
- (b) a valid Graduate Management Admission Test (GMAT)¹ with a score of at least 550;
- or
- (c) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course requirements.

¹ GMAT scores are valid for five years.

Pathway Two

A UWA graduate certificate which articulates with this course with a weighted average mark of at least 65 per cent.

Pathway Three

A graduate certificate or equivalent from an equivalent and accredited course from another institution, with a weighted average mark of at least 70 per cent.

Master of Business Administration Full Time Intensive

study.uwa.edu.au/mba-full

UWA course code: 43520

CRICOS code: 081415F

Duration: 1 year

Intake period: January

Mode of study: coursework and dissertation

2018 tuition fee (per year):

AUD\$73,500

Course description

The MBA Full Time Intensive is a 12-month course designed to equip experienced professionals with the leadership and management skills to transform their careers.

The course includes a tailored personal and career development program, in-depth contact with industry and senior executives and a choice of two specialist focus areas: Leadership or Finance. A generous range of scholarships is available.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (b) a satisfactory personal statement and two satisfactory references;
- and (c) or (d)*
- (c) a valid Graduate Management Admission Test (GMAT) score and at least three years of relevant, documented professional experience;
- (d) a valid GMAT¹ score of at least 650 and at least two years of relevant, documented professional experience.

Eligible applicants will be short-listed and ranked according to their GMAT score. The highest-ranked candidates will be interviewed. UWA determines the proportion of candidates to be interviewed, depending on the number of eligible applications.

Interviewed applicants are assessed based on demonstrated leadership potential and offers are made to applicants who achieve a satisfactory interview.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).

¹ GMAT scores are valid for five years.

Master of Business Administration Flexible

study.uwa.edu.au/mba-flex

UWA course code: 42520

CRICOS code: 046894K

Duration: 16 months

Intake period: January, May, August

Mode of study: coursework

2018 tuition fee: AUD\$73,500¹

Course description

The MBA Flexible includes core studies in all the principal areas of business: accounting and finance, economics, management, marketing, strategy and decision making. A wide range of option units is available in areas including entrepreneurship and innovation, finance, leadership, natural resource management and social impact.

In addition, you can choose to participate in extracurricular networking and professional development activities.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA, and at least three years of relevant documented professional experience;
- and*
- (i) the equivalent of a UWA weighted average mark of at least 60 per cent; *or*
- (ii) a valid Graduate Management Admission Test (GMAT)² score of at least 550; *or*
- (iii) at least two additional years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
- or*
- (b) a graduate certificate that articulates with this course with the equivalent of a UWA weighted average mark of at least 65 per cent; *or*
- (c)
- (i) a Graduate Certificate in Business, or an equivalent accredited post-experience qualification; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 70 per cent.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).

¹ Total tuition fee for 16 months.

² GMAT scores are valid for five years.

Note: Applicants must provide a CV, Personal Statement and two referee reports.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Graduate Certificate in Business

study.uwa.edu.au/gc/business

UWA course code: 41210

CRICOS code: 089264G

Duration: 4 months

Intake period: January, May, August

Mode of study: coursework

2018 tuition fee: AUD\$24,500

Course description

This course offers experienced professionals with or without a first degree the opportunity to complete a postgraduate qualification and enhance their management skills. You are equipped with knowledge in the principal areas of business. The course consists of four units, covering topics in accounting, economic management, marketing, and organisational behaviour. The Graduate Certificate in Business can serve as an entry pathway to the MBA Flexible.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and at least three years of relevant, documented professional experience; *and*
- (i) the equivalent of a UWA weighted average mark of at least 60 per cent; *or*
- (ii) a valid Graduate Management Admission Test (GMAT) score of at least 550¹; *or*
- (iii) at least two additional years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
- or*
- (b) at least eight years of relevant, documented professional experience considered by UWA (following an interview and assessment process) to be sufficient to permit satisfactory completion of the course.

¹ GMAT scores are valid for five years.

Master of Professional Accounting

study.uwa.edu.au/m/prof-accounting

UWA course code: 40610

CRICOS code: 063104D

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$41,500

Course description

The Master of Professional Accounting provides training in the technical aspects of the preparation of accounting data; develops your skills in the application of accounting information to solve problems and make decisions; and develops knowledge and skills in related professional disciplines such as finance, taxation, auditing and management.

The course is recognised by CPA Australia, the Institute of Chartered Accountants in Australia and New Zealand, and the Institute of Public Accountants.

Graduates who hold an undergraduate degree in Accounting should seek advice from the Business School before applying for this course.

Requirements

Refer to the standard requirements on page 37.*

* 1.5 years with relevant undergraduate degree.

Master of Business Information and Logistics Management

study.uwa.edu.au/m/business-info-mgt

UWA course code: 41670

CRICOS code: 064935A

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$38,300

Course description

The Master of Business Information and Logistics Management develops and expands your skills in enterprise systems requirements, managing and strategically aligning supply chains, analysing organisational data for business intelligence, managing and leading ICT infrastructure projects, and applying emerging technologies across the enterprise.

Requirements

Refer to the standard entry requirements on page 37.*

* 1.5 years with relevant undergraduate degree.

Graduate Certificate in Commerce

study.uwa.edu.au/gc/commerce

UWA course code: 41280

CRICOS code: 089265F

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$18,900

Course description

The course is comprised of 10 units in a variety of disciplines, students complete four units. This is a standalone qualification, and can also serve as an entry point into the Master of Commerce. This course is ideal for graduates who do not hold an undergraduate degree in business.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
- (b) at least eight years of relevant, documented, professional experience considered by UWA (following an interview and assessment process by the Faculty) to be sufficient to permit satisfactory completion of the course.

Master of Commerce

study.uwa.edu.au/m/commerce

UWA course code: 41680

CRICOS code: 083272M

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$38,300

Course description

The Master of Commerce includes core studies in all the principal areas of business: accounting, economics, management, marketing, global business and ethics, as well as a range of specialisations and option units.

This course is suitable for both business and non-business graduates wishing to gain advanced skills across a broad range of business areas.

Specialisations

Choose from the following specialisations:

- Accounting
- Business Information and Logistics Management
- Economics
- Employment Relations
- Finance
- Human Resource Management
- Management
- Marketing

Requirements

Refer to the standard requirements on page 37.*

* 1.5 years with relevant undergraduate degree.

Master of Economics

study.uwa.edu.au/m/economics

UWA course code: 42620

CRICOS code: 003091A

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$37,800

Course description

The course is designed for those who seek to build upon their existing economics qualifications. Many Master of Economics graduates choose to pursue careers as economic researchers and decision makers, often finding employment in government departments, banks and other major institutions.

Topics covered include microeconomics, macroeconomics, international economics, financial economics, resource economics, public economics, quantitative economics, economic history and economic development.

Requirements

- (a) a bachelor's degree with a major in economics, or an equivalent qualification as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent;

or

- (b) a Graduate Diploma in Economics, or an equivalent qualification as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent.

* 1.5 years with relevant undergraduate degree.

Master of Applied Finance

study.uwa.edu.au/m/appl-finance

UWA course code: 42560

CRICOS code: 083270B

Duration: 2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,900

Course description

The Master of Applied Finance is a practical course designed for graduates who seek a career in finance.

The curriculum is designed to complement the Chartered Financial Analyst (CFA) program. Candidates preparing for the CFA qualification are encouraged to enrol in the Master of Applied Finance as a preparatory course.

Requirements

Refer to the standard entry requirements on page 37.*

* 1.5 years with relevant undergraduate degree.

Master of Human Resources and Employment Relations

study.uwa.edu.au/m/hr-relations

UWA course code: 41660

CRICOS code: 083269F

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$37,800

Course description

The Master of Human Resources and Employment Relations (HRER) provides you with the specialist knowledge and expertise to work in human resource management or related fields such as industrial relations, recruitment, employee development or human resources planning.

Topics include broad introductory units in HRER, together with specialised units in areas such as assessment and selection, strategic human resource management, negotiation, managing workplace diversity, and international employment relations.

Requirements

Refer to the standard requirements on page 37.*

UWA will also consider a Graduate Certificate in Business or equivalent from an equivalent and accredited course with a weighted average mark of at least 70 per cent.

* 1.5 years with relevant undergraduate degree.

Master of Marketing

study.uwa.edu.au/m/marketing

UWA course code: 41690

CRICOS code: 018133F

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$37,800

Course description

The course is suitable for marketing professionals and also those who seek to move into this field.

Topics covered in this course include advertising, company strategy, competitive analysis and value creation. You also have the opportunity to undertake projects for real-life organisations. Some of our students have worked with companies including Coles, Google, Microsoft, Rio Tinto, Tourism WA, Transperth and Westpac.

Requirements

Refer to the standard requirements on page 37.*

* 1.5 years with relevant undergraduate degree.

Graduate Certificate in Public Policy

study.uwa.edu.au/gc/public-policy

UWA course code: 42280

CRICOS code: 095760G

Duration: 0.5 years

Intake period: February (full-time or part-time), July (part-time only)

Mode of study: coursework

2018 tuition fee: AUD\$18,900

Course description

The Graduate Certificate in Public Policy is designed to give graduate students an understanding of the role of the government in economic activity and public policy decision making. Students undertake a specialisation in either Economics or Public Administration and Governance. It focuses on how the government interacts with the economy through, for example: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Students who successfully complete the graduate certificate may be eligible to progress into the Master of Public Policy with full credit for completed units.

Requirements

A bachelor's degree, or an equivalent qualification, as recognised by UWA; and either:

- (a) the equivalent of a UWA weighted average mark of at least 60 per cent;
- or
- (b) a valid Graduate Management Admission Test (GMAT) score of at least 550*; or
- (c) at least five years of relevant, documented professional experience considered by UWA (following an interview and assessment process) to be sufficient to permit satisfactory completion of the course.

* GMAT is valid for 5 years.

Master of Public Policy

study.uwa.edu.au/m/public-policy

UWA course code: 42580

CRICOS code: 093562G

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$37,800

Course description

This course gives you a multidisciplinary understanding of the role of government in economic activity and public policy decision making. The course focuses on how government interacts with the economy and society. Topics include: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Graduates are equipped for a variety of jobs, including policy analysts and managers in the public sector.

You may choose to complete specialisations in Economics or Public Administration and Governance, or both.

Requirements

Refer to the standard requirements on page 37.*

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710

CRICOS code: 078212K

Duration: 2 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$45,500

Course description

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 6.5 (minimum of 6.5 in reading and writing and no other band lower than 6.0).

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810

CRICOS code: 003319G

Duration: 4 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$45,500

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest, as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 6.5 (minimum of 6.5 in reading and writing and no other band lower than 6.0).

Master of Research

handbooks.uwa.edu.au/master-research

UWA course code: 00720

CRICOS code: 097188C

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$39,300

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Graduate School of Education

UWA's Graduate School of Education maintains a tradition of excellence in both teaching and research. We offer world-class postgraduate courses for future teachers, current teachers and research candidates, and our graduates take on leadership roles in education all over the world.

We produce the highest quality graduates for global and local settings through our outstanding teaching and supervision, comprehensive support, and the fine balance of theory and practice in our courses.

Unless otherwise stated, all courses are held on the Perth campus.

"The academics at UWA are leading experts in the field. The supervisors of my doctoral thesis—which is about school leadership in Indonesia—are very experienced and have provided clear direction, guidance and professional support. My degree has prepared me with the expert knowledge to succeed in international education."

study.uwa.edu.au/mr/education

UWA course code: 31700

CRICOS code: 003029G

Duration: 1.5 years

Intake period: February, July

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$31,600

Course description

The delivery arrangements for this research-based course are flexible and are aligned with the needs of those in full-time professional or management careers.

You are provided with comprehensive preparation in conceptualising, conducting and reporting research in education, and are encouraged to pursue coursework and research in your own particular area of interest.

Requirements

To be considered for admission to this course an applicant must have the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the School; or the requirements set out in (d) or (e):

- (a)
- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) completed a postgraduate course in education requiring at least one year of full-time study; *and*
 - (iii) either two years' full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or

(b)

- (i) the Bachelor of Education of this University; *and*
- (ii) either two years' full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

or

(c)

- (i) a degree requiring at least four years of full-time study; *and*
- (ii) two years' full-time professional experience in the field of education; *and*
- (iii) adequate research preparation demonstrated to the satisfaction of the School;

or

- (d) a graduate diploma of this University that articulates with the Master of Education with an average of at least 65 per cent in three coursework units including a mark of at least 65 per cent in EDUC5631 Approaches to Research;

or

(e)

- (i) completed at least three units towards a graduate diploma that articulates with the Master of Education; *and*
- (ii) completed units relevant to the requirements of the masters course; *and*
- (iii) achieved an average mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

English language requirement: IELTS (Academic) 7.5 (no band less than 6.5). Applicants presenting with the Pearson Test of English (PTE) (Academic) require an overall score of at least 70 and no sub-score less than 64.

Master of Education

study.uwa.edu.au/m/education

UWA course code: 30580

CRICOS code: 003029G

Duration: 1 year

Intake period: February, July

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$31,600

Course description

The Master of Education introduces you to theory as well as national and international educational practices. You can then connect these considerations with your own experiences to broaden your knowledge and improve your skills. The course also presents an opportunity to select an area of specialisation while maintaining sufficient flexibility for tailoring to your individual needs. The course delivery arrangements are flexible and particularly suited to the requirements of people in full-time careers.

Requirements

(a)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) a relevant postgraduate degree requiring at least one year of full-time study, or an equivalent qualification; *and*
- (iii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;

or

(b)

- (i) a Bachelor of Education, or an equivalent qualification, as recognised by UWA; *and*
- (ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;

or

(c)

- (i) a degree requiring at least four years of full-time study; *and*
- (ii) at least two years of relevant full-time professional experience; *and*
- (iii) evidence of adequate research preparation;

or

(d)

- (i) a graduate diploma that articulates with the Master of Education.

English language requirement: IELTS (Academic) 7.5 (no band less than 6.5) applicants presenting with the PTE Academic requiring an overall score of at least 70, with no sub-score less than 64.

Doctor of Education

study.uwa.edu.au/d/education

UWA course code: 30810

CRICOS code: 015857E

Duration: 3 years

Intake period: February

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$34,200

Course description

This professional doctorate program is designed for research-orientated individuals working in educational roles who seek to make a contribution to knowledge in the context of professional practice. You develop substantial content knowledge in areas related to the kinds of career positions and pathways that you might pursue, along with knowledge of research principles and methods applicable to the field of learning.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Requirements

(a)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA in a relevant field with first or upper second class honours, or equivalent; *or*
- (ii) a master's degree, or an equivalent qualification, as recognised by UWA in a relevant field with an average of at least 70 per cent, and adequate research preparation as prescribed in University Policy, or equivalent;

and

- (b) the equivalent of at least two years' full-time professional educational experience.

- (c) A student who has completed the doctoral coursework component with an average mark of 65 per cent and with a mark of at least 65 per cent in EDUC9973 Research Paradigms: Doctoral Project Report is permitted to proceed to the Doctoral Thesis unit.

Master of Educational Leadership

study.uwa.edu.au/mr/education-leadership

UWA course code: 31650

CRICOS code: 064891G

Duration: 1.5 years

Intake period: February, July

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$31,600

Course description

This course is aimed at educators who are either current or aspiring leaders in their organisations.

You are introduced to theory in national and international educational practices, and encouraged to connect these considerations with your own experiences through the sharing of ideas and information. The course provides you with comprehensive preparation in conceptualising, conducting and reporting research, especially as applied to the substantive area of educational leadership.

Requirements

To be considered for admission to this course an applicant must have the requirements set out in (a), (b) or (c) which follow or the equivalent as recognised by the School; or the requirements set out in (d) or (e):

(a)

- (i) a bachelor's degree or equivalent as recognised by UWA; *and*
- (ii) a postgraduate course in education requiring at least one year of full-time study; *and*
- (iii) either two years' full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;

- or
(b)
- (i) a Bachelor of Education or equivalent as recognised by UWA; *and*
 - (ii) either two years' full-time relevant professional experience or adequate research preparation demonstrated to the satisfaction of the School;
- or
(c)
- (i) a degree requiring at least four years of full-time study; *and*
 - (ii) two years' full-time professional experience in the field of education; *and*
 - (iii) adequate research preparation demonstrated to the satisfaction of the School;
- or
(d) a graduate diploma that articulates with the Master of Educational Leadership with an average of at least 65 per cent in three coursework units including a mark of at least 65 per cent in EDUC5631 Approaches to Research;
- or
(e)
- (i) completed at least three units towards a graduate diploma that articulates with the Master of Educational Leadership or towards another relevant graduate diploma of the Faculty; *and*
 - (ii) completed units relevant to the requirements of the masters course; *and*
 - (iii) achieved an average mark of at least 65 per cent in three coursework diploma units including a mark of at least 65 per cent in EDUC5631 Approaches to Research.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Educational Leadership

studyat.uwa.edu.au/m/edu-leadership

UWA course code: 30520

CRICOS code: 003088G

Duration: 1 year

Intake period: February, July

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$31,600

Course description

This course is aimed at professionals and researchers in education, and led by experts in the field of educational leadership. The course introduces you to theory as well as national and international educational practices. You can then connect these considerations with your own experiences and, through dialogue and the sharing of ideas and information, broaden your knowledge and enhance your capabilities.

The course also provides an opportunity for you to develop specialised research skills as a foundation for further professional investigation in the substantive area of educational leadership.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a)
- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) a relevant postgraduate degree requiring at least one year of full-time study, or an equivalent qualification; *and*
 - (iii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;

or

- (b)
- (i) a Bachelor of Education, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) at least two years of relevant full-time professional experience or evidence of adequate research preparation;
- or
(c)
- (i) a degree requiring at least four years of full-time study; *and*
 - (ii) at least two years of relevant full-time professional experience; *and*
 - (iii) evidence of adequate research preparation;
- or
(d) a graduate diploma that articulates with the Master of Educational Leadership.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710

CRICOS code: 078267F

Duration: 2 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$34,200

Course description

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810

CRICOS code: 003318J

Duration: 4 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$34,200

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5).

Master of Research

handbooks.uwa.edu.au/master-research

UWA course code: 00720

CRICOS code: 097189B

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$34,200

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Graduate Certificate in Studies

study.uwa.edu.au/gc/studies

UWA course code: 00200

CRICOS code: 089507D

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$18,650

Course description

This course is designed for graduates who have diverse personal, academic and/or professional interests and want to pursue those interests through postgraduate study. The Graduate Certificate in Studies articulates with the Master of Studies and allows students to complete four units (24 points) at postgraduate level from any discipline. This is an opportunity to study different areas of personal or professional interest before you consider a Master of Studies.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

Master of Studies

study.uwa.edu.au/m/studies

UWA course code: 00500

CRICOS code: 089501K

Duration: 1.5 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$37,300

Course description

This course is designed for graduates who have diverse personal, academic and/or professional interests and want to pursue those interests through postgraduate study.

Requirements

Applicants must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

Master of Teaching

study.uwa.edu.au/m/teaching-early-child

study.uwa.edu.au/m/teaching-primary

UWA course code: 31520

CRICOS code: 077502G

Duration: 2 years

Intake period: February

Mode of study: coursework

2018 tuition fee (per year): AUD\$31,600

Course description

This course prepares university graduates for a rewarding career in teaching. By studying a teaching degree at UWA you gain valuable practical experience in our many partner schools and work with outstanding lecturers who integrate theory and practice across learning areas.

Specialisations

Choose from the following specialisations:

- Early Childhood
- Primary

Early Childhood

Early childhood teachers play a critical role in preparing young children for lifelong learning, personal wellbeing and participation in society. This course places a strong emphasis on in-depth knowledge of the research, theory and practical skills required of educators in early childhood settings, from birth to the lower primary years.

The Master of Teaching (Early Childhood) qualifies you to work in government and non-government schools, both in Australia and internationally, as well as in a range of other early childhood settings such as childcare centres.

Primary

Primary teachers are pivotal in helping children build strong foundations and confidence in their learning. This course provides in-depth knowledge on how to support children in their development of knowledge, understanding and skills across a range of learning areas. The Master of Teaching (Primary) qualifies you to teach in primary schools.

Requirements

- (1)
 - (a) a bachelor's degree, or an equivalent¹ qualification;
 - and
 - (b)
 - (i) at least one year of the bachelor's degree relevant to one or more learning areas in the Early Childhood or Primary school curriculum for applicants who wish to major in Early Childhood or Primary Teaching respectively.
- (2) Applicants who have a bachelor's degree in education, or an equivalent qualification, are not eligible for admission.
- (3) Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.5, with no sub-score less than 7.0, and no less than 8.0 in speaking and listening. Applicants presenting with the Cambridge English: Advanced (CAE) require an overall grade of B or above, with a score of 'exceptional' for listening and speaking, and at least 'good' for reading and writing.
- (4) Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada,

the United Kingdom and the United States of America must provide evidence of English language competence in accordance with the requirements of the Teacher Registration Board of Western Australia.

- (5) An English bridging course is not regarded as evidence of English language competence.
- (6) International students must obtain a Criminal Record Check from their country of origin or recent residence.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.0 in reading and writing and 8.0 in listening and speaking).

Note: Applicants must also provide a personal statement at the point of application.

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.

¹ The equivalent qualification must be at a level of academic achievement considered by UWA to be sufficient to permit satisfactory completion of the course. The equivalent of a UWA weighted average mark of at least 60 is used as a guide to decision making, however, admission to the course is competitive.

Master of Teaching (Secondary)

study.uwa.edu.au/m/teaching-secondary

UWA course code: 32550

CRICOS code: 095238C

Duration: 2 years

Intake period: February

Mode of study: coursework

2018 tuition fee (per year): AUD\$31,600

Course description

This course prepares university graduates for a rewarding career in teaching. Candidates must have a degree with a major in the subject that they want to teach and which can be found in the school curriculum. This course aims to graduate highly skilled professionals who have the key practical skills required for effective secondary teaching, informed by current theory and research. As there is a severe shortage of secondary Mathematics and Physics teachers in Australian schools, we particularly encourage students with qualifications in those areas to consider a career in teaching.

Requirements

- (1)
 - (a) a bachelor's degree, or an equivalent¹ qualification;
 - and
 - (b) a major relevant to secondary teaching curriculum majors offered by UWA; and
 - (c) the equivalent of a UWA weighted average mark of at least 60 per cent.
- (2) Applicants who have a bachelor's degree in education, or an equivalent qualification, are not eligible for admission.
- (3) Applicants with qualifications from institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7.5, with no sub-score less than 7.0, and no less than 8.0 in speaking and listening. Applicants presenting with the Cambridge English: Advanced (CAE) require an overall grade of B or above, with a score of 'exceptional' for listening and speaking, and at least 'good' for reading and writing.
- (4) Applicants with qualifications gained wholly in English from countries other than Australia, New Zealand, the Republic of Ireland, Canada, the United Kingdom and the United States

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

of America must provide evidence of English language competence in accordance with the requirements of the Teacher Registration Board of Western Australia.

- (5) An English bridging course is not regarded as evidence of English language competence.
- (6) International students must obtain a Criminal Record Check from their country of origin or recent residence.

English language requirement: IELTS (Academic) 7.5 (minimum of 7.0 in reading and writing and 8.0 in listening and speaking).

Note: Applicants must also provide a personal statement at the point of application.

A National Criminal Record Check and a Working with Children Clearance must be presented to the Graduate School of Education before any student undertakes a professional practice unit.

¹ The equivalent qualification must be at a level of academic achievement considered by UWA to be sufficient to permit satisfactory completion of the course. The equivalent of a UWA weighted average mark of at least 60 is used as a guide to decision making, however, admission to the course is competitive.

Law School

The UWA Law School has a proud history of 90 years of excellence in legal education, scholarship and research. As a graduate of the UWA Law School you join the ranks of more than 7000 alumni who have achieved extraordinary success in a range of careers. UWA graduates include solicitors, barristers and magistrates; District, Supreme and High Court judges; politicians, including a former Australian prime minister; CEOs; in-house counsel of large national and international corporations; banking, finance and taxation specialists; environmentalists; human rights activists; and leaders of national and international NGOs.

The UWA Law School's suite of postgraduate courses aims to meet the needs of law and non-law graduates wishing to either become a lawyer or develop specialist legal expertise. Our flagship course, the Juris Doctor, prepares students with the knowledge and skills necessary to become the lawyer they want to be and that the world needs.

Unless otherwise stated, all courses are held on the Perth campus.

"The course helped me gain a larger perspective of international law, which I can use in my current job, where I deal with international tenders and contracts. The new knowledge I acquired from my course has also increased the possibilities to work abroad."

Graduate Diploma in Chinese Business Law

study.uwa.edu.au/gd/chinese-business-law

UWA course code: 20390

CRICOS code: 084670M

Duration: 0.5 years

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$18,650

Course description

The course provides you with a comprehensive and advanced knowledge of how to conduct business in China and how to deal with legal and cultural issues in Chinese commercial and economic relations with foreign traders. The course offers an optional China engagement trip.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d)

- (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; *and*
- (ii) at least two years of relevant professional experience.

Master of Commercial and Resources Law

study.uwa.edu.au/m/comm-resources-law

UWA course code: 20560

CRICOS code: 047155D

Duration: 1 year

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$37,300

Course description

The course prepares both legal and non-legal professionals with the knowledge and skills for a future in the resources sector. You attain a strong understanding of regulatory frameworks relevant to the resources sector as well as commercial and corporate issues of concern to industry. Topics include oil, gas, mining and energy law, water resources, climate change and environmental law, as well as a number of corporate and commercial subjects.

Requirements¹

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d) completed 24 points of the Graduate Diploma in Commercial and Resources Law of this University with a UWA weighted average mark of at least 60 per cent.²

¹ A cognate area for the Master of Commercial and Resources Law includes Business, Commerce, Finance, Natural Resources, Law and similar disciplines.

² Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Graduate Diploma in International Law

study.uwa.edu.au/gd/int-law

UWA course code: 21320

CRICOS code: 083851C

Duration: 0.5 years

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$18,650

Course description

Taught by a team of international experts, this course is suited to both the current law practitioner and those pursuing a career relevant to international law in government, non-government and private. The course is available to both law and non-law graduates.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d)

- (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; *and*
- (ii) at least two years of relevant professional experience.

English language requirements

All UWA Law courses (except the Juris Doctor and research courses) share the following English language requirements:

IELTS (Academic) overall score minimum of 7.0, no band less than 6.5 (must include Academic Reading and Writing modules).

Master of International Law

study.uwa.edu.au/m/int-law

UWA course code: 21520

CRICOS code: 083868E

Duration: 1 year

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$37,300

Course description

Taught by a team of international experts, you develop a sound understanding of the theory and practice of international law and how international institutions work. The course is available to law and non-law graduates and is suited to current law practitioners and those pursuing a career relevant to international law in government, non-government and private institutions. Study begins with core units in the foundations of international law, theory, method and contemporary issues, as well as international foundations of public international law. You can then specialise by electing units from areas such as criminal, human rights, environmental, oil and gas and World Trade Organisation law, as well as electing a research option which provides a pathway to further studies.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification;

or

(i)

a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*

(ii)

the equivalent of a UWA weighted average mark of at least 65 per cent;

or

(b)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(c)

- (i) completed 24 points of the Graduate Diploma in International Law of this University;¹ *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(d) completed at least 48 points towards a Master of International Relations of this University.

¹ Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of International Relations and Master of International Law

study.uwa.edu.au/m/int-law-int-relations

UWA course code: 21540

CRICOS code: 086296A

Duration: 2–2.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$35,200

Course description

The combined Master of International Relations and Master of International Law offers the opportunity to develop an advanced understanding of both the politics and mechanisms of international affairs. Suited to both lawyers and non-lawyers, this program is for those who wish to further their careers in a range of sectors requiring international expertise. Students acquire both qualifications in a shorter time frame than if undertaking them individually through the granting of advanced standing of key relevant units.

Requirements

To be eligible for admission, an applicant must meet the admission requirements for each course.

Applicants must meet the admission requirements for both the Master of International Relations (see page 65) and the Master of International Law (see page 45).

Students who complete 48 points of credit towards the Master of International Relations are not required to meet the IELTS of 7.5 for the Master of International Law.

Graduate Diploma in International Commercial Law

study.uwa.edu.au/gd/int-comm-law

UWA course code: 21310

CRICOS code: 083849G

Duration: 0.5 years

Intake period: throughout the year

(f)

- completed at least 48 points towards a Master of Commerce (41680) of this university.

¹ Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of Commerce and Master of International Commercial Law

studyat.uwa.edu.au/m/commerce-int-commercial-law

UWA course code: 43550

CRICOS code: 088011C

Duration: 2–2.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$37,500

Course description

Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to attain two sought-after qualifications in a shorter time frame and less than if they were undertaking the two courses individually.

By undertaking both degrees you learn how to conduct commerce and gain an understanding of the legal framework for how commerce is regulated, enabling you to gain a 360 degree perspective and positioning you as an authority in the field.

Requirements

Applicants must meet the admission requirements for both the Master of Commerce (see page 38) and Master of International Commercial Law (see page 46).

Graduate Diploma in Law, Policy and Government

study.uwa.edu.au/gd/law-policy-gov

UWA course code: 21340

CRICOS code: 083852B

Duration: 0.5 years

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$18,650

Course description

The course provides you with an advanced understanding of socio-legal theory and policy development and is suited to those looking to build a career in the public sector, working as legal practitioners or those in the private industry where their role intersects with government approval, regulation and compliance.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d)

- (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; *and*
- (ii) at least two years of relevant professional experience.

Master of Law, Policy and Government

study.uwa.edu.au/m/law-policy-gov

UWA course code: 21530

CRICOS code: 083871K

Duration: 1 year

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$37,300

Course description

This course aims to provide students with an advanced understanding of socio-legal theory, policy development and the skills required to work in or with governments. It is suited to those looking to build a career in the public sector, working as legal practitioners or those in the private industry where their role intersects with government approval, regulation and compliance. The course combines theory with more practically-oriented units. Study begins with foundational courses in law, policy and socio-legal theory. Students can then tailor their study through elective units to focus on policy areas of interest such as crime and justice, medicine and law, international law or governance. Students can also elect to undertake a research option which provides a pathway to doctoral studies, or to higher-level research roles in employment.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d)

- (i) completed 24 points of the Graduate Diploma in Law, Policy and Government of this University;¹ *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent.

¹ Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of Mining and Energy Law

study.uwa.edu.au/m/mining-energy-law

UWA course code: 20550

CRICOS code: 091153G

Duration: 1 year

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$37,300

Course description

The course has been designed to provide legal and non-legal professionals the expertise to pursue careers in the mining and energy industries by exposure to units focusing on the law relevant

to these industries. You learn about petroleum law, mining law, corporate governance and the agreements used in the petroleum industry.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d)

- (i) completed 24 points of the Graduate Diploma in Mining and Energy Law of this University;¹ *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent.

¹ Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Graduate Diploma in Natural Resources Law

study.uwa.edu.au/gd/nat-res-law

UWA course code: 21360

CRICOS code: 095412E

Duration: 0.5 years

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$18,650

Course description

All students study a foundation unit in law governance. Students also choose three option units, from topics such as mining law, climate change, oil and gas project development, heritage, water resources, and international shipping.

Students who successfully complete the diploma may be eligible to progress into the Master of Mining and Energy Law or Master of Commercial and Resources Law, with full credit for completed units.

Requirements

(a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;

or

(b)

- (i) a bachelor's degree in a cognate area, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

(c)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; *and*
- (iii) at least two years of relevant professional experience;

or

(d)

- (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; *and*
- (ii) at least two years of relevant professional experience.

English language requirements

All UWA Law courses (except the Juris Doctor and research courses) share the following English language requirements:

IELTS (Academic) overall score minimum of 7.0, no band less than 6.5 (must include Academic Reading and Writing modules).

Juris Doctor and research English language requirements:

IELTS (Academic) overall score minimum of 7.5, (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

For the most up-to-date information visit study.uwa.edu.au/elc.

Graduate Diploma in Taxation Law

study.uwa.edu.au/gd/taxation-law

UWA course code: 21350

CRICOS code: 088238F

Duration: 0.5 years

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee (per year): AUD\$18,650

Course description

This advanced program is designed to give tax professionals the expertise necessary to specialise in the complex and varied field of taxation law.

Students have the option of specialising in either domestic or international tax law and develop an advanced understanding of the technicalities of tax law in a range of specialist areas.

Requirements

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA, in a cognate area, which includes an element in Taxation Law;

or

(b)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA, in a cognate area; *and*
- (ii) at least six months of relevant professional experience;

or

(c)

a level and duration of education, as well as at least two years of professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

Master of Taxation Law

study.uwa.edu.au/m/taxation-law

UWA course code: 21550

CRICOS code: 088236G

Duration: 1 year

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee (per year): AUD\$37,300

Course description

This advanced program is designed to give tax professionals the expertise necessary to specialise in the complex and varied field of taxation law.

Students have the option of specialising in either domestic or international tax law and develop an advanced understanding of the technicalities of tax law in a range of specialist areas. Subjects covered include international tax, resource tax, advanced capital gains and corporate tax, taxation of trusts and transfer pricing.

Requirements

- (a) (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA, in a cognate area, which includes an element in Taxation Law; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

- (b) (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA, in a cognate area; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; *and*
- (iii) at least six months of relevant professional experience;

or

- (c) completed the units for the Graduate Diploma in Taxation Law corresponding to the appropriate specialisation.

Graduate Diploma in Legal Practice

study.uwa.edu.au/gd/legal-practice

UWA course code: 20350

CRICOS code: 013804A

Duration: 1.5–2 years¹

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$37,300

Course description

Designed as a bridging course for overseas lawyers, the course is only available to those who have fulfilled the requirements of a law degree, have been admitted to practice (usually in another country) and have been advised by the Legal Practice Board of Western Australia to undertake extra units of study to be admitted to practice in Western Australia.

Requirements

- (a) a Juris Doctor or Bachelor of Laws, or equivalent as recognised by UWA; *and*
- (b) an assessment of this qualification by the Legal Practice Board of Western Australia that outlines which units are required to practice.

¹ Duration may vary depending on the qualification assessment by the Legal Practice Board of Western Australia.

Graduate Diploma in Law

study.uwa.edu.au/gd/law

UWA course code: 20320

CRICOS code: 026880D

Duration: 0.5 years

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$18,650

Course description

The Graduate Diploma in Law is available to graduates with a recognised law degree who seek to advance their knowledge of the law.

The diploma can articulate into the master's course. For more information, see page 17.

Requirements

- (a) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA; *or*
- (b) (i) a level and duration of education considered by UWA to be sufficient to permit satisfactory completion of the course; *and*
- (ii) at least two years of relevant professional experience.

Master of Laws

study.uwa.edu.au/m/laws

UWA course code: 20500

CRICOS code: 003308M

Duration: 1 year

Intake period: throughout the year

Mode of study: coursework

2018 tuition fee: AUD\$37,300

Course description

This highly flexible course is designed for law graduates interested in pursuing advanced studies in law and familiarises graduates with recent developments in law.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) (i) a Juris Doctor or Bachelor of Laws, or equivalent, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;

or

- (b) completed 24 points of the Graduate Diploma in Law of this University with a UWA weighted average mark of at least 60 per cent.¹

¹ Credit for units completed in the Graduate Diploma will only be given if the Graduate Diploma is not conferred.

Master of Business Administration and Master of Laws

study.uwa.edu.au/mba-laws

UWA course code: 43530

CRICOS code: 088010D

Duration: 2 years

Intake period: January

Mode of study: coursework

2018 tuition fee (per year): AUD\$49,000

Course description

Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to attain two sought-after qualifications. This course is suited to law graduates seeking to distinguish themselves in both law and business.

Requirements

Applicants must meet the requirements for the MBA Full Time Intensive (see page 37) and for the Master of Laws (see page 48).

Master of Business Administration and Master of International Commercial Law

study.uwa.edu.au/mba-int-commercial-law

UWA course code: 43540

CRICOS code: 088011C

Duration: 2 years

Intake period: January

Mode of study: coursework

2018 tuition fee (per year): AUD\$49,000

Course description

Through the cross-disciplinary expertise of the Law School and the Business School, graduates have the opportunity to attain two sought-after qualifications. This course is suited to both law and non-law graduates seeking to distinguish themselves in both law and business.

Requirements

Applicants must meet the requirements for the MBA Full Time Intensive (see page 37) and for the Master of International Commercial Law (see page 46).

Juris Doctor

study.uwa.edu.au/d/juris-doctor

UWA course code: 20820

CRICOS code: 089786C

Duration: 3 years

Intake period: February

Mode of study: coursework

2018 tuition fee (per year): AUD\$42,400

Course description

A professional practice coursework program for non-law graduates who are interested in obtaining the academic qualification necessary to practise law in Australia. The course focuses on legal skills, including drafting, legal research and advocacy.

For Juris Doctor application guidelines see page 50.

Requirements

- (1)
- (a) a relevant bachelor's degree or equivalent as recognised by UWA;
- (b) The Law School GPA will be calculated by removing the lowest marks from up to four units or the equivalent of the semester (0.5 FTE)

- of your undergraduate (bachelor) degree. The minimum level of study to be used to calculate the Law School GPA is 12 units (1.5 FTE).
- (c) the equivalent of a UWA Law School grade point average (GPA) of at least 5.5¹; and
- (d) Law School Admission Test (LSAT) score of at least 150, taken within five years prior to applying for admission to the course.
- (2) UWA Direct Pathway students are exempt from (1)(c).
- (3) To be considered for admission to this course via the Equity and Diversity Pathway an applicant must have;
- (a)
- (i) held a protection, refugee or humanitarian visa within seven years prior to applying for admission to this course; or
 - (ii) experienced significant personal, medical, social, educational, cultural or financial disadvantage or hardship, including any disadvantage or hardship resulting from an applicant's sexual orientation or gender identity that has had an effect on their prior academic studies;
- and
- (b) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
- and
- (c)
- (i) the equivalent of a UWA Law School GPA of at least 5.5 across all tertiary studies; or
 - (ii) the equivalent of a UWA Law School GPA of at least 5.0 across all tertiary studies; and a satisfactory LSAT score as determined by the JD selection committee (comprised of members nominated by the Dean of the UWA Law School) that places the student within the quota for this pathway.

Before admission, international students must obtain a criminal record check from their country of origin or recent residence.

English language requirement:

IELTS (Academic) overall score minimum of 7.5, (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

¹ The Law School GPA is calculated by removing the lowest marks from up to four units or the equivalent of the semester (0.5FTE) of your undergraduate (bachelor) degree. The minimum level of study to be used to calculate the Law School GPA is 12 units (1.5FTE).

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710

CRICOS code: 078210A

Duration: 2 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$34,200

Course description

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirements:

IELTS (Academic) overall score minimum of 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

Doctor of Juridical Science

study.uwa.edu.au/d/juridical-sci

UWA course code: 20810

CRICOS code: 024815G

Duration: 4 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$49,700

Course description

A professional research doctorate consisting of coursework units and a thesis. The program of study can be tailored to your area of interest.

Requirements

- (a) the Bachelor of Laws with first or upper second class honours; or an equivalent qualification, as recognised by UWA;
- or
- (b)
- (i) a Juris Doctor or Master of Laws, including a 12-point research project, or an equivalent qualification, as recognised by UWA; and
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent;
- or
- (c)
- (i) a bachelor's degree in law, or an equivalent qualification, as recognised by UWA; and
 - (ii) evidence of adequate research preparation as recognised by UWA; and
 - (iii) at least two years of relevant professional experience.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810

CRICOS code: 003316M

Duration: 4 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$34,200

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

English language requirement: IELTS (Academic) overall score minimum of 7.5 (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

English language requirements

All UWA Law courses (except the Juris Doctor and research courses) share the following English language requirements:

IELTS (Academic) overall score minimum of 7.0, no band less than 6.5 (must include Academic Reading and Writing modules).

Juris Doctor and research English language requirements:

IELTS (Academic) overall score minimum of 7.5, (minimum of 7.5 in reading and writing and 7.0 in listening and speaking).

For the most up-to-date information visit study.uwa.edu.au/elc.

Master of Research

handbooks.uwa.edu.au/master-research

UWA course code: 00720

CRICOS code: 097194E

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$34,200

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Juris Doctor application guidelines: about the Law School Admission Test (LSAT)

As part of the application process for the UWA Juris Doctor (JD), applicants are required to sit the Law School Admission Test (LSAT). The LSAT is an independent, international test administered by the Law School Admission Council (LSAC), which sends results directly to the UWA Law School.

The LSAT can be taken in any Australian capital city and in many countries around the world. Applicants should consult the LSAC website to confirm all registration and test date information as dates may vary depending on the centre location. Applicants who have taken the test within the last five years may use those results for admission purposes.

Do I have to sit the LSAT?

Applicants applying under the standard pathway for the UWA JD are required to have already sat or registered for the last LSAT of the calendar year, before applying. UWA Direct Pathway, Advanced Diploma in Indigenous Studies and some Equity and Diversity applicants are exempt from sitting the LSAT.

What can I expect in the LSAT?

The LSAT comprises five multiple-choice sections of 35 minutes each and a 35-minute writing sample. The writing sample does not contribute to the calculation of your LSAT score at UWA, although we receive this sample.

The LSAT has three types of questions:

- Reading comprehension
- Analytical reasoning
- Logical reasoning

Go to 'About the LSAT' on the LSAC website for a more detailed description of these three question types and what to expect in the LSAT. Information on how the questions in the LSAT are relevant in testing an applicant's aptitude to study law are also available.

How should I prepare for the LSAT?

In order to perform to your true ability, it is strongly recommended that you take the time to prepare for the LSAT. The LSAC website includes information on LSAT Preparation Materials, providing links to sample questions with explanations and a couple of sample LSAT tests.

Applicants are encouraged to download the sample LSAT test online and sit it under exam conditions to decide for themselves if further preparation is needed.

Where can I get more help to prepare for the LSAT?

Many bookshops stock LSAT preparation books which can be ordered online. These books are useful in assisting applicants to perform to their true ability. There is also plenty of material available online that provides tips for LSAT preparation.

Will the selection committee read my LSAT essay?

The UWA Law School Selection Committee will not use the LSAT essay when assessing applications.

When can I sit the LSAT?

The LSAT runs four times per year.¹ LSAT scores are valid for five years and the test can be taken three times in any two-year period. Further information is available on the LSAC website.

Can I resit the LSAT?

If you believe your test score does not reflect your true ability, you can resit the LSAT. Visit the LSAC website to check the number of times you are allowed to sit the test.

If I resit the LSAT, which score does the selection committee take into consideration?

The selection committee will note all your scores but will use your highest score when considering your application.

How does UWA retrieve my results?

You must include your eight-digit LSAC account number where indicated on the online application form. This allows us to download your LSAT scores directly from LSAC once results are released.

How do I register?

You can register for the LSAT online at the LSAC website at lsac.org/jd/choosing-a-law-school/australia.

¹ Admission deadlines should be taken into account when selecting your test date.

School of Design

The School of Design is dedicated to excellence in teaching, learning, practice and research in multiple aspects of building and visual culture, design and art.

Postgraduate coursework and research programs attract high-quality students from around the world seeking to advance scholarship in the disciplines of Architecture, Landscape Architecture, Urban Design, Art History and Visual Arts.

Areas of teaching and research strengths:

- Future cities
- Critical studies of the built environment
- Landscape urbanism
- Affordable and sustainable housing
- Innovative design technologies
- Urban history
- Australian visual culture
- Indigenous art
- Nineteenth and twentieth-century modernism
- Experimental art

Unless otherwise stated, all courses are held on the Perth campus.

"UWA is the closest Group of Eight university to Malaysia. The University has a great reputation, global connections and prestigious opportunities. The architecture course has equipped me with the knowledge and practical skills to become a well-rounded and accomplished professional architect in Malaysia."

Master of Architecture

study.uwa.edu.au/m/architecture

UWA course code: 25520

CRICOS code: 084738G

Duration: 2–3.5 years¹

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$36,700

Course description

The Master of Architecture emphasises the application of concepts to the design of specialised building projects, with a focus on context, environmental performance and sustainability. You complete core units in technology and practice and then direct your study within a range of option units in design, technical and critical studies streams.

Professional accreditation

This professionally accredited degree satisfies the academic requirements to become a registered architect and is recognised internationally by the Commonwealth Association of Architects (CAA) and the Canberra Accords.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent.

¹ Students admitted to the course having completed a undergraduate degree in Architecture will be required to complete two years of full-time or equivalent study. Students without an architectural background will complete up to 3.5 years of full-time or equivalent study.

Master of Architecture (Design)

study.uwa.edu.au/mr/architecture-design

UWA course code: 25760

CRICOS code: 058203K

Duration: 2 years

Intake period: throughout the year

Mode of study: research (creative work)

2018 tuition fee (per year): AUD\$34,700

Course description

The Master of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the schematic design of a building of major cultural significance.

Requirements

Applicants must have sufficient architectural design experience as determined by the Board on the recommendation of the Head of the School of Design.

Doctor of Architecture (Design)

study.uwa.edu.au/d/architecture-design

UWA course code: 25920

CRICOS code: 058202M

Duration: 3 years

Intake period: throughout the year

Mode of study: research (creative work)

2018 tuition fee (per year): AUD\$34,700

Course description

The Doctor of Architecture (Design) is a program of independent, supervised research leading to the presentation of an exhibition of architectural design equivalent in scope to the fully resolved design of a building of major cultural significance.

Requirements

Applicants must demonstrate that they have fulfilled the requirements of the University Policy on Adequate Research Preparation (**postgraduate. uwa.edu.au/schools/research-preparation**) and any other requirements for admission of the University, and

- (a)
- (i) have a bachelor's degree of this University or equivalent qualification, as recognised by UWA; or
 - (ii) have previously undertaken work, which in the Board's opinion is of a sufficiently high standard, towards a higher degree by research in this or another approved institution but has not submitted it for any degree; and have completed and had approved by the Board, on the recommendation of the supervisor and the School of Design, a Doctor of Architecture (Design) research proposal;
- or
- (iii) have the degree of bachelor of this University or equivalent qualification as recognised by UWA, and have, since graduation, completed at a satisfactory level a Higher Degree by Research Preliminary Program, or equivalent, in the subject area in which research is to be undertaken;
- and
- (b) have sufficient architectural design experience as determined by the Board on the recommendation of the School of Design.

Master of Building Information Modelling

study.uwa.edu.au/m/building-information-modelling

UWA course code: 25540

CRICOS code: 094494F

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$34,700

Course description

This course is aimed at advancing knowledge and skills acquired by experienced professionals in engineering, construction, quantity surveying, architecture, project management, and associated industries. The accelerated program extends your practice into powerful and valuable applications of digitally-based, data-rich building information models. You develop your potential to innovate creative and considered solutions for our technological, economic and built futures.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (ii) the equivalent of a UWA weighted average mark of at least 60 per cent; and
 - (iii) at least two years of relevant, documented professional experience;

or

(b)

- (i) a relevant bachelor's honours degree with first or second class honours, or an equivalent qualification, as recognised by UWA; and
- (ii) at least one year of relevant, documented professional experience; or
- (iii) a relevant professional master's degree, or an equivalent qualification, as recognised by UWA;

Relevant areas are: Architecture, Engineering, Quantity Surveying, Construction Management, Building and Project Management

Master of Curatorial Studies in Fine Arts

study.uwa.edu.au/mr/curatorial-studies-fa

UWA course code: 25770

CRICOS code: 077500K

Duration: 2 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$34,700

Course description

This specialist degree provides a high status and professional qualification suitable for graduates who seek a museum profession in Australia or overseas as curators, exhibition organisers or researchers.

The degree is run in collaboration with UWA museums and various external Western Australian public galleries providing students with direct experience in curatorial research and exhibition presentation.

Requirements

- (a) a bachelor's degree of this University requiring at least four years of full-time study, or the part-time equivalent, in a subject area considered to be relevant to curatorial studies, or the equivalent of this qualification as recognised by the Board;
and
(b) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

Master of Fine Arts

study.uwa.edu.au/mr/fine-arts

UWA course code: 25740

CRICOS code: 013801D

Duration: 2 years

Intake period: throughout the year

Mode of study: research (thesis and creative work)

2018 tuition fee (per year): AUD\$33,100

Course description

This specialist degree provides an internationally recognised academic qualification in the theory and practice of the fine arts.

The Master of Fine Arts (MFA) enables artists to pursue sustained individualised research that contributes to the understanding of current art practice and associated theories of contemporary culture.

The MFA assumes a high level of both theoretical and practical expertise, as well as a substantive understanding of key conventions in the discipline.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification as recognised by the Board;
and
(b) have completed the requirements for a qualification in Art Practice from a recognised tertiary institution, or be judged by the Board, having regard to the recommendation of the Head of the School of Design, to have equivalent practical expertise and professional standing;
and
(c) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

Master of Landscape Architecture

study.uwa.edu.au/m/landscape-architecture

UWA course code: 25550

CRICOS code: 074759G

Duration: 2–3 years

Intake period: February, July

Mode of study: coursework
or coursework and dissertation

2018 tuition fee (per year): AUD\$34,700

Course description

The Master of Landscape Architecture emphasises ecological, cultural and social concerns at global, regional and local levels. The degree requires completion of fully resolved projects including a developed design through independent research. Graduates achieve a range of high-level technical, analytical, design and communication skills to meet contemporary challenges.

Professional accreditation

This professionally accredited degree satisfies the academic requirements to become a registered landscape architect.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent.

¹ Students admitted to the course having completed an undergraduate major in Landscape Architecture will be required to complete two years of full-time or equivalent study. Students without a landscape architecture background will complete up to three years of full-time or equivalent study.

Master of Philosophy

study.uwa.edu.au/phil

UWA course code: 00710

CRICOS code: 078213J

Duration: 2 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$39,300

Course description

The Master of Philosophy is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810

CRICOS code: 003321C

Duration: 4 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$39,300

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Master of Research

handbooks.uwa.edu.au/master-research

UWA course code: 00720

CRICOS code: 097180M

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$39,300

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Graduate Certificate in Urban Design

study.uwa.edu.au/gc/urban-design

UWA course code: 25210

CRICOS code: 058209D

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$17,350

Course description

The Graduate Certificate in Urban Design provides you with a preliminary overview of the discipline of urban design and an introduction to its core practices, theories and methods. You complete one design studio unit and two core theory units.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification;
and
(b) the equivalent of a UWA weighted average mark of at least 60 per cent.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Graduate Diploma in Urban Design

study.uwa.edu.au/gd/urban-design

UWA course code: 25310

CRICOS code: 058210M

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$34,700

Course description

The Graduate Diploma in Urban Design offers a comprehensive overview of the theoretical and practical aspects of urban design. It also offers you some experience as individual designers and as participants in interdisciplinary groups assigned to working on the complex nature of urban design issues. You complete two design studio units and four theory units.

Requirements

- (a)
(i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 60 per cent;
or
(b) a Graduate Certificate in Urban Design, or an equivalent qualification, as recognised by UWA.

Master of Urban Design (Coursework and Dissertation)

study.uwa.edu.au/m/urban-design

UWA course code: 25530

CRICOS code: 074757J

Duration: 2 years

Intake period: February, July

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$34,700

Course description

The Master of Urban Design provides a focused first year of history, theory, implementation strategy and studio-based learning as a platform and contextual base to a final (second) year of independent research by design and/or dissertation.

The second year of independent supervised research by dissertation and/or design allows you to apply principles of urban design at an advanced level relevant to your area of expertise. You complete core units which include two design studios, four theory units and a research component.

Requirements

- (a)
 - (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;
 - and
 - (ii) the equivalent of a UWA weighted average mark of at least 60 per cent;
- or
- (b)
 - (i) a Graduate Diploma in Urban Design, or an equivalent qualification, as recognised by UWA;
- and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

School of Humanities

The School is actively involved in the research and teaching of Classics and Ancient History, European Languages and Studies, History, English and Cultural Studies, Medieval and Early Modern Studies and Philosophy.

The School is committed to the pursuit of intellectual enquiry and the progress of knowledge. Internationally renowned research leaders build the capacity of our graduates so they can critically analyse and develop creative solutions for the challenges faced by society.

Areas of teaching and research strengths include:

- Classics (Latin and Greek) and Ancient History
- English and Cultural Studies
- European Languages and Studies (Italian, French, German and Spanish)
- Gender Studies
- History
- Medieval and Early Modern Studies
- Philosophy

Unless otherwise stated, all courses are held on the Perth campus.

Graduate Certificate in Translation Studies

study.uwa.edu.au/gc/translation-studies

UWA course code: 12220

CRICOS code: 089965M

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$16,550

Course description

This course provides students with foundational knowledge about translation theory and practice and develops skills in translating from and into English and your chosen language. It is a half-year full-time course. The specific language pairs (in both directions) are: English/Chinese, English/French, English/Italian, English/German. The course has been designed by leading translation scholars whose work represents the frontier of translation studies. Students develop useful and versatile communication skills with simulated classroom teaching and laboratory demonstration.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification;
- and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.
- (b) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Diploma in Translation Studies

study.uwa.edu.au/gd/translation-studies

UWA course code: 12320

CRICOS code: 089966K

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$33,100

Course description

This course provides students with a sound understanding of traditional and contemporary translation theory and practice, and exposes students to advanced translation methodologies such as computer-aided translation localisation.

It also equips students with an essential understanding and working knowledge of the ethical standards expected of bilingual professionals. The language pairs in this degree are English/Chinese, English/French, English/German, and English/Italian.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;
- and
- (b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

Master of Translation Studies

study.uwa.edu.au/m/translation-studies

UWA course code: 12520

CRICOS code: 079540G

Duration: 2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$33,100

Course description

The Master of Translation Studies provides advanced translation training to develop your abilities to practise as a bilingual/multilingual professional. The course, taught by practitioners and translation researchers, is approved by the National Accreditation Authority for Translators and Interpreters of Australia (NAATI), making you eligible to apply to the prestigious NAATI accreditation as a Professional Translator.

Specialised translation training is available between English and Chinese, French, German and Italian language pairs in both directions. Chinese interpreting is also available to students in combination with the English/Chinese language pair.*

From 2019, translation training between English and Spanish, Indonesian, Japanese, Korean, Arabic and Russian will also be available.

The course fosters critical thinking, linguistic and analytical skills through frontier translation theories and latest technologies as well as the opportunity for individual supervision of a translation research project. As a result of strong collaboration links with local and national professional organisations and agencies, students are offered practical skills development on a regular basis.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;
- and
- (b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

*Chinese interpreting is available to students in the language pair English/Chinese, provided they have completed 48 points of the Master of Translation Studies, achieving a WAM of 70 per cent.

Master of Arts (Creative Writing)

study.uwa.edu.au/mr/creative-writing

UWA course code: 10710

CRICOS code: 024827C

Duration: 2 years

Intake period: throughout the year

Mode of study: research (thesis and creative work)

2018 tuition fee (per year): AUD\$33,100

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Course description

The course is designed for published creative writers in any genre who seek to advance their academic and creative writing skills.

Requirements

- (a)
- (i) have a bachelor's degree with first class or upper second class honours in creative writing;
- or
- (ii) submit and have approved by the Head of the School of Humanities and the Board of the Graduate Research School a folio of creative writing, at least one third of which has been published by recognised publishers, amounting to between 4000 and 5000 words of prose or the equivalent of poetry or drama as determined by the Head of School;
- and
- (b) submit and have approved by the Head of the School of Humanities and the Board of the Graduate Research School a 2000- to 3000-word critical essay on an aspect of the writer's craft.

Master of Philosophy

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Conservatorium of Music

As one of Australia's leading music schools, we create the future leaders of the arts community. Our postgraduate programs enhance musical skills and knowledge, and prepare students for the next level of their musical careers. Many graduates work as professional musicians, composers and teachers in communities around the world.

The Conservatorium of Music encourages interdisciplinary, interstate and international collaborations, and undertakes presentations, publications, recordings and performances in specialty research areas.

Unless otherwise stated, all courses are held on the Perth campus.

"I came to study at UWA because the School of Music (now known as the Conservatorium of Music) was ranked among the best in the country. It also has a reputation for producing some of the most talented musicians and industry leaders in the country, who represent Australia both nationally and internationally. I knew I wanted to make a big impact in music in Australia and UWA would enable me to pursue this dream. Studying music within a world-class university also enabled me to tinker with my interests in other art forms (English, art history) alongside my music studies. This has made me a more rounded musician, ready for the diverse demands the profession throws at me."

Dr Ashley Smith
Conservatorium of Music graduate and lecturer

Master of Music (Research)

study.uwa.edu.au/mr/music

UWA course code: 10720

CRICOS code: 083361K

Duration: 1 year

Intake period: throughout the year

Mode of study: research (thesis and creative work)

2018 tuition fee (per year): AUD\$33,100

Course description

This specialist degree extends existing skills and experience in musical performance, composition or musicology, both as a professional-level degree and as a platform for doctoral-level study. All candidates produce independent research with the guidance of a supervisor. Performers and composers complement the dissertation component of the course with the production of a recital or portfolio.

Candidates in musicology present for examination a 20,000 to 25,000-word thesis or a transcription and edition of a substantial body of music accompanied by a 10,000 to 12,000-word critical commentary.

Requirements

- (a) to be considered for admission to this course an applicant must have the degree of Bachelor of Music with honours or Bachelor of Arts with honours of this University, or equivalent as recognised by the Board.
- (b) an applicant for the course in composition must undergo a portfolio review and interview.
- (c) an applicant for the course in performance must pass an audition.
- (d) the arrangements for the portfolio review and interview or audition, including the nature, duration and timing, are determined by the Head of the Conservatorium of Music.

Doctor of Musical Arts

study.uwa.edu.au/d/music-arts

UWA course code: 10940

CRICOS code: 059611G

Duration: 3 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$33,100

Course description

This course can be taken in either composition or performance and consists of a combination of thesis and creative work.

Work with world-class supervisors to prepare and present for examination either a portfolio of original compositions in a variety of genres, or two recitals showing professional skill and interpretative ability.

Requirements

- (a) to be considered for admission to the course in composition an applicant must submit a folio of original compositions, the arrangements for which are determined by the Head of the Conservatorium of Music.
- (b) to be considered for admission to the course in performance an applicant must pass an audition, the arrangements for which, including the nature, duration and timing, are determined by the Head of the Conservatorium of Music.

(c) All applicants must undergo an interview with the Head of the Conservatorium of Music or nominee.

(a) and (c) are approved additions to Doctor of Philosophy Rule 2.

Master of Music International Pedagogy

study.uwa.edu.au/m/music-int-pedagogy

UWA course code: 12570, 12550

CRICOS code: not required

Duration: 1.5 years (coursework);

2 years (coursework and dissertation)

Intake period: February

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$29,500

Course description

The Master of Music International Pedagogy is designed to prepare students to be among the most sophisticated scholars, musicians and educators. In their pursuit of excellence, students acquire essential skills and knowledge through the analysis and application of a variety of studies.

The course is delivered predominantly online, with two residential components of two to three weeks' duration to be taken before completion. It is essential that students undertaking this course have access to a community or school-based choir, band, orchestra or other ensemble on a regular basis. It is each student's responsibility to arrange this.

Students undertaking the dissertation are required to complete a research project on an agreed topic.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;
- and
- (b) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major.

Note: This course is only available to international students who are not holding a student visa.

School of Social Sciences

The School of Social Sciences offers a rich learning and research environment focused on the contemporary social and political challenges confronting Australia, Asia and the wider world.

Postgraduate coursework programs have been designed to build knowledge that is valued in the workplace. Areas of teaching and research strengths include:

- Anthropology and Sociology
- Archaeology
- Asian Studies
- Media and Communication
- Linguistics
- Political Science and International Relations

Unless otherwise stated, all courses are held on the Perth campus.

“The Master of International Relations strengthened my career in foreign affairs and diplomacy. The course taught me valuable skills in international affairs including the fundamental frameworks of international relations, consideration for the bigger picture and how to build cogent arguments based on empirical evidence. The international academics and great connections offer a high-quality education for a successful career.”

Kyle Springer
Program Associate, The Perth USAsia Centre

Graduate Diploma in Forensic Anthropology

study.uwa.edu.au/gd/forensic-anthropology

UWA course code: 72380

CRICOS code: 093806C

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,300

Course description

The Graduate Diploma in Forensic Anthropology has been designed specifically to acquaint students with current developments in basic forensic sciences and particularly those medical and social sciences which are of direct relevance to the application to forensic anthropology.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; *or*
- (b) a Graduate Certificate in Forensic Anthropology, or an equivalent qualification, as recognised by UWA.

Master of Forensic Anthropology

study.uwa.edu.au/m/forensic-anthropology

UWA course code: 72580

CRICOS code: 093807B

Duration: 2 years

Intake period: February

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,300

Course description

The Master of Forensic Anthropology has been designed specifically for students to gain knowledge in current developments in forensic sciences and particularly those medical and social sciences which are of direct relevance to the application to forensic anthropology.

Requirements

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;

or

(b) a Graduate Diploma in Forensic Anthropology or an equivalent qualification, as recognised by UWA.

Graduate Certificate in Heritage Studies

study.uwa.edu.au/gc/heritage-studies

UWA course code: 12230

CRICOS code: 083845A

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$15,800

Course description

The Graduate Certificate in Heritage Studies provides a preliminary understanding of heritage conservation and has been designed by heritage professionals within government, museums, universities and heritage agencies.

Those who successfully complete the course may obtain credit towards the Graduate Diploma of Heritage Studies or Master of Heritage Studies.

Requirements

(a)

- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major; or

(b) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Diploma in Heritage Studies

study.uwa.edu.au/gd/heritage-studies

UWA course code: 12330

CRICOS code: 083848J

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$31,600

Course description

The Graduate Diploma in Heritage Studies comprises non-fieldwork units from the Master of Heritage Studies. The advanced course develops the skills of heritage professionals working in government, museums and heritage agencies or graduates who seek a new career in the conservation industry.

Those who successfully complete the diploma may obtain credit towards the Master of Heritage Studies.

Requirements

(a)

- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(b)

- (i) Graduate Certificate in Heritage Studies, or an equivalent qualification, as recognised by UWA; and
- (ii) with the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Heritage Studies

study.uwa.edu.au/m/heritage-studies

UWA course code: 12530

CRICOS code: 083864J

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$31,600

Course description

The Master of Heritage Studies provides an advanced knowledge of heritage protection including legislation, conservation, tourism, development, management, stewardship, presentation, sustainability, ethics and commodification.

Professional placement

You will have the opportunity to undertake a professional placement, study tour or exchange with one of our partner universities overseas.

Requirements

(a)

- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(b)

- (i) a Graduate Certificate in Heritage Studies or Graduate Diploma in Heritage Studies, or

- an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Certificate in International Relations

study.uwa.edu.au/gc/int-relations

UWA course code: 12280

CRICOS code: 069309J

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$16,550

Course description

The course develops your capacity to collect and interpret information, to analyse arguments, policies and developments, and to construct cogent verbal and written arguments on international relations subjects.

Requirements

(a)

- (i) bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major;

or

(b) a level and duration of education, professional experience, and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Diploma in International Relations

study.uwa.edu.au/gd/int-relations

UWA course code: 11380

CRICOS code: 069310E

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$33,100

Course description

The Graduate Diploma in International Relations explores the key realms of international relations theory, global governance, peace and security, political economy, international development, and identity and religion in world politics with opportunities to study regional policies in greater depth.

The Graduate Diploma is an advanced qualification in international relations and upon successful completion can be recognised as credit towards the Master of International Relations.

Requirements

(a)

- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;

or

(b)

- (i) a Graduate Certificate in International Relations, or an equivalent qualification, as recognised by UWA; and
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of International Relations

study.uwa.edu.au/m/int-relations

UWA course code: 11580

CRICOS code: 069311D

Duration: 1.5-2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$33,100

Course description

The Master of International Relations prepares graduates for a rewarding career in foreign affairs and diplomacy, government, international and non-governmental organisations, the media, or in education.

The course offers students the opportunity to study regional politics in greater depth with particular focus on the Asia-Pacific region and Africa.

For those students interested in pursuing a career in academia or education, the course offers an optional dissertation component.

The Master of International Relations is also available as a combined two-year course with the Master of International Law.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
- or
- (b)
- (i) a Graduate Certificate in International Relations or Graduate Diploma in International Relations, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of International Relations and Master of International Law

studyat.uwa.edu.au/m/int-law-int-relations

UWA course code: 21540

CRICOS code: 086296A

Duration: 2-2.5 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$35,200

Course description

The University of Western Australia, through the cross-disciplinary expertise of the Law School and the School of Social Sciences, is providing a one-of-a-kind opportunity for graduates to attain two sought-after qualifications through the combined Master of International Relations and Master of International Law.

Suited to both legal and non-legal professionals, students acquire both qualifications in a shorter time frame than if undertaking them individually through the granting of advanced standing of key relevant units.

Requirements

Applicants must meet the admission requirements for both the Master of International Relations (see page 64) and the Master of International Law (see page 45).

English language requirement: IELTS (Academic) 6.5 for the Master of International Relations and 7.0 for the Master of International Law.

1 Students who complete 48 points of credit towards the Master of International Relations are not required to meet the IELTS of 7.0 for the Master of International Law.

Master of International Development

study.uwa.edu.au/m/int-development

UWA course code: 71550

CRICOS code: 083850D

Duration: 1.5-2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$36,200

Course description

This course aims to provide students with a grounding in international development concepts, theories and approaches. Students are equipped with the analytical and practical skills they need to engage critically in development issues and debates from an interdisciplinary perspective, and to work across broad areas of development policy, research and practice. The course begins with foundational units in development theory and case studies before enabling students to specialise in one of a number of areas, including development policy in practice; politics of development; and economics of development.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

- (a)
- (i) a relevant bachelor's degree, that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; *or*
- (b)
- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent; *and*
 - (iii) at least two years of relevant professional experience related to international development.

Graduate Certificate in Social Research Methods

study.uwa.edu.au/gc/social-res-methods

UWA course code: 12260

CRICOS code: 084022K

Duration: 0.5 years

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$16,550

Course description

Social research methods are vital across a range of careers. The Graduate Certificate introduces key concepts in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course provides you with an understanding of the types of research techniques used in the social sciences. It also covers the range of methodological approaches and ethical considerations. Students also learn how to craft a research project, identify sources of funding and develop funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.

Requirements

- (a)
- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major;
- or
- (b) a level or duration of education, professional experience and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Diploma in Social Research Methods

study.uwa.edu.au/gd/social-res-methods

UWA course code: 12360

CRICOS code: 084023J

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$33,100

Course description

Social research methods are vital across a range of careers. The graduate diploma explores key concepts in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course provides you with a developed understanding of the types of research techniques used in the social sciences from action research, to surveys, to more innovative methods such as photovoice, as well as consideration of ethical issues. Students also learn how to craft a research project, identify sources of funding and develop

funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
- or
- (b)
- (i) a Graduate Certificate in Social Research Methods, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Social Research Methods

study.uwa.edu.au/m/social-res-methods

UWA course code: 12560

CRICOS code: 084024G

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$33,100

Course description

Social research methods are vital across a range of careers. The course offers advanced skills, knowledge and capabilities in social research methods and offers an opportunity to develop skills through practical application relevant to government, community and industry.

The course offers a range of different research techniques used in the social sciences from action research, to surveys, to more innovative methods such as photovoice, as well as consideration of ethical issues. Students also learn how to craft a research project, identify sources of funding and develop funding proposals. Examples of research from a range of disciplines are used to illustrate research strategies.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
- or
- (b)
- (i) a Graduate Certificate in Social Research Methods or Graduate Diploma in Social Research Methods, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Certificate in Strategic Communication

study.uwa.edu.au/gc/strategic-comms

UWA course code: 12240

CRICOS code: 083874G

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$16,550

Course description

The Graduate Certificate in Strategic Communication provides a preliminary overview of the skills, knowledge and capabilities required to participate in the contemporary global communications environment across industry, government agencies and community organisations. You gain skills and understanding relevant to communication strategy development, digital media and organisational communication from a global media perspective.

Requirements

- (a)
- (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a major;
- or
- (b) a level or duration of education, professional experience and/or demonstrable life skills considered by UWA to be sufficient to permit satisfactory completion of the course.

Graduate Diploma in Strategic Communication

study.uwa.edu.au/gd/strategic-comms

UWA course code: 12340

CRICOS code: 083876E

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$33,100

Course description

The Graduate Diploma in Strategic Communication focuses on the advanced skills, knowledge and capabilities required to participate in the contemporary global communications environment in industry, government agencies and community organisations. You develop skills across a range of media relevant to developing sound communication strategy in a global media context.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
- or
- (b)
- (i) a Graduate Certificate in Strategic Communication, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Strategic Communication

study.uwa.edu.au/m/strategic-comms

UWA course code: 12540

CRICOS code: 083878C

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$33,100

Course description

The Master of Strategic Communication provides you with advanced skills, knowledge and capabilities required to participate in the contemporary global communications environment.

Through practical and analytical engagement, you gain advanced skills and in-depth understanding relevant to a broad range of communications and media roles; capabilities in developing effective communication strategies in a global digital media context; and skills in managing communications projects.

Professional placement

The course includes a work placement component where students apply knowledge in industry environments.

Requirements

- (a)
- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 3 units of a relevant major;
- or
- (b)
- (i) a Graduate Certificate in Strategic Communication or Graduate Diploma in Strategic Communication, or an equivalent qualification, as recognised by UWA; *and*
 - (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Master of Philosophy

study.uwa.edu.au/mphil

UWA course code: 00710

CRICOS code: 078217E

Duration: 2 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$34,200

Course description

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

Doctor of Philosophy

study.uwa.edu.au/phd

UWA course code: 00810

CRICOS code: 003320D

Duration: 4 years

Intake period: throughout the year

Mode of study: independent,
supervised research

2018 tuition fee (per year): AUD\$34,200

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

Graduate Certificate in Public Policy

study.uwa.edu.au/gc/public-policy

UWA course code: 42280

CRICOS code: 095760G

Duration: 0.5 years

Intake period: February (full time), July
(part-time only)

Mode of study: coursework

2018 tuition fee: AUD\$18,900

Course description

The Graduate Certificate in Public Policy is designed to give graduate students an understanding of the role of the government in economic activity and public policy decision making. It focuses on how the government interacts with the economy through, for example: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Students who successfully complete the graduate certificate may be eligible to progress into the Master of Public Policy with full credit for completed units.

Requirements

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;

and

(b)

- (i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
- (ii) a valid Graduate Management Admission Test (GMAT) score of at least 550¹; or
- (iii) at least five years of relevant, documented
- (iv) professional experience considered by UWA (following an interview and assessment process) to be sufficient to permit satisfactory completion of the course.

¹ GMAT is valid for five years.

Master of Public Policy

study.uwa.edu.au/m/public-policy

UWA course code: 42580

CRICOS code: 093562G

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework
and dissertation

2018 tuition fee (per year): AUD\$37,800

Course description

This course gives you a multidisciplinary understanding of the role of government in economic activity and public policy decision making. Students undertake a specialisation in either Economics or Public Administration and Governance. The course focuses on how government interacts with the economy and society. Topics include: economic growth, stability, taxation, infrastructure provision, regulation, health, defence, education, and social security. Graduates are equipped for a variety of jobs, including policy analysts and managers in the public sector. You may choose to complete specialisations in Economics or Public Administration and Governance, or both.

Requirements

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;

and

(b)

- (i) the equivalent of a UWA weighted average mark of at least 60 per cent; or
- (ii) a valid Graduate Management Admission Test (GMAT) score of at least 550¹; or
- (iii) at least five years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

¹ GMAT scores are valid for five years.

Master of Research

[handbooks.uwa.edu.au/
master-research](http://handbooks.uwa.edu.au/master-research)

UWA course code: 00720

CRICOS code: 097179D

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$34,200

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Faculty of Engineering and Mathematical Sciences

The Faculty of Engineering and Mathematical Sciences attracts and supports talented teaching and research staff who are committed to innovating in their field. Well established links between the Faculty and industry mean our graduates enjoy excellent career prospects.

Renowned as a leader in high-impact research with very close ties to leading industry groups, the Faculty's research teams benefit from global collaborations and attract significant grants from the nation's peak research funding body, the Australian Research Council (ARC). Two leading offshore oil and gas research groups have secured nearly \$10 million in funding from ARC, as well as a matching contribution of a further \$10 million from over 10 industry partners, which will support new facilities and training centres.

Multimillion dollar investment from industry for key academic positions has enabled the appointment of several Professional Chair positions. The Faculty currently have the CSIRO-UWA Chair in Complex Engineering Systems, The Fugro Chair in Geotechnics, The Shell Chair in Offshore Engineering, as well as Chairs in Engineering Education and Ocean Engineering.

A new infrastructure project, EZONE UWA, will create a unique teaching and learning hub further supporting quality teaching, learning and collaboration to benefit students, researchers and staff in the future.

Unless otherwise stated, all courses are held on the Perth campus.

¹ Courses accredited by Engineers Australia, Institution of Chemical Engineers, Australian Computer Society and The Australasian College of Physical Scientists and Engineers in Medicine

“Most of my colleagues are UWA Engineering graduates. The technical and theoretical knowledge you learn throughout the course really prepares you for the complex challenges and opportunities you face as an engineer in the field. Also UWA’s professional connections, industry reputation and global rankings are fantastic.”

Winnie Zhu

Master of Data Science

study.uwa.edu.au/mds

UWA course code: 62530

CRICOS code: 093310E

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$38,300

Course description

The Master of Data Science provides students with the knowledge and skills to understand and apply appropriate analytical methodologies to transform the way an organisation achieves its objectives; to deal effectively with large data management tasks, to master the statistical and machine learning foundations on which data analytics is built; and to evaluate and communicate the effectiveness of new technologies.

Requirements

- (a) a bachelor's degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent;
and
(b) prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Engineering in Oil and Gas

study.uwa.edu.au/m/oil-gas

UWA course code: 62520

CRICOS code: 083861A

Duration: 1–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,800

Course description

This course is aimed at engineering graduates who are seeking a career in the global oil and gas industry.

The course provides you with industry-relevant, advanced knowledge about technical implementation and leadership in the global oil and gas industry. A particular focus is placed on natural gas, both its extraction and subsequent conversion to liquefied natural gas (LNG).

You also develop skills at a professional level in a range of key areas including petroleum engineering, gas economics, investment strategies and liabilities, work-flow concepts and current production and processing technologies.

Requirements

- An engineering degree, or an equivalent qualification, as recognised by UWA, with the equivalent of a UWA weighted average mark of at least 65 per cent.

The course duration may be reduced to one year for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Information Technology

study.uwa.edu.au/m/info-technology

UWA course code: 62510

CRICOS code: 083866G

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$38,300

Course description

The course is designed for students and professionals who have a tertiary degree and who seek to develop specialist skills in computing and software engineering. It is ideal for students and professionals who wish to change direction or expand their skill set to pursue a career in IT.

Graduates of this course have the knowledge and skills to anticipate the changing direction of IT and evaluate and communicate the effectiveness of new technologies in order to help an organisation achieve its goals and objectives.

The course has a strong emphasis on the application of contemporary and emerging technologies, including cloud and high-performance computing, agile web development and software project design and management.

Requirements

- (a) a bachelor's degree completed with the equivalent of a UWA weighted average mark of at least 65 per cent;
and
(b) prior studies in mathematics equivalent to at least Mathematics Applications ATAR.

The course duration may be reduced to 1.5 years for students who have completed prior studies in a related area. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

Master of Ocean Leadership

study.uwa.edu.au/m/ocean-leadership

UWA course code: 62540

CRICOS code: 096270F

Duration: 2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,800

Course description

The Master of Ocean Leadership provides graduates from a range of fields with ocean-related knowledge and experience across science, engineering, law and environmental management to enable them to strategically address human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

Students will be equipped to work in multi-disciplinary contexts to lead and contribute to effective teams. The course is a multi-disciplinary and highly interactive program, designed to be flexible and challenging for professionals and recent graduates alike. The course will provide up-to-date knowledge about the marine environment, management and governance of the ocean, the use of new technologies in ocean engineering, data analysis and hazards.

Requirements

To be considered for admission to this course an applicant must have—

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent.

Mathematics (055301K)

Physics (003312D)

UWA course code: 00810

Duration: 4 years

Intake period: throughout the year

Mode of study: thesis

2018 tuition fee (per year): AUD\$45,500

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Requirements

Students undertaking a dissertation or thesis as part of a postgraduate course must have acquired adequate research preparation, normally prior to being accepted into the course.

Master of Professional Engineering

study.uwa.edu.au/mpe

UWA course code: 62550

CRICOS code: 081025J

Duration: 2–3 years¹

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,800

Course description

This course is for graduates who have completed undergraduate studies in engineering, mathematics or physics and who want to gain an internationally-recognised qualification to practise as a professional accredited engineer.

The course, designed in consultation with industry, equips you with both outstanding technical and leadership skills and the ability to work creatively as part of a team across the breadth of an engineering challenge in your area of specialisation.

Professional accreditation

The Master of Professional Engineering has been assessed for accreditation by Engineers Australia, the national accrediting body. The Chemical, Civil, Electronic and Electrical, Environmental, Mechanical and Mining Engineering specialisations received full accreditation in 2016–2017.

Our graduates are recognised internationally through the Washington Accord of the International Engineering Alliance. Additionally, the MPE Chemical Engineering specialisation is accredited by the Institute of Chemical Engineers (IChemE) and Software Specialisation has been provisionally accredited by the Australian Computer Society (ACS).

Professional practicum

The Master's program focuses on delivering hands-on industry-related learning. As part of your studies, you will complete a 12-week practicum, with at least eight weeks in an engineering environment. The remaining weeks can be undertaken in a general work environment in a capacity unrelated to your MPE specialisation, such as voluntary work or professional development.

Specialisations

Choose from the following specialisations:

- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Electrical and Electronic Engineering
- Environmental Engineering
- Mechanical Engineering
- Mining Engineering
- Software Engineering

Requirements

- (a) a bachelor's degree with a major in Engineering Science, or an equivalent qualification, as recognised by UWA;¹

or

- (b) a bachelor's degree, completed with the equivalent of a UWA weighted average mark of at least 65 per cent, with prior studies in engineering, physics or mathematics;

or

- (c) completed units in the Master of Professional Engineering Preliminary course at UWA as prescribed by the Faculty.

¹ The course duration will be two to three years for graduates without previous studies in engineering or who are missing required preparation units. Recognition of prior learning and/or application for credit (advanced standing) will be assessed by the University on a case-by-case basis at the time of application.

² Students who commenced Engineering Science from 2015 and who are not in the Direct Pathway are required to achieve a UWA weighted average mark of at least 60 per cent in their bachelor's degree.

Master of Professional Engineering Preliminary

study.uwa.edu.au/mpe-prelim

UWA course code: 60450

CRICOS code: 074100F

Duration: 0.5 – 1.5 years

Intake period: February, July

Mode of study: coursework and dissertation

2018 Tuition fee (per year): AUD\$39,800

Course description

This course will enable you to move into the professionally accredited Master of Professional Engineering on completion if you have a bachelor's degree in a non-engineering area of study (e.g. a Bachelor of Science).

This is a non-award* course which ranges from one semester to 1.5 years of full-time study.

On successful completion of your studies, you may receive a conditional offer for the Master of Professional Engineering. Your course duration could be reduced if you have completed some studies in Engineering, Mathematics, Physics or Computing to an appropriate level within your undergraduate bachelor's degree.

* A non-award course is a program of study which does not lead to a formal award. It may comprise a unit or units of study from an award course and may be counted as credit towards an award course in some cases.

To be considered for admission to this course an applicant must have—

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
and
(b) the equivalent of a UWA weighted average mark of at least 65 per cent;
and
(c) completed Mathematics Methods ATAR, or equivalent, as recognised by UWA.

Master of Physics

study.uwa.edu.au/m/physics

UWA course code: 53560

CRICOS code: 087902J

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

The Master of Physics consists of an equal combination of advanced coursework and a research project and dissertation. The research project is undertaken as part of an internationally recognised research group. You develop a combination of high-level research, analytical and problem-solving skills that are highly valued by industry and government employers.

Specialisations

Choose from the following specialisations:

- Astronomy and Astrophysics
- Computational Physics
- Experimental Physics
- Medical Physics
- Theoretical Physics

Professional accreditation

The Master of Physics – Medical Physics is accredited by The Australasian College of Physical Scientists and Engineers in Medicine (ACPSEM).

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Requirements

(a)

- (i) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent;

or

- (b) a relevant honours degree, or an equivalent qualification, as recognised by UWA.

Note: Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Research

handbooks.uwa.edu.au/master-research

Computer Science (097183G)
Engineering (097190J)
Mathematics (097195D)

UWA course code: 00720

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$45,500

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Faculty of Health and Medical Sciences

The Faculty of Health and Medical Sciences offers courses, training and research opportunities in a wide range of scientific and clinical disciplines to significantly benefit the health of Australian and international communities.

As a research-oriented faculty we encourage the lifelong adaptation and assessment of new theories, treatments and diagnostic techniques that incorporate a holistic approach to the health sciences and a more sensitive interaction with patients.

Areas of research priority are:

- Developmental origins of health and disease
- Aboriginal health
- Genomic medicine (pharmacogenomics and pharmacoepidemiology)
- Management of chronic diseases
- Mental health

Unless otherwise stated, all courses are held on the Perth campus.

1 Times Higher Education World University Rankings

2 Living Nobel Laureate and current UWA researcher

“UWA offers one of the best Doctor of Medicine degrees in Australia in my opinion. The early placements within the health system and the focus on independent learning and research prepare you for when you graduate and enter the field. I wanted to study medicine because I knew it would be a challenging but rewarding career for me.

The world-class facilities available to students have really enhanced my learning during the course. The Clinical Training and Evaluation Centre is one of my highlights. It provides us with medical and surgical skills training, and interactions with leaders in various medical subspecialties.

One of the most enjoyable aspects of the course is the clinical rotations in hospitals with unique opportunities to learn and develop our clinical skills, as well as being organised and effectively communicating in the workplace under the guidance of senior doctors.”

Yogesh Jeelall
Doctor of Medicine

Doctor of Dental Medicine

study.uwa.edu.au/d/dental-medicine

UWA course code: 90860

CRICOS code: 089787B

Duration: 4 years

Intake period: January

Mode of study: coursework

2018 tuition fee (per year): AUD\$78,100

Course description

This professional degree provides suitably qualified graduates with the knowledge and skills to enter the dentistry profession upon completion. Studies cover fundamental dental and medical sciences together with clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry, and child and adolescent dental health. There is early clinical contact from first year.

You actively engage in a research project in the third year, while the final year is occupied by independent but supervised practice which takes place inside and outside the UWA Dental School, with compulsory rural and metropolitan clinical placements.

Requirements

- (1)
 - (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
 - and
 - (b) the equivalent of a UWA grade point average (GPA) of at least 5.5;
 - and
 - (c)
 - (i) a Graduate Medical School Admissions Test (GAMSAT²) overall score of at least 50 and no section score less than 50; or
 - (ii) a Medical College Admission Test (MCAT³) score of at least 123/123/123.
- (2) Invitation to attend the structured interview will be based on equal weightings under (1)(b) and (c), in alignment with the interview quota for the year.
- (3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in dental practitioners and will undergo a manual dexterity skills test.
- (4) Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weighting of the GAMSAT, GPA, interview and rurality ranking for rural applicants.
- (5) Direct Pathway students are exempt from (1)(c).

English language requirement: IELTS (Academic) 7.0 (no band less than 7.0).

Doctor of Dental Medicine (DMD) applications open in March and close on 31 May each year.

The Medical College Admission Test (MCAT)² and the Graduate Australian Medical School Admissions Test³ results must be submitted by 31 May each year. Students who receive the results slightly after this date are to contact the Faculty for eligibility advice.

Successful applicants receive an interview request by email. Interviews in Hong Kong and Singapore usually take place from late July. Perth-based interviews usually take place in August and September.

A supplementary form is required in addition to the standard entry requirements. Visit uwa.edu.au/myapplication for details.

The final ranking of students entering into the Doctor of Dental Medicine (DMD) is based equally on GAMSAT/MCAT, GPA and interview.

Course duration is three years if students complete the Medical Sciences major.

¹ MCAT (Medical College Admission Test) is a standardised, multiple-choice examination, that assesses problem solving, critical thinking, writing skills and knowledge of science concepts and principles. Scores are reported in Verbal Reasoning, Physical Sciences, and Biological Sciences. Applicants require minimum test scores of 123/123/123 and an overall minimum of 492. For more information, visit aamc.org/mcat.

² GAMSAT (Graduate Australian Medical Schools Admissions Test) is held once a year in March and registration for the test usually opens in the preceding October and closes in late January/early February of the application year. GAMSAT scores are valid for two years, therefore if an applicant sits the test two years in a row, they can choose which score to use. Applicants can sit the test from their penultimate year (second last year) of bachelor study. The GAMSAT has three sections: Reasoning in Humanities and Social Sciences, Written Communication, and Reasoning in Biological and Physical Sciences. The third section is double weighted and tests biology and chemistry to about first-year university level and physics to about Australian Year 12 level. For further information on the GAMSAT, visit gamsat.acer.edu.au.

Note: You may be required to submit IELTS upon professional registration.

Graduate Diploma in Forensic Odontology

study.uwa.edu.au/gd/forensic-odontology

UWA course code: 91350

CRICOS code: 058212J

Duration: 1 year

Intake period: February

Mode of study: coursework

2018 tuition fee: AUD\$61,100

Course description

This course is designed for qualified dentists and those with a background in other disciplines who are keen to develop their knowledge and research skills in forensic odontology. The following areas are covered: dealing independently with all routine forensic odontological casework; the efficient referral of cases of special difficulty outside or beyond their expertise; functioning under supervision as a member of a Disaster Victim Identification (DVI) team; the independent preparation of evidence for presentation to courts of law; and being aware of their own need for further education.

Requirements

- (a) a Bachelor of Dental Medicine, or an equivalent qualification, as recognised by UWA;
- and
- (b) at least two years' experience in the practice of general dentistry.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Doctor of Clinical Dentistry

study.uwa.edu.au/d/clinical-dentistry

UWA course code: 90840

CRICOS code: 068911K

Duration: 3 years

Intake period: February, July

Mode of study: clinical master's (extended)

2018 tuition fee (per year): AUD\$65,000

Course description

This course provides training of dentists in one of the following specialty disciplines: Endodontics, Oral Medicine, Oral Pathology, Orthodontics, Paediatric Dentistry, Periodontics or Prosthodontics.

Requirements

- (a) a Bachelor of Dental Medicine, or an equivalent qualification, as recognised by UWA;
- and
- (b) at least two years' professional experience in the practice of general dentistry;
- and
- (c) passed the Primary Examination towards Fellowship in the Royal Australasian College of Dental Surgeons, or equivalent.

English language requirement: IELTS (Academic) 7.0 (no band less than 7.0).

Note: Candidates must be registered with the Dental Board of Australia for the duration of their candidacy.

Doctor of Podiatric Medicine

study.uwa.edu.au/d/podiatric-medicine

UWA course code: 90870

CRICOS code: 075343A

Duration: 3 years

Intake period: January

Mode of study: professional practice master's degree (extended)

2018 tuition fee (per year): AUD\$54,400

Course description

This course is suitable for qualified graduates wishing to enter the podiatry profession. Podiatrists specialise in the diagnosis and treatment of conditions affecting the lower extremity and, in particular, the foot and ankle. Podiatrists are independent practitioners with the right to perform minor foot surgery under local anaesthesia, refer patients for relevant investigative tests and, if endorsed for scheduled medicines by the Podiatry Board of Australia, administer and prescribe a range of medications necessary for the treatment of podiatric conditions.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
- and
- (b) the equivalent of a UWA grade point average of at least 5.0;
- and
- (c)
 - (i) a Graduate Medical School Admissions Test² overall score of at least 50 and no section score less than 50; or
 - (ii) a Medical College Admission Test³ score of 123/123/123/123; or
 - (iii) completed a human biology, animal biology, physiology, pharmacology, genetics or microbiology unit at a tertiary level; and completed a chemistry or biological chemistry unit at a tertiary level.

English language requirement: IELTS (Academic) 7.0 (no band less than 7.0).

Doctor of Podiatric Medicine applications open in March and close late September. Final ranking for the DPM is based on GPA. An interview is not required.

A supplementary form is required in addition to the standard entry requirements. Visit study.uwa.edu.au/d/podiatric-med for details.

¹ MCAT (Medical College Admission Test) is a standardised, multiple-choice examination, that assesses problem solving, critical thinking, writing skills and knowledge of science concepts and principles. Scores are reported in Verbal Reasoning, Physical Sciences, and Biological Sciences. Applicants require minimum test scores of 123/123/123 and an overall minimum of 492. For more information, visit aamc.org/mcat.

² GAMSAT (Graduate Australian Medical Schools Admissions Test) is held once a year in March and registration for the test usually opens in the preceding October and closes in late January/early February of the application year. GAMSAT scores are valid for two years, therefore if an applicant sits the test two years in a row, they can choose which score to use. Applicants can sit the test from their penultimate year (second last year) of bachelor study. The GAMSAT has three sections: Reasoning in Humanities and Social Sciences, Written Communication, and Reasoning in Biological and Physical Sciences. The third section is double weighted and tests biology and chemistry to about first-year university level and physics to about Australian Year 12 level. For further information on the GAMSAT, visit gamsat.acer.edu.au.

Note: You may be required to submit IELTS upon professional registration

Doctor of Podiatric Surgery

study.uwa.edu.au/d/podiatic-surgery

UWA course code: 90830

CRICOS code: 064878E

Duration: 3 years

Intake period: January

Mode of study: clinical master's (extended)

2018 tuition fee (per year): AUD\$54,400

Course description

Qualified podiatrists keen to extend their clinical podiatric medicine knowledge and surgical skills will find this course useful. Training is provided in biostatistics, research methodology, patient-oriented research and theoretical and practical aspects of elective foot surgery. The Podiatry Board of Australia currently accepts the degree for the purposes of registration as a podiatric surgeon.

Requirements

- (a) a Bachelor of Podiatric Medicine, or an equivalent qualification, as recognised by UWA; *and*
- (b) at least one year of relevant professional experience.

Doctor of Podiatry

study.uwa.edu.au/d/podiatry

UWA course code: 90820

CRICOS code: 064876G

Duration: 3 years

Intake period: February

Mode of study: professional doctorate by thesis and coursework

2018 tuition fee (per year): AUD\$55,700

Course description

This is for qualified podiatrists interested in pursuing research that will result in the publication of an original thesis. Topics covered include biostatistics and research methodologies, practical aspects of extended patient care, and patient-oriented research, which includes the ethics and communication of research.

Requirements

- (a) the Bachelor of Podiatric Medicine from this University, or equivalent as recognised by the Faculty; *and*
- (b) at least one year's relevant professional experience.

Doctor of Medicine

study.uwa.edu.au/d/medicine

UWA course code: 90850

CRICOS code: 089788A

Duration: 4 years³

Intake period: January

Mode of study: professional practice doctorate

2018 tuition fee (per year): AUD\$78,100

Course description

The professional practice doctorate is for those who seek to enter the medical profession as a doctor. You will undertake a scholarly activity in one of three streams of research, coursework and/or service learning. This is done simultaneously with the core medical rotations in Internal Medicine, Surgery, Psychiatry, General Practice, Women's and Infants' Health, and Paediatrics and Child Health. Further rotations are taken in Emergency Medicine, Internal Medicine, Surgery, Cancer, Pain and Palliative Care, Anaesthetics, Rural General Practice and an elective.

Requirements

- (1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; *and*
- (b) the equivalent of a UWA grade point average (GPA) of at least 5.5; *and*
- (c) (i) a Graduate Medical School Admissions Test (GAMSAT)² overall score of at least 52 and no section score less than 50; *or*
- (ii) a Medical College Admission Test (MCAT)¹ score of 123/123/123/123.
- (2) Invitation to attend the structured interview will be based on equal weightings under (1)(b) and (c), in alignment with the interview quota for the year.
- (3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in medical practitioners.
- (4) Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GAMSAT/MCAT, GPA and interview for non-rural applicants, and based on equal weighting of the GAMSAT, GPA, interview and rurality ranking for rural applicants.
- (5) Direct Pathway students are exempt from (1)(c).

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0). Must include academic reading and writing modules.

Doctor of Medicine (MD) applications open in March and close on 31 May each year.

The Medical College Admission Test (MCAT)¹ and the Graduate Australian Medical School Admissions Test² results must be submitted by 31 May each year. Students who will receive the results slightly after this date are to contact the Faculty for eligibility advice.

Successful applicants will receive an interview request by email. Interviews in Hong Kong and Singapore usually take place from late July. Perth-based interviews usually take place in August and September.

¹ MCAT (Medical College Admission Test) is a standardised, multiple-choice examination, that assesses problem solving, critical thinking, writing skills and knowledge of science concepts and principles. Scores are reported in Verbal Reasoning, Physical Sciences, and Biological Sciences. Applicants require minimum test scores of 123/123/123/123 and an overall minimum of 492. For more information, visit aamc.org/mcat.

² GAMSAT (Graduate Australian Medical Schools Admissions Test) is held once a year in March and registration for the test usually opens in the preceding October and closes in late January/early February of the application year. GAMSAT scores are valid for two

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

years, therefore if an applicant sits the test two years in a row, they can choose which score to use. Applicants can sit the test from their penultimate year (second last year) of bachelor study. The GAMSAT has three sections: Reasoning in Humanities and Social Sciences, Written Communication, and Reasoning in Biological and Physical Sciences. The third section is double weighted and tests biology and chemistry to about first-year university level and physics to about Australian Year 12 level. For further information on the GAMSAT, visit gamsat.acer.edu.au.

³ Course duration is three years if students complete the Medical Sciences major.

Note: You may be required to submit IELTS upon professional registration.

A supplementary form is required in addition to the standard entry requirements. Visit study.uwa.edu.au/d/medicine for details.

The final ranking of students entering into the Doctor of Medicine (MD) is based equally on GAMSAT/MCAT, GPA and Interview.

Note: If upon graduation from this course you wish to practice medicine in Australia and you have completed your secondary schooling overseas, you will be required to meet the APHRA English requirements for registration purposes. For further details on this requirement refer to the Medical Board of Australia.

Master of Clinical Research

study.uwa.edu.au/mr/clin-research

UWA course code: 90620

CRICOS code: 056098M

Duration: 2 years

Intake period: February, July

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$54,300

Course description

Medicine and Dentistry graduates interested in pursuing research may benefit from this course. It provides training in the practical aspects of patient-oriented research, including the ethics of clinical research and effective communication of clinical research results through the core disciplines of clinical investigation, epidemiology and biostatistics.

Requirements

- (a) a Bachelor of Medicine and Bachelor of Surgery, or an equivalent qualification, as recognised by UWA; *or*
- (b) a Bachelor of Dental Science or Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; *or*
- (c) (i) a Bachelor of Science, or an equivalent qualification, as recognised by UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent.

Graduate Certificate in Emergency Medicine Research

study.uwa.edu.au/gc/emergency-medicine-research

UWA course code: 90240

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$19,150

Course description

This course is taught by experienced emergency and critical care clinicians with extensive research track records, many of whom also have local and national awards for teaching excellence.

The course targets the needs of emergency medicine and critical care trainees and specialists, emergency and critical care nurses, paramedics and other health professionals who seek training in the methods used to undertake sound clinical research. Two core units in this course meet the requirements for the research training requisites of the Australasian College for Emergency Medicine.

Requirements

- (a) a bachelor's degree of this University in a relevant discipline or equivalent as recognised by the Faculty;
and
(b) recent clinical experience in an emergency/critical care/pre-hospital environment is preferred since the content focuses on these areas.

Graduate Certificate in Rural and Remote Medicine

study.uwa.edu.au/gc/rural-remote-med

UWA course code: 90220

CRICOS code: 058921B

Duration: 0.5 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$19,150

Course description

This course is aimed at medical graduates with an interest in rural and remote medicine who wish to pursue a career in research or teaching. As this is a generalist discipline, the range of research topics is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) a Bachelor of Medicine and Bachelor of Surgery, or an equivalent qualification, as recognised by UWA;
and
(b)
(i) completed or be undertaking fellowship training in a primary care or equivalent specialty college; or
(ii) a level of professional rural experience considered by UWA to be sufficient to permit satisfactory completion of the course.

Master of Rural and Remote Medicine

study.uwa.edu.au/m/rural-remote-med

UWA course code: 90680

CRICOS code: 058925J

Duration: 1.5 years

Intake period: February, July

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$51,500

Course description

This course is aimed at medical graduates with an interest in rural and remote medicine who wish to pursue a career in research or teaching. As this is a generalist discipline, the range of research topics is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a)
(i) a Bachelor of Medicine and Bachelor of Surgery, or an equivalent qualification, as recognised by UWA; and
(ii) completed or be completing fellowship training in a primary care or equivalent specialty college; or
(b) a level of prior professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course;
or
(c) completed the Graduate Certificate in Rural and Remote Medicine from this University.

Graduate Certificate in Health Professions Education

study.uwa.edu.au/gc/health-prof-education

UWA course code: 90210

CRICOS code: 058206G

Duration: 0.5 years

Intake period: February

Mode of study: coursework

2018 tuition fee: AUD\$19,150

Course description

This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) a relevant bachelor's degree,¹ or an equivalent qualification, as recognised by UWA;
or
(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course.

English language requirement: IELTS (Academic) 7.0 (no band less than 7.0).

¹ A relevant bachelor's degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor's degree in a health, biomedical or biological sciences-related discipline.

Graduate Diploma in Health Professions Education

study.uwa.edu.au/gd/health-prof-education

UWA course code: 91340

CRICOS code: 058207F

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$38,300

Course description

This course is suitable for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) a relevant bachelor's degree,¹ or an equivalent qualification, as recognised by UWA;
or
(b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
or
(c)
(i) completed the Graduate Certificate in Health Professions Education at UWA
(ii) the equivalent of a UWA weighted average mark of at least 65 per cent in all core units.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

¹ A relevant bachelor's degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor's degree in a health, biomedical or biological sciences-related discipline.

Master of Health Professions Education

or
(b)
(i) a bachelor's degree in a health, biomedical or biological sciences-related discipline, or

- an equivalent qualification, as recognised by UWA; *and*
- (ii) at least one year of relevant professional experience;
- or
- (c)
- (i) completed the Graduate Certificate in Health Professions Education or Graduate Diploma in Health Professions Education at UWA; *and*
- (ii) the equivalent of a UWA weighted average mark of at least 65 per cent in all core units.

English language requirement: IELTS (Academic) 7.0 (no band less than 6.5).

Master of Health Professions Education (research)

study.uwa.edu.au/mr/health-prof-education

UWA course code: 90670

CRICOS code: 058208E

Duration: 1.5 years

Intake period: February

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$38,300

Course description

This course is for health professionals who seek to develop their knowledge and skills in health professional education. Fundamental issues in health professional education are addressed by fostering interdisciplinary discussion and collaboration, while developing knowledge and skills as educators within their field.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) a Bachelor of Medicine and Bachelor of Surgery, or an equivalent qualification, as recognised by UWA
- or
- (b)
- (i) a bachelor's degree in a health, biomedical, or biological sciences-related discipline from this University or another recognised institution; *and*
- (ii) in the case of graduates from a three-year undergraduate degree course, at least one year of professional experience;
- or
- (c) completed the Graduate Certificate in Health Professional/Professions Education from this University with an average mark of at least 70 per cent in all core units.

English language requirement: IELTS (Academic) 7.0 (no band lower than 6.5). Must include academic reading and writing modules.

Graduate Diploma in Infectious Diseases

study.uwa.edu.au/gd/infectious-diseases

UWA course code: 51330

CRICOS code: 058926G

Duration: 1 year

Intake period: February

Mode of study: coursework

2018 tuition fee: AUD\$40,400

Course description

This course is aimed at science-based and medical professionals seeking advanced training in the field of infectious diseases. Topics covered include Medical Microbiology, Tropical Infectious Diseases and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) a relevant bachelor's degree,¹ or an equivalent qualification, as recognised by UWA; *and*
- (b)
- (i) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; *or*
- (ii) at least three years' relevant full-time professional experience; *or*
- (iii) evidence of adequate research outputs.

¹ A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, or a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health and veterinary science).

Master of Infectious Diseases

study.uwa.edu.au/m/infectious-diseases

UWA course code: 52530

CRICOS code: 058929E

Duration: 2 years

Intake period: February

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$40,400

Course description

This course is aimed at science-based and medical professionals seeking advanced training in the field of infectious diseases. Topics covered include Medical Microbiology, Tropical Infectious Diseases and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes and a research project of one or two semesters.

Articulation is available within this study area. For more information, see page 33.

Requirements

- (a) a relevant bachelor's degree,¹ or an equivalent qualification, as recognised by UWA; *and*
- (b)
- (i) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; *or*
- (ii) at least three years' relevant full-time professional experience; *or*
- (iii) evidence of adequate research outputs.

¹ A relevant bachelor's degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, and a bachelor's degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health and veterinary science).

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Master of Infectious Diseases and Doctor of Philosophy

study.uwa.edu.au/mr/infectious-diseases-phd

UWA course code: 01810/52520

CRICOS code: 061839C

Duration: 4 years

Intake period: February

Mode of study: research and coursework

2018 tuition fee (per year): AUD\$40,200

Course description

This course has been developed in response to the international need for advanced training and research in infectious diseases to better prepare medical scientists, medical professionals, the public sector and other groups. Nobel Laureate Professor Barry Marshall is a valued member of staff within the program. This course enables students to receive comprehensive training in infectious diseases through coursework together with high-level research training in a PhD in an area of infectious diseases.

Requirements

- (a) To be considered for admission to this course, an applicant must have met the usual requirements for entry to a PhD course, including demonstrating adequate research preparation by completion of an honours or equivalent course at an acceptable standard, or equivalent research preparation as specified in the rules for entry into a PhD course; *and*
- (b) satisfy the University's English language competence requirements; *and*
- (c) a relevant bachelor's degree (as specified in the rules for entry to the Master of Infectious Diseases course), or an equivalent qualification, as recognised by UWA; *and*
- (d)
- (i) the equivalent of a UWA weighted average mark of at least 60 per cent in the Level 3 units; *or*
- (ii) at least three years of relevant full-time professional experience; *or*
- (iii) evidence of adequate research outputs, as recognised by UWA.

Graduate Certificate in Population Health Studies

study.uwa.edu.au/gc/pop-health

UWA course code: 91230
CRICOS code: 074756K
Duration: 0.5 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee: AUD\$19,150

Course description

This course is designed as a pathway for those who seek to enrol in a Master of Public Health but do not meet the educational requirements. The course allows for maximum flexibility to tailor studies in order to meet your personal or professional interests.

Requirements

- (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA;
 or
 (b) a level and duration of education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
 or
 (c) completed two postgraduate public health (PUBH) units.

Master of Public Health

study.uwa.edu.au/m/public-health.ccd

UWA course code: 91550
CRICOS code: 003032A
Duration: 1.5 years
Intake period: February, July
Mode of study: coursework or coursework and dissertation
2018 tuition fee (per year): AUD\$38,300

Course description

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for current professionals interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Requirements

- (a)
 (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
 (ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA;
 and
 (b) the equivalent of a UWA weighted average mark of at least 60 per cent.

Master of Public Health (coursework)

study.uwa.edu.au/m/public-health

UWA course code: 92550
CRICOS code: 075827C
Duration: 2 years
Intake period: February, July
Mode of study: coursework
2018 tuition fee (per year): AUD\$38,300

Course description

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for current professionals interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Requirements

- (a)
 (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
 (ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA;
 and
 (b) the equivalent of a UWA weighted average mark of at least 60 per cent

Master of Public Health (coursework and dissertation)

study.uwa.edu.au/m/public-health.cd

UWA course code: 92560
CRICOS code: 075828B
Duration: 2 years
Intake period: February, July
Mode of study: coursework and dissertation
2018 tuition fee (per year): AUD\$38,300

Course description

Public Health studies provide a foundation in the disciplines of epidemiology, biostatistics, health economics and health promotion for current professionals interested in moving into a wide range of health-related industries. Studies also focus on the broader social context in which public health programs are planned, delivered and evaluated.

Specialisation

Choose from the following specialisations:

- Practice
- Research Methods

Requirements

- (a)
 (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or
 (ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA;
 and
 (b) the equivalent of a UWA weighted average mark of at least 60 per cent.

Master of Pharmacy

study.uwa.edu.au/m/pharmacy

UWA course code: 51500
CRICOS code: 051547J
Duration: 2 years
Intake period: end of January
Mode of study: coursework
2018 tuition fee: AUD\$47,600

Course description

This course is for those seeking a postgraduate professional qualification in pharmacy for registration as a pharmacist in Australia. Advanced study is offered in the areas of pharmacy practice, clinical pharmacy, pharmaceuticals, medicinal chemistry, pharmacotherapy and health systems, and includes practical training in community and hospital pharmacies.

Requirements

- (1)
 (a)
 (i) a bachelor's degree or an equivalent qualification, as recognised by UWA; and
 (ii) the equivalent of a UWA grade point average (GPA) of at least 5.0;
 and
 (b) demonstrated adequate knowledge of each of the following: Chemistry – Year 12 ATAR Chemistry or a tertiary chemistry unit; Mathematics OR Statistics – Year 12 ATAR Mathematics or a tertiary mathematics or statistics units; Microbiology at the tertiary level; and Pharmacology at the tertiary level; and
 (c) a current Australian National Police Certificate,¹ or equivalent certification, indicating no criminal conviction.
 (2) Invitation to attend the structured interview will be based on (1)(a) and (b), in alignment with the interview quota for the year.
 (3) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in pharmacists.
 (4) Admission will be awarded to the highest ranked applicants under (1), (2) and (3) who fall within the intake quota for that year, based on equal weighting of the GPA and interview.
 (5) Applicants with qualifications from overseas institutions where English is not the medium of instruction must provide evidence of English language competence, with applicants presenting with the IELTS Academic requiring an overall score of at least 7, with no sub-score less than 7.0.
 (6) Applicants whose first language is not English, may be required to provide further evidence of English language competence.

English language requirement: IELTS (Academic) 7.0 (no band less than 7.0).

Applications open in March and close 31 May.

Note: You may be required to submit IELTS upon professional registration.

¹ Currency of a National Police Certificate is 12 months.

Master of Social Work

study.uwa.edu.au/m/social-work

UWA course code: 11550

CRICOS code: 065091K

Duration: 2 years

Intake period: February

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$31,600

Course description

This course is suitable for those with any undergraduate degree who would like to pursue a professional qualification in social work. The course is accredited by the Australian Association of Social Workers (AASW).

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

English language requirement: Upon application IELTS (Academic) score of 7.0 and no band less than 7.0.

Note: Applicants must provide a personal statement.

Master of Philosophy

study.uwa.edu.au/mphil

Dentistry – Biological Sciences (078220K)
Dentistry – Clinical (078219C)¹
Dentistry – Paraclinical Sciences (078222G)
Dentistry – Public Health (078221J)
Medicine – Clinical (078207G)¹
Medicine – Public Health (078203M)
Medicine – Paraclinical Sciences (078204K)
Medicine – Biological Sciences (078208F)

UWA course code: 00710

Duration: 2 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$45,500¹

Course description

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

¹ Dentistry—Clinical (078219C) and Medicine—Clinical (078207G) are AUD\$50,700 per annum as at 2018.

Doctor of Philosophy

study.uwa.edu.au/phd

Dentistry – Biological Science (037147J)
Dentistry – Clinical (037149G)¹
Dentistry – Paraclinical Sciences (037148G)
Dentistry – Public Health (037146K)
Medicine – Biological Sciences (037158F)
Medicine – Clinical (037160A)¹
Medicine – Paraclinical Sciences (037159E)
Medicine – Public Health (037157G)

UWA course code: 00810

Duration: 4 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$45,500¹

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

¹ Dentistry – Clinical (037149G) and Medicine – Clinical (037160A) are AUD\$50,700 per annum as at 2018.

Master of Research

handbooks.uwa.edu.au/master-research

Dentistry – Biological Sciences (097185F)

Medicine – Biological Sciences (097196C)
Medicine – Clinical (097197B)¹
Medicine – Public Health (097199M)
Medicine – Paraclinical Sciences (097198A)

UWA course code: 00720

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year):

AUD\$45,500¹ – \$50,700

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

¹ Dentistry—Clinical (097184G) and Medicine—Clinical (097197B) are AUD\$50,700 per annum as at 2018.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Faculty of Science

As a Faculty of Science student you are part of a community of researchers and fellow students contributing to science that makes a difference.

A UWA Science degree opens the door to a range of careers.

As a Faculty, we focus on bringing about meaningful change for the world and humanity in six key areas:

- feeding the world
- preventing, diagnosing and treating disease
- furthering human knowledge and serving humanity
- harnessing resources and energy for a sustainable future
- restoring and maintaining balance in our natural environment
- optimising physical and mental performance

Unless otherwise stated, all courses are held on the Perth campus.

- 1 For Agriculture and Forestry, Anatomy and Physiology, Exercise and Sports Science (QS World University Rankings by Subject, 2017)
- 2 For Life And Agricultural Sciences (The Academic Ranking Of World Universities, 2016)

A portrait of Dinah Yunitawati, a woman wearing a pink hijab and a black jacket, smiling. She is standing in front of a large window with a patterned glass. The text is overlaid on a white box at the bottom of the image.

"I studied my master's at UWA because the Environmental Science course offered the best combination of theory and field work to advance my knowledge of marine and coastal management.

Because of my studies at UWA, I am better equipped with the skills to develop policy that is based on proven scientific frameworks."

Dinah Yunitawati
Marine Spatial Planner, Ministry of Marine Affairs and Fisheries, Republic of Indonesia
Master of Environmental Science graduate
Home country: Indonesia

Master of Agricultural Economics

study.uwa.edu.au/m/agricultural-economics

UWA course code: 73530

CRICOS code: 089266E

Duration: 2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,300

Course description

The course covers all key elements of agricultural economics with the overall course emphasis on the application of theory to real world circumstances. The core themes include applied economic analysis, policy analysis, and agribusiness management and analysis.

Requirements

A bachelor's degree or equivalent as recognised by UWA.

Minimum course duration: 1.5 years full-time comprising 72 points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Biological Arts

study.uwa.edu.au/m/biological-arts

UWA course code: 71530

CRICOS code: 083855K

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

Explore the artistic elements of science in this unique course that brings together the two distinct disciplines of art and science.

The course is designed for experienced art practitioners, scientists or humanities scholars to explore creative bioresearch and focuses on recent advances in the life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

You have access to scientific laboratories and take both art and science units that include a major project and dissertation.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree in science, arts or fine arts, or an equivalent qualification, as recognised by UWA.

Master of Biological Science

study.uwa.edu.au/m/biological-science

UWA course code: 72520

CRICOS code: 074948B

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

Western Australia is a marine and terrestrial biodiversity hot-spot. Up to 80 per cent of the region's plants, marine fish and invertebrates are unique to the area. This makes WA the ideal living laboratory for studies in biological science. You'll gain an understanding of the molecular evolution, structure, physiology, reproduction, behaviour and ecology of organisms, and the skills to apply this knowledge to the management of natural systems and the species they support.

Specialisations

Choose from the following specialisations:

- Marine Biology
- Conservation Biology
- Zoology
- Ecology

Requirements

To be considered for admission to this course an applicant must have a relevant bachelor's degree that aligns with one of the specialisations of this course or an equivalent qualification, recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Biomedical Science

study.uwa.edu.au/m/biomedical-sci

UWA course code: 71520

CRICOS code: 083856J

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$38,300

Course description

Based in the state-of-the-art AUD\$73 million Bayliss Building, the most advanced biomolecular sciences facility in Western Australia.

This course has an emphasis on cutting-edge research and its translation to healthy living and to clinical diagnosis and treatment of disease. You are able to focus on advancing your knowledge through coursework or research. The program places strong emphasis on developing research literacy.

Specialisations

Choose from the following specialisations:

- Biochemistry and Molecular Biology
- Human Biology
- Neuroscience
- Physiology

Requirements

A bachelor's degree with a major in a biomedical or health science discipline that aligns with one of the specialisations of this course or an equivalent qualification.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 points to complete their degree will receive course advice specifying additional units.

Master of Biotechnology

study.uwa.edu.au/m/biotechnology

UWA course code: 71580

CRICOS code: 083859F

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

Biotechnology is becoming central to food, fibre and chemical production and the development of innovative strategies for environmental protection and stewardship.

This course is unique in Australia as it provides state-of-the-art training in the commercial aspects of biotechnology through direct industry interaction.

Specialisations

Choose from the following specialisations:

- Biochemistry and Molecular Biology
- Environmental Biotechnology
- Genetics and Genomics

Requirements

A bachelor's degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Clinical Audiology

study.uwa.edu.au/m/clin-audiology

UWA course code: 90540

CRICOS code: 033772E

Duration: 2 years

Intake period: January (next intake 2020: every even numbered year)

Mode of study: coursework

2018 tuition fee (per year): AUD\$42,400

Course description

UWA's Master of Clinical Audiology course is one of only six accredited audiology courses in Australia. Hosted by the University's world-renowned Auditory Laboratory, the course offers you the chance to complete audiology research projects and work with highly trained staff with first-hand experience of the latest developments in hearing science. You'll have access to the laboratory, which is one of Australia's leading research institutions in auditory physiology and has established a worldwide reputation for excellence in teaching and research.

Requirements

A bachelor's degree, or equivalent qualification as recognised by UWA and the equivalent of a UWA weighted average mark of at least 65 per cent, taken from the most recent degree of at least one year full-time duration. You must also submit a personal statement as part of the ranking and selection process. You must also obtain a current National Police Certificate, National Criminal History Check or equivalent certification from country of residence, indicating no criminal conviction.

English language requirement: Upon application IELTS (Academic) score of 7.0 and no band less than 7.0.

Applicants presenting with the TOEFL iBT require an overall score of at least 94, a minimum score of 27 in the Writing section, a minimum score of 23 in the Speaking section, and no other sub-score less than 24.

Applicants presenting with the Pearson Test of English (PTE) (Academic) require an overall score of at least 65 and no sub-score less than 65.

The UWA Centre for English Language Teaching (CELT) Bridging Course does not satisfy the English language competency requirements for admission to this course.

Doctor of Philosophy and Master of Clinical Audiology

study.uwa.edu.au/c/clin-audiology

UWA course code: 00840

CRICOS code: 033773D

Duration: 4 years

Intake period: flexible and dependent on candidate's background

Mode of study: combined postgraduate coursework only or thesis only

2018 tuition fee (per year): AUD\$54,300

Course description

The University of Western Australia is the only Australian university that offers a combined PhD and master's degree in audiology that can be completed over four years. Audiology is the clinical science involving the prevention, assessment and rehabilitation of hearing loss and associated communication disorders.

The course develops your knowledge of clinical audiology with structured coursework units and you then have the opportunity to create new knowledge in a preferred research topic with guidance from an expert supervisor during your PhD.

Requirements

(a) an honours degree of at least 2A level, or a qualification recognised as equivalent by the Board of the Graduate Research School (the Board) and the Faculty;

and

(b) satisfied the requirements of Doctor of Philosophy Rule 2 at handbooks.uwa.edu.au/rules/phd/2;

and

(c) a current National Police Certificate, National Criminal History Check or equivalent certification from a country of residence, indicating no criminal conviction.¹

English language requirement: Upon application IELTS (Academic) score of 7.0 and no band less than 7.0.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Applicants presenting with the TOEFL iBT require an overall score of at least 94, a minimum score of 27 in the Writing section, a minimum score of 23 in the Speaking section, and no other sub-score less than 24.

Applicants presenting with the Pearson Test of English (PTE) (Academic) require an overall score of at least 65 and no sub-score less than 65.

The UWA Centre for English Language Teaching (CELT) Bridging Course does not satisfy the English language competency requirements for admission to this course.

¹ The currency of a National Police Certificate or a National Criminal History Check is 12 months.

Master of Clinical Exercise Physiology

study.uwa.edu.au/m/clinical-exercise-physiology

UWA course code: 73520

CRICOS code: 089267D

Duration: 1.5–2 years

Intake period: February

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,300

Course description

Under the guidance of our professional body Exercise and Sports Science Australia (ESSA), Accredited Exercise Physiologists (AEPs) have gained national recognition as allied health professionals with the knowledge and experience to prescribe exercise for people with chronic and complex medical conditions.

Requirements

- (a) a Bachelor of Science with a major in Sport Science and/or Exercise and Health, or equivalent as recognised by UWA; or

or

- (b) a bachelor's degree in physiotherapy from a recognised tertiary institution;

or

- (c) a relevant bachelor's degree in a related field of study from a recognised tertiary institution that included foundation units in the majority of the following subdiscipline areas: biomechanics, motor control and learning, exercise physiology, sport and exercise psychology, human growth and development, and human anatomy.

Applicants who have not completed an ESSA-accredited Exercise Science course must apply to ESSA for a Graduate Entry Assessment within the first semester of study. This will guide the selection of electives. You must also demonstrate a minimum level of English language competence. See study.uwa.edu.au/elc.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Doctor of Philosophy and Master of Clinical Neuropsychology

study.uwa.edu.au/c/clin-neuropsych

UWA course code: 01890/54590

CRICOS code: 077708E

Duration: 4 years

Intake period: February

Mode of study: combined postgraduate (coursework only and thesis only)

2018 tuition fee (per year): AUD\$37,300

Course description

This course produces psychologists who have the necessary academic and practical foundation, skills and experience to develop into competent clinicians grounded in the scientist practitioner tradition. Such clinicians should be skilled at developing therapeutic relationships with their clients and be competent to work productively and to the benefit of a wide range of clients across a broad variety of settings.

The Doctor of Philosophy and Master of Clinical Neuropsychology has been awarded Conditional Accreditation by the Australian Psychology Accreditation Council (APAC).

Requirements

An accredited bachelor's honours degree in psychology with an upper second class honours (2A), or an equivalent qualification, as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

- (a) a satisfactory personal statement, as recognised by UWA;
- and
- (b) two satisfactory referees, as recognised by UWA;
- and
- (c) a *curriculum vitae* summarising relevant occupational and practical experience, as recognised by UWA;
- and
- (d) an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on Rules 4, 5(a), (b) and (c) and the interview quota for that year;
- and
- (e) the intake quota for that year.

Note: Applicants are required to provide additional documents within their application. Visit study.uwa.edu.au/c/clin-neuropsych for details.

Applicants must secure a potential supervisor before submitting an application. Visit science.uwa.edu.au.

English language requirement: IELTS Academic an overall score of at least 7.0 and no band less than 7.0.

TOEFL iBT require an overall score of at least 94, a minimum score of 27 in the Writing section, a minimum score of 23 in the Speaking section, and no other sub-score less than 24.

Pearson Test of English (PTE) (Academic) require an overall score of at least 65 and no sub-score less than 65.

The UWA Centre for English Language Teaching (CELT) Bridging Course does not satisfy the English language competency requirements of this course.

Graduate Diploma in Clinical Psychology

study.uwa.edu.au/gd/clinical-psychology

UWA course code: 53370

CRICOS code: 083847K

Duration: 1 year

Intake period: February

Mode of study: coursework

2018 Tuition fee (per year): AUD\$37,300

Course description

If you're looking to upskill in clinical psychology and you've completed a master's degree or equivalent in clinical neuropsychology and are qualified with the Psychology Board of Australia, this bridging course allows you to do that. You'll be eligible for endorsement as a clinical psychologist with the Psychology Board of Australia and the Australian Health Practitioner Regulation Board (AHPRA).

The diploma will provide you with advanced and broader knowledge in the area of clinical psychology assessment and intervention.

Requirements

- (1) To be considered for admission to this course an applicant must have—
 - (a) an accredited Master of Clinical Neuropsychology, or an accredited Doctor of Psychology (Clinical Neuropsychology), or an equivalent qualification, as recognised by UWA;
 - and
 - (b) a satisfactory personal statement, as recognised by UWA;
 - and
 - (c) two satisfactory referees, as recognised by UWA;
 - and
 - (d) *curriculum vitae* summarising relevant occupational and practical experience, as recognised by UWA.
- (2) Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board's English language registration standard.
- (3) Invitation to attend an interview will be based on assessment of (1) (a), (b), (c), and (d), in alignment with the interview quota for the year.
- (4) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in psychology practitioners.
- (5) Admission will be awarded to the highest ranked applicants under (1) and (4) who fall within the intake quota for that year.

English language requirement: IELTS Academic an overall score of at least 7.0 and no band less than 7.0.

TOEFL iBT require an overall score of at least 94, a minimum score of 27 in the Writing section, a minimum score of 23 in the Speaking section, and no other sub-score less than 24.

Pearson Test of English (PTE) (Academic) require an overall score of at least 65 and no sub-score less than 65.

The UWA Centre for English Language Teaching (CELT) Bridging Course does not satisfy the English language competency requirements of this course.

Doctor of Philosophy and Master of Clinical Psychology

study.uwa.edu.au/c/clin-psych

UWA course code: 01870/54570

CRICOS code: 077710M

Duration: 4 years

Intake period: February

Mode of study: combined postgraduate (coursework only and thesis only)

2018 tuition fee (per year): AUD\$37,300

Course description

You will gain highly developed assessment, intervention, research and evaluation, and communication and interpersonal skills in the area of Clinical Psychology. The skills developed are in line with the essential core capabilities and attributes required by the Australian Psychology Accreditation Council (APAC) and the Australian Psychological Society's (APS) College of Clinical Psychologists, for postgraduate professional courses.

Requirements

To be considered for admission to this course an applicant must have—

- (1) an accredited bachelor's honours degree in psychology with an upper second class Honours (2A), or an equivalent qualification, as recognised by UWA.
- (2) Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia.

Admission rules — ranking and selection

- (3) Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on—
 - (a) a satisfactory personal statement, as recognised by UWA;
 - and
 - (b) two satisfactory referees, as recognised by UWA;
 - and
 - (c) a *curriculum vitae* summarising relevant occupational and practical experience, as recognised by UWA;
 - and
 - (d) an interview where you will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on Rules 4, 5(a), (b) and (c) and the interview quota for that year;
 - and
 - (e) the intake quota for that year.

Note: Applicants are required to provide additional documents within their application. Visit study.uwa.edu.au/c/clin-psych for details.

Applicants must secure a potential supervisor before submitting an application. Visit science.uwa.edu.au.

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

Graduate Diploma in Dental Public and Primary Health

study.uwa.edu.au/gd/dental-public-primary-health

UWA course code: 80330

CRICOS code: 051554K

Duration: 1 year

Intake period: February

Mode of study: coursework

2018 Tuition fee (per year): AUD\$38,300

Course description

The Graduate Diploma in Dental Public and Primary Health is an appropriate program if you wish to undertake an advanced study in dental public and primary health but who do not intend to pursue a specialist career in dental public health.

To be considered for admission to this course an applicant must have—

- (a) a Bachelor of Dental Science, or an equivalent qualification, as recognised by UWA;
- or
- (b)
 - (i) a bachelor's degree containing a significant component of dental health-related coursework, or an equivalent qualification, as recognised by UWA; and
 - (ii) at least two years of relevant experience in public or primary dental health.

Master of Dental Public and Primary Health

study.uwa.edu.au/m/dental-pub-prim-health

UWA course code: 80530

CRICOS code: 051555J

Duration: 2 years

Intake period: February, July

Mode of study: coursework and dissertation

2018 Tuition fee (per year): AUD\$38,300

Course description

The Master of Dental Public and Primary Health is an appropriate course of study if you'd like to pursue a career in dental public and primary health. It fosters the development of critical analysis and research competence, along with the advanced set of knowledge and skills in dental public health that is required by the specialist in that field.

To be considered for admission to this course an applicant must have—

- (a) a Bachelor of Dental Science or Graduate Diploma in Dental Public and Primary Health, or an equivalent qualification, as recognised by UWA;
- or
- (b)
 - (i) a bachelor's degree containing a significant component of dental health-related coursework, or an equivalent qualification, as recognised by UWA; and
 - (ii) at least two years of relevant experience in public or primary dental health.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Master of Ecotourism

study.uwa.edu.au/m/ecotourism

UWA course code: 73510

CRICOS code: 084737G

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$38,300

Course description

You'll gain knowledge and skills needed to participate in the growing ecotourism, or nature-based tourism industry. The course has a strong emphasis on hands-on field work and the development of partnerships with the tourism industry. You will have the ability to manage existing ecotourism enterprises sustainably, design and implement new ventures, and embark on a research career in ecotourism. The variety of subjects studied include ecotourism in theory and practice, understanding biodiversity and landscapes, cultural heritage and Indigenous knowledge, interpretation and science communication, and environmental policy and planning. The environmental and social impacts of ecotourism are explored through selected case studies.

The course is delivered in Albany which is located in the southwestern part of Western Australia. Albany is one of the most environmentally diverse locations in the world and offers an impressive range of outdoor recreational opportunities and tourism partners.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

This course is taught 80% at the UWA Albany campus and 20% at the Perth campus.

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Environmental Science

study.uwa.edu.au/m/enviro-sci

UWA course code: 72530

CRICOS code: 074951G

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$38,300

Course description

The scope and scale of pressures on our environment requires interdisciplinary and innovative solutions to support sustainable development.

Our teaching and research focuses on developing advanced knowledge of how the natural environment responds to human impacts, including air, water, terrestrial and marine ecosystems, and developing unique approaches to improve environmental quality.

Specialisations

Choose from the following specialisations:

- Environmental Management
- Geographic Information Science and Environmental Management
- Land and Water Management
- Marine and Coastal Management

Requirements

To be considered for admission to this course an applicant must have a relevant bachelor's degree that aligns with one of the specialisations of this course or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Exercise Science

study.uwa.edu.au/m/exercise-sci

UWA course code: 52510

CRICOS code: 064927A

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

The Master of Exercise Science is designed for graduates who seek advanced knowledge in one of the sub-discipline areas within exercise science.

Specialisations

Choose from the following specialisations:

- Sport and Exercise Science
- Sport and Recreation Management

The Sport and Exercise Science specialisation offers a choice of units within biomechanics; motor control and learning; exercise physiology and biochemistry; health behaviour; performance psychology and exercise rehabilitation.

The Sport and Recreation Management specialisation includes core and elective units from both the UWA Business School and Faculty of Science.

Requirements

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA;

or

(b) a Graduate Diploma in Exercise Rehabilitation, a Graduate Diploma in Sport and Recreation Management, or a Graduate Diploma in Work, Health and Safety, or an equivalent qualification.

Note: Students may apply to undertake a research project within this degree upon meeting additional requirements.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Exercise Science (thesis and coursework)

study.uwa.edu.au/mr/exercise-sci

UWA course code: 51610

CRICOS code: 064926B

Duration: 1 year

Intake period: February, July

Mode of study: thesis and coursework

2018 tuition fee: AUD\$39,300

Course description

This course enables advanced study or research majoring in one of the sub-discipline areas within exercise science with particular emphasis on movement science, biomechanics, exercise physiology, motor learning, pedagogy, health and sport psychology. A range of units are offered to accommodate students from differing backgrounds while also permitting specialisation in the above sub-disciplinary areas within the field of exercise science. Research comprises over 66 per cent of the course.

Requirements

(a) a relevant bachelor's degree of this University with first class or second class honours with an average mark of at least 70 per cent, or equivalent, as recognised by UWA;

or

(b) a relevant Graduate Diploma in Science of this University with a research component of at least 50 per cent of the course with an average mark of at least 70 per cent in both the research and coursework components of the graduate diploma, or equivalent, as recognised by UWA.

UWA may accept an applicant who has completed the Graduate Diploma in Education with an average mark of 70 per cent provided that the applicant's proposed thesis topic relates to pedagogy.

Master of Geographic Information Science

study.uwa.edu.au/m/geo-info-sci

UWA course code: 71570

CRICOS code: 083877D

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

You'll develop technical and research skills applicable to a range of disciplines relying on the use of spatial analytic techniques. It's a grounding in both theory and application, equipping you with the skills necessary to compete in the spatial industry. The course covers applications of geographic information systems (GIS) and remote sensing technologies, cartography and geovisualisation, and spatial programming. You'll graduate competent in advanced GIS computing skills, GIS and remote sensing operations, and implementation and management of GIS projects.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree upon completion of additional requirements.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Geoscience

study.uwa.edu.au/m/geoscience

UWA course code: 72550

CRICOS code: 074954D

Duration: 2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

Geoscience focuses on all aspects of Earth materials, history and evolution including geology, geophysics, geochemistry and geobiology. This course provides advanced study in a wide variety of topics to enable you to develop advanced geoscience skills and understanding.

As the majority of Australia's mineral and petroleum resources are found in Western Australia, UWA is in a prime location for students to strengthen their geoscientific knowledge and skills in gathering and interpreting geological information for a wide range of application.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree with a geology major, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project in the second year of this course.

Master of Health Science

study.uwa.edu.au/m/health-sci

UWA course code: 71540

CRICOS code: 083862M

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework

2018 tuition fee: AUD\$37,300

Course description

This master's course encompasses a range of health disciplines that underpin advances crucial to human health and wellbeing. It provides you with a unique combination of the three key platforms: public health, advanced study in a related science discipline, and an industry internship.

You can specialise in:

- Exercise and Health
- Human Biology
- Neuroscience

You nominate a specialisation on application.

Requirements

To be considered for admission to this course an applicant must have a bachelor's degree with a major in a biomedical or health science discipline that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA.

Note: Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Hydrogeology

study.uwa.edu.au/m/hydrogeology

UWA course code: 72540

CRICOS code: 074963C

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee: AUD\$39,300

Course description

Hydrogeology investigates the chemical, physical and biological processes that operate in groundwater systems.

This course will develop your understanding of these complex and dynamic processes and impacts of human activity and environmental change on groundwater systems.

Requirements

To be considered for admission to this course an applicant must have a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree upon completion of additional requirements.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study related to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Industrial and Organisational Psychology

study.uwa.edu.au/m/indust-org-psych

UWA course code: 53580

CRICOS code: 077549D

Duration: 2 years

Intake period: February

Mode of study: coursework and dissertation

2018 tuition fee (per year): AUD\$37,300

Course description

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces with the aim of improving organisational effectiveness and the quality of work life. You will develop expert, specialised skills in industrial and organisational psychology. You'll learn to review, analyse, consolidate and synthesise knowledge and provide solutions to complex problems.

Requirements

To be considered for admission to this course an applicant must have an accredited bachelor's honours degree in psychology with an upper second class Honours (2A), or an equivalent qualification as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board's English language registration standard.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

- a satisfactory personal statement, as recognised by UWA; and
- two satisfactory referees, as recognised by UWA; and
- a *curriculum vitae* summarising relevant occupational and practical experience, as recognised by UWA; and
- an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on their personal statement, referees, *curriculum vitae* and the interview quota for that year; and
- the intake quota for that year.

Note: Applicants are required to provide additional documents within their application. Visit studyat.uwa.edu.au/m/indust-org-psych for details.

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

English language requirement: IELTS Academic require an overall score of at least 7.0 and no band less than 7.0.

TOEFL iBT require an overall score of at least 94, a minimum score of 27 in the Writing section, a minimum score of 23 in the Speaking section, and no other sub-score less than 24.

Pearson Test of English (PTE) (Academic) require an overall score of at least 65 and no sub-score less than 65.

The UWA Centre for English Language Teaching (CELT) Bridging Course does not satisfy the English language competency requirements of this course.

Doctor of Philosophy and Master of Industrial and Organisational Psychology

study.uwa.edu.au/m/indust-org-psych-phd

UWA course code: 01880/54580

CRICOS code: 077709D

Duration: 4 years

Intake period: February

Mode of study: coursework only and thesis only

2018 tuition fee (per year): AUD\$37,300

Course description

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces with the aim of improving organisational effectiveness and the quality of work life. You will develop expert, specialised skills in industrial and organisational psychology.

Requirements

To be considered for admission to this course an applicant must have:

- a PhD proposal approved by the Board of the Graduate Research School; or
- an accredited bachelor's honours degree in psychology with an upper second class Honours (2A), or an equivalent qualification, as recognised by UWA.

Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on:

- (a) a satisfactory personal statement, as recognised by UWA;
 and
 (b) two satisfactory referees, as recognised by UWA;
 and
 (c) a *curriculum vitae* summarising relevant occupational and practical experience, as recognised by UWA;
 and
 (d) an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology with invitation to attend the interview based on (a), (b) and (c) and the interview quota for that year;
 and
 (e) the intake quota for that year.

Note: Applicants are required to provide additional documents within their application. Visit study.uwa.edu.au/c/indust-org-psych for details.

Applicants must secure a potential supervisor before submitting an application. Visit science.uwa.edu.au.

English language requirement: IELTS (Academic) 7.0 (no band lower than 7.0).

Applicants must meet the UWA minimum English language competency and the Psychology Board of Australia IELTS requirements.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

- ¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.
² Students requiring more than 72 credit points will receive course advice specifying additional units.

Master of Petroleum Geoscience

study.uwa.edu.au/m/petroleum-geoscience

UWA course code: 73540

CRICOS code: 093309J

Duration: 2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

This course aims to develop graduates with advanced skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and petroleum geoscience.

You'll have the opportunity to use the latest digital technology to develop advanced skills in the analysis of geoscientific data and constructing 3D models.

Requirements

- (a) a relevant bachelor's degree or equivalent as recognised by UWA;
 or
 (b) a bachelor's degree with a geology major or an equivalent qualification, as recognised by UWA.

Master of Philosophy

study.uwa.edu.au/mphil
science.uwa.edu.au

Agricultural Economics, Plant and Soil Sciences (078215G)
 Animal Science (078216F)
 Geology and Physical Geography (078211M)
 Human and Behavioural (078472A)
 Physical and Biological (078205J)
 Human and Social Geography (078209E)
 Paramedical (078214G)

UWA course code: 00710

Duration: 2 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$45,500

Course description

This is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available, and is assessed solely on the basis of a thesis.

Doctor of Philosophy

study.uwa.edu.au/phd
science.uwa.edu.au

Agricultural Economics, Plant and Soil Science (024816F)
 Animal Science (024818D)
 Geology and Physical Geography (013797F)
 Human and Behavioural (003310F)
 Human and Social Geography (058936F)
 Physical and Biological (003312D)
 Paramedical (003311E)

UWA course code: 00810

Duration: 4 years

Intake period: throughout the year

Mode of study: research

2018 tuition fee (per year): AUD\$45,500

Course description

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis and is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

The Faculty of Science offers research students a wide variety of research opportunities. Visit science.uwa.edu.au for details.

Master of Research

handbooks.uwa.edu.au/master-research

Agricultural Economics, Plant and Soil Science (097178E)
 Animal Science (097181K)
 Biological and Physical Science (097182J)
 Geology and Physical Geography (097191G)
 Human and Behavioural (097192G)
 Human and Social Geography (097193F)
 Paramedical (097200A)

UWA course code: 00720

Duration: 2 years

Intake period: January

Mode of study: thesis

2018 Tuition fee (per year): AUD\$45,500

Course description

The Master of Research is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision is available and is assessed solely on the basis of a thesis. It is a highly flexible course that mirrors the structure and breadth of the Master of Philosophy.

The Master of Research is only open to students who are currently enrolled in an Honours degree in Australian universities.

Master of International Development

study.uwa.edu.au/m/int-development

UWA course code: 71550

CRICOS code: 083850D

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$36,200

Course description

The Master of International Development engages you with the contemporary challenges of addressing poverty and inequality globally through an emphasis on empirical evidence, real-world case studies, and debates.

You develop the knowledge and skills to approach practical and policy challenges in a wide range of contexts by drawing on expertise from development geographers, political scientists, resource economists and development practitioners.

Specialisations

Choose from the following specialisations:

- Economics of Development
- Development in Practice
- Politics of Development

Requirements

- (a) a relevant bachelor's degree, that aligns with one of the specialisations of this course, or an equivalent qualification, as recognised by UWA; and
 the equivalent of a UWA weighted average mark of at least 65 per cent;

or

- (b) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 (i) the equivalent of a UWA weighted average mark of at least 65 per cent; and
 (ii) at least two years of relevant professional experience related to international development.

Master of Science

study.uwa.edu.au/mr/science

UWA course code: 70630

CRICOS code: 058945E

Duration: 1 year

Intake period: February, July

Mode of study: thesis and coursework

2018 tuition fee (per year): AUD\$39,300

Course description

The Master of Science (thesis and coursework) is a research degree where you select one of the following discipline areas; Agriculture and Environment, Biological Sciences, Earth Sciences, Human Sciences, Molecular Sciences and Psychological Science.

You will gain advanced knowledge in their chosen area of study, through independent research and coursework units that include a literature review/proposal unit and an advanced coursework unit.

Requirements

A Bachelor of Science (Honours) with first class or upper second class honours, or an equivalent qualification, as recognised by UWA and secured a supervisor and research topic in the area of study.

This course is taught 90% at the Perth campus and 10% at the Albany campus.

Master of Science Communication

study.uwa.edu.au/m/sci-comms

UWA course code: 51580

CRICOS code: 061841J

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$37,300

Course description

You'll learn principles of effective science communication, develop practical skills necessary for effective science communication, and design strategies that address communication needs of groups such as government organisations, informal museums, science centres and research centres. You will gain an understanding of the theory underlying the discipline and be able to apply your knowledge to a research project.

Requirements

A bachelor's degree in science, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.¹

Maximum course duration: Two years full-time comprising 96 points of taught units.²

¹ Students with a bachelor's degree or major in an area of study which is cognate (related) to their specialisations may be granted up to 24 points credit in recognition of prior learning.

² Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Sport and Recreation Management

study.uwa.edu.au/gd/sport-recreation-management

UWA course code: 51390

CRICOS code: 069308K

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$39,300

Course description

Become a well-rounded sports and recreation professional with this diploma which equips you with the skills to succeed in this vibrant industry.

The course is primarily focused on sports and recreation units, but you also gain knowledge across accounting, marketing, management, human resources and psychology, so you become a career-ready graduate.

Requirements

- (a) a bachelor's degree with a major in Sport Science or Exercise and Health, or an equivalent qualification, as recognised by UWA;
- or
- (b)
- (i) a bachelor's degree, or an equivalent qualification; *and*
 - (ii) at least two years of full-time relevant professional experience.

Master of Urban and Regional Planning

study.uwa.edu.au/m/urban-reg-planning

UWA course code: 72560

CRICOS code: 074960F

Duration: 1.5–2 years

Intake period: February

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$39,300

Course description

Ranked in the world's top one per cent and first in Western Australia.¹

Urban and regional planners are responsible for ensuring that cities, towns and regions have vibrant economies and communities, provide for a high quality of life, and are environmentally sustainable. To achieve this, planners need a good understanding of the way in which societies, economies and environments operate and interact. This course develops students' knowledge of concepts and methods, in urban and regional planning and their ability to apply research skills to planning issues.

Requirements

A relevant bachelor's degree, or an equivalent qualification, as recognised by UWA.

Note: Students may apply to undertake a research project within this degree.

Minimum course duration: 1.5 years full-time comprising 72 credit points of taught units and 24 points of admission credit.²

English language requirements

Unless otherwise specified, IELTS (Academic) overall score minimum of 6.5, no band less than 6.0 (must include Academic Reading and Writing modules). However, our English language requirements vary across courses. For the most up-to-date information visit study.uwa.edu.au/elc.

Maximum course duration: Two years full-time comprising 96 points of taught units.³

- ¹ 2017 Academic Ranking of World Universities (ARWU)
- ² Students with a bachelor's degree or major in an area of study which is cognate (related) may be granted up to 24 points credit in recognition of prior learning.
- ³ Students requiring more than 72 credit points will receive course advice specifying additional units.

Graduate Diploma in Work Health and Safety

study.uwa.edu.au/gd/work-health-safety

UWA course code: 52330

CRICOS code: 073533M

Duration: 1 year

Intake period: February, July

Mode of study: coursework

2018 tuition fee (per year): AUD\$37,300

Course description

Develop your knowledge in Work Health and Safety (WHS) including the scientific, behavioural, legal and business aspects. The course informs you of the science behind policy and practice and provides you with the opportunity to participate in work health and safety initiatives with a practicum component.

The Graduate Diploma in Work Health and Safety meets the requirements for professional membership across a number of organisations.

Requirements

- (a) a Bachelor of Science, Bachelor of Engineering, or Bachelor of Medicine and Bachelor of Surgery or an equivalent qualification, as recognised by UWA;
- or
- a bachelor's degree, or an equivalent qualification, as recognised by UWA; and at least two years of full-time relevant professional experience; *and*
- (b) completed Chemistry ATAR and Physics ATAR, or equivalent, as recognised by UWA.

Master of Work Health and Safety

study.uwa.edu.au/m/work-health-safety

UWA course code: 74530

CRICOS code: 093380B

Duration: 1.5–2 years

Intake period: February, July

Mode of study: coursework or coursework and dissertation

2018 tuition fee (per year): AUD\$37,300

Course description

This course focuses on developing knowledge and skills in the area of Work Health and Safety (WHS). Specifically, the scientific, behavioural, legal and business aspects of WHS are addressed with sufficient content to satisfy the requisite knowledge for professional membership in a number of organisations.

Requirements

- (a) a Bachelor of Science with a major in Sport Science and/or Exercise and Health, or equivalent as recognised by UWA;
or
- (b) a bachelor's degree in a related field of study, as recognised by UWA, that included foundation units in at least two of the following subdiscipline areas: motor control, exercise physiology, functional anatomy, psychology, chemistry, physics (Chemistry ATAR and Physics ATAR also accepted);
or
- (c)
 - (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
 - (ii) at least two years of full-time relevant professional experience.

UWA online and multimode coursework degrees

The following programs are available to candidates who are applying to study while continuing to live overseas. The mode of delivery for these degrees is mainly online, though several include a residential component. Students are required to attend short-term intensive classes and are responsible for arranging their own travel and visa. International student visas are not available for these courses.

These programs are not available to those entering Australia on an international student visa. Postgraduate study online and through multimode programs can only be undertaken by coursework.

For detailed course information visit study.uwa.edu.au.

Graduate Certificate in Adult Sleep Science

study.uwa.edu.au/gc/adult-sleep-science

UWA course code: 51210

Duration: 0.5 years

Intake period: February full-time or July part-time

Mode of study: coursework; online and residential

2017 tuition fee: AUD\$13,950

Course description

This course provides you with an understanding of sleep and circadian biology and the skills to use sophisticated equipment and instrumentation in order to perform laboratory-based and portable sleep studies as well as apply different protocols to sleep monitoring and perform basic scoring and analysis of sleep studies. Online and laboratory-based units are used to synthesise knowledge and ensure translation of this knowledge into practical competencies.

Two online units are completed in the first semester. You need to be in Perth for two weeks in June/July to complete the intensive practical component of this course.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; or
- (b) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; and
- (c) a current National Police Certificate¹, or equivalent certification, indicating no criminal conviction.

¹ Currency of National Police Certificate is 12 months.

Graduate Diploma in Sleep Science

studyat.uwa.edu.au/gd/sleep-science

UWA course code: 52320

Duration: 1 year

Intake period: February full-time or July part-time

Mode of study: coursework; online and residential

2017 tuition fee: AUD\$27,900

Course description

The Graduate Diploma in Sleep Science provides advanced competencies for a sleep technologist, based on a higher order of theoretical content than the certificate. The course provides you with advanced practical skills in sleep scoring and application of therapies for sleep disorders and practical skills in management of a sleep laboratory.

The Graduate Diploma in Sleep Science articulates with the Graduate Certificate in Adult Sleep Science. Those who hold the Graduate Certificate in Paediatric Sleep Science are required to take an additional unit in Adult Sleep Science.

The course comprises eight units—four units from the Graduate Certificate in Adult Sleep Science, and four units designed to provide advanced competencies for a sleep technologist.

Each online unit, consisting of six modules, can be completed over a 12-week period in either the first or second half of the year. Four practical units are delivered by a combination of online and practical work, each consisting of three modules.

You must be in Perth to attend the practical components of these units delivered over two two-week periods, one in June/July and one in November/December. The intensive practical units provide you with hands-on experience in a sleep laboratory in order to synthesise knowledge and ensure translation of the theoretical.

Requirements

- (a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and
- (b) a current National Police Certificate, or equivalent certification, indicating no criminal conviction.¹

¹ Currency of National Police Certificate is 12 months.

Graduate Diploma in Dental Sleep Medicine

studyat.uwa.edu.au/gd/dental-sleep-medicine

UWA course code: 52340

Duration: two years part-time (usual) or one year full-time

Intake period: February, July

Mode of study: coursework; online

2017 tuition fee: AUD\$39,300

Course description

This course is specifically aimed at providing dental practitioners with formal training in sleep medicine to complement clinical training in the use of oral devices used in the treatment of sleep apnoea. In addition to theoretical knowledge, you assess and report the progress of actual cases.

Although this course is completely online, you are assumed to have access to a sleep laboratory or clinic near your home or practice, where you can develop a relationship with a local respiratory physician or dedicated sleep physician who can act as a mentor as well as facilitate sleep laboratory visits. The usual mode of study is part-time to enable you to continue with your clinical practice while studying.

You complete eight units involving both the study of sleep and the treatment of sleep disorders.

Requirements

- (a) a Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA;
- (b) at least two years of relevant, documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
- (c) applicants must be registered to practice dentistry, which can be demonstrated by;
 - (i) registration on the Australian Health Practitioner Registration Agency website; or
 - (ii) satisfactory documentation showing registration with an international accreditation body, as recognised by UWA.

English language requirements

English entry requirements for coursework courses

Qualification Equivalents	UWA Requirements
All India Examination (CBSE) or Indian School Certificate (CISCE)	English language components with a minimum grade B2 (CBSE) or 60% (CISCE)
Australian Year 12	A pass in acceptable English/English Literature subject
Foundation programs – Go8 universities	An appropriate pass in the English paper of a Go8 foundation program
GCE A-level	Minimum grade in E in English language, English Literature or English Language and Literature
GCE AS-level (General Paper)	Minimum grade C awarded by CIE
GCE A-level (Singapore-Cambridge)	Minimum grade E in Knowledge and Inquiry Minimum grade C in General Paper
CGE O-level (GCSE and IGCSE)	Minimum grade C/C6 in English, English Language, English (First Language) or English Literature Minimum grade A in IGCSE English as a Second Language, with grade one (1) in Oral/Aural Communication
German Abitur	Minimum grade 3, in conjunction with a minimum grade B in DAAD (German Academic Exchange Service) Certificate of Language Proficiency test
Hong Kong Diploma of Secondary Education (HKDSE)	Core English Language, minimum level 4 Literature in English elective, minimum level 3
IELTS (Academic)	Overall minimum score of 6.5, no band lower than 6.0
International Baccalaureate Diploma (IB)	English A1 at SL; minimum score 4, or at HL; minimum score 3 English A2 at SL; minimum score 4, or at HL; minimum score 3 English B at HL; minimum score 5 English A: Literature at SL; minimum score 4, or at HL; minimum score 3 English A: Language and Literature at SL; minimum score 4, or at HL; minimum score 3 Literature and Performance (SL); minimum score 4
Norwegian Vitnemål	Minimum grade 4 in the English component
Pearsons Test of English (PTE) (Academic)	An overall score of 64 with a minimum score of 59 in the speaking and writing sections, and no less than 54 in the other sections ¹
TOEFL	Internet-based TOEFL (iBT): an overall score of 82 or above with a minimum score of 22 in writing, 18 in reading, 20 in speaking and 20 in listening

For a full list of the University's English language requirements, refer to study.uwa.edu.au/elc.
Results are valid for two years only. A higher level of English is required for some courses.

Help with English language skills

UWA Centre for English Language Teaching (UWA CELT)

UWA CELT offers accredited English Language Intensive Courses for Overseas Students (ELICOS) programs in General English and English for Academic Purposes, as well as preparation for IELTS as an internationally recognised examination.

Academic English and Study Skills Bridging Course (Bridging Course)

The Bridging Course has been designed for international students who wish to study at UWA but do not have the University's required level of English proficiency. The course is also suitable for students with unconditional entry into UWA who would like to further develop their language ability, study and research skills and confidence before commencing tertiary study.

A 70 per cent pass in the Bridging Course meets the University's English language requirement for most undergraduate and postgraduate courses, although some postgraduate courses have a higher English language requirement.

The University offers a choice of English language programs through the Centre for English Language Teaching (UWA CELT) to prepare international students for tertiary academic study.

celt.uwa.edu.au
+61 8 6488 3539

Bridging Course minimum entry requirements

Requirements	20-week program	10-week program
IELTS	5.5 with no band score below 5.0	6.0 with no band score below 5.5 ¹
Internet-based TOEFL	58 with a minimum score of 18 in the writing section, 16 in the speaking section and 12 in the listening and reading sections	70 with a minimum score of 20 in the writing section, 19 in the speaking section, 17 in the listening section and 14 in the reading section
Cambridge First Certificate in English	Minimum score of 60 and borderline for each skill	Minimum score of 75 and good for each skill
Pearson Test of English (Academic)	Overall score of 49 with no individual score below 42	Overall score of 54 with no individual score below 54
UWA CELT General English	Upper-intermediate with a minimum of 70% (no individual skill below 60%)	Pre-advanced with a minimum of 69% (no individual skill below 65%)
UWA CELT English for Academic Purposes	Minimum of 60% (no individual skill below 55%)	Minimum of 65% (no individual skill below 60%)

¹ If entry requirements for tertiary courses are higher than 6.5 and nothing below 6.0, then entry into the 10-week Bridging Course will be no less than 0.5 lower for each individual band and for the overall score. Please refer to the UWA CELT website for further information: celt.uwa.edu.au/courses/pathways.

How to apply

Applicants are expected to have completed an undergraduate degree at an approved university and undertaken adequate preparation for the degree for which they are applying. For PhD admission requirements see page 80.

Coursework

1

Apply online

Submit an online application to study.uwa.edu.au/how-to-apply/lodging-your-application that includes all necessary documentation specified in the admission requirements of your course. For admission requirements details visit study.uwa.edu.au/how-to-apply.

or

- Submit your application through a UWA overseas representative in your country. A complete list of representatives can be found at study.uwa.edu.au/international-agents.
- UWA assesses your application, and if successful, you will receive a letter of offer to study at UWA via email.

Research

1

Contact the Higher Degree by Research (HDR) support team in the most appropriate faculty to help identify your potential supervisor:

Faculty of Arts, Business, Law and Education

Email: hdr-fable@uwa.edu.au

Faculty of Engineering and Mathematical Sciences

Email: hdr-ems@uwa.edu.au

Faculty of Health and Medical Sciences

Email: hdrenquiries-fhms@uwa.edu.au

Faculty of Science

Email: hdr-enquiry-science@uwa.edu.au

Read the profiles of our Research Leaders, who may be potential supervisors at

research.uwa.edu.au/fellows.

Prepare your research proposal:

Prepare a brief outline (maximum 250 words) of your proposed area of study to discuss with a prospective supervisor.

Discuss your resources: Find out what resources are available to you as a postgraduate research student, as these vary depending on the school in which you enrol. Be informed. There is useful information online for future research students, including how to prepare a research proposal. Visit study.uwa.edu.au/research/becoming-a-research-student.

Lodge an application

Submit an application to the respective HDR support team in the faculty or to an authorised UWA representative. This should include:

- a completed research application form, which is available at study.uwa.edu.au/how-to-apply/lodging-your-application.
- all certified documents as listed on the application form
- a brief outline (maximum 250 words) of your proposed research project.
- Successful applicants are sent an offer package electronically, including a letter of offer, acceptance documents and other documents if appropriate. You should allow six to eight weeks for your application to be processed. For information on applying for a research scholarship, see page 21.

2

Accept your offer

On receipt of your offer letter email click the accept button to be taken to UWA Accept where you can accept your offer. The first thing you need to do is activate your UWA Student account before you can login and accept your offer. You may be required to submit scans or clear photos of any requested documents, agree to the terms and conditions of studying at UWA and then make your first payment

(Overseas Student Healthcare Cover for the duration of your course and first semester of tuition fees). If you are a sponsored student submitting proof of sponsorship will satisfy the payment requirement. For more information on how to apply to UWA directly, visit study.uwa.edu.au or study.uwa.edu.au/international-agents.

3

Confirm your enrolment

When UWA confirms all submitted documents are correct, you have met the English Language Competency requirements for your course and your first payment has been received, you will be issued a Confirmation of Enrolment (CoE) package that contains a letter of welcome including links to our pre-departure and on-campus accommodation guides and a Confirmation of Enrolment.

uwa.edu.au/accept

4

Flights and visa

You are required to make your own travel and student visa arrangements. UWA's overseas representatives can help with these arrangements if you need any additional advice or assistance. In some countries, student visas may be obtained electronically. Visit homeaffairs.gov.au.

PhD/MPhil admission requirements

Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available.

Applicants are required to demonstrate that they have met the requirements of the University Policy on Adequate Research Preparation and any other requirements for admission of the University, *and*

- (a) have a bachelor's degree of this University or equivalent qualification; *or*
- (b)
 - (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree; *and*
 - (ii) have completed an appropriate PhD/MPhil research proposal.

A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books.

Prior to enrolment, all applicants are required to demonstrate that they have met the University's English language requirements.
