General Principles

Commonwealth supported students and domestic fee paying students generally must be able to complete the requirements of their course of study without the imposition of fees that are additional to student contribution amounts or tuition fees except in the following circumstances:

- **NE:** Non-Essential; “For goods or services that are not essential to the course of study”
- **AF:** Alternative Forms; “For alternative forms of access to a good or service that is an essential component of the course of study, but is otherwise made readily available at no additional charge by the University”
- **FP:** Fine or Penalty; “The fee is a fine or penalty, provided it is imposed principally as a disincentive and not in order to raise revenue or cover administrative costs”
- **TP:** Third Party; “For a service imposed and charged by a third party (for example): first aid certificates/CPR, criminal record checks or immunisation costs”
- **EG (a), (b), (c) or (d):** Essential Goods, “For an essential good or service the student has the choice of acquiring from a supplier other than the University and is for:
 - (a) equipment or items that become the physical property of the student and that are not consumed during the course of study and have some value in use after graduation; or
 - (b) food and accommodation costs associated with the provision of field trips in Western Australia that are outside the metropolitan area that form part of the study; or
 - (c) food, travel and accommodation costs associated with the provision of field trips that are within the metropolitan area, interstate or overseas; or
 - (d) food, travel and accommodation costs associated with study abroad.
