| Title and brief description                           | EDUCM566 Higher Education: Navigating the Future. Explore the future of higher education with our advanced micro-credential. This course delves into the impact of AI, geopolitical tensions, and climate challenges on education policies. Through interactive discussions, gain a forward-thinking vision and understand how these pressing issues are reshaping the future landscape of higher education globally.                                       |
| Certified learning                                    | (1) identify global and local changes, challenges, and crises that could impact the future of higher education and (2) propose a vision of the future of higher education, informed by a newfound understanding of its present and past.                                                                                                                                                                                                                    |
| How learner participated                              | Online only                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Effort required (indicative)                          | 75 hours. This micro-credential will require a weekly commitment of 2-4 hours per week. All sessions will be recorded if participants cannot attend live. Weekly learning activities include a) online lectures, seminars, and workshops; and b) readings; watching/listening podcasts, webinar content, speeches, and media clips. At the end of this course, participants are required to complete a research essay of a selected higher education topic. |
| Main assessment task                                  | Application of multiple skills to complex problems                                                                                                                                                                                                                                                                                                                                                                                                          |
| Indicative equivalent level                           | Postgraduate                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Industry recognition                                  | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Quality assurance                                     | The quality of UWA Plus micro-credentials is assured through The University of Western Australia's standards and academic integrity processes.                                                                                                                                                                                                                                                                                                              |
| Successful learner earns PD Points for conversion to: | 3                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| . Admission to an award course                        | No                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| . Credit towards an award course                      | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| . If yes, how much credit?                            | Credit is less than one unit                                                                                                                                                                                                                                                                                                                                                                                                                                |
