

CREATING THE NEXT GENERATION OF GLOBAL LEADERS THROUGH EXPERIENCE-RICH EDUCATION AND WORLD-LEADING, TRUSTWORTHY RESEARCH.

Mission

To provide world-class education, research and community engagement for the advancement of the prosperity and welfare of our communities.

Vision

Creating the next generation of global leaders through experience-rich education and world-leading, trustworthy research.

Motto

Seek Wisdom

Our promise

As a university we will:

- prepare our students to be globally relevant and responsible leaders
- enable and promote trustworthy and influential research
- build just and equitable societies
- work closely with our communities to improve our environment
- recognise and value Indigenous peoples' rights, knowledge, culture and values.

Values

Excellence

We consistently pursue the highest levels of achievement, creating the best outcomes possible.

Integrity

We are honest and ethical and show respect for, and appreciate, each other, our partners and our communities — valuing our differences.

Innovation

We are constantly, and creatively, improving and adapting.

Collaboration

We share our collective intelligence to achieve more.

Equity

We are committed to providing everyone at UWA equality of opportunity, experience and outcome.

Defining characteristics

RELEVANT

Be relevant to the communities and regions we serve

INFLUENTIAL

Be the catalyst of social and technical change

JUST AND EQUITABLE

Bring a fresh humanity to education

OPEN

Actively engage and lead beyond borders

UWA Grand Challenges

The world's very best minds should be focused on the key issues facing humanity. UWA will use our world-class teaching and research capabilities to address these challenges – giving our students and staff exciting opportunities to play a role in leadership and research that is crucial to the future of our planet and its people.

Our pioneering Grand Challenges approach will unite our staff, students and communities, provide a focus for our teaching and research ambitions, and embody our mission to advance 'the prosperity and welfare of our communities.'

Measures of success

Through our Grand Challenges we will contribute to real-world change through producing:

- discussion papers
- policy consultations and submissions
- government reports
- international workshops
- student-led change projects
- national action plans

UWA 2030 Pillars

	EDUCATION	RESEARCH AND INNOVATION	GLOBAL PARTNERSHIPS AND ENGAGEMENT	SUSTAINABLE ENVIRONMENTS	PEOPLE AND CULTURE
VISION	A UWA education will empower students to create the best possible future for themselves and, through their leadership, others. We will be globally acclaimed for our stimulating curriculum built on social responsibility, experience-rich learning and cutting-edge research.	As one of the world's elite, research-intensive universities, we will be known for our trusted, reproducible, transformative, open research and accessible data. We will be recognised for leading teams in resolving real-world challenges that are critical to the planet and its people.	As an authoritative global leader in education, and cross-disciplinary and translatable research, we will forge and nurture strong, deep partnerships that reinforce our position as the fulcrum of the Indian Ocean Rim.	We will be recognised as a vibrant, sustainable and connected hub that blends our heritage with our future and welcomes our partners, the community and the wider world.	UWA will be a remarkable place to work, attracting and retaining world-class staff from diverse backgrounds who want to build careers, drive change, provide leadership and create opportunities at an institution renowned for its excellence.

	EDUCATION	RESEARCH AND INNOVATION	GLOBAL PARTNERSHIPS AND ENGAGEMENT	SUSTAINABLE ENVIRONMENTS	PEOPLE AND CULTURE
PRIORITIES	<ol style="list-style-type: none"> 1. Ceaselessly drive innovation in our curriculum to create unique and globally relevant educational experiences. 2. Exploit the potential of disruptive digital technology to positively transform the student experience. 3. Broaden the variety of courses we offer and the diversity of students we attract. 	<ol style="list-style-type: none"> 1. Focus our research on resolving the world's Grand Challenges to improve lives and our environment. 2. Engage in research that is digitally driven and data-intensive. 3. Be the world leader in open, accessible and trusted research. 	<ol style="list-style-type: none"> 1. Be the pre-eminent academic leader in the Indian Ocean Rim. 2. Build deeper and broader partnerships with industry, governments and not-for-profits to inform and translate our research. 3. Engage openly and ensure our research benefits the widest possible range of communities. 	<ol style="list-style-type: none"> 1. Establish modern and fully integrated physical and digital environments that foster world-leading education and research, and reflect our Indigenous and shared history. 2. Embed sustainability and fair-trade principles into the developmental and operational activities of the campus. 3. Create new opportunities for collaboration, co-location and connectivity. 	<ol style="list-style-type: none"> 1. Build a workforce with the capabilities to deliver the objectives of UWA 2030 and develop leadership to motivate and engage colleagues to succeed. 2. Foster a high performance culture that is values-led, collaborative and open, and that embraces diversity. 3. Encourage innovation and development through high-quality training, recognition and reward.

“We are proud to be developing the next generation of globally relevant and responsible leaders, promoting trustworthy research that improves lives, and equipping our students through an experience-oriented and values-led curriculum to enable them to lead a positive impact on society.”

Professor Dawn Freshwater
Vice-Chancellor
