

Predicted Results Form

Assured Pathway to Medicine/Dentistry/Pharmacy/Podiatry for *international* applicants completing secondary education

NOTE FOR APPLICANTS

- This form is for use by international students who wish to apply for the Assured Pathways to the MD, DMD, DPM and/or MPharm courses at UWA commencing 2022, and are in their secondary school final year.
- This form authorises your school to send an indication of your academic performance directly to UWA's Health and Medical Sciences Admissions team.
- This form is not required for applicants who have completed secondary school and are able to submit their final results as part of their application.
- Applicants who submit their application by the due date will be assessed for interview eligibility based on their valid ISAT score and whether they are expected to meet or exceed the minimum academic threshold of an ATAR (or equivalent) of 96 for Medicine and Dentistry applicants, and 94 for Pharmacy and Podiatry applicants.
- Applicants who will not receive their final result during the course offer period may receive an Assured Pathway conditional offer with the **condition that their actual result is close to or higher than their predicted result.**
- Page two of this form must be signed by the school Principal or their authorised representative.
- **A clear scan of the completed form** must be submitted to UWA's Health and Medical Sciences Admissions Team with your application or via email meddentadmissions@uwa.edu.au **no later than 11.59pm, Monday 31 May 2021** (Australian Western Standard Time).
